### Chapter 256

Chapter 256 Chapter 256 That same day , the police station received a reconciliation letter from the Levine family , agreeing to mediation and no longer pursuing Brittanys responsibility .

35 % +23 ) When Christina and Gregory arrived at the police station , Brittany was pitifully sitting on a bench .

She was still wearing the same clothes as before , dirty and wrinkled , clinging to her body .

Brittany , my darling ! Seeing her precious daughter in such a miserable state , Christina rushed over and hugged her tightly .

Instantly , an unpleasant odor filled Christinas nose .

It was because Brittany had refused to use the bathroom at the station and ended up wetting herself .

She had never been so humiliated in her life .

Mom , why did it take you so long to come ? Do you know how I spent this whole night ? Seeing Christina , Brittany cried as she complained , Why did you wait all night to rescue me ! Christina felt as though her heart was bleeding .

She hugged Brittany tightly , not even caring about the smell .

Im sorry , its my fault .

Dont worry , Brittany , you will never have to face this kind of humiliation again .

Everyone who has wronged you will be punished a thousand times over ! Christina said this with gritted teeth , and images of the Levine family , along with Paisleys face , flashed through her mind .

Brittany didnt want to hear any of Christinas nonsense .

Annoyed , she pushed Christina away .

I want to leave right now .

I want to change clothes and take a shower ! Christina nodded repeatedly , pulling Brittany up .

Okay , were going home right now .

Home ? Brittany frowned , perhaps because she had spent the whole day at the station .

Her mood wasnt great , and she wasnt happy looking at Christina .

I dont want to go back to that crappy house .

Take me to a hotel ! Just the thought of returning to that musty old house made Brittany feel wronged .

No , no , were going back to the villa .

Christina coaxed her gently .

Back to the villa ? Did Dad say I could come back ? Brittanys heart lifted .

She thought that Gregory had finally forgiven her and was willing to accept her again .

At that moment , Gregory , who had finished the procedures , walked over with a beaming smile .

Brittany , my good daughter ! He had intended to hug Brittany , but as soon as he got close , he smelled the awful odor on her and immediately stepped back .

His admiration for the Beaumont family and the Godard family helped him resist the urge to cover his nose and curse .

He still maintained a stiff smile on his face .

Brittany certainly noticed Gregorys changing expressions .

She knew her current appearance was absolutely terrible .

She could even see the people at the police station walking around her , avoiding her .

The unprecedented feeling of humiliation made her eyes well up .

In the past , if this kind of social death had happened , Gregory would have turned and walked away .

But now , he wouldnt , and he couldnt .

Seeing Brittany cry , he hurried to comfort her , Dont cry , my daughter .

Ill take you home now .

Brittany stopped crying and looked at Gregory in surprise .

Dad , you really want me to come home ? Of course , the reason I kicked you out before was because I was impulsive .

Ive been regretting it these past few days .

To be honest , all of this is Paisleys fault .

If it werent for her , I wouldnt have made the impulsive mistake of kicking you out .

Gregory couldnt find any other excuse , so he just blamed everything on Paisley .

She wouldnt forget that one of the main reasons she ended up in the police station was because of Paisley .

It was Paisley who had refused to help her , coldly watching her suffer while the Levine family mother and daughter took advantage of her .
