

## MEDICAL GOD CHAPTER 707

Tian Lu frowned and became wary. If she met her fans on the streets, it would be a wonderful experience as it could satisfy her vanity.

However, they were in a karaoke bar and her fan was a drunken man. He had a lecherous look and Tian Lu did not want to involve herself further with him.

“I’m sorry, but I’m busy.”

After speaking, Tian Lu was about to leave when Leopard grabbed her arm. “Hey! Don’t leave! I haven’t finished speaking.”

When Tian Lu saw that he was making moves on her, her expression changed instantly and she slapped him.

With the crisp sound of a slap, her palm landed on the fatty’s face. As she used a lot of force, a red imprint was left on Leopard’s face.

Then, Tian Lu raised her leg and aimed a kick at his crotch. She had finally used the defensive tactics she had learned in the past.

As Leopard was drunk and had his guard down, Tian Lu’s kick hit its target, causing him to kneel on the floor directly.

Tian Lu dashed back to the suite. When she saw that everyone was present, she heaved a sigh of relief.

“What’s wrong, Tian Lu? Why do you look so unwell?”

Tian Lu squeezed a smile out. "Haha! It's nothing."

As everyone was assured that someone would pay the bill, they became livelier while they had fun.

Glancing at Qin Jun, Tian Lu became a bit annoyed that Qin Jun was ignoring her.

Why was he pretending?

When he was the young master of the Qin Family, Tian Lu liked to flatter him.

Now that Tian Lu was a celebrity and he was just an average commoner, it was pointless for him to act all high and mighty.

Tian Lu sat beside Qin Jun on purpose. Raising a glass of wine, she asked nonchalantly, "So many years have passed. Do you have a girlfriend now?"

Qin Jun glanced at her calmly, "No."

Tian Lu laughed. "Why? Are your standards too high as compared to your abilities?"

In Tian Lu's opinion, this was the most accurate description for Qin Jun.

He used to be a wealthy kid in the past. Having experienced a life of luxury and interacted with a lot of girls, it was natural that he had high standards.

However, his status no longer matched up to the rest. The pretty girls from the past no longer liked him and he deigned to even consider average-looking girls.

People like him had standards that were too high compared to their abilities. Despite their high standards, they did not have the financial capabilities to match them. Even till death, they might still remain lonely and single.

Qin Jun smiled helplessly and indifferently.

“You don’t have to worry about that.”

If Tian Lu knew that he was Su Wenqi’s rumored boyfriend, she would be definitely shocked.

Tian Lu scoffed. “Your standards shouldn’t be so high. Girls are more realistic now and you’re no longer your past self. Do you think that girls like me will still like you?”

After speaking, Tian Lu pointed at the wine on the table.

“Look at these wine. Something so awkward happened today and Yu Qiang ran away. Look at the girls here. Who can foot the bill?”

“People keep saying that girls are materialistic. However, how is it possible that we are not materialistic in this society?”

“If they had a boyfriend like you, it would be useless to call you for help. All you can do is to ask around for money, swipe your credit cards or pay in deposits. You might not even be able to gather a few hundred thousand. Do you think that girls will not be able to recognize the harsh reality?”

“How’s it? Did your sense of superiority disappear after hearing what I said?”

“Men should either be wealthy or have a high status in society. Or at least be bold, to give women a sense of security. However, I think that you lack any of these attributes.”

After Tian Lu spoke, the entire suite fell silent.

Someone mentioned that a conflict would eventually break out between Tian Lu and Qin Jun.

The incident long ago must have haunted Tian Lu. Even though she did not mention it earlier, when she actually did, it was very brutal.
