

Medicine 564

Walking along was a young man in a suit.

The man has short hair.

The bridge of the nose is high and the eyes are like bright stars.

One word.

Handsome.

Chen Xuening was stunned when she saw the visitor, and then smiled.

"Lu Zhan, why are you?"

The visitor is the descendant of the Lu family in Qin'an city.

In fact, the Chen family and the Lu family are old friends.

It's just that Qin'an is too far from Binjiang.

The two families only get together on New Year's day. It's just watching each other on weekdays.

Lu Zhan smiled.

"Xuening, why are you here?"

Chen Xuening looks at Xiao Chen.

"I invited doctor Xiao to dinner."

"Miracle doctor?"

Lu Zhan looked at Xiao Chen.

Just in the eyes. A slight hint of contempt.

Slightly nodded to Xiao Chen.

Sun Lijiang said in a deep voice at this time: "people from the Lu family?"

Lu Zhan looked at Sun Lijiang.

"Yes, I'm from the Lu family in Qin'an. My name is Lu Zhan."

As he spoke, the corners of his mouth lifted slightly.

The smile was full of disdain.

Sun Lijiang is such an old Jianghu that he can't see it. Lu Zhan is contemptuous of himself.

"Hum!"

He snorted coldly.

"What's the matter with the Lu family? This is Binjiang, the place of my grandson's family. Why, you are such a little boy, and you have to meddle in my territory?"

Lu Zhan shook his head gently.

"Of course not. I came to see the excitement."

"Huh?!"

Sun Lijiang was stunned.

"What are you talking about? Watching the excitement?"

Lu Zhan pointed to Wang Ye.

"The man said to ask the lady to beg him and let her man go again. I want to see how the famous children of the Wang family and the boss of Lijiang Hotel bully a woman."

His words are heartbreaking.

Sun Lijiang's face became more and more gloomy.

"Enough!"

He lifted his hand.

"Lu Zhan, say so. Are you with them?"

"Sort of."

"Well, I've heard about the Lu family's martial arts. The five tigers break the door palm is very powerful. I just want to experience it."

Sun Lijiang said, dividing the steel ball into his left and right hands, and saw him raise his left hand.

The steel ball shot at Lu Zhan like a meteor.

"Nice boss Lijiang. It's disappointing that he is a man who makes good use of sneak attacks!"

Lu Zhan said coldly while hitting the steel ball with his palm.

Sun Lijiang was singled out by Lu Zhan.

His face turned red.

Actually.

Steel ball is a weapon with concealed weapons, so every time he takes a shot, he has to take a lead.

"You talk a lot."

Sun Lijiang took the steel ball played back by Lu Zhan. Then he threw his body forward.

The two fought in one place.

At this time.

The king also looked at Xia yunshang.

"Yunshang, how are you thinking?"

"You dream!"

Xia yunshang stared at Wang Ye.

"You?"

Wang was also angry.

I was about to reach for Xia yunshang.

But right now.

He just felt someone grabbing his shoulder behind him.

"Who?!"

Wang also suddenly turned around and struck the man behind him.

But his palm didn't wait to fall.

It's Xiao Chen.

Wang was so frightened that he lost six of his seven souls.

"Xiao, Xiao Chen?!"

I saw the chill on Xiao Chen's face.

"Get out now. There's still time."

Xiao Chen's words sounded like an order to Wang.

Scared, Wang also turned and ran to the big beard and other thugs in Lijiang.

"Third brother, don't be afraid. There are me and your brother-in-law."

Wang Xue stood up at this time.

She pointed to Xia yunshang and said, "Xia yunshang, my brother has a crush on you. This is your blessing. Our Wang family is not worthy of your little Xia family."

"Wang Xue. You've had enough. Someone else's aunt is too. What's your face to tell us this?"

Chen Xuening said and looked at Xia yunshang.

"Miss Xia, with doctor Xiao, they can't do anything to you."

Xia yunshang nodded.

however.

She seemed to think of Chen Xuening and looked at Xiao Chen with a slight frown.

"Say, what are you doing here?"

Xiao Chen was stunned.

What just happened is too urgent.

Xia yunshang asked.

Xiao Chen could only smile awkwardly and said, "I, I came with Miss Chen."

"You?"

"Yes."

Xia yunshang looked at Chen Xuening and saw that Miss Chen just smiled and looked at Xiao Chen, the look in her eyes. It seemed to her that she was emotionally rich.

"If you don't tell me to come out casually, don't you have any rules?"

Xia yunshang's face glanced at Chen Xuening.

"Yes, I'm sorry. You're with Miss Chen. If someone else. I don't know what to do."

Xiao Chen's body gave a slight pause.

Family law?

The taste of the cane.

Xiao Chen has tasted it.

This woman.

Alas!

Xiao Chen can only look at Chen Xuening with embarrassment.

He has pain in his heart.

But it's hard to say it on this occasion.

it seems that.

Xia yunshang has nothing to blame for doing so.

After all.

He is a man with a family.

"Chen Xuening, you've had enough!"

Wang Xue, who is on one side, has seen that she is about to fry the pot.

She pointed to Chen Xuening and said, "look at you dog men and women, Xia yunshang. I think you are green by others. Don't you know yet?"

As soon as this sentence came out, it seemed that the relationship between Xiao Chen and her second daughter, which was still in balance, was suddenly pushed to a cliff.

At this time, Xiao Chen seemed so pale no matter what he said.

Xia yunshang and Chen Xuening looked at each other for a long time.

Poop.

The two girls laughed at the same time.

Xiao Chen was also stunned.

Xia yunshang smiled and said, "Miss Chen, my Xiao Chen knows some medical skills. What can help you is also the duty of a doctor."

Chen Xuening also nodded and said, "although I say so, how can I not repay the great kindness of doctor Xiao this time?"

Two female say unexpectedly walk together.

Hold hands.

As close as you want, you can be as close as you want. You look like a good sister.

Xiao Chen's heart secretly grew a tone.

As long as we don't fall out on the spot.

Everything is turning for the better.

"You?"

Wang Xueben wanted to provoke.

Unexpectedly, these two women are much smarter than her.

"Hum!"

Wang Xue stared at Xia yunshang.

"If I can't stand it."

Chen Xuening said coldly, "Miss Xia and I hate to meet late. You cheap woman, don't provoke here."

Right now.

Bang!

A loud noise.

I saw Lu Zhanxing in the fight and suddenly backed out.

The body is stable when it hits the wall.

Look at Sun Lijiang again, standing still.

it seems that.

He is not as unbearable as Lu Zhan.

"Master..."

Seeing this, Wang Xue thought sun Lijiang had won. She ran to sun Lijiang with a smile and stretched out her hand to pull him.

Yes.

Sun Lijiang's body seemed to be blown up by some gas, and his clothes swelled immediately.

Poof!

Then the gas is vented.

A cloud of white gas sprayed from sun Lijiang.

Wang Xue flew out in an earthquake.

She screamed.

A man fell and a dog ate.
