### Chapter 246

Chapter 246 35 % 23 ) Dominick had reached Serenas hospital room , and before he entered , he could already hear Serena laughing happily inside .

Ah , dont make Rena laugh , her wound will hurt .

It was Emerys voice , and Dominick recognized it .

Oh , sorry , Rena .

A mans voice followed , and Dominick remembered it it was Emerys boyfriend , Teddy .

Its okay , its okay ! Serenas voice came through .

Hearing his daughters cute voice , Dominick couldnt help but smile .

This caught the attention of several passing nurses , who couldnt help but glance back .

I like daddy , I want to play with daddy .

Daddy ? My daughter called another man daddy ? With this thought , Dominicks expression darkened , and the smile on his face disappeared .

The nurses , startled , hurriedly left , afraid to look any further .

But then , he quickly remembered that Paisley had explained this before that Serena often mispronounced Teddys name as daddy .

He definitely needed to find a good teacher for this little girl in the future .

As Dominick knocked and entered the room , Serenas smile visibly faded .

Scary man , youre here again .

Serena tried to maintain a polite and composed expression .

My moms not here .

Paisley went out to work while Serena was napping .

She hadnt come back yet .

Dominick glanced around the room and saw that Paisley wasnt there .

I know , Dominick said , looking a bit dejected .

I just came to see you .

Emery was the first to stand up , blocking Dominicks way , and coldly asked , What do you want ? Have you talked to Paisy ? Dominick hadnt liked Emery much before .

He thought she was overly dramatic and didnt understand why Paisley , such a quiet person , would be friends with someone like her .

But now , seeing her protect Serena , her eyes glaring at him with a warning , he understood a bit more .

It seemed that the bond between Paisley and Emery was similar to the brotherhood men often shared , where they could trust each other with their backs .

I just came to see Serena .

Dominicks tone softened as he spoke to Emery .

For what ? Youre not- Emerys words were interrupted when she saw something in Dominicks deep eyes .

She furrowed her brows in surprise .

You know ? Yeah .

Dominick nodded and lowered his voice .

Dont worry , I promised Paisley that I wouldnt let Rena know who I am until she accepts me .

Just then , Maria , hearing the voices , walked out of the bathroom .

After seeing Emerys questioning glance , Maria nodded .

Once Emery was sure Dominick wouldnt harm Serena , she stepped aside , keeping her eyes on the bed from a distance .

Dominick didnt mind at all .

In fact , he felt relieved that there was another person who cared for his daughter like this .

He placed the gift next to Serenas bed , watching her face with anticipation .

This time , he had prepared carefully a limited edition doll set .

He wondered if she would like it .

Serena looked over , but this time , she didnt show the same obvious dislike as before .

Could Serena not like Barbie dolls ? 35 % \* :No , Serena shook her head .

I already have this one .

My mom bought it for me a long time ago , and I have a lot of them at home .

Serena didnt understand the meaning and value of a limited edition .

She only knew she already had this doll , so she didnt need another one .

I see , Dominick responded lightly , the loneliness in his eyes deepening .

Twice now , he hadnt given her a gift she liked .

Can you tell me what you like ? What do you want ? I can give it to you .

Emery watched Dominick and couldnt help but think how humble this once proud man looked now .

But Serena shook her head , No , I really dont need anything .

Mom taught me not to take other peoples things .

Youve already given me a gift once , you dont need to give me another one .

Serenas mention of other people felt like a sharp sword , piercing Dominicks heart .

Rena , Im not just anyone , I [AD Comment](#)
