

The billionaire and his son want me back novel

Chapter 195

Chapter 195 Surely a biological mother wouldnt do something like that , Dominick murmured .

He could understand the Sullivan parents favoritism toward Brittany , but he couldnt believe they would abandon their own child .

Compared to Paisley , Brittany had spent much more time with the Sullivan family .

But Paisley was their biological daughter .

How could her biological mother have deliberately abandoned her ? A mother who could treat an adopted daughter as her own wouldnt possibly throw away her biological daughter .

Dominick had listened to Gregorys explanation yesterday .

He believed there must have been some misunderstanding between Paisley and her biological parents a lack of communication .

It reminded him of the way things had been between him and Paisley back then .

But after learning from his p past mistakes , he didnt dare act rashly and upset Paisley again .

That was why he came to ask Emery for advice .

What do you know ! Emery said firmly , her hatred for the Sullivan family no less than her disdain for Dominick .

Do you know what Paisleys so- called mother said to her ? Emery glared at Dominick She said , Why did you come back ! Why didnt you just die out there ? Tell me , is that something a mother should say to her child Emerys words reminded Dominick of what had happened yesterday at the hotel , when Christina had thrown a large bowl at Paisley without hesitation .

If he hadnt stepped in , the plate would have hit Paisley Just then , Emerys phone rang .

She glanced at the caller ID it was Paisley .

Hold on .

Let me take this , Emery said , covering the phone so Dominick couldnt see who was calling .

She walked briskly into her of ce .

Hey , sweetie , lets have lunch together , Paisley said as soon as Emery answered .

After what had happened yesterday , Paisley had received a call early this morning from Gary , asking her to come to the set to discuss what to do Brittany was de nitely getting replaced .

But since her casting had already been announced publicly , nding a new actress willing to step in at this stage was proving to be a challenge .

The once smoothly running production had been completely disrupted by Brittany , and now everything had to start over .

Feeling upset , Paisley thought a lunch with Emery might help her decompress .

But something about Emerys voice seemed off .

She didnt respond right away , and Paisley could hear her running before she nally answered , Hoary , let me tell you Before Emery could Enish , Christinas hysterical voice rang out , loud enough to ll Paisleys Why is it so noisy ? Is someone arguing ? Emery asked over the phone , clearly irritated by the noise .

Yeah , Ill talk to you later , Paisley replied , casually placing her phone on the table , assuming Emery would hang up .

She didnt bother checking Just as she was about to go see what was happening , Christina and Brittany appeared in front of her .

Paisley , did you instruct these people to block Brittany ? Shes the lead actress in this production ! Christinas voice was sharp and grating , her face full of hostility .

Brittanys face was pale with anger .

As the lead actress , shed never been stopped anywhere on set before , but just now someone had dared to block her Paisley , no matter what .

Im still the lead actress in this production .

I signed a contract Brittany declared indignantly .

Facing these two , Paisley remained calm .

She looked at Brittany and said , The production team has already contacted legal counsel .

Youll receive a contract termination notice sGOIL This is a breach of contract Brittany protested angrily .

She had worked so hard to secure the lead role .

Didnt you read the contract when you signed it ? There are a few exemption clauses , and they apply perfectly to you .

But even if they didnt , and we had to pay the breach penalty , Id cover the cost myself .

You Brittanys voice broke as tears streamed down her face .

She raised her voice even higher .

Why are you always against me ? 1/2 3:50 PM Chapter 195 Because I cant stand you .

Paisley replied bluntly , making no effort to hide her disdain .

Paisley ! Christina couldnt bear to see Brittany upset .

She glared at Paisley , about to launch into a tirade , but then her calculating eyes ickered with an idea Fine .

Brittany can step away from this role , Christina said .

Mom ! Brittany protested .

Christina patted her hand , signaling her to stay quiet .

Turning back to Paisley , she said , But heres the deal : since you and Dominick are divorced , instead of letting other women bene t , why not help Brittany and him get together ?
