

Medicine 568

"This kind of counsellor, I don't know. What do you like about him?"

Lu Zhan looked disdainfully at Xiao Chen's back and said.

"You don't understand!"

Chen Xuening looked sideways.

"I don't understand? Yes, yes, I don't understand. Do I have a chance?"

Lu Zhan gave Chen Xuening an expression of licking the dog.

"You?"

Chen Xuening looked at Lu Zhan, who was disgusted, and stretched out her hand and slapped Lu Zhan severely in the face.

"Ah!"

Lu Zhan was stunned.

"You, why did you hit me?"

"I want to wake you up. What qualifications do you have to tell me now?"

"Qualification?"

Lu Zhan rubbed his hot face.

He looked wrongly at Chen Xuening's background.

"I'll kill Xiao Chen."

Chen Xuening's body shook slightly.

"You dare!"

"Then you say. How can I be qualified?"

Chen Xuening looked back at him.

"Listen to me. If you dare to move Xiao Chen's finger, I will never forgive you in my life."

Lu Zhan gasped heavily.

"All right."

"By the way, you came to Binjiang from Qin'an, not just to find me?"

Lu Zhan frowned, smiled and said, "the five cities are about to perform martial arts. I came to Binjiang on behalf of the Lu family."

"Five City martial arts show, I heard that the poisonous dragon sect has quit. I don't know if the remaining four sects can be held. Haven't you Lu family heard the news?"

Lu Zhan nodded.

"I've heard about it. It's said that the general altar of poisonous dragon sect has sent people to Binjiang to investigate the matter, and the people who come will also participate in the martial arts show on behalf of Liu Xiang. Therefore, the martial arts show in the five cities is still the same."

Chen Xuening frowned slightly.

"So, the martial arts show in the five cities will continue. You said that the general forum of poisonous dragon sect sent someone to investigate the matter? Do you know who it is?"

Lu Zhan shook his head.

"I don't know yet, but the man who killed Liu Xiang is famous in the Jianghu. It is said that he is still a riverside man."

Chen Xuening nodded.

"I also received a tip that this person is a native of Binjiang. Why didn't I hear that there is such a number one person in Binjiang?"

"Xuening. It has nothing to do with us. By the way, I'm going to stay in Binjiang these days. Do you think I can go to your house?"

"What!"

Chen Xuening's face suddenly showed an expression of disgust.

"Are you coming to my house?"

"Yes, I haven't visited Uncle Chen for a long time. I'll take this opportunity to meet him."

"My father is in good health. I don't bother you. You'd better find a hotel to stay."

Chen Xuening said and walked downstairs.

Lu Zhan sees it. He trotted after her.

"Uncle Chen, I want to see you, too."

"Can't you understand me?"

Chen Xuening wants to slap Lu Zhan again.

But she saw Lu Zhan looking pathetic.

There is no idea of playing.

"Really, I'm so bored!"

.....

Xiajia medical center.

"Kneel down!"

Xia yunshang pointed the cane in his hand to Xiao Chen.

"Wife, I..."

"Don't call me wife."

Xia yunshang's Apricot eyes were wide open and her face was angry. She pointed to the ground.

"Don't kneel down!"

Xiao Chen could only kneel on the cold ground.

"I don't deserve to be your doctor Xiao's wife."

"What kind of doctor is that? You are the doctor of Xia family medical school."

Xiao Chen smiled and looked at Xia yunshang, but he already knew in his heart that what Xia yunshang really cared about was Chen Xuening's attitude towards herself.

"Go ahead. What does Chen Xuening have to do with you? Why does she defend you everywhere?"

right enough.

Xiao Chen could only laugh.

"My wife, I'm really just invited by her to thank me."

"Thank you?"

Xia yunshang said coldly, "fairy needle thirteen moves, how can you do it?"

"This..."

Xiao Chen lowered her head and turned her eyes. "I just saw it in a Xia family medical book. In fact, I just happened to."

"Medical book? That medical book?"

"I forgot."

"Hum, what you've learned now, you dare to lie in front of me, don't you?"

Xia yunshang said, raising the cane in his hand.

Pop!

The cane hit Xiao Chen on the shoulder.

Fortunately, the true Qi of the four gods can counteract most of the power of the cane hitting the body.

Right now.

"Who is doctor Xiao?"

Someone in the outer hall asked.

Aunt Wang's voice immediately sounded.

"What are you looking for him for?"

"I'm from Shenwu hall. The hall leader has ordered that doctor Xiao go to Shenwu hall to discuss something."

"Well, wait a minute. I'll ask my lady for instructions."

next.

Aunt Wang ran in from the outer hall.

See Xiao Chen kneeling on the ground.

She pointed.

"Did you fool get into trouble again?"

Xiao chenmo was silent, but lowered his head and said nothing.

"What's the matter, Aunt Wang?" Xia yunshang asked.

"Miss. The people from Shenwu hall are coming and want to find him?"

Xia yunshang frowned.

"How did you provoke these Jianghu people?"

Xiao Chen shook his head.

"Hum!"

Seeing this, Xia Yunchang pointed the cane at his nose.

"Not yet?"

Xiao Chen doesn't know where to start.

"Wife, sir. I just cured the elder brother of Zhu Laoer once. There's really no intersection."

Xia yunshang didn't believe what he said, but she knew the background of Shenwu hall. She knew that Xia family couldn't provoke these people in the Jianghu.

"OK, when you come back, I'll clean you up. Go quickly."

Xiao Chen can only get up and turn around and walk out of the inner hall.

I saw three subordinates of Shenwu hall standing in the outer hall.

"Doctor Xiao."

The three had seen Xiao Chen before, so they saluted him politely.

"Let's go."

Although Xiao Chen looks a little annoyed, he can't really offend Zhu because of his identity.

After all.

There is a summer home behind him.

Several people left the hospital.

I can't wait to get on the car of Shenwu hall.

I saw an Infiniti super car stop in front of the hospital.

Qin Ming stepped down from above.

He looked at Xiao Chen and said coldly, "Xiao Chen, I have something to find you."

Xia yunshang also followed.

Qin Ming nodded to her.

"Looking for me?"

Xiao Chen frowned.

Qin Ming and the poisonous dragon sect. There are countless connections between people in southern Chu. I don't know what it is to come to me at this time?

"Take a step."

Qin Ming walked aside and waved to Xiao Chen.

Xiao Chen can only step forward.

Seeing the distance, Xia yunshang and others should not hear their words, Qin Ming stood still and looked at Xiao Chen in front of him.

"Do you know what I'm looking for you?"

Xiao Chen said faintly, "it's no good for you to find me."

"Ha ha... That's true. You offended the general altar of poisonous dragon sect and the military of Southern Chu about Liu Xiang. Now they come to the door and the Xia family will be implicated by you. I'm here today to tell you that your doomsday is coming, but the Xia family has nothing to do with you. Now you have a way to choose. Divorce yunshang immediately and I can protect the Xia family."

Hearing this, Xiao Chen frowned slightly.

"Qin Ming, I thought you were just a villain. I didn't expect you to be so mean."

"You!"

Qin Ming stared at Xiao Chen.

"What are you talking about?"

"What are you talking about? I tell you, Qin Ming, Xia yunshang and I won't divorce. You'll die early. As for what you're talking about, the general altar of the poisonous dragon sect or the southern Chu military, in my opinion, I'm not afraid at all. Just let them find it."

With that, Xiao Chen turned and walked to the car of Shenwu hall.

"You'll regret it!"

Qin Ming angrily pointed to Xiao Chen and shouted.
