Chapter 1451: Killing You Is Like Killing a Dog!

Only after several breaths did Chi Fang suddenly quiver, coming back to his senses.

“Impossible! He ... How can he possibly kill Qin Tian?”

Chi Fang muttered to himself, clearly still unable to accept this fact.

But he knew in his heart that Ye Yuan absolutely would not shoot his mouth off.

Actually, the news of Qin Tian hunting down Ye Yuan was already not a secret in Wu Meng Academy.

The two of them went out to train one after another, and also did not return for ten years.

Even a fool could also guess what happened.

But now, Ye Yuan returned safe and sound, but Qin Tian failed to come back. This had to set off numerous speculations.

Of course, it might be that Ye Yuan used some method to shake Qin Tian off, resulting in Qin Tian still being not knowing that Ye Yuan already returned until now.

But it was also possible that Qin Tian had already fallen in the small world.

Actually, the majority of the people still leaned towards the former. After all, Qin Tian’s strength was quite known.

Even if Ye Yuan broke through to the Heaven Glimpse Realm, it was also not possible to be Qin Tian’s match.

Chi Fang as the academy’s teacher, he was naturally clear about Qin Tian’s strength.

But now, Ye Yuan actually personally admitted that Qin Tian was dead!

What in the world happened inside the small world?

Suddenly, Chi Fang was startled, secretly thinking that things were bad.

“This lad is lawless and rampant, he might do something! This matter, better to notify Tower Lord.”

...

Inside a box room in Clearwind Inn, Qin Zheng and the rest were currently chatting away happily.

“That punk is sly and cunning. We expended so much thought and he wasn’t willing to take a step out of the academy. It’s still Senior Apprentice Sister Lin Xiu who is impressive. The moment you make a move, that punk fell for it obediently.”

Wang Song had a delighted look. It was just that the expression of the Jia Chong by the side was rather unnatural.

But he also knew that his disparity with Qin Tian was too great. There was no chance at all.

Lin Xiu who was sitting on the seat of honor still had a cold and prideful appearance, exuding the temperament of a goddess.

Mentioning Xie Jingyi, she had a look of disgust as she said, "Xie Jingyi wants to score above his league, thinking about having a baby with me. He thought he can do as he pleases. If not for Big Brother Tian telling me not to keep him at a distance, I would have long taken action against him."

Qin Zheng hurriedly said ingratiatingly, "Isn't that so! That damn fatty is fat and round, with a name like a girl's. Forget about a proud daughter of heaven like Senior Apprentice Sister, even ordinary women won't take fancy on him either!"

Qin Pei smiled and said, "Wu Meng Academy, only Big Brother Tian and Senior Apprentice Sister Lin Xiu is a match made in heaven!"

Mentioning Qin Tian, Lin Xiu's brows suddenly furrowed and she said, "Big Brother Tian going to kill Ye Yuan this time, he's gone for ten years. He should be back no matter what, right?"

Qin Zheng paid no attention to it as he said with a smile, "Senior Apprentice Sister Lin Xiu is flustered due to concern. Who is Big Brother Tian? This time, him personally taking action, that kid is probably a dead soul under his sword long ago!"

Qin Pei said, "Yeah, Big Brother Tian probably had some fortuitous encounter in the small world, that's why he would be delayed until now."

With them saying so, Lin Xiu also finally felt at ease and said, "Makes sense. Thinking about it, that Ye Yuan is merely at the Grotto Profound Realm, so how can he possibly be Big Brother Tian's match? What's laughable is that that punk overestimated his own ability, to actually dare oppose the Qin Family. Truly, wouldn't have died if he didn't court death!"

"Oh? Is that so?"

Right at this time, an icy-cold voice sounded out outside the box room.

Bang!

The door was directly broken by a powerful force, revealing a figure with a cold face.

"Who is it, to dare ... dare ... Ye Yuan! You ... You didn't die!"

Wang Song was just about to fly off the handle when he suddenly saw clearly that the one standing doorway was precisely the nightmare-like existence, Ye Yuan!

This shock was by no means insignificant!

Not just him, when everyone in the box room saw Ye Yuan, their faces all became extremely fascinating.

The news of Ye Yuan returning already spread within Wu Meng Academy.

What was coincidental was that these few people were currently having a small gathering in the city and completely did not know about the news of Ye Yuan returning.

If they knew, they definitely would not dare to swagger about in the city leisurely anymore.

“You guys are very disappointed that I didn’t die, right? But since I didn’t die, then your doomsday ... has arrived!” Ye Yuan nonchalantly sentenced these few people to the death penalty.

Lin Xiu and the rest were only surprised and did not take Ye Yuan’s threat seriously at all.

After all, among them, there were even three grand completion Heaven Glimpse.

While Ye Yuan was only initial-stage Heaven Glimpse.

Hang on, initial-stage Heaven Glimpse!

This guy actually broke through!

Lin Xiu looked at Ye Yuan and said icily, “With just the likes of you? Ye Yuan, since you slipped away from Big Brother Tian’s hands, then I’ll take care of you today for him!”

Ye Yuan looked towards Lin Xiu, his gaze cold.

This woman truly deserved death!

Little Fatty was infatuated with her. She actually made use of Little Fatty’s blind love and caused him to become like that.

“Hahaha, Ye Yuan! Heaven has a path, but you refuse to walk! Hell has no gate yet you want to barge inside! Since you escaped by luck, you should have been a bit more low-profile and hide in the academy and not come out. But now, you delivered yourself to the door,” Wang Song said with a loud laugh.

“He’s taking up the cudgels for the injustice done to his brother here! Haha, that damn fatty even said repeatedly that day that his brother will help him take revenge. I didn’t expect that you really came today!” Qin Zheng also laughed loudly and said.

“Then we’ll take a look at how this genius Junior Apprentice Brother Ye will find us to take revenge then!” Qin Pei said with a cold smile.

Ye Yuan directly ignored their mocking and said coolly, “Gui Yun!”

A faint phantom appeared beside Ye Yuan and said with a bow, “Master!”

The moment Gui Yun appeared, everyone’s expression changed.

Grand completion Two-star!

This evil spirit’s cultivation speed was so quick. He actually broke through to grand completion Two-star already!

The battle with Qin Tian, Gui Yun sustained heavy injuries.

Through over half a year of recuperating, not only did Gui Yun’s injuries recover fully, his strength even advanced a step further, breaking through to grand completion Two-star.

“Those three will be left to you first. Don’t let them come and disturb me,” Ye Yuan said coolly.

“Yes, Master!” Gui Yun bowed and said.

“Heh, shameless boasting! A merely grand completion Two-star evil spirit wants to take care of three inner-court peak disciples? One has to admit that you’re very naive!” Lin Xiu said with a sneer.

Gui Yun slowly walked in front and said in a cold voice, “Nether Ghostclaw!”

A black large hand suddenly flew out of the void, grabbing toward the three people.

The three people’s expressions all changed when they saw the situation. They did not expect that Gui Yun’s strength was actually so strong.

Very soon, the three people fell into a tangled melee.

Wang Song looked at Ye Yuan and said with a cold smile, “You let that evil spirit deal with the three of them, looks like you’re very confident in dealing with me?”

Ye Yuan’s eyelids raised slightly, his voice did not carry the least bit of emotion as he said coldly, “Killing you is like killing a dog!”

His voice had yet to fade when Ye Yuan’s Sundering Stars suddenly chopped out!

A complete version Sundering Stars went straight for Jia Chong!

“Puhwark!”

Jia Chong had yet to react to what was happening and directly exploded into a cloud of blood mist!

Wang Song’s gaze turned intent, his face revealing a solemn look.

These few years, Jia Chong already broke through to initial-stage Heaven Glimpse too.

But under Ye Yuan’s Sundering Stars, he was actually one-shotted without even having time to react!

[Unrivaled Medicine God](#)

Chapter 1452: Wang Song in Despair

“So strong! What happened just now? I only felt a blur before my eyes and Jia Chong exploded!”

“That Jia Chong is Heaven Glimpse Deity Realm too. Furthermore, he was even this season’s runner-up. Why is the disparity from him so great?”

“There was no news about Ye Yuan in these ten years. I didn’t expect that the moment he came back, his strength became even more terrifying.”

“But even if his strength is very powerful, it’s impossible to be Wang Song’s match too, right? After all, Wang Song is also an inner-court’s genius. Furthermore, he’s already late-stage Heaven Glimpse, two minor realms higher than Ye Yuan!”

...

The Clearwind Inn’s business was excellent. Ye Yuan’s punch blew up the door, causing such a great commotion. It naturally drew a large group of people to surround and watch.

Over there, Gui Yun battled three mighty grand completion Heaven Glimpse powerhouses alone by himself and actually did not fall into a disadvantage in the slightest, making everyone click their tongues in wonder.

The four people's great battle already turned the entire box room upside down, blowing up a corner of the Clearwind inn.

"Heh, you don't think that you're my match by killing a good-for-nothing, right? Punk, you came to seek death yourself today. Just nice, we'll settle old grudges and new enmity together! Wang Su, Big Brother is going to avenge you today!"

Talking until the end, Wang Song gnashed his teeth in hatred.

Wang Su's death had always been pressing on his heart, making him unable to get over it.

The last time he wanted to kill Ye Yuan, it was forcefully stopped by Xiao Feng.

This time, Ye Yuan delivered himself to the door, just as he wished!

"Taiyi True Dipper Fist! Die for me!"

Wang Song shouted fiercely, giving no chance to explain, directly smashing a fist over toward Ye Yuan.

The powerful fist wind made everyone exclaim in shock.

"This fist intent has clearly already reached the Fist Dao third-layered heaven!"

"The Taiyi True Dipper Fist is an academy supreme skill in the first place. Wang Song also cultivated this move to Fist Dao third-layered heaven, how to fight still?"

"This Ye Yuan is too impulsive. This bit of strength and he dared to come and challenge Wang Song!"

"Heaven Glimpse Realm can't compare to Grotto Profound Realm. The difficulty of jumping realms to battle is too great."

...

The higher the realm, the greater the difficulty of jumping realms to battle.

Moreover, it was even leaping across two minor realms!

If the difficulty of jumping realms in Grotto Profound Realm was 10 points, then the difficulty of Heaven Glimpse Realm jumping realms was 50 points, even 80 points!

Although Wang Song was not considered top-notch in the inner-court, he was a first-rate genius too.

His strength was not considered weak.

For Ye Yuan to want to leap two minor realms to defeat him was too difficult.

However, Ye Yuan did not have any visible change in countenance regarding this punch of Wang Song's.

When his fist wind condensed and formed, and rumbled over towards him, only then, did Ye Yuan slowly raise the Evil Extermination Sword.

“Sundering Stars!”

A light sound of tearing through the air happened in a flash, colliding together with the Taiyi True Dipper Fist’s fist wind.

Boom!

It was only to see Wang Song’s figure like a cannonball, directly flying toward the house opposite the street.

Wang Song smashed through several walls before gradually stopping his figure.

Everyone was dumbfounded!

How could this Ye Yuan be so strong?

This move of Ye Yuan’s, everyone could not fathom its actual situation at all.

An ordinary and plain slash, looking like it did not have any power at all. Even the spiritual energy did not have any undulation.

But the power was so formidable!

For the first time, it was the appearance of the complete version Sundering Stars in the Heavenspan World.

Previously when Ye Yuan used this move, he slew a Heaven Glimpse powerhouse while being at the Grotto Profound Realm.

Now, Ye Yuan broke through to initial-stage Heaven Glimpse. This power of this move could not be compared even more.

Defeating Wang Song in one move was nothing remarkable.

In reality, his Chasing Moon move was not unleashed yet.

“Real or fake? Initial-stage Heaven Glimpse and he can trash late-stage Heaven Glimpse. This strength is also too frightening, right?”

“Everyone said that Ye Yuan’s talent surpassed Qin Tian’s. Previously, I didn’t believe it. Now, I really believe it!”

“This is too monstrous! That sword, I completely could not fathom at all! To actually have such formidable power, how did he do it?”

...

Ye Yuan’s strength could not be estimated with his realm on the surface at all.

His Chaos Heavenspan Canon coupled with the Chaos Heaven Opening Sword Art, just how much potential he had, only his opponent could experience it.

Now, Wang Song experienced it.

Swoosh!

Suddenly, an afterimage dashed out of the wall, speeding over in the direction of Wu Meng Academy with incredible speed.

This scene was too unexpected. Everyone all did not react to it.

“Puhwark!”

As he fled, Wang Song vomited blood in large mouthfuls.

At this time, how could he still care about the injuries on his body? He even used every last ounce of strength, the goal was Wu Meng Academy!

As long as he could escape into Wu Meng Academy, Ye Yuan would not dare to kill him anymore.

“Too strong! How can this guy be so strong? He’s just initial-stage Heaven Glimpse! Back then, when Qin Tian broke through to initial-stage Heaven Glimpse, he could contend with middle-stage Heaven Glimpse powerhouses. But it’s merely just contending with! But Ye Yuan, he really ...”

Monstrous waves surged in Wang Song’s heart. He was really unable to imagine that Ye Yuan after breaking through to Heaven Glimpse Realm was actually terrifying to this kind of degree.

In his heart, there was still half a sentence that had not been said.

With Ye Yuan’s current strength, killing him was really like killing a dog!

Wang Song fled desperately. He stimulated the exertion of his body to the limit.

At this very moment, he wished that his parents gave him an extra pair of legs, or gave him a pair of pairs. He wanted to fly into the Wu Meng Academy!

Fly ...

Suddenly, a figure dropped from the sky ahead, flying ... in front of him.

An emotion called despair instantly filled his entire body.

How could he forget that Ye Yuan knew sword maneuvering flight?!

“Sword maneuvering flight! It’s really sword maneuvering flight! All along I heard that Ye Yuan knew sword maneuvering flight, but I have never seen it before with my own eyes. Today, it really broadened my horizons!”

“With this, Wang Song is screwed! Wonder if Ye Yuan will really kill him or not. Behind Wang Song is the Qin Family and Wang Family, two great families.”

“Heh, what do you think? Qin Peiyu that little girl, Ye Yuan killed without even batting an eye. Do you think that he’ll let Wang Song off?”

...

Thud!

Wang Song directly knelt down, weeping until tears cascaded down.

“Lord Ye, Grandpa Ye, I was wrong! I was really wrong! This matter was all instigated by Qin Zheng and Qin Pei, and Lin Xiu is an accomplice! It really has nothing to do with me!”

A matter of life and death, how could Wang Song still have any moral integrity? With an inordinately crying manner, he betrayed Qin Zheng and Qin Pei.

Ye Yuan just sneered when he heard that and said, “Wang Song, I’ve already given you the chance, it’s you who challenged my bottom line time and again! Now, you can go to hell!”

“Puhwark!”

Sundering Stars tore through the air and arrived. Wang Song was the same as Jia Chong, directly exploding into a cloud of blood mist.

On the streets, everyone all looked at this scene with immense shock.

Today, Ye Yuan was probably going to poke a hole in the sky!

Killing Wang Song, Ye Yuan did not stay, directly riding his sword and going to Clearwind Inn again.

Gui Yun and the three people were currently in the midst of fierce fighting and already fought from the Clearwind Inn onto the streets. Everyone all clamored to give a wide berth.

Lin Xiu’s strength was indeed very formidable, already forcing Gui Yun to use ghost energy possession, before barely managing to fight to a draw with the three people.

Ye Yuan’s eyes narrowed slightly, figure charging out like lightning, going straight for Qin Pei!

“Chasing Moon!”

Chapter 1453: Bloodbath on the Streets!

1453 Bloodbath on the Streets!

Whoosh!

Qin Pei was currently fully engrossed in dealing with the Nether Ghostclaw. Suddenly, his scalp tingled, and a feeling of immense danger welled up in his heart.

Ye Yuan’s figure turned into a stream of flowing light, rushing toward Qin Pei with an inconceivably swift speed.

This was too sudden. Ye Yuan’s speed was too fast, fast until everyone could not react to it.

The sense of crisis coming from the back was even stronger than the Nether Ghostclaw!

Too late to turn around, Qin Pei slashed with a backhand.

At the same time, he gave a backhanded palm, slapping toward the Nether Ghostclaw.

Qin Pei’s reaction could not be said to not be quick, but Ye Yuan was even faster!

Clank!

“Puhwark!”

“Puhwark!”

Ye Yuan and Qin Pei virtually spewed out a mouthful of fresh blood at the same time. Ye Yuan’s figure flew out backward.

However, Qin Pei was much more miserable than Ye Yuan.

The cooperation between Gui Yun and Ye Yuan did not need words to transmit at all.

The moment Ye Yuan moved, Gui Yun understood Ye Yuan’s intention. He continued to focus his attack on Qin Pei.

How could Qin Pei’s hasty palm block the attack of the Nether Ghostclaw?

Being attacked from both front and rear by the enemy, he immediately suffered heavy injuries.

This scene happened too quickly and too suddenly. Lin Xiu and Qin Zheng both could not react to it.

By the time they reacted, Qin Pei was already badly injured and unable to fight anymore.

It was also that the majority of Qin Pei’s strength was concentrated on Gui Yun, causing Ye Yuan’s injuries to be not too severe.

Otherwise, with Qin Pei’s grand completion Heaven Glimpse strength, forcefully clashing a blow with him, Ye Yuan would have to be seriously injured even if not dead.

Without the Heavenly Thunder Swift Talisman’s augmentation, Ye Yuan was still a little frail in front of grand completion Heaven Glimpse.

However, Ye Yuan completely did not care about the injuries on his body. In the instant he hit the ground, his long sword swung, and he actually charged back once more!

“Chasing Moon!”

This move, Ye Yuan referenced Jin Yu’s Roaming Qi Returning to Bowels back then.

Jin Yu’s move that borrowed power to swing out was completed in one breath, virtually unable to crack.

But now, Ye Yuan’s move was different from his, but this swing had the same ingenuity of achieving the same goal via different means with him.

The opportunity was fleeting. Ye Yuan did not want to give Qin Pei a chance to catch his breath.

Whoosh!

Ye Yuan turned into a stream of flowing light once more, shooting toward Qin Pei.

But at this time, Qin Tian was struck flying by two heavy blows, his entire body had not landed yet.

His internal organs were still in turmoil, completely not expecting Ye Yuan to actually arrive again at this time.

Pfft!

The Evil Extermination Sword passed through Qin Pei's chest without any surprises!

Qin Pei's eyes went wide. Till death, he did not believe that it was Ye Yuan who killed him.

But Ye Yuan would not give him the chance!

Qin Pei's eyes gradually became slack, but the pair of eyes refused to close no matter what.

He died with everlasting regret!

How could an initial-stage Heaven Glimpse possibly kill him, a grand completion Heaven Glimpse existence?

"This ... What the hell happened just now? Ye Yuan's sword art was too quick, I only saw a blurry afterimage!"

"S-So strong! Ye Yuan only used two swords and killed a grand completion Heaven Glimpse Realm powerhouse! Although it was under the assistance of that evil spirit, this battle achievement is sufficient to shock the whole city!"

"This must be a dream! Must be dreaming! Qin Pei is a proud son of heaven, his strength could virtually sweep across those in the same rank. To actually be killed by an initial-stage Heaven Glimpse!"

...

Originally, in everyone's eyes, Ye Yuan's provocation was just a farce.

But no one expected that this farce actually turned into a bloody fight on the streets.

Gui Yun's strength was indeed strong, but facing three great peerless geniuses, he was forced to use ghost energy possession too before barely managing to fight to a draw.

Once time passed, he would definitely be overwhelmed.

But Ye Yuan suddenly joining the battlefield instantly reversed the battle situation.

From Ye Yuan's appearance to Ye Yuan killing three people in a row, it was merely half a quarter of an hour.

Everything happened too quickly, quick until everyone had not reacted yet and the battle was already more than half over.

With Ye Yuan finishing off Qin Pei, the pressure on Gui Yun's side immediately lessened.

With his current strength, fighting Lin Xiu one-on-one was a sure win.

With the addition of Qin Zheng, it also just reached a tie with him.

But there was still Ye Yuan who could threaten them by the side!

Ye Yuan's Chasing Moon was too fast; completely impossible to guard against.

Once Ye Yuan seized the opportunity, they would be dead for sure.

Pfft!

Ye Yuan drew back the Evil Extermination Sword, his gaze turning toward the battlefield once more.

Qin Pei collapsed onto the ground weakly, not understanding what was going on until death.

As if sensing that icy-cold gaze of Ye Yuan's, Lin Xiu and Qin Zheng duo both seemed to be a little flustered. Gui Yun controlled the ghost claw and immediately took the upper-hand.

Swoosh!

How could Ye Yuan possibly waste such a fine opportunity, unleashing Chasing Moon without the slightest hesitation!

He turned into an afterimage once again. The target this time was Qin Zheng!

Clank!

With preparation, Qin Zheng's response was much more adequate compared to Qin Pei.

His long sword swung, forcefully clashing with Ye Yuan by a narrow shave.

"Puhwark!"

The powerful strength of grand completion Heaven Glimpse made him injured once again.

But Qin Zheng was not feeling good too. Gui Yun's side made use of this opportunity and also firmly took the upper-hand.

Ye Yuan did not stop in the least bit, forcefully enduring his internal organs' injuries, he unleashed Chasing Moon again!

Clank!

Clank!

Clank!

One streak of cold light after another flashed past, making everyone palpitate with anxiety and fear.

Each attack, Ye Yuan spurted fresh blood wildly.

Clearly, he was risking it with his life!

Ye Yuan was miserable, but Qin Zheng was even worse than him.

Ye Yuan's attacks were not momentary impulses. Each time he attacked, he made Qin Zheng actually vomit blood.

He narrowly avoided the Nether Ghostclaw's attacks several times, but that powerful power of laws still made him suffer heavy wounds.

Qin Zheng's injuries were much more serious than Ye Yuan!

"How great an enmity is this? Ye Yuan is risking too much, this is simply exchanging life for life!"

“Heh, heard that Qin Tian nominally went out to experience and train. Actually, it was to go and hunt down Ye Yuan. Ye Yuan and the Qin Family are already long irreconcilable already!”

“Could it be that today, Ye Yuan is going to kill all of Wu Meng Academy’s few great geniuses? Really wonder what kind of reaction it will be when Wu Meng Academy and the Qin Family gets the news in a bit!”

“Ye Yuan is still too reckless! The Qin Family is deeply entrenched in Wu Meng Capital City. Even if there’s the Myriad Treasure Tower behind Ye Yuan, it’s probably no use too.”

...

Everyone watched the Ye Yuan who was playing with his life, all exclaiming with admiration.

It was just that they did not know, Ye Yuan risking his life like this to kill people was not for himself, but in order to give Little Fatty an account!

The more Lin Xiu fought, the more alarmed she got. Regardless of whether it was Gui Yun or Ye Yuan, they were both too terrifying.

Her strength was proclaimed to be the academy’s number two, while Qin Zheng was also an existence ranked in the top five.

But when they faced the combination of Gui Yun plus Ye Yuan, they actually did not have any strength to fight back at all!

“No way! At this rate, I’ll be bogged down to death by them too! I have to find a way to return to the academy!” Lin Xiu thought.

Right at this moment, Ye Yuan arrived once more. Gui Yun also placed the focus of the attack on Qin Zheng in order to cooperate with Ye Yuan.

Lin Xiu made a swift decision, swinging an empty slash, her figure retreating explosively, directly breaking away from the group battle!

[Unrivaled Medicine God](#)

Chapter 1454: Go, Apologize to My Brother!

Lin Xiu’s retreat directly put Qin Zheng in the position of being attacked from both front and rear.

Gui Yun’s oppression plus Ye Yuan’s terrifying speed, he would virtually die for sure.

“Your father will fight it out with you!”

Qin Zheng could not be bothered to lash out at Lin Xiu. He only had time to have mutual destruction with Ye Yuan.

He directly gave up the defense against the Nether Ghostclaw, concentrating his remaining power and met with Ye Yuan in full force!

The all-out attack of a grand completion Heaven Glimpse, the current Ye Yuan could not withstand it at all.

“Gui Yun!”

Ye Yuan bellowed. Gui Yun immediately understood.

The Nether Ghostclaw directly gave up striking Qin Zheng down. He extended his strike between Ye Yuan and Qin Zheng, separating the two.

But this was not over yet. Ye Yuan’s two feet stepped right onto the Nether Ghostclaw’s palm!

Boom!

Qin Zheng’s attack abruptly slammed onto the Nether Ghostclaw’s back. A tremendous impact transmitted over, Ye Yuan directly spewed out a mouthful of fresh blood.

“Chasing ... Moon!”

Borrowing this surge of huge force, the Nether Ghostclaw’s palm escorted, directly superimposing together with Ye Yuan’s Chasing Moon.

Qin Zheng’s attack, the Nether Ghostclaw’s transferred power, plus Chasing Moon’s speed. In this instant, Ye Yuan’s speed was swift to the extreme!

Everyone only felt a blur before their eyes. Ye Yuan’s figure vanished from where he stood!

Lin Xiu had just dashed out over 200 feet away when she suddenly sensed a powerful sword intent rushing over from behind. All the goosebumps on her body broke out.

Too fast!

Currently, Lin Xiu had her back turned to Ye Yuan; wide open. There was no time to defend at all.

A distance of 200 over feet was just a matter of a snap of a finger to Ye Yuan’s speed.

Pfft!

Caught unprepared, the Evil Extermination Sword directly pierced into Lin Xiu’s abdomen.

“ARGH!!”

Lin Xiu screamed shrilly and forlornly. The divine essence in her divine sea seemed like a river breaching its banks; flowing away crazily.

In this instant, too many unforeseen events were experienced. Outsiders could not imagine it at all.

Ye Yuan’s reaction was quick to the extreme, enduring the heavy injuries and forcefully completing this attack.

This degree of injury was not fatal to Lin Xiu, but she already became a cripple.

Lin Xiu’s divine sea was utterly destroyed. At this time, she no longer had any divine essence.

“Puhwark!”

Ye Yuan’s injuries could not be suppressed anymore at this time, bursting forth crazily.

Fresh blood instantly dyed his clothes.

But the current Ye Yuan was akin to a god of war, making everyone hold in awe and veneration.

From Ye Yuan appearing to killing three and injuring one, was merely a quarter of an hour from start to end.

If not for seeing it personally, they totally would not believe that an initial-stage Heaven Glimpse martial artist could actually complete such a magnificent feat.

Everyone all looked at this scene with incredible shock and did not even emit a cry of exclamation.

They seriously could not find the words to describe the astonishment in their hearts currently.

“Ye Yuan, I ... I’ll kill you! You actually ... actually ruined my cultivation!”

On the entire street, there was only Lin Xiu’s shrill scream left, as well as Gui Yun and Qin Zheng’s fighting sounds.

That blow earlier, Gui Yun also suffered considerable injuries. But dealing with Qin Zheng, who was already severely wounded, it was more than enough.

Ye Yuan staggered in front of Lin Xiu. When Lin Xiu saw Ye Yuan, her eyes wanted to spew fire.

“Ye Yuan, you’ll die a horrible death! I curse you ...”

Slap!

A crisp slap echoed, directly slapping Lin Xiu’s entire person flying.

The current Lin Xiu did not have divine essence protecting the body. How could she withstand Ye Yuan’s slap? Half of her pretty face immediately swelled into a pig’s head.

Ye Yuan’s gaze was full of icy-coldness, making no effort to hide his killing intent in the slightest.

After this slap, Lin Xiu immediately became obedient.

She finally knew she was no longer that proud daughter of heaven, but a cripple, a cripple like Little Fatty.

Lin Xiu covered her face and looked at Ye Yuan, two rows of clear tears flowing steadily, her eyes full of fear.

In the current Lin Xiu’s eyes, Ye Yuan was a demon who killed people without batting an eyelid.

Except, Ye Yuan did not have the least bit of pity.

“Go, apologize to my brother!”

Ye Yuan directly hauled Lin Xiu up.

Bang!

Over there, the Nether Ghostclaw slapped down. Qin Zheng was deader than dead.

Thus far, Wu Meng Academy's five great elite disciples, four were dead, one crippled.

And the entire battle merely lasted for a quarter of an hour.

All of this happened too quickly, quick until the Qin Family and Wu Meng Academy did not react in time and the dust already settled for the fight.

"Go!"

Ye Yuan put Gui Yun away and directly rode his sword and left.

On the streets, everyone exchanged glances, their gazes filled with shock.

Today's battle simply subverted their understanding.

"I ... I must have been dreaming just now! Is this kind of thing really what an initial-stage Heaven Glimpse can accomplish?"

"Too strong! The few of them were all existences who sweep across all in the same rank. They were actually all killed by Ye Yuan in 15 minutes!"

"Not only is Ye Yuan's combat power exceedingly powerful, but his ability to adapt at the last-minute is also keen to the extreme. This kind of opponent is really too terrifying!"

"This battle is sufficient to go down in history! If not for seeing with my own eyes, I'd definitely think that it's rubbish! Indeed, too nonsensical!"

"But Ye Yuan can be considered to have poked a hole in the sky. Regardless of whether it is the Wu Meng Academy or Qin Family, they probably would not drop the matter! It might even startle City Lord, His Excellency!"

...

When Qin Tiannan heard this news, he somewhat doubted if his ears heard wrongly.

"Rubbish! Disregarding Qin Zheng and Qin Pei, that Lin Xiu is the inner-court's number two, her strength far surpassing those in the same rank! How can a puny little Ye Yuan possibly cripple her divine sea?"

That subordinate said with a guileless look, "Family Head, even if this subordinate has immense courage, I also wouldn't dare to simply fabricate a story! This matter is absolutely true. There were thousands of people on the scene who saw this battle. Right now, it already spread out in the entire capital city!"

Hearing this, the muscles on Qin Tiannan's face were twitching. His heart was dripping blood.

Although Qin Zheng and Qin Pei were not as good as Qin Tian, their talents also far surpassed those in the same rank and were bound to be mainstays in the family clan in the future.

Now, they were killed by Ye Yuan just like that!

Qin Tiannan discovered to his dismay that ever since provoking Ye Yuan, the Qin Family did not have one thing that went smoothly.

Now, Qin Tian's life or death was uncertain, the Qin Family's elite disciples practically wiped out. The blow to the Qin Family was too great.

Qin Tiannan forcefully endured the rage in his heart and said in a solemn voice, "Where is Ye Yuan now?"

That subordinate said, "Ye Yuan wasted Lin Xiu and detained her at the Myriad Treasure Tower. The cause of this incident is likely still that fatty, Xie Jingyi."

As the Qin Family's family head, Xie Jingyi's matters, he had naturally heard about it.

At that time, he thought that Ye Yuan was dead for sure, and that there was nothing wrong with doing so.

On the contrary, although it was a small squabble with the junior disciples, Qin Tiannan felt very liberated instead.

He was even considering setting up a marriage with Lin Xiu after Qin Tian returned.

But he never thought that this matter actually caused such severe consequences.

After the subordinate left, Qin Tiannan gritted his teeth and said in a deep voice, "Looks like for this matter, I have no choice but to request Father to take action!"

Chapter 1455: Repen

Thud!

Ye Yuan did a sweeping kick, Lin Xiu directly knelt on the ground.

The one lying on the bed was precisely Little Fatty Xie Jingyi.

"My brother said that his brother will help him get revenge. Even if I throw away this life, I'll also have to avenge this grudge for him! You ruined my brother's divine sea, rendering him a cripple, so I ruined your divine sea and made you come in front of my brother to repent! As for your life and death, it's up to my brother to decide!" Ye Yuan enunciated each word.

Ye Yuan's injuries were truly not light. But at this time, he already could not care about the injuries on his body.

He knew that after this fight, a monstrous wave would surely be set off in Wu Meng Capital City.

The time left for him was not much!

How did the current Lin Xiu still have any hint of the appearance of a proud daughter of heaven?

It was only to see her hair in a mess, her clothing disheveled, half of her face swollen heavily. Her abdomen area still had blackish-red bloodstains flowing out.

Most important, her pride was already completely destroyed by Ye Yuan.

Ye Yuan did not have any intention of having compassion towards women at all. In Ye Yuan's eyes, she was a venomous beauty.

"But ... But he ..." Lin Xiu said fearfully.

Ye Yuan's face was cold and detached, pointing his finger like lightning, tapping a few times on Little Fatty's body.

A miraculous scene appeared, Little Fatty actually slowly opened both eyes.

Lin Xiu could not help getting a shock. Back then, how heavy those few hits were, she saw it with her eyes.

According to her deduction, it was absolutely impossible for Little Fatty to survive.

Now, Ye Yuan just helped him to massage a few times and Little Fatty woke up?

Actually, this was primarily the effect of that medicinal pill. It was just that Little Fatty had a breath stuck in his chest, that was why he remained unconscious.

Those few taps of Ye Yuan's helped Little Fatty smoothen out his breathing. Little Fatty naturally slowly woke up.

Ye Yuan helped him up and said softly, "Damn fatty, your grudge, your brother has already helped you avenge it! Apart from Lin Xiu, those four people have already stretched their necks out to be chopped off. This bitch, I've already wasted her cultivation, leaving you to deal with."

Xie Jingyi was still very weak at this time. His reaction was clearly somewhat sluggish.

Hearing Ye Yuan's words, that ashen-gray eyes of Xie Jingyi's gradually recovered some light.

That hollow eyes gradually focused on Lin Xiu's face, then became complicated.

Only a short while ago, Little Fatty's greatest motivation for entering Wu Meng Academy was Lin Xiu.

How much work he put in these few years in order to become a man worthy of Lin Xiu, only he himself knew.

But, this woman actually ruthlessly toyed with his feelings, then trampled his feelings on the ground, trampling it to no end.

Lin Xiu, trampled on his pride as a man until it was worthless.

Now, when he woke up again, this proud daughter of heaven actually became a cowering ugly woman, kneeling in front of him.

All this made him feel like he had experienced a dream.

How much did he wish that this was just a dream!

Little Fatty could not speak, but he knew in his heart that it was his brother who picked up his dignity from the ground and pieced it together!

When Lin Xiu saw Little Fatty wake up, she scrambled over to the bedside and hugged Little Fatty's calf, saying with a weeping look: "Little Yi, it was all Xiu-er's fault! Xiu-er was possessed by ghosts for a moment. That's why I would do this kind of muddleheaded thing. I ... I actually have you in my heart all along, really! Little Yi, let's ... let's get married tomorrow, alright?"

Lin Xiu knew that her only hope to live right now was that piece of marriage contract.

Xie Jingyi liked her for so many years, this kind of feeling could not possibly be wiped away all at once.

Ye Yuan looked at Lin Xiu's despicable appearance and really wanted to slap her to death with one palm.

But he did not wish to affect Little Fatty's decision, so he forcefully endured and did not speak.

In this short while, Little Fatty finally recovered some strength.

"Make ... her ... shut up."

Little Fatty used a mosquito-like voice and said these four words, virtually exhausting all of the strength in his body.

Of course, this was said to Ye Yuan.

Ye Yuan's brows furrowed and he said with a cold snort, "My brother asked you to shut up, heard it?"

Lin Xiu's expression changed and indeed did not say to make a sound anymore.

Little Fatty panted for a while before mustering up some strength again and said, "I ... knew that ... you ... would help me ... take revenge. Ha ... I ... thought that ... I was dead for sure."

Each time Little Fatty said a word, he had to pause for a bit. Clearly, his condition was poor to the extreme.

Ye Yuan said with a solemn look, "With me around, even if you want to die, you can't die too! When you're well, let's take up the wine cup and have a merry chat!"

Little Fatty's eyes were somewhat murky. Clearly, he knew that even if he recovered, he was already a cripple too.

With his divine sea being destroyed, he could no longer cultivate in this life.

This kind of life, what meaning was there still?

A divine sea being destroyed was a completely different situation than Ye Yuan's divine sea being damaged back then.

After the divine sea was destroyed, even if your medicinal Dao was exceedingly formidable, it was also unable to recover.

Ye Yuan gritted his teeth and said, "Fatty, do you believe me or not?"

Little Fatty froze for a moment, then immediately nodded his head slightly

Ye Yuan said in a solemn voice, "Good! Then your brother will promise you here today, I'll definitely find a way to let you recover your divine sea!"

Little Fatty looked at Ye Yuan with some surprise, clearly somewhat doubting this sentence.

Not just him, a hint of contempt flashed across the eyes of Lin Xiu by the side, feeling that this boast of Ye Yuan's was boasted too big.

Divine sea already destroyed, how could it possibly be repaired?

Moreover, whether or not Ye Yuan could survive past today was still unknown!

He killed so many of the Qin Family's people, how could the Qin Family possibly take things lying down?

"I ... believe you!" Little Fatty still said very seriously.

He knew that Ye Yuan was consoling him, not wishing him to never recover after the setback from hereon.

Although this kind of comforting seemed rather feeble, it was very heart-warming.

Ye Yuan nodded slightly and said, "This whore, how to deal with her?"

Little Fatty looked at Lin Xiu's face and said with a slight sigh, "I ... don't wish ... to see her ... again!"

Lin Xiu's entire body trembled, her face revealing a look of wild elation.

With this sentence of Little Fatty's, she knew that her life was preserved.

Although she was a cripple now, it was better to live than die.

Ye Yuan let out a slight sigh, thinking to himself that this Little Fatty was still a little too kind.

So many years of feelings were not so easy to let go in the end.

"Get lost then!" Ye Yuan said in a deep voice.

"Yes, yes, yes, I ... I'll get lost right away!"

Lin Xiu crawled and scrambled, going out of the room's door.

Ye Yuan heaved a sigh and said, "Your body is still very weak now, take a good rest."

Little Fatty nodded slightly. He was indeed very tired already.

Ye Yuan placed him down. He fell asleep very quickly.

Lin Xiu went out of the Myriad Treasure Tower, ignoring the injuries on her body and sprinting wildly. She wanted to leave this damn place as soon as possible.

Ahead, the Qin Family's brigade already arrived. Lin Xiu laughed excitedly and said, "Hahaha, Ye Yuan, I see if you won't die today!"

Right at this time, an icy-cold voice sounded out behind her.

"Whether I die or not won't need you to worry about. But you're dead for sure!"

"Puhwark!"

Lin Xiu had yet to react to what was going on when her entire being exploded into a cloud of blood mist, passing away with the wind ...

Chapter 1456: The Qin Family's True Strength!

"Ye Yuan, you dare to commit murder on the streets. How do you plead?!"

From a distance, came Qin Tiannan's roar. Then he pounced over like a mad dog.

An Origin Deity Realm's powerful aura made the entire long street ripple with spiritual energy.

He saw that Ye Yuan was alone and wanted to kill Ye Yuan with a momentum like a sudden peal of thunder that left no time for covering ears.

This way, it would have nothing to do with the Myriad Treasure Tower anymore.

Ye Yuan laughed coldly, his figure rising off the ground.

Qin Tiannan was like a hungry tiger pouncing on its prey but missed.

Ye Yuan knowing sword maneuvering flight was already established in an undefeatable position.

This Wu Meng Capital City, the people capable of touching him were also just that few.

Ye Yuan stood in the sky proudly and said with disdain, "Qin Tiannan, it's your Qin Family who broke the rules of the game first! This Ye took part in the Hundred Cities Smelting Trial, your Qin Family arranged for an Origin Deity Realm powerhouse to lead the team. Failing the assassination, it became murder! That time, this Ye tolerated it! But this time, I went out to train and temper myself, you all violated the academy's rules again, sending Qin Tian over to hunt me down and even condoned the Qin Family's disciples to seriously injure my brother, turning him into a cripple!"

Ye Yuan's voice was akin to a great bell. People from several streets away all heard it, immediately causing an uproar.

"The Qin Family is also too much, using their strength to bully the weak. To actually use such despicable means to deal with a young student."

"Ye Yuan has made great contributions in the Hundred Cities Smelting Trial and even won the Four-star divine pill for City Lord, His Excellency. They all actually dealt with Ye Yuan in this way!"

"Sigh, the Qin Family covering the sky with one hand, City Lord doesn't come out to intervene either. This really makes people disappointed to the max."

...

The Qin Family had become accustomed to being overbearing these few years. There had been many people who felt displeased with them long ago.

Ye Yuan's remarks immediately aroused public outrage. Quite a number of people were all gesticulating at the Qin Family's behavior.

However, Qin Tiannan's focus was not on this at all. His gaze was glued on Ye Yuan as he said in a solemn voice, "You really saw Tian-er! How is he doing now?"

Ye Yuan sneered and said, "How? Since I came back, could it be that you still haven't realized it?"

"Impossible! With your strength, how can you possibly kill Tian-er?" Qin Tiannan roared.

He had always been harboring hope in his heart, thinking that Qin Tian was just delayed by something.

Now, personally saying it from Ye Yuan's mouth, he still did not dare to believe it, thinking that Ye Yuan was deliberately triggering him.

Ye Yuan smiled coldly and said, "Then in your view, can I kill Lin Xiu and Qin Zheng they all? The fact is, they are all dead!"

Hearing these words, Qin Tiannan's face turned ashen, the last trace of hope was also utterly severed by Ye Yuan.

"Qin Tian really died! My God, how on earth did Ye Yuan accomplish it?"

"Hearing that Qin Tian has already suppressed his realm for very long. As long as he was willing, he could break through to the Origin Deity Realm at any time! This Ye Yuan is really too terrifying."

"Although that Lin Xiu was known as the academy's number two, she's on a completely different level from Qin Tian's strength!"

"This is fun now. The Qin Family's three strongest juniors were all slaughtered clean by Ye Yuan."

...

Qin Tian had been famous in Wu Meng Capital City for several hundred years already. He was considered as the young genius with the greatest hope of breaking through to the Divine Lord Realm in 100 thousand years. His strength could be seen at a glance.

But this peerless genius still fell in Ye Yuan's hands!

An initial-stage Heaven Glimpse martial artist's hands!

This result simply made everyone unable to imagine it.

But ten years had passed, for Ye Yuan to be able to stand here, this already indicated many problems.

Qin Tian had most likely really perished!

"Arrogant child, to dare climb on top of my Qin Family's head! Die!"

Right at this time, a peerlessly powerful aura rose to the sky from the crowd. A terrifying power of laws instantly locked onto Ye Yuan.

This change caught Ye Yuan completely off-guard. Wanting to avoid was already too late.

Among the Qin Family's crowd actually concealed a powerhouse who could fly!

Without a doubt, this old fellow was the Qin Family's old ancestor.

Half-step Divine Lord Realm, too powerful!

Ye Yuan did not have the slightest strength to fight back in front of a half-step Divine Lord Realm.

“Puhwark!”

The Qin Family’s ancestor had yet to arrive and Ye Yuan’s blood already spouted wildly under the pressure of the power of laws.

The current Ye Yuan had injuries piled on top of injuries, completely powerful to resist anymore.

But right then, another powerful aura burst forth from the Myriad Treasure Tower.

Boom!

Two terrifying power of laws collided in midair, stirring up a powerful air billow.

The Ye Yuan in midair was directly sent flying by this air billow, smashing heavily onto the Myriad Treasure Tower’s roof.

“Qin Zhaoyun, you’re killing people at my Myriad Treasure Tower’s entrance, do you still have any respect for me, this Myriad Treasure Tower’s tower lord?”

Han Tian stood with his hands behind his back, facing Qin Zhaoyun from afar, his aura not the slightest bit weak.

Qin Zhaoyun’s face fell and he said with a cold snort, “Han Tian, you dare to oppose my Qin Family for the sake of this brat?”

Han Tian gave Ye Yuan a glance and sighed inwardly.

This boy was really too capable of causing trouble. With this, it really poked a hole in Wu Meng Capital City’s sky.

Han Tian was calm on the surface, but in his heart, he was actually somewhat nervous.

He had been watching the situation outside all along but had always been conflicted in his heart.

All the way until Qin Zhaoyun rampaged to kill, he did not make up his mind too.

But without a doubt, the value of Ye Yuan was too great!

Chi Fang reported to him that Ye Yuan used an unknown medicinal pill and actually brought Little Fatty back to life miraculously.

What did this show?

The new pill formulas in Ye Yuan’s hands were probably far from just those one or two!

Although he was still hesitant in his heart, Han Tian did not reveal anything on the surface, and said coolly, “Ye Yuan is my Myriad Treasure Tower’s guest alchemist. Have you asked me about touching him?”

Qin Zhaoyun's face turned cold and he said in a solemn voice, "This boy killed Tian-er, Zheng-er, and Pei-er, and can no longer live under the same sky as my Qin Family! I don't care what guest alchemist he is. If you dare to protect him today, this old man might go on a killing spree!"

Clearly, Qin Zhaoyun had also gone completely berserk when he heard the news of Qin Tian being killed.

When Han Tian heard this, he just said coolly, "With just the likes of you?"

His strength was more or less the same as Qin Zhaoyun's, neither could do anything to the other.

Where's the talk of going on a killing spree?

Who knew that Qin Zhaoyun just snorted coldly and said, "Han Tian, you're also underestimating my Qin Family's strength too much!"

Han Tian's expression changed. Countless soldiers flooded in on the streets, sealing off the entire street.

These people were precisely the City Lord Manor's guards!

A powerful aura came close from afar. The arrival wore black armor, looking extremely awe-inspiring.

"Tower Lord Han, the Myriad Treasure Tower and Wu Meng Capital City have always been mutually beneficial and win-win for so many years. Why is there a need to make it so unpleasant for a junior?"

The one speaking was precisely the city guards' commander, Zhao Yi!

This Zhao Yi was likewise a half-step Divine Lord mighty expert!

With this, Han Tian immediately felt tremendous pressure.

But, it was not over yet!

Another powerful aura rose to the sky, finally stopping beside Qin Zhaoyun, facing Han Tian from afar.

Another half-step Divine Lord mighty expert!

It was just that the expression was complicated on this person's face. His gaze looked toward Ye Yuan, with a look of pity.

This person was none other than precisely the academy head, Wen Yiyang!

[Unrivaled Medicine God](#)

Chapter 1457: Breaking Off All Relations

"Tower Lord Han, this time, Ye Yuan has seriously gone overboard! This old man ... sigh!"

Wen Yiyang had let out a long sigh, not knowing how to continue.

When he heard that Ye Yuan killed five great academy geniuses, he was speechless for a long time.

Honestly speaking, such a student had too much potential!

But in this world, it was never as simple as it looked on the surface.

If Wen Yiyang did not come forward, it was very difficult to settle the various forces.

Especially that Qin Family's pressure which was too great!

Three half-step Divine Lord powerhouses coming forward at the same time, even Han Tian felt a steep increase in pressure too.

Han Tian knew that the trouble Ye Yuan caused today was huge, but he did not think that it was stirred up so big either.

Four great half-step Divine Lord powerhouses facing off, this grand occasion had already not occurred for no idea how many years.

Qin Zhaoyun stared at Han Tian intently with heated eyes and said coldly, "This boy viewed his fellow disciples as inconsequential. Even if he's your Myriad Treasure Tower's guest alchemist, he has already incurred public outrage! Today, he must die! If your Myriad Treasure Tower dares to protect him, it will probably be hard to survive in Wu Meng Capital City from now on!"

Zhao Yi who did not speak all along also said quietly, "Ye Yuan indiscriminately killed the innocent, this is challenging the prestige of the City Lord Manor! If this commander doesn't take action, where will the City Lord Manor's prestige lie?!"

Han Tian's expression was incomparably ugly. He was already forced to the edge of the cliff; riding a tiger and finding it hard to dismount.

Ye Yuan swallowed a medicinal pill, forcefully suppressing the injuries within his body. Slowly getting up, he raised his head to the sky and laughed hard as he said, "What a fine indiscriminately killing the innocent! A fine harming his fellow disciples! When Little Fatty had his divine sea crippled by the five of them, no road to heaven and no gate into the earth, where were you all? When Qin Tian violated the academy's rules and tailed me to assassinate me, where were you guys? When Qin Yuanlong disregarded his identity during the Hundred Cities Smelting Trial and ambushed me, a Grotto Profound disciple, where were you all? Heh, I overpowered all heroes in the Hundred Cities Smelting Trial, winning the Four-star divine pill for City Lord. What it exchanged for is you making concessions to avoid trouble! Heh, this kind of academy, doesn't matter whether I enter or not! Today, I, Ye Yuan, break off all relations with Wu Meng Academy!"

Ye Yuan stood proudly, facing three great half-stop Divine Lord powerhouses without the slightest fear.

City Lord Manor and Wu Meng Academy coming forward at the same time was already sufficient to represent Wu Meng City Lord's attitude.

Zhao Yi and Wen Yiyang's appearance also made Ye Yuan's final trace of fetters to Wu Meng Academy dissipate like cloud and mist too.

In all fairness, Ye Yuan's contributions to Wu Meng Academy far exceeded his demands.

He did not owe anything to Wu Meng Academy.

On the contrary, Wu Meng Academy's way of doing things made him utterly disappointed.

"Turns out that the Qin Family was actually so overboard to Ye Yuan. No wonder Ye Yuan was so indignant and wanted to kill his fellow disciples. Turns out that it was to take revenge for his brother!"

“Qin Yuanlong was an Origin Deity Realm great expert. To actually ambush a Grotto Profound Realm junior, it’s really too shameless.”

“The matters previously, Ye Yuan endured them. This time, him rampaging and killing people is to take revenge for his brother. Ye Yuan is kind and just!”

“Really can’t understand, Ye Yuan has such terrifying talent, why is City Lord so biased towards the Qin Family! No wonder the Qin Family has been acting more and more in a tyrannous manner these few years. Turns out that it’s City Lord backing them up!”

...

Ye Yuan’s words aroused many people’s sympathy.

The Qin Family and City Lord Manor coercing like so, this was clearly forcing people to drastic alternatives.

For Ye Yuan to be able to endure until now was already incredibly not easy.

Qin Zhaoyun saw that the situation was not right and said with a cold snort, “Razor-tongue that talks glibly! You’re clearly counting on that you made contributions, so you consider everyone beneath your notice, harming your fellow disciples. Now, you actually dare to resort to sophistry! Han Tian, this old man is only asking you, moving aside or not?!”

Han Tian was just about to speak when Ye Yuan said in a clear voice, “Today’s matter, this Ye will shoulder it alone! Senior Han, thank you very much for these few years of care. If this Ye is lucky to get away today, I’ll definitely repay generously in the future! Xie Jingyi and Miss Wanru will be entrusted to Senior Han!”

Han Tian opened his mouth and truly did not know what he should say.

Even if he fought to the bitter end with these three people, he could not save Ye Yuan either.

Three mighty half-step Divine Lord powerhouses were not what he alone could contend with.

Qin Zhaoyun smiled coldly and said, “Lucky to get away? A measly initial-stage Heaven Glimpse really dares to talk! Today, if you don’t die, I, this Qin, will never meet anyone again!”

Ye Yuan looked at Qin Zhaoyun and said with a sneer, “Old fart, your face can’t meet people long ago! But you rest assured, this Ye will make your Qin Family completely disappear one day!”

Qin Zhaoyun laughed from extreme fury and said, “Shamelessly boasting brat! This old man wants to take a look today at how you’re going to make the Qin Family disappear!”

At this time, Wen Yiyang sighed slightly and said with a complicated expression, “Ye Yuan, your talent is astonishing, why is there a need to disparage yourself? Surrender without resistance, this old man will help you beg City Lord for leniency. He’ll definitely give you a way out!”

Ye Yuan looked at him and said with a cold smile, “Does Academy Head really take this Ye to be a three-year-old kid? Although this Ye has never met that Wu Meng City Lord, he and the Qin Family are obviously acting in collusion. If I really surrender, can you protect me?”

Wen Yiyang opened his mouth and was actually speechless.

Actually, he also did not know what was the relationship between City Lord and the Qin Family. But the various signs indeed showed that City Lord and the Qin Family were closely related.

Actually, him coming forward this time was also City Lord personally sending him word, making him persuade Ye Yuan back.

It was just that Ye Yuan was clearly not so easy to deceive. He had long seen through the signs behind this.

“Heh, talking anymore is useless! Old bastard, if you have the ability, come and try chasing me today!”

Ye Yuan smiled coldly at Qin Zhaoyun, his figure instantly vanishing from where he was.

“So fast!”

Everyone had yet to react to what was going on when Ye Yuan already turned into a small black dot, vanishing into the horizons.

This sword maneuvering flight’s speed was actually more than several times faster than before!

Qin Zhaoyun’s expression changed, divine essence urging frenziedly, chasing over in the direction Ye Yuan disappeared.

Zhao Yi and Wen Yiyang’s faces also revealed surprised looks, not expect that Ye Yuan’s speed was actually so fast.

Ye Yuan’s figure turned into a stream of flowing light, like a comet in the sky, a thousand miles in a twinkle.

“Damn it, how can this brat’s sword maneuvering flight’s speed be so fast?” Qin Zhaoyun said exasperatedly.

Zhao Yi’s expression was ugly too and he said in a solemn voice, “No way, at this rate, we’ll lose him!”

Wen Yiyang did not speak. He felt like his heart was dripping blood.

A genius like Ye Yuan should originally be a most glorious stroke in his, the academy head’s career. But did not expect that it became this kind of outcome.

“Hahaha ... old dog, looks like you really have no face to meet people in the future! Got to remember what you said!”

Ye Yuan’s voice slowly transmitted over from the front. He had completely no respect for them, three great half-step Divine Lord powerhouses.

Although half-step Divine Lord powerhouses were able to fly, it was clearly not their forte.

In comparison, after Ye Yuan broke through to Heaven Glimpse Realm, it was his first time deploying sword maneuvering flight at full power. Those few half-baked dabblers could not catch up at all.

But right at this moment, Ye Yuan’s expression changed. A horrifying aura descended from the sky.

In an instant, Ye Yuan seemed to have fallen into a quagmire, unable to extricate himself!

Unrivaled Medicine God

Chapter 1458: Power of the World!

The entire sky seemed to be distorted.

Ye Yuan felt that there was a vast power ahead. His entire person seemed to have gotten stuck in a cloud of cotton, unable to break free no matter what.

“It’s the power of the world! That Wu Meng City Lord came in person!” Dustless’s voice sounded out in Ye Yuan’s mind.

Ye Yuan’s heart abruptly sunk to the bottom of the valley. What he was most worried about was this Wu Meng City Lord. He did not expect that this guy really made a move.

He originally thought that this Wu Meng City Lord disdained to bother with such things.

It looked like he really miscalculated this time!

This Wu Meng City Lord’s relationship with the Qin Family was even more extraordinary than he imagined.

Ye Yuan knew that he could not escape anymore and simply gave up resistance.

At this time, Qin Zhaoyun trio finally caught up.

Seeing the situation, Qin Zhaoyun burst into laughter and said, “Brat, aren’t you very good at running? Run for me to see!”

Ye Yuan said disdainfully, “Ate a face-full of dust following behind your little lord, still dare to bullshit. Your skin is really thick enough!”

Qin Zhaoyun’s face fell and he said fiercely, “Brat, you’re courting death!”

Qin Zhaoyun did not say another word, directly smacking a palm at Ye Yuan.

Boom!

The powerful attack force seemed to have hit onto a ball of sponge. Ye Yuan was entangled by the power of the world and could not avoid it at all, forcefully receiving this palm.

“Puhwark!”

Ye Yuan spewed fresh blood wildly from his mouth, his body drifting down toward the ground like a kite with a broken string.

But the power of the world still wrapped around him, making him float in the air and not land.

If not for the power of the world withstanding most of the power, Ye Yuan would already be a dead man right away no.

“Heh, brat, weren’t you very arrogant just now? Be arrogant again for me to see!”

Qin Zhaoyun's move succeeding, he immediately felt unusually liberated.

"Old dog! You remember it for me, all of this today, this young lord will return it a hundred-fold in the future!" Ye Yuan glared and said through gnashed teeth.

"Heh heh, are you, brat, still dreaming? Even Lord Qin Xiao has taken action. You still think you have a future?" Qin Zhaoyun said with a smug look.

The moment Qin Zhaoyun's words came out, not just Ye Yuan, Zhao Yi and Wen Yiyang's expressions changed.

The city lord was actually surnamed Qin!

This way, everything could be explained!

No wonder these few years, the Qin Family summoned the wind and commanded the rain in Wu Meng Capital City, suppressing the other major families, outshining the others.

No wonder the Qin Family's disciples were so cocky, but the City Lord Manor turned a blind eye to it.

Everything originated from the city lord's surname!

"Zhaoyun, you spoke too much!"

An icy-cold voice sounded out. A mighty middle-aged man walked out of the void.

Ye Yuan's gaze turned intent. This middle-aged man was precisely that middle-aged man he saw during the entrance examination!

Seeing Qin Xiao, Qin Zhaoyun's expression involuntarily changed and he said with a bow, "Yes, City Lord, Your Excellency! Zhaoyun knows his mistake!"

Qin Xiao grunted his assent and said coolly, "This city lord is the Qin Family's foster son and not a member of the Qin Family Clan. After you all hear it today, you're not allowed to mention it to others again!"

Feeling Qin Xiao's profound gaze, Wen Yiyang and Zhao Yi both got a shock and hurriedly bowed and said, "Yes, City Lord, Your Excellency!"

In Wu Meng Capital City, Qin Xiao virtually did not show face in front of people. No one knew his surname before either.

This matter, probably even Qin Tiannan did not know.

Only Qin Zhaoyun, this kind of Qin Family's top existence, knew Qin Xiao's true identity.

More than 100 thousand years ago, Qin Xiao received the Qin Family's great kindness, that was how he had today's accomplishments.

It was just that far too long had passed, no one remembered it anymore.

Qin Xiao slowly turned around, looked at Ye Yuan, and said indifferently, "Ye Yuan, your talent is outstanding, your future accomplishments will surely surpass this city lord's in the future. It's too bad, you shouldn't have become enemies with the Qin Family."

Ye Yuan glared at Qin Xiao and did not have the slightest fear toward a Divine Lord Realm powerhouse as he spat and said, "Pooh! You can't tell right from wrong, condoning the Qin Family to engage in lawlessness. You're not worthy of being the city lord! If I'd know it would come to this, this young lord should have cleaved that Four-star divine pill back then with a sword, so as to avoid feeding a dog!"

"Hiss ..."

Wen Yiyang and Zhao Yi were both shocked hearing it. There was actually someone who dared to speak this way to a Divine Lord Realm powerhouse!

This boy was really lawless and unbridled!

Rather, Qin Zhaoyun sneered coldly in his heart.

Scold, the more viciously you scold, the faster you die!

However, Qin Xiao's self-restraint was much better than Ye Yuan imagined.

He just said coolly, "The Qin Family was kind to me, what's wrong with this city lord doing so? After coming back from the Hundred Cities Smelting Trial, this city lord already hinted to you to not be enemies with the Qin Family, but you were impervious to reason and advice. Not only did you remain impenitent, you actually went from bad to worse!"

Ye Yuan burst into laughter when he heard that and said, "Remain impenitent? Hahaha ... really making your grandfather die of laughter! Who the hell are you, to dare make Grandpa Ye repent?"

The three people at the back quaked in their boots listening. This Ye Yuan was really too wild. That was a Divine Lord Realm powerhouse, a god-like existence!

Don't look at how the three of them were all half-step Divine Lord Realm, in front of a Divine Lord Realm, it was completely not enough to look at.

Divine Lord Realm powerhouses opened up a small world and possessed the augmentation of the power of the world. It was completely not what Divine Dao Three Realms people were able to imagine.

The closer one was to the Divine Lord Realm, the more awe they had toward this realm!

People able to reach this step, not one was not a peerless genius.

However, Ye Yuan did not place Qin Xiao in his eyes at all!

Qin Xiao swept a glance over Ye Yuan and said coolly, "This world is originally the strong reigning supreme! I control a region of the world, taking charge of a capital city. I ask you to repent, you have to repent! The outcome of not repenting ... is death!"

Finished talking, Qin Xiao lightly tapped a finger out. A terrifying aura instantly condensed.

Qin Zhaoyun trio all had solemn looks when they saw this.

This was the strength of a Divine Lord Realm powerhouse!

“Now is the time!”

Ye Yuan’s gaze turned intent, his figure suddenly bursting forth, rushing out like an arrow that had left the string.

Qin Zhaoyun trio had stunned looks. Qin Xiao’s gaze turned intent too.

Ye Yuan actually broke through his power of the world!

An initial-stage Heaven Glimpse brat actually broke through a Divine Lord Realm powerhouse’s power of the world!

This ... This was simply an unthinkable thing!

This matter was even more astonishing than Ye Yuan killing five great geniuses.

Ye Yuan urged divine essence to the limit, fleeing desperately.

Resigning himself to death had never been his, Ye Yuan’s, style.

As long as there was a trace of hope, he would put in 100% effort!

The so-called power of the world was merely a type of application of Heavenly Dao.

It seemed profound and unfathomable, but Ye Yuan had the Lesser Heavenspan Mountain!

He was shouting abuses with Qin Xiao and the rest on the surface. Actually, he was secretly communicating with the Lesser Heavenspan Mountain the entire time.

He could imitate the Sky Foothill World’s Heavenly Dao, he could naturally break apart Qin Xiao’s power of the world!

After being thunderstricken, the corner of Qin Xiao’s mouth smiled coldly and he said, “Somewhat interesting, but ... it’s useless!”

While talking, Qin Xiao took a step out, instantly moving a thousand miles!

Ye Yuan’s speed was already quick to the extreme but was instantly surpassed by Qin Xiao!

“I very much want to see just what secrets you have on you.” Qin Xiao smiled as he pointed a finger. Ye Yuan felt that the entire world was crushing toward him.

Swoosh!

Qin Xiao’s gaze turned intent. Ye Yuan actually disappeared before his eyes!

Chapter 1459: Sowing Cause Begets Effect, Sowing Karma Begets Fruit

A vast power of the world suddenly burst out, colliding together with Qin Xiao’s power of the world.

Boom!

A terrifying undulation rippled out, directly sending Qin Zhaoyun trio flying out.

The three people were actually seriously injured being caught off-guard.

Fortunately, they were far enough away. Otherwise, just this aftershock alone was sufficient to kill them.

The showdown between Divine Lord Realm powerhouses was dreadfully powerful.

Qin Xiao's gaze turned intent, revealing an extremely surprised look.

Qin Xiao said in surprise, "It's actually you!"

The arrival said coolly, "Otherwise, who do you think it will be?"

Qin Xiao smiled and shook his head as he said, "I didn't expect that Han Tian didn't break through first, but you broke through first. It really surprised me! No wonder you were in seclusion for so many years, it was actually to assault the Divine Lord Realm!"

When Qin Zhaoyun trio saw that figure facing Qin Xiao from far away, the astonishment in their gazes could not be any greater.

They never dreamed that this person actually broke through to the Divine Lord Realm!

In Wu Meng Capital City, there were four great half-step Divine Lord powerhouses.

Everyone all felt that these four half-step Divine Lord powerhouses were the most promising to break through to Divine Lord Realm.

But no one could have expected that this person actually broke through.

This person was none other than precisely the Myriad Treasure Tower's chief alchemist who had already been in closed-seclusion for several decades, Xiao Feng!

Several decades of closed-seclusion made everyone virtually almost forget this person.

However, when he exited seclusion again, he was actually on a completely different level from them already.

Qin Zhaoyun trio looked at Xiao Feng's figure, their faces full of envy and puzzlement.

Why was this person Xiao Feng and not them?

Xiao Feng said coolly, "For this old man to be able to break through to the Divine Lord Realm, it was all thanks to Little Friend Ye Yuan. Hope that City Lord Your Excellency will give Ye Yuan a way out on the account of this old man's face."

The moment these words came out, everyone's faces, inclusive of Qin Xiao, all changed.

Xiao Feng breaking through to the Divine Lord Realm was actually related to Ye Yuan?

No wonder the Myriad Treasure Tower shielded Ye Yuan like that. It turned out that it was actually this reason!

Back then, Xiao Feng seemed to have personally made a trip to Jewelhill City. After coming back, he directly announced closed-seclusion.

Could it be that ... Ye Yuan really had this kind of magic power, to actually be able to help others break through to the Divine Lord Realm?

Qin Zhaoyun trio exchanged glances, gazes all revealing a scorching look.

Divine Lord Realm was seriously too tempting to the three of them.

Qin Xiao's eyes narrowed slightly and he said with a faint smile, "According to Heavenly Emperor His Excellency's rules, since you already broke through to the Divine Lord Realm, you shouldn't stay in my Wu Meng Capital City anymore, right?"

Xiao Feng's face sunk and he said, "After this matter, this Xiao will naturally leave! But concerning Ye Yuan, this old man is protecting him for sure!"

Because the Myriad Treasure Tower was an outside force, they naturally did not allow an existence in the city that could threaten the city lord.

Otherwise, if the Myriad Treasure Tower placed a Celestial Deity powerhouse in the capital city, did the city lord have the final say, or did this celestial deity have the final say?

Qin Xiao said with a smile on his face, "With just the likes of you, a Divine Lord Realm that just broke through, you want to be impudent in front of this city lord?"

A dangerous scent spread out from Qin Xiao's body, making Xiao Feng's expression turned austere.

Although Xiao Feng broke through to Divine Lord Realm, he had just broken through after all.

While Qin Xiao had already remained in Divine Lord Realm, this realm, for no idea how many years.

If they really had a life-and-death struggle, Xiao Feng was clearly not a match.

Xiao Feng's face fell and he said, "As long as you let Ye Yuan go, you can state any terms!"

Qin Xiao said coolly, "You don't have the qualifications to discuss terms with this city lord! Today, this Ye Yuan, you have to hand over regardless! Otherwise ... your Myriad Treasure Tower can probably close up shop in Wu Meng Capital City."

Xiao Feng discerned it, this Qin Xiao had eaten a weight and steeled his heart. It was impossible to let Ye Yuan go.

He took a deep breath, his mind stirred. Ye Yuan's figure was let out.

Ye Yuan only felt a blur before his eyes, appearing in the Heavenspan World once more.

In that instant earlier, Ye Yuan was taken into the small world Xiao Feng hewed open.

"Elder Brother Xiao! You ... You actually really broke through!"

Ye Yuan looked at Xiao Feng rather surprisedly. He felt his eyes blur straight away just now, arriving at a foreign world, and completely did not know who saved him.

Only now seeing Xiao Feng did he come to a realization.

Seeing Xiao Feng let Ye Yuan out, Qin Xiao and Qin Zhaoyun were both very pleased with themselves.

It looked like he had to hand Ye Yuan over due to pressure.

After all, making a massive Myriad Treasure Tower close up for a measly little Heaven Glimpse Realm was not worthwhile!

Xiao Feng said to Ye Yuan with a smile, "Huhu, this is all thanks to you! Back then, if not for you giving a pointer or two, this old man probably still can't touch the door until now!"

Ye Yuan smiled and said, "No no, it's Elder Brother Xiao's thick accumulations erupting. It was merely adding flowers to embroidery. Congratulations, Elder Brother Xiao!"

Xiao Feng's expression dimmed and he said with a sigh, "Younger Brother, it's Elder Brother who is useless. Even if I broke through to the Divine Lord Realm, I'm powerless to do anything today as well!"

These two people, one asking and one answering, titanic waves stirred in the hearts of Qin Xiao and the rest.

A Grotto Profound Deity Realm brat giving pointers to a peak grand completion Origin Deity Realm powerhouse, and even let him break through to the Divine Lord Realm?

If not for hearing it with their own ears, they would definitely think that this world was crazy.

Even Qin Zhaoyun also could not resist shouting in his heart at this time: you come and give pointers to me!

If he could break through to Divine Lord Realm, he would even be willing to let go of the enmity.

Except ... under this kind of circumstance now, it was already not what he could make the decision.

Ye Yuan did not reveal a surprised look. He said with a smile, "For Elder Brother Xiao to be able to come, this Ye has already received this kindness."

Xiao Feng nodded his head, turned to Qin Xiao, and said, "From this day on, the Myriad Treasure Tower will withdraw from Wu Meng Capital City! Younger Brother Ye, this Xiao will send you a part of the way, the back ... will depend on your fortunes!"

Ye Yuan only felt a blur before his eyes and he was wrapped in a majestic power of the world, flying out no idea how far.

This scene caught Qin Xiao off-guard.

"Xiao Feng, you!"

Xiao Feng said indifferently, "Although this old man isn't your match, for you to want to shake this old man off, it's also not what can be done in a short time. Moreover ... do you dare to kill this old man?"

Qin Xiao could not help choking when he heard that. He really did not dare!

With Qin Xiao's status, killing one or two Origin Deity martial artists, the Myriad Treasure Tower naturally would not say much.

But Xiao Feng was already a Divine Lord Realm powerhouse now. To the Myriad Treasure Tower, he was no longer insignificant.

Qin Xiao had always had a calm and collected look. But now, his expression was incomparably ugly.

He did not think that Xiao Feng was actually so decisive, directly pulling the Myriad Treasure Tower out from Wu Meng Capital City.

Withdrawing out of a capital city, the Myriad Treasure Tower's losses would be too great.

"You actually made this kind of decision for a Heaven Glimpse Realm junior, are you mad?" Qin Xiao gritted his teeth and said.

Xiao Feng said coolly, "Men have principles to adhere to and baselines. Sowing cause begets effect, sowing karma begets fruit. In the past, Ye Yuan helped me to break through. That's how there's my action of repaying gratitude today. How do you know that my action today won't have a time for harvest in the future?"

Qin Xiao's entire body trembled, his gaze revealing aghast.

"What are the few of you still in a daze for?! Still not chasing for me?! I want to see the person if alive, the corpse if dead!" Qin Xiao roared.

Chapter 1460: Are You Very Pleased With Yourself?

In the boundless wilderness, three figures were currently advancing with extreme speed.

These three people's auras were imposing. The surrounding fierce beasts clamored to give a wide berth.

"This damn brat, his life is really tenacious! He can even manage to escape like this!" Qin Zhaoyun gnashed his teeth in hatred as he said.

Qin Zhaoyun trio chased all the way and finally could not support a prolonged flight. Hence, they landed on the ground to chase.

He never thought that Xiao Feng actually broke through to the Divine Lord Realm.

Even more unexpected, Xiao Feng would actually have no qualms about letting the Myriad Treasure Tower withdraw from Wu Meng Capital City in order to protect Ye Yuan.

Along the way, Qin Zhaoyun stomped his feet in anger but was helpless to do anything too.

"But he definitely didn't think that we can track his location through the academy token! Xiao Feng's action is destined to be in vain!" Zhao Yi said in a solemn voice.

With this, Qin Zhaoyun's fury turned into joy again as he said, "Heh, the three of us half-step Divine Lords chasing down a Heaven Glimpse Realm brat, this is also too disgraceful! This brat already ceased

all activities in order to not draw people's attention and don't dare to ride the sword to fly anymore. It's just that he doesn't know that this way, it is exactly what we want."

Xiao Feng's magical ability was insufficient to send Ye Yuan out of Wu Meng Capital City's sphere of influence.

At this time, Wu Meng Capital City already announced to the world, putting Ye Yuan at large within the entire Wu Meng Capital City's radius.

If Ye Yuan wanted to escape, he could not fly in the air in a flagrant manner. That way, the target was too conspicuous.

Wen Yiyang let out a sigh and said, "I really didn't expect that Xiao Feng was actually a step ahead of us, breaking through to the Divine Lord Realm! He didn't even reach half-step Divine Lord Realm. Just what kind of method did Ye Yuan use, to make him break through to become a Divine Lord?"

One sentence made the other two people's good mood instantly dissipate into thin air.

The few of them had been stuck at this realm for an uncertain number of years already.

Half a step away, but seemingly as far as from the ground to the horizon; forever unable to cross.

However, Xiao Feng actually caught up from behind and surpassed those in front, directly breaking through to Divine Lord Realm. How could they accept this?

Qin Xiao gritted his teeth and said, "Thinking so much for what? When we capture that boy, will we still need to be scared of not being able to pry open his mouth?"

Sure enough, Qin Zhaoyun's words made the two people's eyes light up.

"What Brother Qin said is right! The three of our foundations are much better than Xiao Feng's. As long as there's that little bit, we're absolutely able to break through to Divine Lord Realm!" Zhao Yi said excitedly.

Qin Zhaoyun smiled and said, "Then still waiting for what? That boy should be not far in front now, about to enter the range of Crowlight City. Once we let him escape from Crowlight City, we'd have to expend some more effort to catch him."

The two people voiced their assent, displaying their movement techniques and chasing after.

Crowlight City was the border-most county of Wu Meng Capital City. If Ye Yuan left from here, he would enter other capital cities' sphere of influence.

Although the capital cities belonged to an imperial city, they each dominated a region, neither interfering with the other.

Once Ye Yuan left, it would naturally cause considerable trouble.

...

Three days later, on the frontier of Crowlight City, a figure was currently running at great speed.

Suddenly, three figures descended from the sky, blocking all of that figure's escape routes.

Qin Zhaoyun had a smug look as he said with a laugh, “Truly a shame! Just that little bit more! Although it took a bit of trouble, we caught you at any rate. Why, are you very surprised?”

Wen Yiyang let out a sigh and said, “Ye Yuan, the order of the ruler is hard to defy. Come back with us.”

But Zhao Yi’s gaze was scorching as he said, “Brat, hand over the method to break through to Divine Lord Realm and we’ll spare you from death!”

Ye Yuan had no joy nor sorrow being surrounded by the three people in the center and did not despair like they imagined.

Ye Yuan looked at Qin Zhaoyun and spat, “Surprised your uncle! You dumbass! Just based on your bit of trick and you also want to capture Grandpa Ye?”

Qin Zhaoyun’s face turned black and was just about to fly off the handle, but saw Ye Yuan fish out the academy token, and started playing with it in his hand.

Ye Yuan looked at Qin Zhaoyun with a smile that was not a smile and said, “Old dog, were you very pleased with yourself along the way? Did you feel that your Grandpa Ye couldn’t escape your palms? Just based on this toy?”

Qin Zhaoyun’s heart thumped, suddenly feeling that the three of them seemed to have been duped!

“This ... This is a clone?” Zhao Yi’s gaze turned intent and he said gloomily.

Wen Yiyang let out a sigh and said, “We all overestimated him too much!”

Ye Yuan sneered as he looked at Qin Zhaoyun and said, “Old dog, just you wait! When I, Ye Yuan, return, it will be the day your Qin Family is exterminated! You tell Qin Xiao, ask him to take good care of himself. Grandpa Ye will come and find him to settle scores before long!”

Finished talking, with a bang, Ye Yuan immediately turned into a ball of flame.

Gong!

The academy token fell to the ground, giving off a crisp sound.

Qin Zhaoyun gnashed his teeth until it rattled, furious until smoke billowed from all seven orifices.

The three of them chased for close to a month’s time. They did not expect that he was actually a clone!

“This brat is too cunning!” Zhao Yi also gnashed his teeth in hatred.

Originally, he was very much looking forward to the method to break through to the Divine Lord Realm. He did not expect that bustling about for a month, it was all for nothing.

...

On another border of Wu Meng Capital City, Ye Yuan who was currently healing his wounds in a cave abruptly snapped open his eyes, the corners of his mouth revealing a mocking smile.

How many ups and downs had Ye Yuan experienced before? How could he possibly make this kind of low-level mistake?

Although Wu Meng Academy had never said before, how could Ye Yuan possibly bring this kind of hidden danger to him?

Right away when Ye Yuan was sent out, he divided out the majority of his divine essence, creating a Cleansing Sandal Flame Lotus clone, bringing the academy token and fleeing all the way.

While his true self moved stealthily in another direction.

Fiery already gave birth to a primordial spirit, Ye Yuan was unable to bring him to pass through the spatial storms.

But the Cleansing Sandal Flame Lotus was the clone Ye Yuan refined. He brought it over.

Through this close to 100 years, the Cleansing Sandal Flame Lotus already evolved to divine rank too. It was just that compared to Ye Yuan's rate of progress, it was much slower.

Along the way, Ye Yuan was cautious, not revealing his traces, finally lurking to the borders.

The series of great battles a month ago, Ye Yuan's injuries were already very severe.

Plus this one month of escaping, Ye Yuan piled on more injury on top of injury. Only recently did he find a hidden cave and went into a retreat to heal his wounds.

Suddenly, Ye Yuan heaved a sigh and said, "I even thought that I was dead for sure this time. I didn't expect that at the last juncture, Elder Brother Xiao actually broke through to the Divine Lord Realm, saving me."

At this time, Dustless's figure emerged and said, "Actually, it was you who saved yourself. It was you who helped him break through the Divine Lord Realm first, that he has the ability to come and save you. Perhaps, this is the circle of cause and effect!"

Ye Yuan smiled bitterly and said, "Back then, I just felt that I got along well with him. I didn't expect to actually have this kind of unexpected harvest. Sigh ... Miss Wanru is probably going to be disappointed. Also, there's Little Fatty. I hope that he pulls himself together. Senior, this Wu Meng Capital City already doesn't have a place for me to shelter myself. Where should I go?"

Dustless said, "You can't stay on within the boundary of the Heavenly Eagle Imperial City. With the strength of a Divine Lord Realm, once Qin Xiao knows your whereabouts, killing you is just a matter of lifting a hand. This is a troublesome place, better get as far away as possible."
