The schools burly security guards , usually a force in he reckoned with seemed downright fragile standing in front of Dominik Dominick stood before the screen , arms crossed , his brow furrowed , exuding : uding an air of a authority th that could make anyone feel small .

Michelle personally called up the footage from the incident and then stepped aside to let Dominic watch it The video , although silent o ered a clear view due to the cameras perfect angle , and with only the three kids in the frame at that moment , everything was easy enough to follow .

At rst .

Grayson was sitting by the small pool and reading alone .

Stella wasnt in the picture at all .

A few seconds later , Serena appeared in the frame .

She bounced to Grayson with a painting in her hand .

Paisleys eyes immediately locked onto the painting .

Though the camera angle was distant , she recognized it right away it was her painting .

The boy in the painting was Grayson .

That explained why Serena had approached Grayson .

She knew Grayson was her brother .

Paisley felt a pang in her chest , her grip on Serena tightening slightly as she processed this revelation .

The video continued to play .

Serena stood about three feet from Grayson , holding up her drawing and showing it to him .

Paisleys heart tasted painfully as she save the scene .

She quickly ran her hands over Serenas back and hips to make sure nothing was o was out of place .

She then checked on Serenas hands and found her palms were dirty and covered with deep scrapes , Paisleys breath caught in her throat and she felt her heart break .

Dominick noticed Paisleys actions and also saw Serenas injuries .

They were much worse than those on Crayson or Stella .

But in the video , Serena didnt cry Despite being hurt , she got up , dusted herself o , and went back to Grayson , still trying to show him the painting But Stella wasnt done .

She grabbed the painting from Serenas hands , ripped it up , and tossed it in the trash Paisleys eyes lled with tears as she watched the video .

Serena ignored the lthy trash bin and reached in , trying to get her painting back , but she got nothing .
