

MEDICAL GOD CHAPTER 708

Qin Jun frowned. Initially, he could not be bothered to talk to Tian Lu. He had never taken the things that happened in the past to heart.

There were countless women whom he had rejected, but he did not feel guilty about it. If he did not like them, there was no way around it. Rejecting them was better than playing with their feelings and dumping them, right?

However, he did not expect Tian Lu to be so relentless and provoke him.

Qin Jun laughed coldly. "Tian Lu, aren't you being too arrogant?"

She sneered, "I'm arrogant? Who do you think you are?"

Tian Lu stood up agitatedly. As she was already triggered by what happened outside, she wanted to vent her anger on Qin Jun.

Everything would be fine with Qin Jun just accepted her insults quietly. However, he actually dared to talk back to her.

Standing up and glaring at him, Tian Lu was about to scold him when the door to the suite was suddenly kicked open.

A few muscular and fat men swaggered in.

The person at the front was Leopard, whom Tian Lu had kicked earlier.

"Leopard! Which b*tch was dumb enough to kick you?"

Clutching his nether regions, Leopard was still in pain. He scanned the room and spotted Tian Lu. Through gritted teeth, he said, "It's her!"

While Leopard glared at Tian Lu, the others surrounded her instantly.

"B*tch, who do you think you are? You should be honored that Leopard invited you for a drink. How dare you attack him?"

Tian Lu's expression changed. She did not expect them to look for her here. Furthermore, it seemed like this Leopard guy had a strong backing!

Tian Lu was already slightly flustered. She whipped out her phone and was prepared to call the police.

However, the moment she took out her phone, a gangster walked towards her and kicked her hand.

"Ouch!"

Tian Lu felt a pang of pain, while her phone flew into the air and smashed onto the floor.

A few male classmates could not stand it anymore. "What are you doing? What the hell do you want?"

"Damn it! Beat them up!"

Heeding Leopard's commands, his men charged towards them directly and started beating them up. Some of the male classmates collapsed onto the ground instantly.

These men worked for the underground. Naturally, they could fight better than these ordinary people. As they were bulkier in size, they could knock everyone out cold easily.

The girls started to panic and retreated a few steps.

Tian Lu's expression changed drastically. When she saw that Qin Jun and Ren Lu were still sitting there, she gritted her teeth with anger.

"Qin Jun! Are you even a man?"

On the other hand, the rest of the girls did not say anything. Even if Qin Jun and Ren Lu joined the fight earlier, they would definitely be unable to defeat the men. After all, their opponents were too strong.

Qin Jun scoffed. "You brought this upon yourself."

After having a bit of fame and interacting with a few wealthy men, women like her became arrogant and thought themselves to be all high and mighty. They should be taught a good lesson.

Leopard smirked coldly. The remaining women looked quite pretty too. After all, they came from the city and dressed up well.

With a malicious laugh, Leopard said, "Tian Lu belongs to me. For the remaining women, you guys can pick whoever you want!"

"Alright, Leopard!"

The gangsters were tired of the boring women in the karaoke bars. When they saw these youthful and pretty city girls, they started to lust over them.

Since Leopard had already gave out orders, they would not stand on ceremony.

Qin Jun frowned. Standing up suddenly, he blocked their way.

“Go after the person who offended you. Don’t touch the rest.”
