Even if Nathaniel isnt coming back , his mom is still here .

So , the Sullivan family went to bother Paisley again Dominicks voice carried a hint of anger .

Te they sad some really awful things .

And can you believe that Christina treated Paisy so terribly ? Its like shes not even her biological mom it made my blood boil ? The thought of how Christina had favored her adopted daughter over her biological one made Lauren furious again .

But she quickly remembered that wasnt the main issue right now .

Wait , no , son , thats not the point .

The real problem is Diana ! For the rst time in her life , Lauren found herself chasing after her sons romantic interest She and Dizna had been classmates back in the day .

With their similar family backgrounds , they were constantly compared to each other .

This led to a mutual dislike that started in school Later , they both married into prominent Harrowfell families Diana into the Beaumont family and Lauren into the Vanderbilt family .

The comparisons between them never stopped .

Lauren had to admit , one of the reasons shed initially disliked Paisley so much was because of Diana .

Dianas eldest son Morris married Julia , who was outstanding both in family background and looks , while her son Dominick married Paisley , who at the time seemed utterly unremarkable to her .

She felt that Diana had outshined her , so she had always treated Paisley poorly and never publicly acknowledged Paisleys identity .

She would always bring Marissa to public events instead .

Now , she regretted her actions and wanted to make amends with Paisley .

Just at this time , Diana stepped in , trying to compete with her for Paisley .

Just thinking about it made Lauren so furious .

Son , listen to me , Dianas methods are really clever .

Paisys been smiling at her today and ignoring me .

You need to act fast , think of a way to win Paisy over before Diana and Nathaniel capture her heart ! Lauren was genuinely anxious now .

It wasnt just regret anymore .

Her reputation was at stake .

However , while Lauren was in such a hurry , Dominick on the other end of the phone remained calm .

I understand .

Lets leave it at that .

Lauren noticed that Dominick seemed to want to hang up quickly , and from the sounds around him , it seemed like he wasnt at the of ce .

Son , where are you now ? Hospital Hearing that , Lauren immediately smiled .

Good Go see them , make a good impression .

I wont disturb you anymore .
