### Chapter 237

Chapter 237 T Brittanys eyes instantly filled with tears , her face showing the expression of wanting to cry but holding it back .

I dont know what I did wrong to offend Ms.

Levine .

I really apologize .

Daisy sneered .

Stop pretending .

There are no men or elders here who are you trying to fool ? Daisys words immediately sparked laughter and agreement from the other young ladies .

They were all around the same age , and they could see through Brittanys little tricks .

Older people might not notice , but they could tell right away .

As the mocking laughter rang in her ears , Brittanys face turned red .

She cursed these young ladies in her mind but could only grit her teeth and bear it , putting on a face as if she were the one being bullied .

Daisy looked at her and couldnt help but sneer and thought , Shes so good at pretending Brittanys expression froze .

She could tell that Daisys sneer now was the same as the one she had made earlier when she mocked her in front of the ladies .

In other words , Daisy was the one who had laughed at her earlier .

Brittany immediately looked up , her eyes red .

Ms.

Levine , did I offend you in some way ? Why are you targeting me ? Daisy raised an eyebrow and looked at her like she was watching a joke .

Oh , still pretending ? No wonder youre an actress .

But- Daisy smiled faintly , Shes the actress who got laughed out of the cast after being mocked by everyone .

What ? What happened ? How did she get kicked out of the cast ? asked another young lady .

Daisy became animated .

You didnt know ? Its been all over the news .

She got picked up by a big time investor , who pushed her into the lead role for a new Nion drama .

But after the announcement , all the other signed actors dropped out .

No one wanted to work with her .

What ? That embarrassing ! said Young Lady A.

Yeah , its really embarrassing ! said Young Lady B.

The words embarrassing seemed to echo in Brittanys ears like a curse .

She gritted her teeth , her hands clenched , her eyes gradually turning red .

But thats not the most embarrassing part , Daisy said disdainfully , scanning Brittany with a cold look .

The most embarrassing part is that because of her , the crew couldnt find anyone willing to play the male lead , so the production kept

getting delayed .

She really is a troublemaker , said Young Lady A.

Then not long ago , the crew announced they were canceling the cooperation with her and kicked her out .

As soon as she left , the crew got things moving and started preparing to shoot .

Now , the cast is complete .

Daisy looked at Brittanys pale face and continued , I have a friend who works in the industry .

She told me that everyone on set couldnt stand her .

Shed throw her weight around , giving orders like she was the queen .

She acted like she was an award- winning actress .

So , what happened ? Daisy sneered at Brittany .

You didnt become the queen , now youre here playing the dog , huh ? If Brittany hadnt been so eager to cater to everyone , the young ladies might have given her some respect .

They could understand doing what you had to for survival .

But with her two faced personality , she was truly disgusting , 1/2 20:34 Fri , 14 Feb Chapter 237 432 % None of these women came from families completely spotless .
