

The billionaire and his son want me back novel

Chapter 200

Chapter 200 Stop pretending ! Brittany thought Christina was being hypocritical .

Paisley is now a well known screenwriter and the ex wife of Dominick .

Youve got a powerful daughter now .

Why do you still need me ? Christina lovingly pulled Brittany into her arms .

Brittany , no matter what happens , you will always be my daughter .

I wont abandon you .

So , are you letting me stay here ! Is this even a place for people to live ? Brittany looked around at the old house in disdain , worried that cockroaches might crawl out from the walls and bite her while she slept .

Christina fel helpless too , Gregory was simply cold blooded Hed kicked Brittany out without hesitation , and after that , he had also reclaimed the secondary credit card hed given Brittany .

For years .

Brittany had lived like a princess .

When she ran out of money , shed just ask Gregory for more , or spend on his credit card .

She never saved up any money .

The small web dramas and gigs shed done didnt earn much either .

She spent money extravagantly , and in the end , had nothing left .

Christinas situation wasnt much better .

In the Sullivan family , she had lived hand to mouth .

However , she was smarter than that .

Shed invested most of her money in gold and silver jewelry , hoping to keep them as dowries for Brittany in the future .

Neither of them had ever expected things to tum out this way .

Now , out of desperation , Christina had to bring Brittany back to the old house left by her parents before she got married .

Britany , just hang in there .

Once I sell the jewelry , we can get you a better place to live .

For now , Christina could only comfort Brittany cautiously .

Once she calmed down , Brittany realized that without the Sullivan familys support , the only person she could rely on was Christina , who hadnt abandoned her .

So , she cried and threw herself into Christinas arms , Mom , Im so miserable , everyone online is criticizing me Dont attention to those things online .

Itll be okay , Im here for you Mom , do you think I have no future ? The worse things got for her , the more Christina would feel sorry for her .

She wanted Christina to feel sorry for her Christina immediately denied .

Of course not .

Ill help you , dont worry .

No one can bully you ! While speaking #Christina glanced at Brittanys phone screen , at Nions Instagram pro le , her eyes ashing coldly .

Achoo ! While Paisley was focused on rewriting the script , she suddenly felt a chill down her spine .

Youre not catching a cold , are you ? Lucy placed a cup of coffee next to Paisley .

Maybe you should skip the coffee and have some herbal tea Paisley smiled slightly .

Sometimes , she felt like Lucy was m more health conscious than she was .

Time , just my nose e got a bit itchy Lucy mischievously looked at her .

Do you think Dominicks still thinking about getting back together with you ? Honestly , ignoring Dominicks character , his physique and appearance werent bad at all .

Paisley really had a hot ex husband .

Paisley shot Lucy an annoyed look .

She suddenly remembered that it was the weekend , and Serena wasnt going to kindergarten today .

She had promised that she would take her out to play .

But because of the tight schedule with the crew , she had to cancel .

When she left this morning , Serena had been upset , pouting so much that it seemed like she could hang a boule of oil on her lips .

Paisley wondered if she was still upset nOW Thinking of this , Paisley fell into deep gullt .

Little did she know , Serena was having a blast at that moment .
