If you come back , well forget everything thats happened .

Your mom , Brittany , and I will let the past go ! Paisley couldnt believe what she was hearing .

She didnt even bother responding but just hung up the phone Hello Hello ! G Gregory shouted , hearing the line go dead .

Furious , he threw the phone down and cursed , That ungrateful brai Looking at him with an unimpressed expression , Christina snapped , Why are you even talking to her like that ? And why are you insisting she come back ! Christina asked Gregory to call Paisley only because Brittany loved that gown , and they tried to make Paisley give up the gown under Gregory pressure .

After all , they couldnt bother Dominick just for a gown .

Gregorys reasoning was simple , Back when she left , we let her go .

But now that shes back , she can just stay out there .

Shes still our daughter , after You want her back to bully Brittany again ? Christina rolled her eyes , clearly not thrilled by the idea She was young and immature back then .

When you and Dominicks relationship is solid , maybe you can help Paisley .

Find her a decent guy .

Shes gonna need someone to lean on in the future .

As for that stupid gown , just forget about it .

Paisleys friend cant be someone impressive .

Gregory didnt think much of Paisley , and even less of her friends , including Emery Ill give you some money to buy something better , he added .

Christinas mood lightened a little , and she was convinced by her fathers theory that no top designer would have a store in a mall .

Brittany nodded and smiled , Sure , Dad .

If Paisleys willing to come back , Ill make sure shes taken care of She couldnt help but think , When the time comes , Ill just find her some guy to marry , and shell never be able to hold her head up in front of me again .
