Paisleys personality could be deceptive .

On the other end of the line , Gregory hesitated .

But over the phone , all she could hear was him taking a deep breath before continuing with the same polite tone .

Paisy , did you see the Instagram post ? asked Gregory carefully I saw it , she replied .

Gregorys tone became a little higher , Paisy , since you saw it , you should know that I truly realize my mistakes .

Ive already asked Brittany to leave the Sullivan family .

You step down .

If you do that , Ill forgive you You Gregory was taken aback .

He knew that to earn Paisleys forgiveness , hed have to pay a price , which was why he posted such a statement online .

But he hadnt expected Paisley to go straight for the company .

Paisy , youre my daughter .

When I get older , this company will eventually be yours .

Theres no need to rush .

Paisley sneered , Hows that for sincerity ? You want me to forgive you ! Do you think a simple statement can erase the past ? Mr.

Sullivan , youre dreaming With that , she hung up the phone , not wanting to waste any more time with Gregory .

As for Sullivan Group , she had no interest in that failing company .

A business that was rotten from the core wasnt worth anything She logged into her Instagram account , saw the statement Gregory had tagged her in , and reposted it with a comment : [Not me .

Im not a Sullivan] With Nions sharp reply , the internet was once again lled with mockery .

But this time , the target of the ridicule wasnt just Brittany , but both Brittany and Sullivan Group .

Back at the old house , Brittany watched the escalating ridicule online and wished she could crawl through the internet and strangle everyone who was commenting .

She was nished .

This morning , she received a call from her agent , telling her that the company had decided to temporarily shelve her career and wouldnt be giving her any more resources or opportunities for the time being .

This meant that she wouldnt even be able to take minor roles in online dramas .
