The billionaire and his son want me back novel **Chapter 65**

Alexis, still shaken, barely dodged the horses ying hooves, which had nearly kicked her. She shouted.

Chapter 65 The white horse suddenly went wild, scaring the crowd into scattering in all

What did you do to the horse? The white horse thrashed its limbs and twisted its body, its distressed neighs showing a peculiar sense of grievance. w the Paisley shrugged casually.

directions.

I didnt do anything .

Didnt you see ? I just gave it a pat Under the watchful eyes of the crowd , there was no way wouldve done anything sneaky.

It really was just a light smack on the horses nump.

seemed to senle down as the sharp sting of pain began to fade .

Dont go near it .

Usually, a horse that was suddenly frightened might have become agitated, perlups eve even started kicking . However, these were specially trained horses, and the strength of one woman wasnt

enough to provoke such a strong reaction in a thick skinned animal, The white horse

Under everyones wary gaze, Paisley b began walking toward it. Stop! Thats dangerous.

Dominick instinctively got up, ready to stop her from approaching the agitated animal. Noticing that, Marissa quickly grabbed his arm and leaned into him weakly.

Dont go, Dom Im scared she whispered, her voice trembling- While they hesitated, Paisley had already stepped forward, now standing right in front of the horse.

Dominicks brows furrowed deeply, but when the horse showed no signs of harming her , his tensed shoulders nally relaxed.

Paisley gently stroked the horses neck.

Typically, when administering injections to horses, this spot here is the safest, she

explained, her hand sliding down to its chest.

anatomy out of nowhere .

rst choice.

equine science class.

Next would be this area , the pectoral muscles Finally ... Paisley walked to the horses right hindquarters . Theres this spot here the semi tendinosus and semi membranosus muscles .

The crowd looked utterly confused, unsure of why she was rambling on about horse

the List resort! Its because this area is close to the horses powerful hind legs. And for the horse, this spot is essentially in its blind spot, If you inject here, its easy to startle a horse, especially if its nervous or skittish.

Thats why when people give injections to unfamiliar horses, this spar is never their

For some reason, the crowd actiny listened as if they were attending an impromptu

She then continued like a teacher giving a lesson, saying, So why is the hindquarters

Dominicks gaze softened as he quietly watched Paisley speak, an inexplicable ripple

A icker of malice crossed Marissas face, but she quickly masked it with a pained

Alexis shook her head, wondering how she had been drawn into Paisleys words so

, Whats the point of all this? Does

her horse! bunch of idiots.

, You bu Actually , Paisley knew that it wasnt fair to call

Even the anger on Graysons face began to fade as he focused intently on her words .

Marissas face darkened when she saw how Paisley had shifted the atmosphere .

any of this proye you didnt cause Marissa to fall o Hearing that .

Paisley couldnt help but sco

these people idiots .

Vanderbilt family .

With a hardened expression , Alexis cut Paisley o

* What am I doing? Im on Marissas side.

expression and let out a soft , deliberate cough .

The sound immediately snapped everyone back to reality .

I need to show where my loyalty lies, she scolded herself in her mind.

It was more accurate to say they were simply used to weighing their options .

After all , in their eyes , Marissa was Dominicks future wife the future matriarch of the

stirring in his chest.

casily.

obvious who carried more weight. Paisley understood that they didnt really care about the real reason Marissa fell of o the horse .

They just wanted to impress and atter her Paisley also knew that if their roles were

reversed, even if she had deliberately caused Marissas fall, these people would still side

with er, spinning baseless arguments to defend her.

To her, these people were nothing more than clowns.

Having seen through all this long ago .

Paisley didnt let it stir ser emotions .

Of course, I can prove it, Paisley said

Compared to Paisley, dressed modestly and with no clear standing, it was painfully
