The room went dead silent as the news sank in Thats impossible Marissas perfectly composed mask nally cracked .

Her face, usually the picture of grace and serenity, twisted with disbelief.

Mr.

Hansen , you cant be serious .

Shes so young .

Theres no way she could be your mentor This cant be real, Marissa thought.

Taisley as Mr.

Hansens mentor ? Who does she think she is What makes her so special ? Shes nobody .

absolutely nobody Marissa couldnt accept this .

Charles was seething .

This was the second time Marissa had disrespected Paisley, and his patience was wearing thin .

The rst time had been bad enough, but at least Paisley hadnt been there to witness it But now, Marissa was being nude night in front of bath of them Youre completely out of line .

Charles voice trembled with anger , the warmth hed shown Marissa earlier completely gone .

I only asked my mentor to come here because you seemed genuinely concerned and respectful .

I wouldnt have bothered her otherwise .

Charles had already caught enough grief from Paisley just for asking her to come .

And now that shes actually here , youre refusing to believe it ! His voice rose in frustration.

Seeing Charles mounting anger , Marissa bit her lip , her face darkening .

Mr.

Hansen , its not that I dont believe you .

Its just this is completely insanc Paisley was two years younger than h her .

Marissa couldnt believe that Paisley would actually be Charles mentor .

Whats so hard to believe Charles face darkened as he defended Paisley .

Ms.

•

Suttons medical skills surpass my own .

Why shouldnt I study under her ! This scene sent Paisleys cringe meter through the roof

She dgeted uncomfortably, shooting an annoyed glare at Charles.

Just then , Jonathan came rushing out of the consultation room .

Hed been stuck dealing with an urgent matter when Paisley arrived, and hed come running the moment he nished.

Like everyone else , he was dying to meet this mysterious medical expert whod taught Charles Before Jonathan could even reach them , Reginald stepped in his path .

Mr.

Walsh, didnt you mention knowing an incredibly skilled practitioner of Ancient Medical Arts ! Yeah , thats right With his view blocked , Jonathan hadnt noticed Paisley at

rst .

He nodded at Reginalds question .

Reginald gave an apologetic smile .

Would you mind getting in touch with them ? He couldnt gamble with his fathers life at a time like this .

If Charles mento mentor had been anyone else , maybe Reginald could have forced himself to believe it .

But this was Paisley , Dominicks ex wife .

During her four year marriage to Dominick, Paisley had been nothing more than a typical housewife .

The idea that she could transform into some medical genius in just four years was ridiculous .

No one in their right mind would buy that story .

Jonathan looked confused .

What do you mean lurt Mr.

Hansens mentor already here ? Even Mr.

Hansens mentor couldnt help him ? Jonathan wondered .

But how could they reach that conchision so fast It had been less than ten minutes since Charles left to pick up Paisley, and Jonathan had barely nished his work before rushing over That was nowhere near enough time to make any real diagnosis .

She has arrived, but Before i Reginald could nish , Paisleys voice cut dirough from behind Paisley said, Jonathan Jonathan turned to nd Paisley blocked by the Vanderbilts , her face stormy with anger .

Next to her stood Charles , looking like a kid caught with his hand in the cookie jar

despite his age .

Jonathans face ace lit up .

Paisley , did you come because of my message ? Unsure whether Charles mentor could help Paul , he decided to text Paisley , just to give it a shot .

He didnt go into details , not knowing if Paisley would even be willing to come .

When Paisley hadnt replied to his text , hed assumed it was a no .

Yet , here she was , standing right in front of him .
