Lauren didnt care much about Brittanys profession.

Im still working hard.

Embarrassed, she turned back and awkwardly looked at Lauren.

She was only using them to get closer to Paisley.

Thats nice, Lauren said perfunctorily.

Shes always arguing with me.

If they have any projects in the future and a suitable role, Ill recommend you Lauren was just brushing her off.

But Brittany didnt notice and excitedly dreamed of starring in big productions one day .

Christina, on the other hand, caught Laurens dismissive tone but didnt care.

Smiling, she interrupted her mid sentence.

Christina paused for a moment .

Paisley Sutton? Diana asked directly.

because she had previously claimed to be Paisleys mother .

But Diana had the nerve to refer to Paisley with so much respect .

As her mother, I have to put up with her attitude all the time.

Christina didnt hesitate to badmouth Paisley .

And honestly, Paisleys nothing special.

Paisley is also the renowned painter, Ms.

At the time , Christina had been astonished .

She never imagined Paisley was also a painter .

Underneath the table, her hands clenched tightly.

Meanwhile, Lauren was equally stunned.

My Paisy is Nion? Not yours anymore.

Theyre divorced, Diana reminded her.

Ive watched every single show of hers .

I absolutely love Nions work .

I raised her, and this is how she treats me? Its heartbreaking.

Lauren , however , couldnt quite understand Christina .

Paisleys daughter just had surgery for a ruptured spleen and is hospitalized.

Thankfully, they soon moved on to other topics.

Exactly.

Lauren shot her an annoyed look but ignored her, still in shock.

Laurens comment quickly resonated with the other ladies present .

But when it comes to Nions shows , I can watch from start to

Yes , but I heard the lead actress isnt very suitable .

Shes no painter .

Wasnt she just a screenwriter? Brittanys smile faltered for a moment.

She had only done that to impress the gatekeeper.

Christinas face stiffened.

After all , her target today wasnt the Vanderbilt family , From the last wives gathering , she

Could it be that Paisley was truly the painter Nion Vaire? Christina didnt know much

about art, but ever since the Sullivan family rose to wealth and moved into a big villa, she

had tried to emulate other wealthy ladies by hanging some artwork in her home .

One of them was Nion , whose painting had recently been auctioned for sixty million .

Who could paint something worth so much? And now, to think it was Paisley all along.

She had always assumed Paisley was just a screenwriter who got lucky by marrying

The revelation was so overwhelming that Brittany could barely maintain her smile .

She had done some research and learned about a few famous painters .

She doesnt deserve to be respected by someone as esteemed as you , Diana .

Dianas smile faded slightly as she seemed to realize something.

In Harrowfell , the Beaumont familys reputation was no less impressive than the
