Chapter 220

Chapter 220 책 32 % Maria nally looked at herself and realized how messy her clothes were , recognizing it wasnt appropriate to stay in the hospital like this .

She also understood that Paisley was being considerate of her .

Alright , Ill go home tonight and come back tomorrow morning , said Maria .

Dont worry , Renas ne now , and Im here with her .

Nothing will happen , said Paisley .

Hearing Paisleys reassurance , Marias tightly wound nerves nally relaxed .

What followed was an overwhelming sense of exhaustion .

Paisley was right she really did need some rest .

Maria grabbed her bag and headed to the door .

As she opened it , she saw a tall gure leaning against the wall , head down , expression unreadable .

It was Dominick .

Hearing the door , Dominick immediately looked up .

But when he saw that it was Maria and not Paisley herself , the light in his c seyes dimmed.

Maria noticed the change in his expression , then turned to look at Paisley in the room .

Paisley , she said , motioning toward Dominick with her chin , her eyes hinting at something .

Paisley immediately understood Marias implication and , with a somber look , nodded .

She knew that if she didnt give Dominick an explanation today , he wouldnt leave .

After signaling Maria to go home , and ensuring Serena wouldnt wake up soon , Paisley walked to the door .

The moment she saw Dominick up close , she was startled .

She hadnt paid much attention to him before , but now , up close , she realized he had lost a lot of weight .

His already well- de ned face now looked even sharper , with hollowed eyes and slightly red corners .

Just one glance revealed how broken he was .

Seeing Paisley , his eyes turned even redder .

Paisley , youre nally willing to see me And if I hadnt come out ? What would you have done ? Forced your way in ? Her gaze drifted to Julian and the highly trained bodyguards standing behind him .

Dominick let out a bitter laugh , his voice low .

You know I wouldnt do that to you .

Those men are here to protect you and Rena Thanks , but I dont need them .

Paisley really didnt this was a hospital , so it was safe .

And even if she needed protection , she could arrange it herself .

She was slightly surprised this man hadnt immediately confronted her about lying about Serenas blood type .

Instead , he seemed certain that Serena was his daughter .

It made sense .

When she revealed that Serenas blood type was O , Dominick must have already gured everything out .

Dominicks voice was hoarse , Paisley , I looked at Renas hospital registration and saw her birthday .

So , when we got divorced , you were already pregnant , werent you ? What are you trying to say? Paisley didnt want to revisit the past .

Those memories werent pleasant .

Why didnt you tell me? If you had , I wouldnt have signed the divorce papers back then .

Paisley found it laughable .

Not to mention , at the time , she hadnt even known she was pregnant .

Dominick understood the decisiveness and sarcasm in Paisleys eyes .

If he could , he would go back in time and kill that arrogant , sel sh version of himself .

Paisy , I really know I was wrong .

Please forgive me , for the sake of our children , okay ? Sonny needs his mother , Rena needs her father , dont they ? Paisley shook her head .

Dominick , theres something I hope you understand .
