"Oh, by the way, fool, you parked my car by the side of the road, thank you." Qin Ming disdained to look at Xiao Chen.

Xiao Chen frowned. Qin Ming was clearly insulting himself.

"What are you looking at? Let you stop. Didn't you hear that?" Xia yunshang stared angrily, and Xiao Chen said.

"Oh, I forgot. He may not have seen a car like me?" Qin Ming took out the car key with a sneer and said, "fool. This car is called Maserati. It's the best sports car in the world now."

He shook the key in front of Xiao Chen.

"Forget it, I'd better stop myself."

Qin Ming was supposed to be in front of Xiao Chen. Hit him with his car. How can he rest assured and let Xiao Chen move his car?

He was about to turn to the door.

"Aston Martin, isn't it?" Xiao Chen's voice was faint, as if he were talking to himself.

"Huh? "

Qin Ming turned to look at him and sneered, "you fool still knows Aston Martin?"

"Is this car good?"

Xiao Chen's expression was dull and her eyes were dull.

Like a fool.

Qin Ming smiled and nodded. "Yes, it and my Maserati are the top sports cars in the world."

Xiao Chen really wants to kick Qin Ming.

He can also say that the sports car given by staff Wang cost more than 15 million silver dollars.

The Maserati outside said that the sky is just a low configuration, which should be only five or six million silver dollars.

Bluff me?

Although I don't understand the world, my predecessor's memory can be about this part.

Although Xiao Chen is also very strange, isn't this predecessor a fool?

How can there be so many memories of luxury goods?

"Then I also have one. I don't know how it's better than your car?"

Qin Ming was stunned and then laughed.

"You, what did you say? Hahaha, you said you had an Aston Martin?"

Xiao Chen nodded very seriously.

"Xiao Chen, what are you talking about?" Xia Yunshang couldn't listen. What a shame. She pointed to the back hall and said, "go back and work."

Qin Ming also sneered and said, "fool, you'd better listen to the cloud clothes. Don't embarrass her here. What's wrong with you? Do you know how much Aston Martin wants"

"Fifteen million silver dollars."

"Oh?! hahaha, you really know. It's good, but you're a fool who can boast about tens of millions of cars!"

Qin Ming patted Xiao Chen on the shoulder, as if he had made him laugh. He covered his hand and said, "well, go to work. I don't dare to stop for me with Aston Martin. Ha ha..."

"What if I have? "

Qin Ming saw Xiao Chen asking formally. His face sank and said, "if you have one, I'll call you dad in front of everyone."

"What did you say?"

"Yes, I said."

Xiao Chen smiled secretly in his heart, but there was no change in his expression. Now is not the time for him to laugh.

He slowly took the key out of his pocket.

"Call dad."

Qin Ming was stunned to see the key.

"This...?!"

It's not that he doesn't know the logo of Aston Martin. For him who likes cars. He can name dozens of car logos.

Suddenly, Qin Ming laughed again.

"You really scared me. OK, you fool, come on, where did you pick it up?"

Qin Ming used to take the key as Xiao Chen's.

"Here are my car keys. Why did I pick them up?"

At this time, Xia Yunshang came up from behind him, grabbed the key, didn't see it, and threw it out directly from the front door.

"Cloud clothes!"

Xiao Chen looked at the car key being thrown out. He was also stunned.

"Have you had enough?" Xia yunshang's expression was very serious. She pointed to Xiao Chen's face and said, "go back and kneel down. Don't eat lunch. If you humiliate me like this, I won't give you dinner!"

"Forget the cloud clothes, he is a fool. If you pick up a key, why do you have to see a fool?" Qin Ming said he would stretch out his hand to pull Xia yunshang's hand.

"Get your hands off me!"

Before Qin ming could catch Xia yunshang, he was frightened to stop by the cold sound.

"Are you a fool still finished?" Qin Ming was also a little angry.

"We're not finished yet."

"What's up?"

"You lost and called me dad."

"I'll go!" Qin Mingyu really doesn't exist. He came forward and pointed to Xiao Chen's nose and said, "listen to me. I see that you are a fool and a member of yunshang's family. Otherwise, I would have hit you early, you know?"

Xiao Chen stared into each other's eyes and warned each other with a cold voice. "If you weren't yunshang's friend, talk to me like this, I can beat you out now."

Pop!

"Who did you hit?"

Xia yunshang slapped Xiao Chen in the face.

"Who do you want to beat? Qin Ming is also one. Do you think you can beat him? You really want me to punish you, don't you?"

Xiao Chen faced Xia yunshang's scolding and slapped. He did not refute, but walked out of the room with his head down.

Xia yunshang looked at his back and regretted more or less, but Xiao Chen had just gone too far. Qin Ming's mother introduced her to see her.

To put it bluntly, Zhao Youzhen wants Xia yunshang and Qin ming to cultivate their feelings.

For the next step.

After all, Xia yunshang will divorce Xiao Chen sooner or later.

"Don't be angry. Let's go and sit inside. Yunshang, tell me. I haven't come back in recent years. Has anything fun happened to Binjiang?"

Qin Ming smiled and went to pull Xia yunshang's hand.

Right now.

Boom!

A roar of the car engine made the hospital buzzing.

Hearing this sound, Qin Ming suddenly turned and looked in front of the door.

This is?!

He walked closely for a few steps and looked at the gorgeous black body and streamlined model, like a black fox in the desert.

It's beautiful.

At this time, the window drops slowly.

Xiao Chen's face appeared in front of Qin Ming.

"You, you, you..."

Xiao Chen said faintly, "now you believe it?"

Qin Ming stared blankly at the sports car in front of him.

"Call me dad."

Everyone in the hospital was stunned.

Xia yunshang doesn't know what to say?

But she walked to the car.

"Xiao Chen, where did you steal this car?"

Qin Ming was relieved to see her ask.

Call me dad. I'm the third young master of the Qin family.

A top student in medical school.

I just returned to Binjiang today.

The first thing is that I was forced to call someone else's father. If this gets out, how can I get a foothold in Binjiang.

I can't admit it.

"Steal it? Yes, you fool, how can you afford the more than ten million Aston Martin?" Qin Ming said, looking at Xia yunshang and said, "call the police. If such people don't call the police, I'm afraid they don't know how much trouble they will cause you?"

Xia yunshang nodded.

"Aunt Wang, call the police!"
