Chapter 207 At rst, Maria thought it was a friend Serena knew, but when she saw it was that little ingrate, she immediately lost her good. mood. Just then, another woman approached, pulling Grayson away with a look of disgust.

Sonny, what are you doing here? You shouldnt be in places like this.

Youll get sick from the food .

Marias face turned even darker with that remark: Yeah, better take your little boy away before the air here makes him sick . Hearing Marias sarcastic tone, Claire showed even more disdain.

Lets go, Sonny, the driver is waiting for us.

Grayson shook his head, refusing to leave. I want to eat here .

No , the food here isnt clean , Claire insisted .

In truth, if Grayson had wanted to eat here from the start, she would have agreed. But now, seeing that middle aged womans sarcastic face, she stubbornly refused to let Grayson stay.

Graysons stubbornness surfaced, and he yanked Claires hand away. I said Im eating here, so I am. If you dont listen to me, I have Grandma re you .

That statement hit Claire like a blow. She knew Lauren would always do anything Grayson asked. If Grayson spoke up.

Lauren would de nitely re her .

Claires face sti ened, but she had no choice but to agree, Fine, then. Grayson happily sat down next to Serena. Claire glanced at Maria, then chose to sit alone at the table next door. After sitting down, Grayson looked around but couldnt spot Paisley anywhere. Where is she? he asked Serena. Although he had already started calling Paisley Mom, he couldnt bring himself to say it in front of Serena.

Who? Serena asked, confused. Grayson hesitated for a few seconds, then replied awkwardly, Your mom. Serena had been in a good mood until then , but upon hearing Grayson ask about her mother, her little face fell again. I havent seen Mom in days . In reality, Paisley had been coming home every night, but by the time she arrived,

Serena was already asleep . In the mornings, when Paisley left, Serena was still asleep. Grayson felt a bit disappointed, as he had hoped to see her. But at the same time, a part of him felstrangely happy deep inside. It turned out that Crayson wasnt the only one who couldnt see his mom .

Not wanting Serena to stay sad, Maria pointed to the childrens pay area in the restaurant. Rena , do you want to go play there Childrens emotions come and go quickly , and Serena was no exception . Her attention was immediately captured by the play area, and she nodded eagerly.
