Sonny Paisley hesitated.

Sonny is here too? Jonathan realized then that the child Paisley referred to wasnt

Grayson , but her daughter .

What a strange coincidence , he thought As they spoke , Jonathan noticed the tall man walking calmly beside Paisley .

When Max caught Jonathans gaze , he nodded politely , exuding an air of calm and reassurance even under such tense circumstances .

Before Jonathan could ask Paisley about the mans identity, they arrived at the chaotic emergency treatment.

Mommy! From a distance, Grayson saw Paisley.

His tear streaked face lit up as he waved at her enthusiastically.

Sonny Paisley spotted Grayson and the injuries covering his body.

Could it be that the two children had been together when the incident happened ?

Paisley had no prior knowledge of this- Maria hadnt mentioned it during their calls or messages .

Grayson grabbed Paisleys hand tightly .

Mommy , youre here to see me , right ? Mommy , I hurt so much .

Paisley was heartbroken .

She instinctively turned his wrist to feel his pulse while scanning the room for Maria

It didnt take long for her to spot Maria holding Serena nearby .

Maria noticed Paisley as well , waving at her and pointing to Serena , who was asleep in her arms .

Serenas face was pale , but she seemed to be sleeping soundly and wasnt as seriously injured as Grayson .

This eased Paisleys mind a little .

Even though Maria had assured her over the phone that everything was ne , Paisley couldnt rest until she saw it for herself .

Meanwhile , the Vanderbilt family members fell silent upon seeing Paisley checking Graysons pulse .

Even Lauren , who had been crying nonstop , held back her tears and stared intently at Paisley .
