The message said Dominick was already there and asked her to come back quickly .

Worried that Dominick might not follow the plan , Paisley hurried toward the hospital room .

As soon as she reached the door , she heard Dominicks words .

Hmm ? Serena tilted her head , looking at Dominick , not understanding why Dominick suddenly got so emotional Seeing his daughters innocent and clear eyes , Dominick stopped himself from saying anything further .

Emery and Maria both let out a relieved breath .

Rena , Paisley quickly entered the room and walked over to Serena , As soon as Serena saw her mom , she forgot everything and focused entirely on Paisley , Mom , I woke up just now and didnt see you .

I didnt cry , I am a good girl Serena snuggled into Paisleys arms , looking up for praise .

It was absolutely adorable .

Mm , youre the best .

Paisley rewarded Serena with a kiss on the cheek .

Come on , let me kiss you too Emery leaned over and kissed the other cheek of Serena , then subtly signaled to Paisley to pay attention to Dominick behind her .

Paisley nodded knowingly , stood up , and pulled Dominick out of the room .

Come with me .

Dominick didnt resist and followed Paisley out of the room .

She led him all the way to the end of the hallway before stopping .

Dominick , whats going on ? Did you forget what you promised me ? She glared at Dominick , but he didnt respond , silently staring at their hands .

Paisley looked down and realized she was holding Dominicks hand .

She was about to pull away , but his hand gripped hers tighter .

His large hand nearly enveloped hers completely , and she couldnt shake him off .

Let go ! I told you to let go ! Paisley struggled to pull her hand free , but his grip only tightened .

Paisley , youre the one who grabbed my hand .

Dominick smiled faintly and leaned closer to Paisley , forcing her to look up at him due to his height advantage .

Still not letting go ? I never knew you were this shameless .

The hallway was full of people , and Paisley didnt want to draw unwanted attention , so she lowered her voice and warned him .

Dominick took advantage of this , his smile growing more mischievous , and his words became even more shameless .

How could you not know ? I was like this from the start , and you liked it , didnt you ? His words left Paisley speechless .

When they first got together , Dominicks intentional domineering behavior always made Paisley blush and feel her heart race .

But back then , she was just a woman longing for love , naive and ignorant about relationships .

Now , she was divorced and a mother of two .

So , she leaned in closer to Dominick and lowered her voice even more .

There are a lot of people here , and I really dont want to draw attention .

But that doesnt mean I wont get angry and slap you .

Dominick was shocked and speechless .

When did this woman become so violent ? 1/2 19:36 Tue , 18 Feb SO Chapter 247 35 % 23)
Let go ! Paisley shook her hand again .

This time , Dominick didnt play around and obediently let go .

But the warmth left on his palm made him feel an unbearable loneliness .

Dominick , what were you about to say to Rena ? Paisley withdrew her hand and took a step back , distancing herself from him .

Dominick sighed , his voice returning to its usual calm tone .

I havent forgotten what I promised you .

I just wanted to tell Rena that Im not anyone else , thats all .
