

The billionaire and his son want me back novel

Chapter 235

Chapter 235 Paisley has a daughter ? Christina blurted out the question instinctively upon hearing this .

The atmosphere at the scene suddenly turned awkward and tense , and everyones expressions as they looked at Christina started to shift subtly .

Especially Diana and Lauren , who couldnt help but put away their smiles and began studying her seriously .

Christina panicked and scrambled to salvage the situation .

Her way of salvaging it was to continue throwing mud at Paisley .

That damned girl , who knows which random man she hooked up with to have another kid ? She then looked apologetically at Lauren .

Im so sorry , Im ashamed to even call her my daughter .

Lauren looked at Christina in disgust .

The words random man felt like a slap in her face .

Back then , she thought the same of Paisley , and now it felt like karma had come back to humiliate her .

That random man is my son , Dominick , Lauren said .

Christina froze .

But now what ? She had clearly just offended Lauren with her words .

Diana raised an eyebrow slightly as she caught Laurens smug glance .

Two kids .

This was going to be tricky .

Such strong ties -how could they possibly compete with that ? On top of that , Byron insisted on keeping Nathaniel away .

But if her son liked Paisley so much , she had no choice but to help him .

Christina was at a loss for words and didnt know how to explain herself .

Before she could respond , Brittany stepped forward , holding her arm , and spoke .

Mom was devastated , and to cope with her grief , she adopted me .

She poured all the love she had for my sister into me .

Later , when my sister returned , my presence caused a lot of conflicts between her and our parents .

As Brittany spoke , tears welled up in her eyes , and her voice became choked with emotion .

But Mom and Dad loved her , too .

They just didnt understand why she wanted to drive me away .

Mom and Dad couldnt bear to let me go , so she left home herself .

She didnt keep in touch with the family for years .

Its only recently that Mom and Dad finally managed to contact her .

Were all family theres no such thing as holding grudges overnight .

Mom and Dad have always wanted to make it up to her , but she- With Brittanys narrative paving the way , Christina played along and started wiping her tears .

All of you are mothers yourselves , so Im sure you can understand how I feel .

Even though Brittany isnt my biological daughter , Ive raised her for over a decade .

She and Paisley are both my flesh and blood both equally important to me .

But Paisley is so stubborn .

Every time something doesnt go her way , she runs away from home , leaving me heartbroken .

Mothers always had a way of empathizing with other mothers .

Hearing Christina say this , most of the ladies at the gathering started looking at her with sympathy .
