The billionaire and his son want me back novel **Chapter 70** Chapter 70 How have you spent these past four years? After leaving me, it seems your life has been extraordinary.

But all of it has nothing to do with me Nathaniel then shot David a cold , sharp look . Didnt I tell you to take good care of my guest! Care to explain why shes angry now?

Today, there were two important guests.

Dominick had to be prioritized, so David attended to him personally.

Moreover, Wendy had been the one communicating with the champions assistant, so

David naturally delegated the matter to her .

I assumed Mr.

Beaumont would be furious because Ms.

David pondered.

That makes sense, though... Because if he did, why would be arrange for her and Mr.

Beaumonts priorities and done my homework on this champion lady beforehand .

Prescott got hurt .

But he doesnt even seem to care about her .

What a blunder David then said .
