

## Medicine 530

"Is she your wife?"

"Yes."

Xia yunshang looked at the plump and sexy girl in front of him and asked coldly, "Xiao Chen, who is she?"

Before Xiao Chen could speak, Zhang Min came forward and replied, "my name is Zhang Min, who is Zhang Dasheng's daughter."

Zhang Dasheng is a famous jeweler in North Korea, not to mention Binjiang. His family's business has been done in several other countries.

The Xia family has no comparability in front of the Zhang family.

"So it's the daughter of Zhangjia?"

Xia yunshang glared at Xiao Chen.

"I'm sorry, everybody. I have to deal with my family."

She asked Aunt Wang to invite all the patients out.

"Miss Zhang, please go out too."

"Me? Are you going to enforce the family law?"

Zhang Min seems to have guessed Xia yunshang's idea.

"This doesn't seem to have anything to do with Miss Zhang?"

"Why not?"

Zhang Min came forward and stopped Xiao Chen.

"He is my benefactor, so you can't touch him."

"Oh, benefactor?"

Xia yunshang's face was even more ugly at this time.

Xiao Chen saw it. I really have a crying heart.

"My Miss Zhang, you are hurting me!"

"What, brother Xiao, I'm protecting you?"

Xiao Chen really doesn't know how to explain.

The more he can't understand her character, the more he cares about her.

"Aunt Wang invited Miss Zhang out."

Aunt Wang came forward and pulled Zhang Min out.

Zhang Min is standing outside.

I only heard the sound of cane beating people from inside.

Not long.

Xiao Chen walked out of the house. He looked at Zhang Min with some embarrassment, and then said to the patient outside, "please go in and see a doctor."

Zhang Min came forward and asked with concern, "how are you, brother Xiao?"

Xiao Chen is actually nothing. He has real Qi to protect his body, so these vines are no different from not fighting at all.

It's just that this law doesn't hurt much. Very insulting.

Looking at those people who came into the back hall and looked at themselves with a smile, Xiao Chen really had to lower his head as if he didn't see it.

"Min, how are you?"

Then a pair of men and women in rich clothes came in from the outside.

The jewel of a woman is that the beads of the necklace on her neck are the size of a small nail cap.

"Mom, I'm fine. Brother Xiao saved me in time."

The man then looked at Xiao Chen. He smiled and said, "thank you, little brother."

Xiao Chen knows that this person is Zhang Dasheng, who is a big man in Binjiang.

He smiled and nodded.

"Little brother, would you like to invite our family to invite you to dinner? It's also a token of gratitude?"

Xiao Chen didn't want to go, but Zhang Min's mother came forward and asked.

He thought for a while and could only nod his head and say, "let me ask my wife for instructions."

Xiao Chen turned and entered the inner hall.

Xia yunshang heard him say that Zhang Dasheng and his wife invited him. She didn't really save each other's face.

"Let's go. But pay attention to it."

Xiao Chen certainly knew what she meant by attention.

Zhang Min is too enthusiastic about herself, which is what Xia yunshang is most worried about.

When did my wife care so much about herself?

Xiao Chen not only didn't feel unaccustomed, but even secretly rejoiced in her psychology.

As Zhang Dasheng and his wife left the hospital, he and Zhang Min took a car.

Zhang Dasheng opened a room in the best Royal Hotel on the coast.

This is the largest European style hotel in several nearby cities.

It is said that a dish here costs hundreds of silver dollars.

Zhang Min's mother has been chatting with her daughter. Zhang Dasheng asked Xiao Chen about some things in the medical school.

When the food came up, Zhang Dasheng and his wife offered a toast to Xiao Chen one after another.

Zhang Min's mother seems to care about Xiao Chen's personal situation. Although I know she is the son-in-law of the Xia family, but. In this coastal area, no one doesn't know the silly son-in-law of the Xia family.

Zhang Dasheng is not a fool. After talking with Xiao Chen, he already knows that Xiao Chen is not the kind of fool people say.

Not only is not stupid, Xiao Chen's character is also appreciated by Zhang Dasheng.

In fact, Zhang Min has also revealed her thoughts to her mother.

She likes this Xiao Chen very much.

Zhang Dasheng doesn't care about the identity of a redundant son-in-law. Moreover, Xiao Chen and Xia yunshang have only their names and no real marriage. It is also well known in Binhai.

So Zhang Dasheng agrees.

But Xiao Chen didn't know what he thought.

Zhang Min's mother is holding on to Xiao Chen's food, which makes him a little embarrassed.

Xiao Chen has actually seen that Zhang Min seems to have some ideas about herself.

But I can't promise.

After thinking about it, he felt embarrassed to stay any longer, so he said he had something to do with the hospital. The food was almost the same, so I went back first.

Zhang Dasheng and his wife are not easy to retain.

Xiao Chen said goodbye to them.

This way just left.

I can't wait to go downstairs.

At the corner of the stairs, I pretended to be full of love with a man.

"Are you fucking blind?"

The man's face was full of flesh and his eyes seemed to be breathing fire.

He grabbed Xiao Chen's collar.

"Boss Zhu, show mercy."

At this time, Zhang Dasheng also walked out of the house and saw Xiao Chen being arrested. He hurriedly stopped him.

The man holding Xiao Chen looked and loosened Xiao Chen.

"Why, does boss Zhang know this person?"

Zhang Dasheng nodded with a smile and said, "boss Zhu, he is my daughter's lifesaver."

When boss Zhu saw that Zhang Min was also there, his face immediately changed into a pleasant face. He smiled and nodded at Zhang Min and said, "my sister is also there?"

Zhang Min glared at him.

"Who's your sister? You're not a few years younger than my father. You're not afraid of being teased?"

Zhang Dasheng was busy laughing and said, "min'er, this is you. Brother Zhu thinks highly of you. Why don't you know what's good or bad?"

Seeing this, Xiao Chen said coldly, "if people don't want to, don't stick around. It's obvious that you're so old. Do you want an old cow to eat tender grass?"

"You want to die!"

As soon as boss Zhu turned around, he came to catch Xiao Chen again, but he didn't wait for his hand to catch Xiao Chen. He saw Xiao Chen's wrist and caught it on his wrist.

Then Xiao Chen shook hard.

Just a click.

Boss Zhu gave a cry of pain and his whole arm fell down.

"You, you, you..."

His skills are not as good as others. Boss Zhu has no ability just now, but he shouted downstairs and said, "come on!"

In this voice, I saw a dozen men in black pouring up the second floor.

"Brother, what's the matter with you?"

"Call me a dick, I, my arm was ruined by him!"

There were several men. One of them turned and ran downstairs.

The remaining dozen people surrounded Xiao Chen one by one.

a moment.

I only heard a sneer downstairs.

"Who dares to touch my brother?"
