Chapter 196 Shes your sister , after all , and would technically be Graysons aunt .

If she marries Dominick , you wont have to worry about your son being mistreated by a stepmother .

At that moment , Dominick overheard everything through Emerys phone on speaker .

He frowned deeply .

Meanwhile , back on set , Paisley felt like she had just heard the most absurd joke of her life .

She tilted her head and let out a derisive laugh .

What are you saying ? I dont understand a word of int Christinas eyes widened , her gold earrings trembling with her fury .

Dont play dumb with me ! What , do you still want to get back together with Dominick !

Are you that desperate to steal your sisters chance at marriage ? Paisley felt it was impossible to communicate with Christina .

How could she be her mother ? First , Dominick and I are divorced .

Whether he remarries or not has nothing to do with me .

Second , if Brittany wants to marry Dominick , she can try seducing him herself .

Leave me out of it .

Dominicks face grew even darker at Paisleys words , but Emery was quietly amused , hiding her laughter behind her hand .

However , Christina wasnt convinced .

She thought Paisleys words were just excuses .

Paisley , how can you be so sel sh ! I regret it now back when you were born.

I should have killed you while I had the chance! Though Paisley had heard similar words from Christina many times before , this time it hit differently .

Christinas expression was lled with a hatred so strong it seemed she wanted to tear Paisley apart .

It felt like a stab to the heart Her biological mother had once considered killing her as a newborn , Her hands trembled uncontrollably at her sides .

She used to think that her parents lack of love stemmed from her disappearance at age three .

For over a decade .

Brittany had lled the void left by Paisleys absence , and her parents had poured all their love into Brittany .

Thats why they favored Brittany so much .

It turned out the truth was not what Paisley had thought all along .

From the moment she was born , she had been unloved by her mother , who even once tried to strangle her .

This shocking revelation shattered Paisleys worldview .

Get out , she muttered under her breath , trembling uncontrollably .

What did you just say Christina didnt catch her words and responded sharply .

I said grout Stay away from me ! Leave ! Paisley snapped , completely losing control as she grabbed whatever was within reach and hurled it at Christina and Brittany .

You ungrateful girl , you dare tre treat me like this ? Christina shouted , dodging while still cursing Paisley .

Ah ! Mom , shes gone mad ! Brittany screamed as Paisleys phone hit her , causing her to cry out in pain .

Christina quickly shielded Brittany , yelling , Paisley , you better die out there somewhere ! Dont ever think about stepping back into the Sullivan familys house ! It wasnt until Gary called security that Christina and Brittany were nally dragged away .

Even as they were being pushed out , Christinas curses could still be faintly heard in the distance , Ms.

Vaire , are you okay ! Gary as had thrown Your phones broken rasked , deeply concerned but unsure how to comfort Paisley .

Instead , he quietly began picking up the items Paisley Cary said as he picked up her now shattered and blacked out phone .

He cautiously handed it to her .

Paisley lowered her head , taking a moment to steady her breathing .

After a few seconds , she regained her composure , took the broken phone from Garys hand , and muttered , Sorry , I I cant keep working right now I pred She trailed off , unsure of what she even wanted to do .

Gary nodded quickly .

Of course , no problem .
