

Chapter 34 Dominick finished installing the new bulb and screwed the lampshade back on .

Alright , give it a try .

See if it works , he said .

Paisley flipped the switch , and in an instant , the dim room was flooded with bright light .

Dominick stood on the ladder with his hands on his hips and looked down at her with a grin .

See ? Not bad , huh ? Yeah , youre awesome .

Paisley nodded , acknowledging his skill .

But as soon as the words left her mouth , she felt a bit awkward .

She looked up at him , and the light from the ceiling hit his face just right , making him look handsome too .

For a moment , her mind wandered back to the past when they first met and had so many sweet memories together .

If Dominick wasnt that good looking , she never wouldve fallen so hard for him .

Just then , the ladder wobbled , and Dominick stumbled , nearly falling backward .

Careful ! Paisley instinctively moved forward to catch him .

By the time she got to him , Dominick had already regained his balance and was standing firm .

Its fine .

Its not high , no harm done , Dominick said casually and glanced down at the floor .

He looked up to find Paisley standing right in front of him .

Paisleys instinctive reaction made her feel a little embarrassed .

The height of the ladder meant nothing to Dominick .

She was lost in those old memories again , forgetting where she was and who she was with .

The past was gone , and now , only the present mattered .

Good to hear that , Paisley said , her tone flat , trying to pull away But Dominick seemed to sense exactly what she was thinking .

His large hand reached out to grab her elbow , and in one swift motion , he pulled her closer The small space between them was filled with his heat .

His breath brushed her skin , sending an unexpected rush of tension through her .

Paisley turned her head to avoid his intense gaze and said , Come on , let me go .

Paisley , why wont you look at me ? His voice was low and controlled , but there was an underlying hunger in it .

Whats there to look at ? Paisley snapped , turning to meet his eyes .

I just think this is meaningless .

Meaningless ? Who do you find it meaningful with ? That guy you call honey ? Just then , Paisleys phone lit up on the bathroom counter with ringing tones .

On the screen , the word Honey stood out like a neon sign .

Yeah , right .

Any problems with that ? Paisley held her phone up to Dominick , making it clear she was going to answer it .

Dominick stared at her for a moment , a bitter laugh escaping his lips , before finally releasing her elbow , Paisley quickly walked out of the bathroom and stepped onto

the balcony to answer the call .

Paisley replied , Yeah , Im at home , Good , Ill be over soon .

Wait for me .

Paisley didnt expect Emery to be coming over soon .

She stood on the balcony and glanced back into the living room , where Dominick had come out .

He was watching her again , his eyes dark and unreadable .

After finishing the call with Emery , Paisley walked back into the living room and directly said to Dominick , You guys should leave now .
