"Yunshang, you must come to this party tonight."

On the phone, Zhao Youzhen's attitude was very firm.

"Mom, I didn't say I wouldn't go."

"I made an appointment with Qin Ming."

"What did you ask him for?"

"Forget it. Silly boy, do you want to follow that fool all your life?"

Zhao Youzhen hung up the phone.

Xia yunshang has no way to take this mother.

however.

Xiao Chen and the fashionable girl outside just now. I don't know. I've been very happy since he came in.

"In the evening, I may not be able to attend the banquet."

Xiao Chen walked to the counter.

"What are you doing?"

Xia Yunchang looked at him and asked.

"Yes."

Xia yunshang's heart is just right.

If Qin Ming goes with me.

How can I explain to Xiao Chen?

"Then you can have a good look at the hospital at home."

Xiao Chen didn't answer and turned to the back.

Soon.

Before dark. Xia Guowei picked up Xia yunshang.

Xiao Chen closed the door here.

Zhang Menglu has been waiting for him across the street for a long time.

See her waving to herself.

Xiao Chen walked across the street and said, "here you are."

"Can you be happier?"

Zhang Menglu put her hand on the corner of Xiao Chen's mouth and pulled it up.

Xiao Chen smiled.

Got in the car.

"I'll take you to buy a suit first."

She drove him to the best men's dress shop in Binjiang.

Zhang Menglu's handwriting is not small.

It's just an evening dress.

It cost 100000 silver yuan, which is the most expensive one Xiao Chen has ever worn.

"People depend on clothes. Well, it's so handsome."

Zhang Menglu's remark is not a compliment. Xiao Chen is already very handsome. Such a dress makes her more temperament.

Moon tower.

Qin Ming opens the door.

Xia yunshang walks out of the car. Tonight, she is with Qin Ming. Her parents have gone up first.

"Your car key, sir."

The parking attendant took Qin Ming's car key.

Right now.

Zhang Menglu's Pagani also drove in.

The window rolled down.

She threw the key to the parking attendant.

The other party obviously knew Zhang Menglu, smiled, bowed and said, "Miss Zhang, welcome, still stop at the old place, right?"

Zhang Menglu got out of the car.

Just um.

Qin Ming squinted at Zhang Menglu and whispered to Xia yunshang, "this kind of girl is not necessarily maintained by the rich merchant."

next.

Qin Ming and Xia yunshang saw that Xiao Chen came down from the co pilot of the car.

"Xiao Chen?"

"Why him?"

Qin Ming stopped Xiao Chen and said, "fool, why are you here?"

Seeing that it was Qin Ming, Xiao Chen said disapprovingly: "why, can't I come?"

Qin Ming sneered. Looking at Xia yunshang, he said, "look who came with me."

Xiao Chen saw Xia yunshang.

"Aren't you...?"

Xia yunshang didn't expect that what he said in the morning would be beaten in the face now.

"I ask you, didn't you say something? Did you come here with this woman?"

Xiao Chen looked at Zhang Menglu. She is my friend

Xia yunshang shook his head with a sneer and said, "friend? What kind of friend? Did your friend buy your clothes?"

Qin Ming made up a knife and said, "yunshang, this dress is not cheap. It's 100000 silver dollars less!"

"Xiao Chen, I didn't expect you to be such a man!"

Xia yunshang went directly to Qin Ming.

"Let's go. Let's go in."

"Wait a minute!"

Xiao Chen also remembered his previous words at this time.

"Didn't you come to the moon tower?"

"I'll come if I like. Can you manage it?"

Xia yunshang tilted his eyes to Xiao Chen.

Xiao Chen was speechless.

Don't you really have no control over others?

A redundant son-in-law.

How can you control your wife?

Qin Ming squinted at Xiao Chen. "Do you really know who you are? Silly B, you also take care of cloud clothes. Go away."

He said, being held by Xia yunshang, he walked into the moon tower.

"Xiao Chen?"

Zhang Menglu went behind Xiao Chen and shouted.

"I'm fine."

Xiao Chen turned around with a smile.

"Otherwise, if you don't want to go up tonight, forget it. I'll take you back."

"No."

Xiao Chen extends her arm to Zhang Menglu.

They also walked into the moon watching building arm in arm.

Main hall.

Zhang Guodong sits in the middle.

There are two places beside him.

Xia Guowei and Zhao Youzhen were just sitting. He saved his place.

The couple didn't dare ask who it was.

But they knew that one of the them was for Monroe.

As for the other one, I don't know.

However, in their view, they should also be the people Zhang Guodong looks up to. It is conceivable that Binjiang can be valued by this person.

"Mom."

Xia yunshang and Qin Ming came in.

"Yunshang, come and meet your Uncle Zhang."

Xia yunshang saluted Zhang Guodong.

"Miss Xia, the medical skill in Binjiang is second to none."

Xia yunshang didn't expect that the real estate tycoon should know her little doctor.

"Uncle Zhang, you flatter me."

"Dr. Xia, it is said that you are a miracle doctor. Can you show me later?"

Xia yunshang nodded.

"Of course, Uncle Zhang. What's wrong with you?"

Zhang Guodong nodded.

"I've always had migraines these days."

"Uncle Zhang, let me take your pulse"

Xia yunshang got up here, went to Zhang Guodong and gave him a pulse.

This one doesn't matter.

Xia yunshang was also confused.

Zhang Guodong's pulse is stable. He doesn't seem to have any pain.

"What's the matter?"

"I don't think Uncle Zhang is ill at all."

Zhang Guodong smiled and said, "how is this possible?"

Zhao Youzhen saw her daughter and didn't see the problem. She was afraid that Zhang Guodong would look down on the Xia family medical school. She hurriedly pulled Qin Ming and said, "Mr. Zhang, my daughter's boyfriend, he is a top medical student. Why don't you let him show you again?"

Zhang Guodong looked at Qin Ming and said, "well, since you are a top student, you should be able to see the problem?"

Qin Ming stepped forward, looked at Xia yunshang with a confused face and said, "don't worry, I'll show Mr. Zhang."

Xia yunshang nodded.

Qin Ming examined it carefully.

"How is this possible?!"

He also looked puzzled.

"How?"

Qin Ming shook his head and said, "Mr. Zhang, you really don't seem to be ill."

Zhang Guodong's face sank and said, "am I lying to you for my headache?"

Qin Ming and Xia yunshang are also confused.

"Uncle, I'm here..."

Zhang Menglu and Xiao Chen came in at this time.

"Xiao Chen?!"

"You...?"

Xia Guowei and Zhao Youzhen looked at Xiao Chen in surprise.

"Why do you know each other?"

Zhang Guodong looked at Xia Guowei and his wife and asked.

"He is..." Zhao Youzhen seems to want to say the relationship between Xiao Chen and herself, but when she sees Zhang Menglu, she still doesn't point it out.

"I'm a busboy in the Xia family medical school."

Xiao Chen took Zhao Youzhen's words directly.

"Oh, so you'll see a doctor, too?" Zhang Guodong looked at Xiao Chen and asked.

"Yes."

"Then show me."

Qin Ming snorted coldly and said, "what kind of disease can he see for such a handyman?"
