Dominick only gave the manager a faint glance , too lazy to say a word to her .

His attention was entirely on Paisley .

Why arent you eating ? 23 Seeing Dominicks lecturing expression , Paisley immediately felt rebellious .

Why does it matter to you whether I eat or not ? Are you so free ? Why are you here in the first place ? Paisley , you- Dominick was enraged by Paisleys indifferent attitude and gritted his teeth .

Julian had arranged all the food trucks as per Dominicks instructions , sending the best hotels in Harrowfell to prepare everything .

Watching Paisley being ungrateful and even showing disdain , Julian felt sorry for Dominick .

Dominick is just worried about you , afraid youd forget to eat because of work , he said .

So , this is his way of interrupting our normal work ? What ? Does he want me to thank him ? Paisley wasnt impressed by Julian and , hearing him speak for Dominick , snapped back without hesitation .

The appearance of the food trucks had indeed disrupted the normal dining schedule .

I didnt know .

Dominicks voice became softer , and there was a hint of embarrassment on his handsome face .

You didnt know , Paisley couldnt help but laugh angrily .

Dominick was always like this , thinking he could express himself in his own way without understanding others .

She used to be a housewife , while he was always busy with work and socializing .

Her concerns and complaints were all blocked out , as he thought she was just making a fuss .

Now that she was busy with work , he was making a big deal out of her missing one meal .

Dominick , I never knew youd be so concerned about me missing one meal .

If he cared this much now , why couldnt he do the same back then ? Was she not the same person as before? Dominicks gaze froze .

He didnt know how to respond to Paisleys question .

Of course , he cared about her before .

But back then , there were servants cooking meals at home .

He thought she was all taken care of by the servants and there was no need for him to worry about these little things .

But now , Paisley had stepped out of his protective circle .

She no longer belonged to him , so he wanted to know if she was okay at all times .

But he couldnt say this aloud .

After all , it was his fault in the past .

Paisley didnt want to get into these things with Dominick at work .

She looked around at the other crew members and the staff at the food trucks , unsure if they should continue working .

Everyone , dont worry .

Keep eating .

Dont be shy .

She knew if she didnt say this , the rest of the crew would feel awkward about continuing .

Dominick watched Paisley smile at the crew , sighed , and then said , Yes , everyone , please dont hold back .

Eat as much as you want .

And please take good care of Paisley .

Thank you .

With food and drinks in hand , and hearing the president of the Vanderbilt Group speak so gently , everyone eagerly agreed .

23 2 Sam and his manager had already run off .

Staying any longer would only make them a bigger joke .

The only one left was Sams poor assistant , sadly gathering the untouched snacks .

Feeling bitter inside , he was about to cry .

Paisley noticed him and asked Lucy to check on him .
