The billionaire and his son want me back novel

Chapter 151

Brittany had repeatedly called Julian , who initially brushed her o being busy .

hadnt been able to contact ntact Dominick or his assistant .

Eventually, he stopped answering her calls altogether.

Chapter 151 Meanwhile , the Sullivan family wasnt faring much better .

The Sullivan familys contract with the Vanderbilt family was nearing its renewal deadline, and the next quarters agreement had yet to be signed.

Ever since they were kicked out of the hospital during their last visit to see Paul , they

In previous years , the Vanderbilt Groups project manager would proactively reach out to nalize the contracts .

But this time, there had been no word.

When Gregory tried reaching out , he was met with vague replies , saying they were waiting for instructions from above .

And instructions from above could only mean Dominick .

It wasnt just the Sullivan family facing setbacks .

Brittany was dealing with her own problems .

First , the male and female lead actors , as well as other supporting cast members ,

abruptly quit her drama project , causing production to grind to a hah .

As the lead actress , Brittany became the target of ridicule online .

To prove herself, the urgently needed the drama to resume production.

The projects arent progressing, and Brittanys show isnt moving forward either,

The projects we handle for the Vanderbilt Group are all low level ones .

Then whats going on? We cant just keep waiting like this.

The Sullivan family had made a lot of money recently, thanks to Dominicks generosity.
