

Medicine 549

"You, who are you talking to?"

Zhao Youzhen raised her hand to continue playing.

Xiao Chen was at this time, with her finger on her wrist.

"Ah!"

Zhao Youzhen can't lift her whole arm directly. It doesn't hurt, but it's so sour that she can only hold it with her hand.

"You..."

Xia Guowei knows Xiao Chen's power.

He hurried forward and said, "son-in-law, what's the matter with you and your mother?"

Zhao Youzhen stared at Xiao Chen and said, "do it for me."

"I'll ask you again. Where is Chen gongqiu?"

"Why do you ask this?"

Xiao Chen looked gloomy and said, "this is related to the safety of our family."

"Cut! What are you talking about? Can Chen gongqiu still harm us?"

"Of course."

When Xia Guowei saw Xiao Chen say so, he hurriedly said, "son-in-law. Give your mother a solution first?"

Xiao Chen shone a little on Zhao Youzhen's shoulder.

"Eh?"

Zhao Youzhen moved, and the acid swelling just disappeared.

"Xiao Chen, are your wings hard? Now you dare to fight me, don't you?"

Xia Guowei came forward and said, "are you looking for Chen gongqiu for our safety?"

"Dad. You know, just tell me."

Xia Guowei was about to speak.

"Don't tell him. Gongqiu told us. Don't tell anyone else."

Xia Guowei looked at Xiao Chen in some embarrassment and said, "yes, Chen gongqiu really told us before that he wouldn't let us tell others where he lives."

Xiao Chen can be sure that Chen gongqiu came to Binjiang for a purpose, otherwise he wouldn't hide his residence.

"Dad, don't you believe me? This Chen gongqiu will really threaten our Xia family."

"Really?"

"Lao Xia, do you listen to this fool? Don't you and I know who Chen gongqiu is?"

Zhao Youzhen said, pointing to Xiao Chen and said, "get down the stairs. I don't want to see you."

"Hemostatic pill, he came for hemostatic pill."

Zhao Youzhen was stunned by this sentence.

"Hemostatic pill? How do you know about hemostatic pill?"

Xiao Chen will be in the daytime. About the two mysterious people.

"Northern Chu people?"

"Yes, the Chen family may be suspected of collaborating with the enemy. If the people in northern Chu are related to Chen gongqiu, then the Xia family will be close to him. Do you think the Xia family will be implicated?"

Xia Guowei nodded.

"Wife, Xiao Chen is right."

"I don't care. Do you believe a fool?"

Xia Guowei thought for a moment, took Xiao Chen and said, "don't say I told your mother."

Xiao Chen nodded.

Xia Guowei whispered a few words in his ear.

Xiao Chen's eyes lit up.

"Here it is."

He said, turning and walking towards the door.

"Where are you going?"

"I'll catch the people of northern Chu."

Xiao Chen left Xia's house.

Go straight to Niujiao lane.

This alley is a land of smoke and willows in Binjiang city.

There are more than a dozen brothels here.

Xiao Chen is here.

Although it's night. But there are bright lights here. It's time to start work.

"My guest, come in and play?"

"Come on, the girls here are fine."

"Boss, how about Xiaohong, ten silver dollars, budding tonight?"

Xiao Chen walked through several brothels and came to a two-story building.

Yihong hospital.

This is one of the best gardens in Niujiao lane.

"Sir. Looking for a girl, do you have a familiar one?"

Xiao Chen waved his hand.

"I'm looking for someone."

"Looking for someone? Who?"

"Chen gongqiu, childe Chen."

"Oh, you're looking for him. It's on our second floor. He ordered our number one card tonight. Miss Xiaoyue."

Xiao Chen walked into the garden and looked. There were two stairs on one side to go upstairs. He went to the left and went upstairs. A procuress came up.

"Who are you looking for?"

"Xiaoyue's room?"

"Mr. Chen, if you are looking for a girl, I will recommend it to you?"

Xiao Chen took out a few silver dollars from his pocket.

"I have something to do with Childe Chen."

The procuress saw the silver dollar and took it with a smile. "Why didn't you say it earlier? It's a friend of Childe Chen. Come on. I'll take you."

Follow the procuress.

Xiao Chen went to a room inside.

"Girl."

"What?"

"Childe Chen's friends came to him."

"Friends?"

Footsteps sounded, and then a woman in a belly pocket appeared at the door.

"Who are you?"

She looked up and down at Xiao Chen and asked in wonder.

Xiao Chen was at this time. Give the door a slap.

"What are you doing?"

The woman grabbed Xiao Chen.

But she was only a woman after all. Xiao Chen just shook her away with a slight shock.

A few steps.

Xiao Chen went into the house.

Chen gongqiu was still lying on the bed, with his upper body naked and his lower body covered with a piece of brocade.

"Chen gongqiu!"

"Huh?"

Chen gongqiu looked around and saw that it was Xiao Chen. He was startled.

"Why are you?"

Xiao Chen walked to the bed.

"I just want to find the two northern Chu people."

Chen gongqiu frowned.

"You know?"

"If you don't want to participate in this matter, I won't involve you. Say, where are they?"

Chen gongqiu thought. "Let me get dressed and I'll take you."

Xiao Chen nodded.

He turned and sat down at the round table.

Chen gongqiu is in bed, finds his clothes, and when he is dressed, he walks down from the bed.

He said faintly: "I said Xiao Chen, why do you have to join in this matter? I heard. The Xia family is not very kind to you."

"I don't want my relatives to be in any danger."

"Relatives? Ha ha, your mother-in-law wants you to die immediately. What relatives are these?"

Xiao Chen said coldly, "don't talk nonsense, take me."

"Good..."

Chen gongqiu knew that he was not Xiao Chen's opponent, but he would not be willing to hand over the people of northern Chu.

When he comes to the door.

The moment I opened the door.

He suddenly turned around and threw his sleeves at Xiao Chen behind him.

Boom!

A piece of white ash was thrown out of his sleeve.

Xiao Chen protected her face with her arm.

When the white dust clears.

Chen gongqiu has disappeared.

Xiao Chen didn't expect that this man had this skill. He ran out with an arrow step. In front of the fence, he saw that Chen gongqiu had escaped from Yihong hospital.

He took a leap.

Jumped directly into the yard.

Twist the body.

Xiao Chen caught up.

At this time.

There are fewer pedestrians in the street.

Xiao Chen looked and saw Chen gongqiu running to the East.

He followed.

Although Chen gongqiu has some Kung Fu foundation, Xiao Chen is now a person who cultivates true Qi. He doesn't know how much stronger he is in strength.

Soon.

Xiao Chen caught up.

"Xiao Chen!"

Chen gongqiu stopped in an alley. He turned and pointed to Xiao Chen and said, "don't you want to live? Do you know who you're facing?"

"BeiChu, right?"

"You know, against us?"

Xiao Chen's face was cold and said, "listen to me. I just want to protect the safety of my family."
