hapter 255 Chapter 255 ព 35 % +23 No , no objections at all ! Gregory quickly replied . Byron glanced at him, noting the excitement in his expression, which didnt seem fake.

The billionaire and his son want me back novel

Chapter 255

Then , he turned to Christina .

Christina pressed her lips together , an unreadable emotion ashing through her eyes

before she also nodded.

No objections .

But- But what? Byron asked, narrowing his eyes at her.

ed and asked hesitantly, Who will Brittanys paternity test be done with? It Christina snif was only then that Gregory realized Enya had never had a husband .

And Enya had been dead for over 20 years . Her remains were long gone , so who could they use for the test ? Of course , itll be with her father, Byron said tersely, unwilling to even refer to Tyson as Enyas husband.

Her father? Christina was stunned, her expression turning complicated.

Hes still alive ? Christina didnt know Enyas partner very well she had only seen him a few

times while following Enya around . But even from those few encounters , she could never forget his handsome face .

That man exuded an aura of authority and nobility with every gesture .

And when he looked at Enya , his eyes were lled with such tenderness.

It was a kind of tenderness that Gregory had never shown her in his lifetime .

Moreover, that man was ambitious, smart, and outstanding.

He possessed many qualities that Gregory didnt have .

He never reappeared until Enya passed away, and Christina had even thought he was dead Of course, hes alive, Byron said through gritted teeth. He was still alive .

Christinas heart skipped a beat .

But later , without any reason , he suddenly disappeared .

Gregory didnt notice his wifes strange behavior and curiously asked, By the way, do you

know who Brittanys biological father is , sir ? Would you mind telling me ? As soon as

Byron truly didnt want to bring up Tyson , but given the circumstances

The Godard family from Montera? Even if they were somewhat isolated, they had heard

Brittanys biological mother was from the Beaumont family , and her father was from the

lled with excitement.

1/3 3 35- Tue , 18 Feb Chapter 255 Had he known that Brittany had such powerful

biological parents, he should have treated her better back then, not thrown her out.

At least Christina had always supported her , and he believed that Brittany would be kind

At the same time, an overwhelming regret swept over him.

All he could do was try to make amends before Brittany of

With this thought, Gregory looked at Christina with gratitude.

Before , she had thought that since they couldnt

But Christina wasnt paying attention to her husband at that moment .

When a great family looked for their lost daughter, they would be very careful.

But now she was being told that the childs biological father was still alive .

had been off ever since she learned that the childs father was still alive .

Hearing Byrons question, Christina shook her head repeatedly.

Brittany would faint at the sight of blood? He didnt know that .

As for how the test would be done, Byron didnt care.

Perhaps Brittany had started fainting at the sight of blood in recent years .

After all , she was growing up , and as a father , he couldnt know everything .

As long as the test proves positive, the child can reunite with her family.

Yes, Byron said, looking at Christinas face and thinking she might be reluctant.

After the child returns , shell become Tysons only child , the sole bloodline heir of the

These words were like a thunderbolt, shaking both Gregory and Christina to their core.

By then , as the adoptive father of the Godard family heir , he would be able to look down

This identity was even more shocking than being a member of Beaumont family.

gure from the Godard family.

Whats wrong? Is something the matter? Byron noticed Christinas odd expression, which

No , its just She looked sincerely at Byron , tentatively asking , Brittany has always fainted

example, using hair or nails? Hm? Gregory froze for a moment, then turned to look at

at the sight of blood , so is there any way to use another method for the paternity test ? For

In fact , the Godard family might even be more powerful than the Vanderbilt and

Godard family .

on everyone.

But he didnt dwell on it too much.

Its not like Im the one doing the test .

Ill inform the Godard family about this .

They will arrange for a paternity test.

Reunite with her family, Christina murmured softly.

Tyson hasnt remarried and only has an adopted son .

Gregory could hardly contain his excitement at this point .

Sure enough, the only one who could bring him glory was Brittany.

That damn girl, Paisley, would only bring him embarrassment.

She sat there , lost in thought for a few seconds before suddenly turning to Byron .

Tysons adopted son was originally in Harrowfell, but something came up with the Godard

Once things are settled, they will come over, and well do the paternity test with Brittany.

Right now , the most important thing was to use the Beaumont family to get Brittany out .

Christina exaggerated a bit as she spoke to Byron , The Levine family refuses to reconcile .

Chapter 255 $_{\ ^{8}}$ 35 % $_{\ }$ +23) Although the paternity test hadnt been done yet and it wasnt

100 % certain that she was her sisters daughter , Byron looked at the photo of Brittany ,

who somewhat resembled his sister, and nodded slowly, Alright, Ill handle it.

When can we do the paternity test? She had to be prepared.

family, so he had to return to Montera to help Tyson.

Hearing Byrons response, Christina secretly sighed in relief.

Christinas heart was pounding.

No rush, Byron answered slowly.

Luckily , there was still time .

2/3 19:37 Tue , 18 Febsa .

Mr.

But Brittany is still at the police station .

Byron , as that childs uncle , you need to help her .

Why was Enya always so lucky? she thought.

She only knew that his last name was Godard, but nothing else.

Gregory and Christina both gasped in shock upon hearing this .

When he was with Enya, they were really happy together.
