"You're a fool and deserve it. Xia yunshang shouldn't have been owned by people like you."

Pop!

Chen gongqiu was stunned.

"You, you hit me?"

Xiao Chen said faintly, "listen to me. This is Binjiang, not your Chen family. Be honest."

"I..."

Xiao Chen raised her hand again.

"Ah! You, you still fight?"

"Say, where are those northern Chu people?"

Chen gongqiu asked when he saw him. Sneered and said, "Xiao Chen, even if I said it, do you really think you dare to go?"

"Say."

Xiao Chen's hand has been raised.

"You?"

Pop!

Chen gongqiu was beaten around the ground.

"You, you really fight?"

Xiao Chen raised her hand again.

"I, I said."

Chen gongqiu pointed behind him.

"They're in that big house in this alley."

Xiao Chen looked. Not far away, there was indeed a big house with two huge red lanterns hanging at the door.

He pointed to Chen gongqiu. "Remember, you will die if you do more injustice. You'd better do less bad things."

Watching Xiao Chen pass by in front of him.

Chen gongqiu said coldly, "do you want to go by yourself?"

"What?"

"Do you know who's in there? Do you know how many of them there are? Are you really stupid?"

Xiao Chen didn't stop.

It's already under the two red lights.

Dudu

After Xiao Chen knocked on the door, he only heard a burst of dog barking in the yard.

"Who?"

As a man's voice sounded, the door was opened.

Chen gongqiu in the distance was surprised to see that Xiao Chen shot directly. The man who opened the door was knocked down by him.

As Xiao Chen walked into the courtyard, the gate was closed.

Chen gongqiu didn't know why, but he was worried about the people in the yard.

"Can't something really happen?"

At this time.

Xiao Chen has reached the middle of the yard.

This is a new house.

On three sides are more than a dozen rooms.

moonlight.

Sprinkled in the yard.

The ground was as white as if it had been covered with snow.

"Is there anyone alive?"

Xiao Chen's voice was cold.

But let every room in the yard listen really.

In each room, the lights went on immediately.

Then doors were pushed open.

From the middle of the room.

Several people walked out.

The first is a strange face, but the two beside him are indeed the two who went to the hospital this morning.

Many people poured out of other houses.

In the blink of an eye.

Xiao Chen was surrounded by dozens of people.

"It's you!"

The two northern Chu people who had been beaten by Xiao Chen said to the man in the middle, "he is the silly uncle of the Xia family."

"Fool?"

A man in the middle. With a grim smile on his face, he had a pair of moustaches and reached out to touch it.

"What are you doing here?"

"I just want to say one thing. After that, I'll leave."

"Leave? Hahaha... You see, he's leaving?"

The eight character beard sneered, "OK, I'm more interested in what you want to say now. If I think it's really interesting, I can let you leave."

"From today on, don't come to Xia's house. I don't care what you want. Xia's people don't allow you to touch it."

"Oh, listen, he said let's not touch the Xia family. Can you do it?"

The eight character beard asked.

The dozens laughed.

"What are you? Dare to order us?"

"Die?"

"Lord, feed him to our holy thing."

"Yes, yes!"

Xiao Chen listened to them and said with a heavy face, "are you here to participate in the martial arts show in the five cities?"

"You know a lot more."

"Yes, you're right," Hu said

"Dongjiang poisonous dragon sect?"

"Yes, yes. Aren't you a fool? You know a lot."

Xiao Chen's face sank and said, "it's really the misfortune of Dongjiang people to have you scum in Dongjiang."

"What are you talking about?"

The mustache drooped his face and said, "here's your face? Do you really think I'll let you go today?"

Xiao Chen smiled coldly and said, "I didn't want to leave at all."

"Don't you leave?"

"Do you agree to what I said?"

"Don't talk about you in the Xia family. If you don't hand over the hemostatic pill, you will die!"

"Hum! In that case, it seems that I have to end you, so that I can end everything, right?"

Xiao Chen said and glanced at the crowd.

"Everything."

He hooked his fingers at these people.

"Die!"

The eight character Hu waved to Xiao Chen.

There were a dozen people immediately. Rushed to him, but these people didn't wait to meet Xiao Chen, but they were all directly ordered by Xiao Chen to fall to the ground.

"Two sons."

"Sect leader. This boy has some tricks. Why don't you release the poisonous dragon?"

Eight character Hu nodded. He put his hand into a black cloth bag at his waist.

Xiao Chen thought it was a concealed weapon, so he retreated.

"Wait!"

Eight character nonsense raised his hand and saw a black object flying out of his hand and rushing towards Xiao Chen.

Seeing the black object's hand, the mustache was a burst of laughter.

But at the moment when Heiwu met Xiao Chen.

Xiao Chen raised his hand and caught the black object in his hand.

Everyone present was shocked.

"Ha ha, sect leader, the fool is dead now."

"This is the holy thing of our poisonous dragon sect. There is no unique antidote. Don't touch it. It will be poisoned at a glance."

The mustache frowned slightly.

"Why isn't he dead?"

Xiao Chen looked at the holy thing of poisonous dragon sect in her hand.

It turned out to be a small snake only a few inches long.

The snake has dark red scales and a triangular head. At this time, he was looking up at Xiao Chen.

Xiao Chen said faintly, "I don't know how many lives were buried in your mouth?"

The little snake was obviously caught in his hand for the first time. It raised its head and then bit on the back of Xiao Chen's hand.

Boo!

Watching the little snake bite itself.

Xiao Chen did not move.

"Ha ha, fool, you wait to die now!"

Xiao Chen just stared at the snake.

After a while.

The little snake raised its head. Then the dark red scales turned black slowly.

Xiao Chen threw the snake to the ground.

The little snake crawled away on the ground.

"Me, my holy thing?"

The mustache was shocked.

"You, who are you? You won't die if you are bitten by my poisonous dragon?"

Xiao Chen said coldly, "poisonous dragon? You use this to cultivate evil skills. I think you are more poisonous than that poisonous snake."

"Hum, I want you to take care of it!"

"People in the martial arts, how can there be scum like you!"

Xiao Chen pointed to the eight character beard and said, "as a North Korean, you have collaborated with the enemy of South Chu. Do you know this is a capital crime!"

"Hahaha... North Korea's Zhao Tianqi is arbitrary, and General Chen Da of South Chu is the real Ming Lord."

Xiao Chen lifted her hand.

"That's enough. I don't have time to talk nonsense with traitors like you. Leave Binjiang and leave my Xia family alone. I can ignore your business."

"Hum, fool, do you really think that if you detoxify my poisonous dragon, we can't help you?"

A moustache will kill your hand in one fell swoop.

"Someone, send a loud arrow and call door master Xu of Desha door!"

Move help?

However, Xiao Chen secretly smiled at the three words of disharmony.
