

## The billionaire and his son want me back novel

### Chapter 202

Chapter 202 The kite soared into the air again , and Serena happily chased after it .

Lately , shes really into bunny themed clothes , and she kept asking Paisley to buy her a few different colors .

Today , she was wearing a soft pink one with big bunny ears , which bobbed up and down as she ran .

While running , she got so excited that she wasnt paying attention to where she was going .

She clumsily tripped over her own feet and fell onto the grass Fortunately , the grass here was soft , and she didnt hit the ground directly .

Serena lay on the ground , her thoughts racing .

She was deciding whether to get up on her own or wait for an adult to come pick her up .

If she got up by herself , Max and Maria would praise her .

But if she waited for them to pick her up , she could take the chance to act cute and ask for something yummy .

As she was debating whether to get praise or snacks , she suddenly felt lighter .

She was being picked up .

Just as she was about to act pitiful and ask for comfort , her big , round eyes froze in surprise .

It was not Maria or Max who picked her up , but a scary looking man .

Serena blinked , clearly reluctant .

She didnt want to act cute with Dominick .

He had that stern face , which scared her.

Its a shame that he was actually very handsome .

Dominick looked down at Serena , his brow furrowed .

Why were you running so fast ? Did it hurt ? Serena pouted , her eyes looking at Dominicks stern face , and she felt like crying .

Wheres your mom ? Why did she let you run around by yourself ? Dominick scolded .

Paisley was so irresponsible , letting such a small child run around like that while she was nowhere to be seen .

When Max walked over , he saw Serena being held by a tall man .

The mans face was stern , and Serena was on the tears , looking like she might cry any second .

Maxs gaze darkened , and he quickly walked over , reaching out to take Serena .

Dominick noticed someone coming over and instinctively moved his body to block Serena , then looked coldly at Max .

Seeing that it was a stranger , his expression grew even more serious .

Who are you ? he asked coldly .

Max met his cold gaze and responded , I should be asking you , why are you holding someone elses child ? Dominicks eyes widened , his voice slightly trembling .

Is this cd yours ? Why else would I come ? Max reached out to Serena , calling , Rena , come here .

Wanting to get out of Dominicks arms , Serena eagerly reached but her little hands and tried to wiggle her way to Max .

Dominick saw how Serena reacted .

She clearly knew him , otherwise , she wouldnt be so eager .

He finally let go , allowing Max to take her Max furrowed his brow , looking at Dominick before softly asking Serena , who looked so pitiful in his arms , Rena , do you know him ?

Serena nodded .

Yeah , hes a scary man .

Hes Graysons dad .

Max looked over in the direction Serena was pointing , and sure enough , he saw a boy about six or seven years old , followed by a young woman .

So , they knew each other .

Max relaxed a little and gave Dominick a slight nod .

Thank you , I wont interrupt your family time .

With that , he turned and walked away , holding Serena in his arms .

Dominick watched the man walk away with Paisleys daughter .

Max asked her as they walked , Did it hurt ? Do you still want to fly the kite ? Do you want to go get something yummy ? It wasnt until Paisleys nanny came over and said something to Max that she took the kite and followed him as they all left .

Dominick continued to watch them , his gaze following the three of them as they left the grassy area .

Two cars were parked on the side of the road , with a few bodyguard like figures standing by .

When they saw Max and Serena , they opened the car doors .

Max climbed into one of the cars with Serena , and once the car slowly drove off , Dominick finally took his eyes off them .
