Chapter 2581: Let Me Try Too

In an instant, the mysterious image that Ye Yuan had built in a year, collapsed with a boom.

Even Lin Lan had a shocked expression on his face too.

He thought that Ye Yuan this kind of heaven-defying figure, his aptitude should be the very best!

He did not expect that it was actually terrible until like this!

But he was different from the rest.

He did not think that Ye Yuan was ridiculous, but was unbelievably shocked in his heart instead.

Someone who such a poor aptitude could actually ascend to the 33 Heavens. Furthermore, after ascending, he could still be so heaven-defying!

Just what did he rely on?

Lin Lan was very certain that Ye Yuan definitely would not stop at his present cultivation realm strength.

His future was very bright!

Facing this tsunami-like ridiculing, Ye Yuan was very calm.

He had never cared about other people's gazes and also never felt that aptitude could mean anything.

The aptitude that this array formation tested was a test of the body's conditions.

This kind of aptitude was external; it was natural.

Even if Ye Yuan cultivated to grand completion rank nine, it could not change too.

But the array formation was unable to pry into some intrinsic things.

Such as comprehension ability, such as willpower!

In Ye Yuan's view, this was more important than aptitude.

Moreover, Ye Yuan discovered that aptitude was not unchangeable.

Didn't his affinity grow?

As long as his alchemy path strength improved, his affinity might be able to grow to 50 or 60 in the future!

"Alright, finished laughing too! But it's also time to settle our scores! Senior Apprentice Brother Han, I'll have to trouble you to do it!" After laughing, Lu Zhanyuan's gaze turned cold as he said.

Han Qianyun smiled and said, "Junior Apprentice Brother Lu, making me kill such a person, I'm afraid that after today, I'll become the laughingstock of the entire heavenly sect too."

He, Han Qianyun, was a Limitless Sublime Heavenly Stratum powerhouse, a dignified red-wing protector. He was actually killing the guy with the worst aptitude in history.

No matter how one looked, it was somewhat degrading himself.

Skydew Jade Pith Lu Zhanyuan's face turned red again and he said, "Senior Apprentice Brother Han, although this boy's aptitude is extremely poor, his ability in poisoning isn't weak! I reckon that he should have obtained some poison path inheritance after ascending! Senior Apprentice Brother, kill him and I'll give you that bottle of Skydew Jade Pith."

Han Qianyun's eyes flashed and he said with a smile, "This is what you said!"

Skydew Jade Pith was a pre-natal item, being extremely precious.

It had a great effect on Limitless Sublime Heavenly Stratum powerhouses too.

It could be said that Lu Zhanyuan put forth a huge blood capital in order to kill Ye Yuan.

"I said it!" Lu Zhanyuan gritted his teeth and said.

Han Qianyun looked at Ye Yuan and said with a smile, "Boy, a trash like you, I was originally disdainful to take action! But, for the sake of the Skydew Jade Pith, I can only take action."

Ye Yuan ignored him, but looked at Protector Mo and said coolly, "You let that burly man test his skills, can you let me test it too?"

Protector Mo could not help laughing as he said, "Boy, stop struggling! He can't do it, less of all, you! Just now, Yun Qing merely used 50% strength."

"What? O-Only used 50%?" When the ascenders heard this, each and every one of them was shocked until they stared with their mouths agape.

An outer sect disciple cultivated for ten years, only used 50% strength, and jumped realms to defeat the burly man!

This disparity was too great!

"I wasn't talking about him, but him!" But Ye Yuan was indifferent and pointed at Lu Zhanyuan and said smilingly.

"What?! He ... He wants to challenge Lu Zhanyuan?"

"This guy is mad, right?"

"Who does he think he is? A guy whose aptitude is terrible until not even his parents love him, actually wants to challenge the inner sect's number three?"

... ..

The moment Ye Yuan spoke, everyone directly exploded!

The current Ye Yuan was an ant on the ground in their eyes.

While Lu Zhanyuan was a flood dragon in the sky!

These two people were not in the same world at all!

But now, the ant wanted to challenge the flood dragon?

Was this guy being funny?

Lu Zhanyuan was also stunned for a long time before he could not help laughing as he said, "Boy, your aptitude is bad, is your brain spoiled too? Or is it that you want to use Windward Topple to paralyze me?"

Ye Yuan shook his head very seriously and said, "I won't use poison. You just need to suppress your cultivation realm to the same level as mine."

Lu Zhanyuan could not help laughing as he said, "Boy, do you know who you're challenging? Forget about suppressing to the same as yours, even if I suppress to lower Lesser Sublime Heaven, I can wreck you too! Of course, you're not allowed to use poison!"

Who was Lu Zhanyuan?

He was a Jade Sovereign Heaven powerhouse's personal disciple, the inner sect's top three super powerhouse.

Now, he was actually being challenged by an ant!

He felt that his dignity was challenged.

Ye Yuan shrugged and said, "In that case, you agree? Didn't you want to kill me? I'll give you this opportunity! Let's have a life-and-death match! How about it?"

When Protector Mo and Han Qianyun heard that, they both smiled.

Even on the ascenders this side, there were roaring peals of laughter too.

Ye Yuan's words at this time sounded like a deathbed struggle.

Lu Zhanyuan also smiled, smiled very brightly.

"Okay! As long as you don't use poison, so what if I agree with you? Just based on your lower-inferior aptitude, can you still stir any waves?" Lu Zhanyuan jumped right down and arrived in front of Ye Yuan.

A 'great battle' was about to start.

Ye Yuan's action was a death-seeking behavior in everyone's eyes.

Even if he suppressed his cultivation realm, the inner sect's top three could absolutely sweep away Lesser Sublime Heavenly Stratum too!

Protector Mo looked at Han Qianyun and said with a smile, "The Skydew Jade Pith that reached your hands flew away!"

Han Qianyun also smiled and said, "Junior Apprentice Brother Lu is a rarely seen pre-natal grade five Sun Dao Physique, his strength can virtually insta-kill same ranks! Only Su Lingfei and Zhengqiufei, those two

freakish Dao physiques, can barely manage to suppress him a notch. Master shows favoritism toward him! If he wants to kill with his own hands, how can I stop him?”

Protector Mo smiled and said, “Then you guess how many moves can that boy last?”

Han Qianyun laughed in spite of himself and said, “How many moves? Isn’t it insta-kill? Invincible in the same rank isn’t said for fun! Furthermore, suppressing his realm, Junior Apprentice Brother Lu’s comprehension of rules isn’t what an ant can compare to! This battle is without the slightest suspense.”

Protector Mo smiled and said, “True! Really don’t know where this boy’s courage comes from! Didn’t he see Yun Qing and that burly man’s fight at all? He’s already significantly lacking when compared to that burly man, how can he compare to Junior Apprentice Brother Lu?”

On this side, Ye Yuan said to Yao Qing, “Brother Yao, borrow your sword to use!”

Yao Qing threw the sword over and said with a frown, “Brother Ye, you’re too reckless! Windward Topple is powerful, that’s why he’d be wary of you. Now that you’ve tied your own hands and legs up, what will you use to fight with Senior Apprentice Brother Lu? You ... if something were to happen, how do I explain to Lord Luo!”

Ye Yuan caught the sword and said with a smile, “If I die in battle, so many people can prove that I brought about my own destruction, why would Senior Luo blame you? Alright, no need to worry. Who you should be worried about is that fellow! If I kill him, I reckon that the entire sect will be shaken, right?”

Lu Zhanyuan laughed loudly when he heard that and said, “*Hahaha?* ... brat, I discovered that you really have the talent for comedy! You? Kill me?”

Ye Yuan nodded and said, “That’s right, kill you!”

Lu Zhanyuan laughed loudly and said, “This is the funniest joke that I’ve heard in my lifetime!”

Finished speaking, the moment his aura released, it crushed over toward Ye Yuan like a blazing sun!

Unrivaled Medicine God

Chapter 2582: Great Dao Returning to One!

“So strong! This is the rule of Yang! It can be said to be half of the power of the world! This power completely crushes those of the same rank!”

“Although Lu Zhanyuan suppressed his realm to upper Lesser Sublime Heaven, his strength can probably sweep across Lesser Sublime Heavens, right?”

“Not on the same level at all! That Yun Qing is simply weak like a child in front of Lu Zhanyuan!”

... ..

The moment Lu Zhanyuan made his move, it immediately evoked a series of exclamations.

Compared to Yun Qing, Lu Zhanyuan was like a tumultuous violent wave, while Yun Qing was just a little trickle.

The two could not be mentioned in the same breath at all.

Lu Zhanyuan's sun rule was peerlessly domineering.

Great Trichiliocosm Xun Yang Palm!

Unleashing a palm, it was as if a world was fired over, being unbelievably terrifying.

Ye Yuan swung his sword in a circle, being composed and collected, and he uttered coolly, "Universe!"

The moment the domain formed, there was no weakness to exploit!

Boom!

The two clashed and were actually evenly matched!

"Dual Polarity!"

"Four Symbols!"

"Six Unity!"

"Eight Diagrams!"

Ye Yuan's sword art was akin to raging river waters, stretching long and unbroken.

The changes in the sword art also contained the maxim of Great Dao!

Dao begets one, one births two, two births three, three begets myriad life!

The beginning had come again, with endless variations!

No matter how fierce and domineering he, Lu Zhanyuan, was, he could only fight with Ye Yuan until they were evenly matched in strength.

Those people mocking Ye Yuan were long already dumbfounded.

The originally one-sided battle actually fought until they were locked in battle!

Ye Yuan's Sword Dao was ever-changing, suave and carefree, elusive and unpredictable.

"This ... How can he be so strong? That ... That's the inner sect's number three, pre-natal grade five Sun Dao Physique!"

"A trash can actually comprehends Sword Dao to such a realm? Truly inconceivable!"

"No Dao physique, lower-inferior aptitude, this ... this entrance assessment is simply a joke!"

... ..

This was really gaining worldwide fame and success in one battle!

Ye Yuan's sword art that was impregnable truly exhibited Sword Dao to the extreme.

His Sword Dao did not oppress people by force and was also merely at the first level of Sword Dao rule.

But his application of Sword Dao reached the acme of perfection, a realm that took people's breath away in astonishment!

Ingenuity in varying tactics depended on mother wit!

Therefore, even when facing the powerful Lu Zhanyuan, he still did not show the slightest signs of defeat.

Protector Mo and Han Qianyun two people were dumbstruck with amazement from watching.

"Is ... Is this guy really of lower-inferior aptitude? This sword art is likely not beneath Luo Yunqing already, right?" Protector Mo said in surprise.

"*Heh*, more than just not beneath him! If Luo Yunqing suppressed his realm, I'm afraid that he isn't this person's match! Strange, could it be that this assessment grand array is actually spoiled? This guy is really a genius?" Han Qianyun similarly said in surprise.

Seeing Ye Yuan's breathtaking performance, many people had the idea that the grand array was broken.

Protector Mo said, "At this time, it's not good for Junior Apprentice Brother Lu! That boy is too stable!"

Han Qianyun recovered from the surprise and said smilingly, "No need to worry. Junior Apprentice Brother Lu he isn't so easy to deal with! He has already comprehended that move!"

Protector Mo said in surprise, "You're talking about birthing Yin from extreme Yang?"

Han Qianyun smiled and said, "What else can there be?"

Protector Mo said in shock, "If he comprehended this move, then that brat will be in danger! Junior Apprentice Brother Lu is probably going to employ a killer move!"

Sure enough, right at this moment, Lu Zhanyuan gave an angry yell, the imposing aura on his body skyrocketing!

"Terrific lad, I underestimated you! Your ability to pretend to be a pig to eat a tiger is very good! But it ends here! My pre-natal grade five Sun Dao Physique isn't a joke!"

Lu Zhanyuan gave a loud cry and said, "Watch out! Extreme Yang births Yin! Grand Heaven Yang Melancholy Cloud Hand!"

Extreme Yang was not scary.

What was scary was extreme Yang birthing Yin!

This was the same logic as extreme toughness birthing softness.

It was just that this rule of sun power was God knows how many times higher level than extreme toughness birthing softness!

Once this move was unleashed, the power increased by more than ten times!

No matter how perfect Ye Yuan's swordsmanship was, it was also impossible to block this kind of powerful strength!

“A shame, this move is too strong. Ye Yuan probably won’t be able to block it!”

“This person is too arrogant, insisting on offending the inner sect’s number three. Otherwise, with his strength, the sect will definitely want him!”

“Challenging an upper-superior aptitude with a lower-inferior aptitude, Ye Yuan can be sufficiently proud too!”

... ..

When many people saw Lu Zhanyuan’s move, they could not help sighing.

Ye Yuan’s combat power made them have a feeling of rising phoenix-like from the ashes.

It let them see hope too.

It was just that this life-and-death fight was ultimately still Lu Zhanyuan who won!

However, Ye Yuan just smiled coolly and said, “Extreme Yang birthing Yin, only carries a trace of the power of extreme Yin, that’s all! You’re still too far away from Yin Yang harmony! Today, I’ll let you take a look at what’s called Yin and Yang complementing mutually, universe forming naturally!”

“Eight Diagrams!”

“Six Unity!”

“Four Symbols!”

“Dual Polarity!”

“Uni . . . verse!”

Originally, Ye Yuan’s sword technique went from simple to complex; incomparably gorgeous.

But now, Ye Yuan’s sword technique went from complex to simple, returning to one’s original simplicity, returning to ‘Universe’ again!

This process was not a process of regression, but contained the maxim of Great Dao!

Going from simple to complex, deriving myriad life!

Going from complex to simple, Great Dao returning to one!

Yin and Yang complementing mutually, Universe ... formed naturally!

Sword Dao was also a Great Dao that developed heaven and earth!

The power in this increased exponentially!

Even if a Greater Sublime Heavenly Stratum was here, they might not be able to block this strike of Ye Yuan’s too!

On the grandstands, the group of protectors suddenly stood up, looking at Ye Yuan with astonished faces.

“Impressive! This boy’s comprehension ability is absolutely seldom-seen in the world!”

“Inoculating Great Dao with Sword Dao, this Sword Dao should be his own comprehension! Universe forming naturally, mowing down all resistance!”

“*Sigh!*? Lu Zhanyuan’s comprehension of Dao can’t compare to Ye Yuan’s even if he whips his horse! The disparity! The disparity!”

... ..

People who understood the sword could see through the sharpness of this sword with one glance.

Going from simple to complex, many people could do it.

But the power of going from complex to simple was tremendous, the difficulty also increased exponentially!

Without an extremely deep understanding of Dao, there was no way of using this move at all!

Only to see Ye Yuan unleash a sword, the fierceness of this sword directly split the force of the Grand Heaven Yang Melancholy Cloud Hand and landed on Lu Zhanyuan’s body.

“*Pffft!*”

Lu Zhanyuan spurted a mouthful of fresh blood wildly, his figure flying out backward.

He was defeated!

However, it was not over.

This was a life-and-death battle!

Ye Yuan did not stop, the long sword following like a shadow, following right after.

Lu Zhanyuan’s expression changed wildly, a feeling of danger welling up in his heart.

It was just that he was already injured at this time and could only forcefully resist it.

Boom!

Another sword!

Lu Zhanyuan was directly sent flying.

If not for him being a major cultivation realm higher, his divine essence incomparably thick, that sword previously would have already taken his life.

It was just that Ye Yuan clearly did not have the intention of letting him go, each sword faster than the last.

Lu Zhanyuan was pushed to his limit and his heart was burning with anxiety.

Boom!

He did not hesitate in the slightest, instantly unlocking all of his strength, and he roared angrily, "Damn thing, I'm going to kill you!"

The current Lu Zhanyuan had already completely fallen into a rampage.

He did not expect that he actually lost to a lower-inferior aptitude trash in a fair fight!

He could not accept this result!

Unrivaled Medicine God

Chapter 2583: Perhaps, He Found Me Pleasing to the Eye!

Dong!

The previous second, Lu Zhanyuan had a threatening manner.

The next second, he fell out of the sky and convulsed non-stop.

Spasmed ... again!

Everyone did not even find out when he was poisoned.

When Lu Zhanyuan flew off the handle, everyone thought that Ye Yuan was dead for sure.

But in a blink, he was spasming.

But in the next second, something even more surprising happened.

Ye Yuan brandished his long sword and stabbed toward Lu Zhanyuan like lightning!

He was going to kill!

Protector Mo and Han Qianyun's faces changed greatly and they exclaimed in unison, "You dare!"

These two people did not hesitate at all, displaying their movement techniques and turning into two sharp arrows rushing over.

Two mighty Limitless Sublime Heavenly Stratum, their speed could be imagined.

But sadly, they were fast, but Ye Yuan was faster than them!

Ye Yuan unleashed his spatial rule, his movement technique being swift to the extreme.

Although it could not compare to the two great protectors, he had an edge in that he was closer to Lu Zhanyuan!

Puchi!

This sword of Ye Yuan's directly attacked a vital!

Lu Zhanyuan died!

The whole place was deathly silent.

On the day of the entrance assessment, a guy who had not entered the sect yet, he actually killed the inner sect's number three!

This was too arrogant!

Too domineering!

Too ... seeking death!

They said that it was a life-and-death battle, but everyone did not take it seriously at all.

Originally, it was a one-sided killing.

How could an ant be the opponent of a giant dragon that pranced in the sky?

Yet, this ant trampled the giant dragon to death.

Everyone was caught off-guard!

Two great Limitless Sublime Heavenly Stratum protectors were too late to save too!

"Spatial rule!" Protector Mo said in surprise.

Originally, he thought that with his speed, even if he was slightly far away from Lu Zhanyuan, he could save him too.

But who knew that Ye Yuan's speed was unbelievably fast!

No one could have thought that apart from his Sword Dao being unparalleled, Ye Yuan's spatial rule was also so formidable!

In the battle with Lu Zhanyuan, Ye Yuan only used Sword Dao rule from start to end.

It could be seen how powerful his Sword Dao was presently!

And spatial rule had an unexpected effect at the last moment.

Han Qianyun's gaze was dark as he said in sullen anger, "You, very good! You haven't entered the sect yet and already dared to kill the heavenly sect's inner-sect disciple, what audacity!"

Ye Yuan looked at him and said coolly, "There are thousands of people bearing witness here that Li Zhanyuan set a life-and-death battle with me. What's wrong with me killing him?"

Han Qianyun said with a cold smile, "Insolence! What status did Junior Apprentice Brother Lu have, who the hell do you think you are? A lower-inferior aptitude ant also dares to compare to Junior Apprentice Brother Lu in the same breath!"

Ye Yuan smiled and said, "Yeah, I'm an ant. But he died at my, this ant's, hands!"

Han Qianyun said in a great rage, "Rubbish! That's you being treacherous and cunning, using poison to paralyze Junior Apprentice Brother Lu!"

Ye Yuan shrugged and said, "Either way, you just refuse to see reason! Everyone saw that it was him who broke the rules first! I think that if it was me who was killed right now, you guys would probably say 'serve him right' very calmly, right?"

Han Qianyun smiled coldly and said, "That's how it is! Today, even the Jade Emperor can't save you too!"

Done talking, the Limitless Sublime Heavenly Stratum aura on his body suddenly released. Everyone's faces changed.

But Ye Yuan was indifferent and looked at Protector Mo and said, "I won. So can I enter the sect now?"

Protector Mo frowned and said, "Are you a fool? Killing Junior Apprentice Brother Lu, you actually still want to enter Martial Secure Heavenly Sect? You probably don't know that he's Elder Shi Feiyu's personal disciple! And Elder Shi Feiyu is a Jade Sovereign Heaven powerhouse! What Junior Apprentice Brother Han said is right. Even if the Jade Emperor comes today, he can't save you too!"

The ascenders all shook their heads and sighed, thinking to themselves that Ye Yuan was too impulsive.

Take a step back and it would be endless blue skies, enduring for a short while and it would be smooth waters.

The difference in their status from inner disparity was too great.

Even if Ye Yuan killed Lu Zhanyuan, there was only a road that led to death too.

Everyone knew that Ye Yuan was in the right.

But who would talk reason with him?

"Is that so? Then I wonder if this thing can save my life?" Ye Yuan smiled faintly and took out a token.

It was precisely the green-wing protector token!

"Green-wing token! You ... How can you have a green-wing token!" Protector Mo exclaimed in surprise.

Ye Yuan said coolly, "This token was naturally given by Senior Luo."

After finished speaking, Ye Yuan raised his hand slightly and threw the token to Protector Mo.

Protector Mo inspected the token and discovered that there was indeed Ye Yuan's identity information on it.

There was also Luo Yunqing's divine sense branding inside!

It was absolutely true!

"This ... This is impossible! How can Senior Apprentice Brother Luo possibly hand the green-wing protector token to a Lesser Sublime Heavenly Stratum! What capability do you have?" Protector Mo could not believe it.

Han Qianyun's gaze turned sharp too, this reversal scene caught him by surprise.

A lower-inferior aptitude trash became the sect's green-wing protector with a sway of his body. His status was even a level higher than his?

"What?! Green-wing protector!"

"Lesser Sublime Heavenly Stratum, Luo Yunqing gave the green-wing token to him?"

"This guy wouldn't have picked it up, right? This sort of thing is too fantastical!"

... ..

Martial Secure Heavenly Sect's protectors and disciples were all shocked until they could not be more shocked.

Martial Secure Heavenly Sect's purple-wing protectors that were responsible for guiding new ascenders had the right to directly bestow the authority of a green-wing protector.

This kind of situation had occurred before in the past. It was not uncommon.

Some ascenders were very tenacious and were able to survive in the four great heavenly regions and even reach Limitless Sublime Heavenly Stratum.

Only for such a person would a purple-wing protector grant the green-wing token, letting them directly become green-wing protectors!

But Ye Yuan was just a Lesser Sublime Heavenly Stratum!

This sort of thing had never happened before in the entire sect's history.

Ye Yuan was merely a Lesser Sublime Heavenly Stratum. Furthermore, he was even a lower-inferior aptitude Lesser Sublime Heavenly Stratum!

What right did he have?

Ye Yuan shrugged and said, "How do I know? Perhaps, Senior Luo found me pleasing to the eye."

Believe my ass!

Found you pleasing to the eye and gave the green-wing token to you?

One had to know, only by reaching Limitless Sublime Heavenly Stratum did one have the qualifications to become a protector.

As for a green-wing protector, not only did one's strength have to reach upper Limitless Sublime Heaven, they even had to have made great contributions to the sect.

This fellow who had just ascended had yet to make the smallest contribution. His cultivation realm was even just Lesser Sublime Heavenly Stratum.

Luo Yunqing actually gave such an important token to him!

Puzzled!

Shock!

Depressed!

In Martial Secure Heavenly Sect, one needed to endure at least several thousand years to get a green-wing token.

But Ye Yuan actually got it before even entering the sect!

Protector Mo looked at Ye Yuan and said in a solemn voice, "Why didn't you take it out earlier if you have the green-wing token! Is it very interesting to pretend to be a pig to eat a tiger like this?"

He wished to kick a foot onto Ye Yuan's face right now!

Clearly Ye Yuan had the green-wing token, but he wanted to turn the Martial Secure Heavenly Sect upside down before taking it out!

This fellow did it on purpose, right?!

Right now, how should he clean up this mess?

Protector Mo could not help feeling his head hurt.

Ye Yuan said coolly, "You look at their reaction!"

Protector Mo was taken aback and could not help turning his head to look at the rest.

Sure enough, the expression on each person's face was fascinating to the extreme.

"I originally planned on entering the sect first. I'll wait for Senior Luo to come back before talking. But this Lu Zhanyuan provoked me time and again. Just now, he even wanted to kill me in a flagrant manner. Could it be that he shouldn't be killed?" Ye Yuan said indifferently.

Unrivaled Medicine God

Chapter 2584: Well Killed!

"This matter is huge! It's already not what I can handle! I'll report it to the sect master to handle this matter personally!" Protector Mo said in a solemn voice.

No matter what, Ye Yuan this green-wing protector was real.

The rank was even above his.

Ye Yuan said indifferently, "Anything then."

Protector Mo said in a loud voice, "The entrance assessment is suspended! After I report this matter to Martial Uncle Sect Master, I'll make a decision again!"

His voice had yet to fade when a terrifying aura suddenly descended.

An old man dressed in black clothes arrived from the horizon with a howl, his arrogance billowing to the sky!

"Who killed this old man's disciple!" The thunderous voice shook until everyone almost could not stand firm.

"Elder Shi!"

“Master!”

Protector Mo and Han Qianyu exclaimed at the same time.

This person was precisely Lu Zhanyuan and Han Qianyun’s master, Martial Secure Heavenly Sect’s Jade Sovereign Heaven elder, Shi Feiyu!

The moment a Jade Sovereign Heaven appeared, everyone was suppressed until they found it hard to breathe.

Too strong!

The black-clothed old man landed on the ground. Looking at Lu Zhanyuan’s dead body, he was beyond furious.

“Qianyun, who killed Zhanyuan?” Shi Feiyu said angrily.

Han Qianyun pointed at Ye Yuan and said, “It’s him!”

Shi Feiyu could not help being taken aback and said, “Lesser Sublime Heavenly Stratum? Just the likes of him can kill Zhanyuan? Could it be that he’s a peerless genius that’s hard to come across in a million years?”

Han Qianyun’s expression was ugly as he said awkwardly, “No, he ... has a lower-inferior aptitude! Furthermore, his affinity is only four points! However, his means of using poison has reached the acme of perfection. Junior Apprentice Brother was suddenly caught off-guard and was paralyzed by him using Windward Topple.”

Shi Feiyu’s gaze turned grim and he said in a cold voice, “Then what are you doing? Why haven’t you avenged your Junior Apprentice Brother?”

Han Qianyun said with a bitter smile, “Senior Apprentice Brother Luo gave him the green-wing token! His brat is now a green-wing protector!”

“What? Nonsense! Luo Yunqing this punk is becoming wilder and wilder these few years! Giving the green-wing token to a Luo Yunqing Heavenly Stratum, and he’s even lower-inferior aptitude, what is he trying to do?”

Shi Feiyu was extremely enraged. The others were all silent like cicadas in winter.

The deterrence of a Jade Sovereign Heaven was seriously too strong!

“No need to care about him! Lesser Sublime Heavenly Stratum, lower-inferior aptitude, he isn’t worthy to possess the green-wing token at all! Qianyun, do it!”

Shi Feiyu was unparalleled and domineering. He could not be bothered to say anything at all, directly sentencing Ye Yuan to death!

Even if it was the green-wing token, he did not think anything of it either.

Ye Yuan’s gaze turned chilly, and he said with a sneer, “Your esteemed self is so awe-inspiring!”

Shi Feiyu’s brows furrowed slightly and he said, “Boy, you dare to talk to this old man like this?”

Ye Yuan could not help laughing as he said, "Why? You already want to kill me. Could it be that you still want this Ye to be overflowing with gratitude towards you? Did your head spoil from your advanced age too?"

"Hiss ..."

The sound of a series of cold air being drawn came from all around, this guy was really crazy!

That was a Jade Sovereign Heaven powerhouse!

"Huhu, a newborn calf really doesn't fear the tiger! Do you think that with Luo Yunqing backing you up, you can act recklessly without caring for nobody? Let me tell you. He's nothing in front of this old man! You played tricks and killed Zhanyuan. So you'll have to pay for it with your life!" Shi Feiyu said with a cold smile.

As a Jade Sovereign Heaven powerhouse, every action and movement of Shi Feiyu's brought tremendous pressure on these Lesser Sublime Heavens.

When he talked about killing people, everyone was practically about to faint.

"Oh, is that so? Martial Uncle Shi is really getting more and more overbearing! You can even kill green-wing protectors without authorization now?" Right at this time, a leisurely voice sounded out.

Han Qianyun and Protector Mo's expressions changed and they cried out in surprise, "Luo Yunqing!"

It was only to see a person walk out with a sword behind his back. Who could it be if not the Jade Face Swordsman, Luo Yunqing?

Seeing Luo Yunqing return, Ye Yuan also let out a long sigh in relief.

The pressure that a Jade Sovereign Heaven powerhouse brought to him was seriously too great!

Shi Feiyu's gaze turned dark and he said in a cold voice, *"Humph! As an elder, could it be that this old man can't even sentence a ...?mn??You ... You broke through?"*

Shi Feiyu spoke halfway when he suddenly discovered that Luo Yunqing's aura was not quite right!

It had clearly already surpassed Limitless Sublime Heavenly Stratum and reached Jade Sovereign Heavenly Stratum!

This shock was by no means insignificant!

Luo Yunqing smiled lightly and said, "In this one year, I challenged 12 branches of the Jadetrue Heavenly Sect in a row and fought with 28 Limitless Sublime Heavenly Stratum powerhouses one after another, narrowly escaping with my life many times, killing six Jadetrue Heavenly Sect protectors. I finally pierced through this layer of windowpane paper!"

Limitless Sublime Heaven to Jade Sovereign Heaven was a massive ridge.

Even if Luo Yunqing was peerlessly talented, he was stuck for many years too.

The matter of sneak attacking Green Bull Town this time completely enraged Luo Yunqing.

He killed Jadetrue Sect's people until they were utterly routed with his power alone!

But he did not expect that under the fierce fighting, he actually broke the shackles and broke through this huge threshold!

Shi Feiyu's expression was ugly to the extreme.

He did not like Luo Yunqing's arrogance and stubbornness to begin with and suppressed him a lot.

But he did not expect that this punk actually broke through to Jade Sovereign Heaven now and is on an equal footing with him now!

"Congratulations, Senior Luo!" Ye Yuan said sincerely.

Actually, if not because of Luo Yunqing, Ye Yuan might have gone straight down the mountain previously.

Whatever green-wing protector, Ye Yuan did not care at all.

He had his own pride.

It was just that Luo Yunqing laid low in Eastward Country for ten years in order to solicit him.

If he left here and now, it was letting down Luo Yunqing's high regard too much.

Luo Yunqing laughed loudly and said, "Speaking of which, I still have to thank you, Brother Ye! If not for you giving me those few things, I might really have not been able to come back this time! Let alone talk about breaking through to Jade Sovereign Heavenly Stratum!"

Luo Yunqing went too overboard this time, virtually inciting the entire Jadetrue Heavenly Sect's strength.

The Jadetrue Heavenly Sect even mobilized Jade Sovereign Heaven powerhouses, wanting to cut him down.

It was just a shame that Luo Yunqing's movements and traces were elusive and secretive, one person fighting as a guerrilla, leaving them nowhere to start.

But even so, facing so many same rank powerhouses, Luo Yunqing also narrowly escaped death many times.

Although those few toys that Ye Yuan threw to him did not have much effect on Limitless Sublime Heavenly Stratum, they indeed had unexpected effects.

Just like Windward Topple, it only needed to paralyze that tiny bit at the crucial moment.

Facing an expert like Luo Yunqing, it was absolutely fatal!

The two people's conversation was akin to a clap of thunder to the ears of the bystanders.

Luo Yunqing who already broke through to Jade Sovereign Heavenly Stratum actually addressed Ye Yuan as his brother!

It seemed like this green-wing token was really not anyhow given!

It was just that what right did a lower-inferior aptitude fellow have to make him being regarded so highly?

Just based on him being able to defeat Lu Zhanyuan at the same rank?

Not enough, right?

“Brother Ye, don’t call me Senior Luo in the future as well! If you don’t mind, call me Big Brother Luo!” Luo Yunqing said to Ye Yuan.

Ye Yuan was not pretentious either, clasping his hands and saying with a smile, “Big Brother Luo!”

Luo Yunqing laughed loudly and said, “Good brother! Leave your matter to your big brother! This Lu Zhanyuan, I’ve already found him displeasing to the eye for a very long time already, well killed! I indeed didn’t misjudge things. Brother Ye’s temperament really suits my, Luo Yunqing’s tastes! *Hahaha?*... Martial Uncle Shi, *oh?* wait, Senior Apprentice Brother Shi, I’m shielding Ye Yuan! If you don’t feel happy about it, let’s have a fight now, how about it?”

Chapter 2585: If It Can Soothe Ye Yuan's Heart, It's Worth It!

As a swordsman, they were arrogant and unyielding, their will billowing to the sky. They could not bear the sight of injustice in this world most of all.

Lu Zhanyuan was very arrogant and domineering in the sect by relying on the fact that there was Shi Feiyu backing him.

Luo Yunqing could not bear the sight of it and made a move to teach him a lesson a few times.

It was also precisely because of this that Shi Feiyu was very displeased with him.

Hitting his disciple, that was slapping his face!

Speaking of which, Shi Feiyu this lineage really descended from the same lineage!

From Shi Feiyu to Lu Zhanyuan, then to Lu Zhuo, they were all of the same virtue.

Overbearing!

Rude and unreasonable!

It was just that in the past, Luo Yunqing was wary of Shi Feiyu’s strength and could not go too overboard.

However, Luo Yunqing did not expect that Ye Yuan was even more impressive than him.

He actually killed Lu Zhanyuan just like that!

This kind of temperament that had no scruples and did not fear power, suited his tastes a lot.

It was just that on that side, Shi Feiyu having his face slapped repeatedly, he was long already beside himself with rage.

His disciple was killed. Now, he even said well killed!

Did he really take him, this elder, to be trifled with?

“Good, good, good! This old man wants to see how the young are to be feared!” Shi Feiyu said three ‘good’s in a row. His rage currently could be seen.

The moment the imposing aura of a Jade Sovereign Heaven released, the terrifying pressure instantly enveloped Luo Yunqing.

Middle Jade Sovereign Heaven!

Luo Yunqing’s countenance did not change, the sword intent on his body surging to the sky.

Although he was a minor realm lower than Shi Feiyu, Luo Yunqing’s fighting intent tore through the firmament!

Two great Jade Sovereign Heaven experts confronted each other, everyone’s faces changed one after another.

Five Great Heavenly Regions, those able to reach Jade Sovereign Heaven were feudal kings of a region!

Regardless of being in which sect, their statuses were extremely high.

This level of powerhouse would not take action easily.

But, once they made a move, it would be earth-shattering!

Without waiting for anyone to instruct, everyone retreated far away one after another, fearful of being involved.

Swoosh!

Luo Yunqing’s figure suddenly disappeared. He was actually the first to make a move!

Rumble?...

The two exchanged blows, instantly fighting until sand and rocks flew everywhere, the earth quaking and mountains swaying.

On Tianhui Peak, there was a stretch of wasteland.

It was just that although Luo Yunqing was a minor realm lower than Shi Feiyu, he did not fall into a disadvantageous position in the slightest!

Protector Mo stared dumbfoundedly with his mouth agape and said in shock, “Senior Apprentice Brother Luo’s sword intent billows to the sky. The moment he entered Jade Sovereign, he’s fighting with Elder Shi until they are evenly matched in strength! He is already someone of a completely different world from us!”

While Han Qianyun’s gaze flickered, clearly feeling awful.

When someone around them suddenly leaped over the dragon gate, becoming someone who stood above the masses.

Only they themselves knew the grief.

The two people were in the midst of fierce fighting when suddenly, a ray of sword light flew over from beyond the horizon.

Boom!

A loud bang came over, directly sending the two people flying.

Following that, a sagely-looking middle-aged man came over from the sky.

Seeing this person, everyone's faces suddenly changed, directly bowing down.

Even someone as proud as Luo Yunqing also bowed in salute.

"Paying respects to Sect Master!"

Ye Yuan was extremely surprised. He did not expect that it actually alarmed the sect master!

At this time, his handsome face was like carved jade, his expression restrained. One look and it was clear that he was an extremely strong person.

The middle-aged man said in a solemn voice, "Humph! Two great Jade Sovereign Heavens actually came to blows in front of their own mountain pass gates, where's the sense of propriety? Do you guys still have me, this sect master, in your eyes?"

Clearly, he was rather upset about his own people's internal strife.

Shi Feiyu acted like the villain who sued the victim first before he got prosecuted, hurriedly saying, "Sect Master, please investigate! Luo Yunqing this punk fetched a scoundrel from god knows where, he killed this old man's beloved disciple before even entering the sect! This guy actually still said that it was well killed! This old man was indignant; that's why I fought with him!"

Suppressing the two mighty experts, the sect master was not as angry as before anymore.

He gave Luo Yunqing a glance, a hint of approval showing in his gaze as he said, "Not bad, Yunqing!"

Luo Yunqing said, "Thank you, Sect Master, for your praise!"

The sect master said coolly, "Since you've already entered Jade Sovereign, you're the heavenly sect's elder! I'll hold a conferment ceremony for you another day! It's just that, shouldn't there be an explanation for today's matter?"

Luo Yunqing said coolly, "Lu Zhanyuan sought death, there's no need to explain anything! Moreover, in Yunqing's view, if Lu Zhanyuan dying can soothe Ye Yuan's heart, it's worth it!"

"You! Luo Yunqing!" By the side, Shi Feiyu was about to explode from anger.

This was saying that his disciple died in vain just like that?

His face was slapped in vain just like that?

Moreover, it was even slapped by a Lesser Sublime Heavenly Stratum!

Where would he, this Jade Sovereign Heaven powerhouse, put his face?

When the others heard this, they were dumbstruck with amazement too.

They all knew Ye Yuan's aptitude although the combat strength that Ye Yuan exhibited was surprising.

His talent was placed there, there was limited room for improvement.

But Luo Yunqing said that as long as it soothed Ye Yuan's heart, one Lu Zhanyuan dying did not matter at all!

The meaning of the words was saying that, if he died, he died in vain!

"Sect Master, you listen! What does he mean by that?! Zhanyuan is of the pre-natal grade five Sun Physique. He has extremely high hopes of stepping into Jade Sovereign Heaven in the future! His death is actually just for the sake of currying favor with a lower-inferior aptitude trash?" Shi Feiyu berated sharply.

Sect Master also frowned slightly and looked at Ye Yuan and said, "Lower-inferior aptitude?"

Shi Feiyu gave a wink, Han Qianyu got the meaning and hurriedly said, "Reporting to Sect Master, Ye Yuan already passed through the array formation just now and doesn't have any Dao physique. His aptitude is lower-inferior, and his affinity is only four!"

Sect Master's brows knitted together.

Right now, he somewhat felt that Luo Yunqing vented his pent-up feelings on some pretext.

"Yunqing, this matter isn't a trivial matter. It concerns the feelings of the sect's people! If you're unable to give an explanation, this sect master will definitely punish you severely!" Sect Master's tone also became serious.

The moment Shi Feiyu heard, he was ecstatic in his heart.

These two fellows were so arrogant, see how you guys could still be arrogant!

Luo Yunqing was indifferent and said coolly, "So what if pre-natal grade five Sun Physique? I, Luo Yunqing, am merely a grade three Dao physique, didn't I also step into Jade Sovereign Heavenly Stratum now? On the contrary, the sect recruited quite a number of grade five Dao physique disciples, but how many can step into Jade Sovereign Heaven? Therefore, aptitude doesn't mean everything!"

Shi Feiyu sneered and said, "You're twisting logic to win the argument!"

Luo Yunqing completely ignored him and said coolly, "When I was in True Yang Heavenly Domain, I heard by chance that the little country of Eastward had an ascender who actually refined a heavenly pill with one point affinity. So I went to inquire about it. Later, I laid low in Eastward for ten years, observing Ye Yuan, and saw his growth and rise with my own eyes, cultivating grade one heavenly pills to the extreme! Such a genius has much more potential than that Lu Zhanyuan!"

"Hang on, you're saying that the reason you gave the green-wing token to him is that he knows how to refine pills?" Shi Feiyu suddenly said.

Luo Yunqing said coolly, "Exactly!"

"Hahaha?..." Shi Feiyu laughed loudly and said: "It's really making people die of laughter! A guy whose affinity is only four points cultivated grade one heavenly pills to the extreme! This extreme is also too worthless, right?"

"Hang on!" Sect Master suddenly spoke up, "Just now, you said that he only has one point affinity?"

What kind of character was Sect Master?

The crucial information in these two people's words was captured by him very quickly!

Luo Yunqing smiled lightly and said, "That's right! When Ye Yuan just ascended, he only had one point affinity! But he has four points now! Sect Master, the significance of this doesn't need me to say anymore, right?"

Unrivalled Medicine God

Chapter 2586: You Are Not Qualified to be on Equal Footing With Me!

"His affinity actually increased?"

"Affinity is innate. How can it possibly increase?"

"This Luo Yunqing started talking nonsense in order to save his life!"

... ..

The moment these words came out, it naturally caused a shock.

Sect Master's eyes also narrowed slightly, revealing surprise.

At this time, Qin Shun suddenly said, "Luo Yunqing, your words are insulting us heavenly alchemists! If even a one-point affinity can refine heavenly pills, then wouldn't we, these people, become jokes?"

Affinity was the biggest threshold for heavenly alchemists.

Many ascenders were alchemists in the Lower Realms before but had no choice but to give up after ascending.

Luo Yunqing smiled and said, "Actions speak louder than words. It's time to see what someone is worth. If Master Qin feels that Yunqing is joking, why don't you guys compete in a match!"

When Qin Shun heard that, he said in a great rage, "Luo Yunqing! You're becoming more and more condescending! This old man is a dignified grade three heavenly alchemist. How noble is my status? You're asking me to compete in alchemy with a four-point affinity trash?"

Although Luo Yunqing was already a Jade Sovereign Heaven powerhouse, Qin Shun did not feel inferior in front of him.

The status of a grade three heavenly alchemist in the sect was too high!

He could sit on equal footing with the elders!

Luo Yunqing laughed in spite of himself and said, "Since Master Qin refuses to compete, what are you going to do about it?"

Qin Shun thought about it and said, "Jingxuan, you come!"

Behind Qin Shun, a girl in a yellow shirt walked out.

This girl had Danfeng eyes, her lips like cherries, giving people a feeling of otherworldliness, truly as beautiful as a celestial fairy.

Many ascenders stared until they could not pull their eyes away!

Qin Shun looked at Ye Yuan and said smugly, "My disciple Jingxuan has learned alchemy from me for ten years! If you can win against her, I'll consider it that you pass this hurdle. How about it?"

Wen Jingxuan frowned and said, "Master, how can him having four-point affinity be able to refine pills? Even if I win, it's also winning unscrupulously."

"In these ten years, you've followed me to learn alchemy and rarely showed your face in the sect. Today, just nice to borrow this opportunity and let them take a look at your achievements of ten years in front of Sect Master!"

Qin Shun did not hide his selfish motives at all, directly saying it straightforwardly.

Heavenly alchemists wanted face the most. Not only did they have to be impressive, but they also had to make their own disciples seem impressive.

He made Wen Jingxuan come out to prove that he taught better than Wu Chengchao!

"This ... Alright!" Wen Jingxuan hesitated for a bit but still agreed.

Wu Chengchao's expression was very ugly by the side.

When Shi Feiyu saw the situation, he immediately said, "Sect Master, if he loses to Jingyuan that lass, this old man will definitely seek justice for Zhanyuan's death!"

Luo Yunqing knew Ye Yuan's strength, so he was not worried at all. Instead, he smiled and said, "Then if Ye Yuan wins, what about it?"

Shi Feiyu sneered and said, "If he wins, this matter will be dropped at this!"

Luo Yunqing laughed and said, "Okay, it's a deal!"

Sect Master also nodded and said, "In that case ..."

"Wait a minute!"

Right at this time, Ye Yuan suddenly said.

Shi Feiyu smiled coldly and said, "Why? Know how to be scared now? It's too late!"

Ye Yuan gave him a glance like looking at a fool, turned to Qin Shun, and said, "You're a protector, I'm a protector too! You sent a disciple out to compete with me, isn't this insulting me?"

Qin Shun laughed loudly when he heard that and said, "You, a mere Lesser Sublime Heavenly Stratum, also wants to be on equal footing with me? What qualifications do you have?"

Ye Yuan shook his head and said, "I don't want to be on equal footing with you! You are not qualified to be on equal footing with me!"

Just as everyone thought that Ye Yuan was terrified, he changed his tone and shocked people when his words came out!

"This ... This guy is really impressive!"

"I just want to know why a Lesser Sublime Heavenly Stratum can be impressive until like this!"

"The ignorant is fearless!"

... ..

A series of cold air being sucked in came from all over the entire Tianhui Peak.

Ye Yuan's words were too domineering!

Luo Yunqing was taken aback when he heard that and immediately laughed and said, "Hahaha?... Brother Ye, I'm really feeling more and more optimistic about you!"

Qin Shun's smile suddenly froze, and he shouted, "What did you say?"

Ye Yuan ignored him and said coolly, "Lin Lan!"

Lin Lan stepped forward when he heard and said respectfully, "Disciple is here!"

Ye Yuan said, "This disciple of mine has followed me to learn alchemy for more than three years! If you can beat him, come and challenge me again!"

As for that Wen Jingxuan who was as beautiful as a celestial fairy, she was directly hung out to dry at one side.

Ye Yuan was talking about Qin Shun!

Face slapping!

Blatant face slapping!

You used a disciple to challenge me, I'll use a disciple to challenge you!

Everyone was dumbstruck with amazement!

Ye Yuan's posturing points simply rose up vertically.

That was a grade three heavenly alchemist!

A guy whose affinity was only four points actually talked wildly!

"Huhu, good! Very good! Sect Master, this boy is insulting me, what should be done about it?" Qin Shun's expression was grim until it was about to drip water.

By the side, when Wu Chengchao saw Qin Chao getting deflated, he secretly rejoiced.

Before waiting for Sect Master to speak, he said, "Sect Master, I feel that Ye Yuan's words are reasonable! No matter what his cultivation realm is, since Luo Yunqing gave him the green-wing token, he's our sect's green-wing protector, his status similar to ours! This is our Martial Secure Heavenly Sect's rule, it can't be broken! It isn't appropriate for Qin Shun to challenge Protector Ye with a disciple!"

"Wu Chengchao, you!" Qin Chao was angered until his beard billowed and he glared.

Wen Jingxuan's brows also furrowed slightly, and she looked at Ye Yuan and said with a cold smile, "You're using a made-up directive to order people around! A mere four-point affinity, what are you pretending here for? If you have the capabilities, fight with me!"

Ye Yuan shook his head and could not help laughing as he said, "You're not qualified enough!"

Sect Master also felt a headache, he discovered that this Ye Yuan was really too capable of causing trouble.

A tiny little sect assessment had a hole poked through the sky by him!

Sect Master said in a solemn voice, "Protector Ye, whether or not you're qualified to take on the position of protector is still to be discussed! If you insist on doing so, then this sect master can only strip you of your position of protector!"

Ye Yuan shrugged and said coolly, "Alright, then I'll give Sect Master face! You compete in alchemy with Lin Lan, if you win, you'll have the qualifications to challenge me. If you lose, let that old fellow come. I'll compete with him! Sect Master, this is my bottom line! If you don't agree, you can do as you please! A scholar prefers death to humiliation!"

These words were said to Wen Jingxuan.

Sect Master thought about it and said with a nod, "Okay, do as you say!"

Since Luo Yunqing gave the token, Ye Yuan was a protector in reality.

The rules could not be broken!

He had to give this face.

Not giving to Ye Yuan, it was giving it to Luo Yunqing!

Luo Yunqing entered Jade Sovereign Heaven at a young age, he was the best successor candidate for the next sect master.

If Ye Yuan really had this ability.

Then his face had to be given!

He understood Luo Yunqing. There were not many people that could make Luo Yunqing hold in esteem!

Wen Jingxuan had an indifferent personality in the first place. But at this time, she was triggered badly by Ye Yuan too.

She came before Ye Yuan and said in a chilly voice, "Protector Ye, I'll definitely make you reveal your fox's tail!"

Ye Yuan just smiled faintly and said, "I already said, you're not qualified! Not just you, but that master of yours isn't qualified either!"

Unrivalled Medicine God

Chapter 2587: Poaching!

One was good-natured and lovely, full of youthful spirit. The other was old and decrepit, lifeless and apathetic.

When Wen Jingxuan stood with Lin Lan, there was a clear distinction between purity and impurity.

"Young lady, this old man is a grade two heavenly alchemist. I can't bully you. You choose the heavenly pill. Choose the one that you're best at," Lin Lan said coolly.

Wen Jingxuan sneered and said, "A mere grade two heavenly alchemist, pretending in front of this young lady for what? This young lady's grade one heavenly pills are much stronger than ordinary grade two heavenly alchemists! In a while, you'll taste defeat!"

Lin Lan just remained silent and declined to comment.

Wen Jingxuan gave a cold snort and said, "Okay, since you let me choose, then I'll pick the most basic Foundation Establishment Heavenly Pill!"

Lin Lan was taken aback and could not help laughing as he said, "Young lady, I advise that you'd better choose others. Foundation Establishment Heavenly Pill, you have no chance of winning!"

These few years, what he cultivated the most was Foundation Establishment Heavenly Pill.

His current foundation was already very solid.

Although far worse than Ye Yuan, it was god knows how many times stronger compared to ordinary heavenly alchemists.

However, the more he was like this, the more Wen Jingxuan felt that he was afraid of being found out.

"*Huhu*,?you think that a grade two heavenly alchemist will definitely be stronger than a grade one heavenly alchemist? Master didn't teach me advanced heavenly pills in these ten years, he only told me to lay down a solid foundation! And Foundation Establishment Heavenly Pill is precisely what I'm most proficient in! Competing high-level heavenly pills, I'm not as good as you. But, competing in the Foundation Establishment Heavenly Pill, you're far behind!" Wen Jingxuan said with a cold smile.

The words shocked Lin Lan until he stared dumbfoundedly.

When Wen Jingxuan saw the situation, she even thought that she had intimidated Lin Lan and said smugly, "Why? Scared?"

Lin Lan shook his head and said, "What a coincidence, my master taught me the same way too!*Mn*,?looks like that old man still has some knowledge!"

When Wen Jingxuan heard that, she said in a great rage, "You're an old man yourself, you actually dare say that my master is an old man!"

Lin Lan said, "Your master is an old man compared to my master"

"You!" Wen Jingxuan was choked badly.

On the grandstand, Ye Yuan could not help but smile, thinking to himself that Lin Lan was really much cuter now.

While Qin Shun's face became black as the bottom of a pot.

"Just you wait! You'll be crying in a while!"

Finished speaking, Wen Jingxuan calmed her spirit and focused her mind, and started extracting the heavenly medicines.

The moment she made a move, Lin Lan could not help being surprised.

This young lady's strength really could not be underestimated!

If not for him having followed Ye Yuan, he would really not be this little girl's match.

Wen Jingxuan's refinement was like floating clouds and flowing water, natural and smooth, looking incomparably skillful. Clearly, she had real skills.

She was not blowing her own trumpet.

Even Wu Chengchao also had a look of surprise as he said, "Really didn't expect that this little girl only used ten years time and laid her foundation down so solidly! Given time, she'll be another grade three heavenly alchemist! Maybe, she can break through to grade four!"

Qin Shun said smugly, "Jingxuan girl's foundation is much more solid than ordinary grade two heavenly alchemists! What's laughable is that this punk thought that by sending a grade two heavenly alchemist out, he'll be able to smoke his way through? Brat, you think that by having a protector token, you can treat it as a death-exemption gold token?"

Ye Yuan's gaze landed on Wen Jingxuan but did not pay the slightest attention to Qin Shun.

Qin Shun thought that Ye Yuan would answer back sarcastically and prepared a whole bunch of words.

But now, it was so awkward!

With regards to Wen Jingxuan, Ye Yuan still quite approved of her.

This girl's basic skill was indeed quite solid.

Furthermore, her refinement gladdened the heart and was very pleasing to the eye, without that sense of stagnation.

Clearly, this girl's understanding of alchemy was very accurate.

Her talent was not bad!

Most of the 33 Heavens considered alchemy talent to be affinity.

But Ye Yuan never thought so.

Affinity was indeed very important, but just relying on affinity, it was just too biased.

Ye Yuan rarely had the thought of taking in disciples. But this time, he was indeed somewhat moved.

If Qin Shun knew that Ye Yuan was actually planning on poaching, who knew how he would feel.

A Lesser Sublime Heavenly Stratum was actually snatching disciples with him, this grade three heavenly alchemist!

Very soon, Wen Jingxuan's Foundation Establishment Heavenly Pill was completed!

Through the Cloud Mount Mother Stone's testing, it was actually as high as upper seventh grade!

When the result came out, it immediately caused a burst of exclamation.

"That's amazing! Upper seventh grade Foundation Establishment Heavenly Pill, the vast majority of grade two heavenly alchemists can't reach it, right?"

"Heh,?Foundation Establishment Heavenly Pill reaching fifth grade is easy. But if you want to reach upper seventh grade, most likely even many grade three heavenly alchemists can't do it!"

"No need to compete anymore, that old man will lose for sure!"

... ..

Wen Jingxuan had a look of pleasant surprise on her face.

In her rage, she performed exceptionally today and actually reached upper seventh grade!

Normally, she only reached middle seventh grade at the highest.

Furthermore, it was even very unstable.

She looked at Lin Lan with a proud look and said with a cold smile, "Old man, how is it? Do you yield?"

Lin Lan nodded and said, "To have such skill at a young age, this old man is impressed!"

Wen Jingxuan said with great joy, "That means that you admit defeat?"

But Lin Lan shook his head and said, "Before following Master, I wasn't your match. But now, you're not my match! Your talent is pretty good. But it's too much of a shame to follow that old man. Do you want to follow my master?"

Wen Jingxuan was taken aback; this old man actually wanted to poach her?

Ye Yuan was stunned too and immediately laughed in spite of himself.

He did not expect that Lin Lan actually verbalize his own thoughts.

This old man was a little interesting.

"Huhu,?just you brag! If you have the ability, refine an eighth grade Foundation Establishment Heavenly Pill for me to see!" Wen Jingxuan said in a great rage.

Lin Lan nodded slightly and did not say anything further either, and he started refining.

The moment he made his move, everyone's faces changed.

Lin Lan's refinement technique was dreamlike and mystical, it was a little more brilliant compared to Wen Jingxuan.

The entire refinement was completed in one go!

With regards to the cultivation of the Foundation Establishment Heavenly Pill, Lin Lan was long already thoroughly familiar with it, there was no difficulty at all.

Furthermore, he was not as erratic as Wen Jingxuan.

The Foundation Establishment Heavenly Pill that he refined, more than 90% of them were eighth grade!

When Lin Lan's Foundation Establishment Heavenly Pill landed on the Cloud Mount Mother Stone, everyone was dumbfounded.

Qin Shun even stood up abruptly and cried out in surprise, "U-Upper eighth grade! How is this possible?"

What did upper eighth grade mean?

It meant that Lin Lan's attainments in the Foundation Establishment Heavenly Pill were even stronger than him!

This kind of thing was simply inconceivable!

A hint of surprise also flashed across in the sect master's eyes.

It was also his first time seeing an upper eighth grade Foundation Establishment Heavenly Pill!

Wen Jingxuan looked like she was battered out of her senses, not quite daring to believe everything before her eyes.

She actually lost!

Lost to an old geezer!

It was clear that this old man was an average slag with one glance, he should be a rookie among grade two heavenly alchemists.

But she lost!

Furthermore, she sensed that Lin Lan's affinity was significantly worse than hers.

But the quality of the Foundation Establishment Heavenly Pill was greatly better than hers!

Upper seventh grade and upper eighth grade seemed to only have the difference of one grade.

But there was a distance of 108 thousand miles in the middle!

One had to know, even Qin Shun this grade three heavenly alchemist could not refine an upper eighth grade Foundation Establishment Heavenly Pill too!

Lin Lan looked at Wen Jingxuan and said coolly, "Lass, your talent is really very good, but following that old man has stifled you! Why not follow my master in the future? Your talent will be brought to play to the greatest extent!"

Unrivaled Medicine God

Chapter 2588: Humiliate Me!

At this time, Ye Yuan suddenly got up and said, "Old man, it's time for us to go down and compete."

Everyone roused themselves. This arrogant and flaunting guy was finally going to make a move!

Was this trash-like aptitude really impressive, or did he hold a position without qualifications? It was going to be revealed to the world.

The arrogance from before already whetted everyone's appetites.

But in everyone's view, the likelihood that Ye Yuan was posturing was higher.

Really arriving at this time, he should be nervous.

But now, Ye Yuan actually took the initiative to provoke. It seriously exceeded everyone's expectations.

Qin Shun's gaze turned intent, and he said in a solemn voice, "Brat, you wouldn't be thinking that you can beat me because that fellow won Jingxuan, right??*Huhu*,?this old man also wants to see how high the quality the heavenly pill refined by a four-point affinity can be!"

Ye Yuan gave him a deep look and suddenly turned to Sect Master and said, "Sect Master, this girl's talent is very good. It's too wasteful to be put in this old man's hands. Why not let her come to me, how about it?"

Sect Master was stunned, Qin Shun was taken aback too.

They did not expect that he had not even competed in alchemy yet and Ye Yuan actually started to publicly poach people!

Qin Shun flew into a great rage when he heard that and said, "Brat, you're also too impudent! Shouldn't you think about passing this old man's hurdle first before talking?"

Ye Yuan said coolly, "I think that this alchemy battle isn't necessary anymore. It's too troublesome."

Qin Shun sneered and said, "Brat, what tricks did you think of again? Want to avoid this alchemy battle??*Huhu*,?let me tell you, you have to compete in this alchemy battle whether you want to or not!"

Ye Yuan smiled and said, "You're mistaken, what I mean is, you pick three kinds of grade one heavenly pills, I'll refine first. After I refine finish, if you feel that you can surpass me, then you refine it. If there's a heavenly pill that you surpass me in quality, consider it that I lose!"

"What?! This guy is also too arrogant, right?"

"Master Qin is, at any rate, a grade three heavenly alchemist, this guy doesn't take him seriously at all!"

“Impressive! Really impressive! Your Father has grown so old and has never met such an arrogant fellow before! Got personality! It’s just that I don’t know whether he has this strength to support his arrogance or not!”

... ..

Ye Yuan’s words caused a stir again.

Such arrogant words could simply be described as condescending.

A guy who was not even sure whether or not he was a grade one heavenly alchemist, actually completely ignored a grade three heavenly alchemist!

“Impudent! Arrogant! Ignorant! Who do you think you are?”

Qin Shun was completely filled with anger.

His lungs were about to explode from anger!

A second ago, Ye Yuan openly poached his disciple from him.

In the next second, he directly treated him as air!

How proud was he, this grade three heavenly alchemist? When had he been insulted by someone like this before?

But Ye Yuan had a smile on his face as he said to Qin Shun, “Actually, I’m saving time for everyone too! Old man, I say, if I ruin my first medicinal pill, wouldn’t you and Elder Shi be able to kill me right and properly? Moreover, there are so many grade one heavenly pills, you can make things difficult for me! You can take out your private pill formulas. All in all, you can use all means to humiliate me. This way, everyone also saves time, isn’t that right?”

Everyone was completely speechless.

Ye Yuan really let them witness what was called arrogant without limit.

What he said was in order to save everyone’s time.

But, as long as one was not a fool, they would be able to tell that Ye Yuan’s subtext was that no matter what means you employed, Your Father could completely crush you!

This kind of arrogance without limit was already not arrogance, but extremely conceited.

“Huhuhu,?your meaning is that even if I take out a pill formula that you’ve never refined before, you can refine it all the same?” Qin Shun laughed from extreme fury/

Ye Yuan nodded slightly and said, “That’s right! If you stump me with your first pill formula, everyone can save time. How about it, consider it?”

“No need to consider, this old man agrees to you! This method is very good!”

Qin Shun suddenly calmed down, it was just that his words carried an icy-cold killing intent.

Everyone knew that there was a show to watch!

While Sect Master shook his head slightly. He felt more and more that this boy Luo Yunqing found was not reliable.

Young people could be frivolous, but being like Ye Yuan, it was not frivolous at all, but courting death!

Qin Shun took out a jade slip, threw it to Ye Yuan, and said, "This is Crimson Cloud Heavenly Pill's pill formula. If you can refine it, consider it my loss!"

Wu Chengchao said in surprise, "You actually have the Crimson Cloud Heavenly Pill's pill formula! I heard that these heavenly pills can cure myriad poisons under the heavens. It's extremely powerful! I heard that this pill formula has already been lost. Furthermore, the refining difficulty is extremely high. I didn't expect that you would actually have it in your hands!"

Qin Shun smiled coldly and said, "This old man has already obtained this pill formula for decades. To this date, I can only refine lower third grade! I really want to see whether or not this master can refine it."

Everyone turned pale with fright when they heard it.

A medicinal pill that a grade three heavenly alchemist could only refine lower third grade, the refining difficulty could be imagined.

How could a grade one heavenly alchemist possibly refine such a pill formula?

Ye Yuan received the jade slip and said with a smile, "No, no, no, we'd best stick to what was said before! Three heavenly pills, as long as you can surpass me in one, consider it my loss!"

Qin Shun sneered and said, "Huhu, since you're courting death yourself, then this old man will grant your wish! Come, men! Prepare the heavenly medicine!"

Ye Yuan's figure floated down and he arrived in front of Wen Jingxuan and said, "Lass, how about it, consider my proposition."

Wen Jingxuan smiled coldly and said, "Talk to me about this again if you can live!"

Ye Yuan smiled slightly and was not long-winded either, sitting down cross-legged and started studying the pill formula.

This pill formula was indeed extremely difficult. But ever since Ye Yuan obtained Zhong Jianchou's three pieces of jade slips, he had already pretty much studied entirely these basic pill formulas during the past few years.

Ye Yuan achieved mastery through a comprehensive study of these basic pill formulas and already reached the grand completion realm of the first level of heavenly pill rule.

Refining extremely high difficulty medicinal pills on this foundation was not considered very hard.

Two hours later, Ye Yuan arrived in front of the medicine cauldron solemnly.

That appearance looked somewhat comical in the eyes of the others.

Many people had cold smiles, waiting to see Ye Yuan make a fool of himself.

However, the moment the extraction started, everyone's expressions changed!

That transcendent, brilliant to the pinnacle fire controlling technique, that incomparably pure heavenly medicine, it all displayed Ye Yuan's unparalleled strength without exception!

Before this, there had already been two masters who demonstrated their extraction technique.

But, if Ye Yuan's extraction technique was a perfect score of 100, then Lin Lan's extraction technique was only one point!

As for Wen Jingxuan, she did not even reach one point!

This was simply the difference in levels!

The refinement that followed even made everyone feel bedazzled and incredibly shocked.

Shi Feiyu, Qin Chao, Wu Chengchao, Shi Feiyu, even including Luo Yunqing, they were all shocked until they stared dumbfoundedly with their mouths agape.

"This ... How is this possible? His affinity is only four points. So how does he feel the power of rule in the heavenly medicines? If he can't feel the power of rule in the heavenly medicines, how does he refine heavenly pills?" Qin Shun opened his mouth wide, his face full of puzzlement and shock.

Chapter 2589: Imperial Grade Heavenly Pill!

"Pretending to be mysterious! He must be purposely misleading people by being deliberately mystifying!" Shi Feiyu said in a solemn voice.

"That's right! It must be deliberately mystifying things! With a four-point affinity, if he can refine this Crimson Cloud Heavenly Pill, then wouldn't we, these heavenly alchemists, become jokes!" Qin Shun said with a cold smile.

"It looks like that, but inside must already be a pile of paste!" Shi Feiyu said.

These two people chime in one after another, continuously cheering themselves up.

But right at this time, Ye Yuan finished condensing the pill!

Everyone held their breaths, staring fixedly at the medicine cauldron.

Whether it was a mule or a horse, it was time to verify it!

"Open!"

The moment the medicine cauldron opened, a golden light dazzled until people could not open their eyes.

"Ninth grade golden pill!"

"This is impossible! Such an obscure heavenly pill, could it be that he has refined it before in the past?"

"Furthermore, he only has four points of affinity! Four points! This ... This is also too fake!"

"Freaking hell, this is also too impressive! Settling the matter in one go, how can Master Qin still compete?"

... ..

The audience exploded!

Everyone fell into fervent shock!

They had thought of ten thousand possibilities. The only thing that they never thought of was that it was a ninth grade golden pill the moment Ye Yuan made his move!

Only at this time did they suddenly come to a realization why Ye Yuan dared to 'spout a stream of empty rhetoric', saying that Qin Shun did not need to take action anymore!

Freaking hell, how to do it still?

Qin Shun said it before too, he studied this Crimson Cloud Heavenly Pill for decades and only barely refined lower third grade.

Even if he were to refine until he vomited blood, he could not refine ninth grade too!

"Hahaha?... beautiful! The moment Brother Ye takes action, it crushes all sides! With this, everyone has to shut up, right?" Luo Yunqing stroked his palm and laughed loudly as he said.

Even he also did not expect that the moment Ye Yuan made his move, it would actually be so breathtaking, directly settling the matter in one go.

By the side, Sect Master's eyes were full of shock.

Such a heaven-defying four-point heavenly alchemist, he really only saw it once in his life.

Ye Yuan looked at Qin Shun and said, "Old man, why don't come down and give it a try too? This is my first time refining. There were still some flaws during the refining process. If you can reach grand completion ninth grade, you can still beat me."

Qin Shun's face turned black, wishing to tear Ye Yuan to shreds.

Try your sister!

Already ninth grade, was Your Father going down to make a spectacle of myself?

And at this time, Ye Yuan's arrogant remarks did not arouse the full audience's ridicule.

At this moment, all of Ye Yuan's arrogance became a matter of course.

The strong naturally had the capital to be arrogant!

Did you not see that even Qin Shun shut up?

Wen Jingxuan looked at Ye Yuan, her cherry lips opened until she could not close her mouth.

The fox's tail was revealed!

But this tail was too big!

She prided herself on being extremely talented and had never placed anyone in the sect in her sights before.

However, a four-point affinity Lesser Sublime Heavenly Stratum trampled her into the dust with one foot.

Not, it was her and her master together!

Originally, Ye Yuan was just a jumping clown in her eyes!

But now, Ye Yuan's image became incomparably tall.

As if a lofty mountain, crushing her until she could not breathe.

"Why are you not speaking anymore? No rush. You just underestimated the enemy this time. You still have two chances. Buck up! You can do it!" Ye Yuan looked at Qin Shun and said with a smile.

Qin Shun's face turned black, this guy was too arrogant!

He gritted his teeth, fished out another jade slip, and said, "This is the pill formula for the Fish Dragon Nine Transformation Heavenly Pill! If you can refine it, this old man will admit defeat immediately!"

Ye Yuan hurriedly said, "Don't say that. You need to be careful, or you might just slap your own face! Better stick to what we said. Three times!"

Everyone was rendered speechless.

However, Qin Shun taking out the Fish Dragon Nine Transformation Heavenly Pill's pill formula caused a stir once again.

This pill formula was even more monstrous and freakish than the Crimson Cloud Heavenly Pill. Not only was it extremely obscure, but the refining difficulty was also even greater.

It could be seen that Qin Shun really put forth the blood capital this time.

But unfortunately, Ye Yuan's refinement went rather smoothly.

Several hours later, the heavenly pill came out of the furnace.

Ninth grade!

Everyone stared wide-eyed and tongue-tied!

If Ye Yuan happened to have refined the Crimson Cloud Heavenly Pill previously before,

Then what was going on with this Fish Dragon Nine Transformation Heavenly Pill?

Such an obscure heavenly pill, forget about in the Five Light Heavenly Region, even in the four great heavenly regions, there were extremely few people who grasped it too.

But Ye Yuan seemed to have refined it countless times before.

The moment he made a move, it was ninth grade!

Ye Yuan looked at Qin Shun and said with a smile, "Already said it. Don't be so sure. It's easy to get slapped!"

Qin Shun's face became as black as the bottom of a pot.

He said in a great rage, "This old man doesn't believe that you can refine this!"

Finished talking, he took out another jade slip and threw it right at Ye Yuan.

Ye Yuan's divine sense swept and his eyes could not help lighting up.

This pill formula was pretty good!

He did not say another word either, immediately started deducing.

The others had curious looks too, not knowing what pill formula Qin Shun took out this time.

But they knew that it must be Qin Shun's ultimate pill formula this time!

Several hours later, the furnace was opened.

Still ninth grade!

"That ... That's the legendary Yu Qi Dust Cleansing Heavenly Imperial Pill! Imperial grade heavenly pill! N-Ninth grade imperial grade heavenly pill!"

Wu Chengchao suddenly stood up, looking at that medicinal pill with an astonished face; incredibly shocked!

He had always harbored the mentality of watching Qin Shun make a fool of himself. But this time, he could not sit still anymore.

Ye Yuan refining an imperial grade heavenly pill to ninth grade directly made him explode!

Imperial grade heavenly pill was the highest grade among heavenly pills!

Each grade had a top-notch kind of heavenly pill, that was the imperial grade heavenly pill!

Lesser Sublime Heavenly Stratums were unable to withstand the medicinal properties of grade two heavenly pills at all.

Once consumed, they might very likely be blown up by the grade two heavenly pill's medicinal properties.

However, imperial grade heavenly pills would not!

The medicinal properties of grade one imperial grade heavenly pills did not lose to grade two heavenly pills!

But its medicinal properties were very gentle, Lesser Sublime Heavenly Stratums could consume them too.

But imperial grade heavenly pills had the most terrifying aspect. It was that the refining difficulty was exceedingly high!

Whatever Jasper Regeneration Pill, whatever Fish Dragon Nine Transformation Heavenly Pill, all were weak to the max in front of an imperial grade heavenly pill!

Therefore, to the vast majority of heavenly alchemists, imperial grade heavenly pills were just a legend.

Because even if they obtained the pill formula, they could not refine it at all too!

But Ye Yuan refined it!

Not only did he refine it, furthermore ... it was ninth grade golden pill!

Ninth grade imperial grade heavenly pill!

“Sect Master, I wonder if this Brother Ye of mine can take on the position of a green-wing protector?” Luo Yunqing said with a light smile.

He was similarly extremely shocked in his heart.

But at this time, he actually had a feeling of exaltation upon fulfillment.

Ye Yuan’s breathtakingly explosive performance proved that his eyesight was correct!

Honestly speaking, he also did not expect that Ye Yuan could actually be fearsome to such an extent.

That was an imperial grade pill!

Furthermore, it was a ninth grade heavenly imperial pill!

Sect Master’s entire body trembled and he nodded his head deeply and said, “Yes! Of course, he is worthy of it! No, becoming a green-wing protector isn’t enough!”

Luo Yunqing smiled lightly and said, “Actually, when I went to guide him back then, I wanted to give him the authority of a purple-wing protector. But unfortunately, my greatest authority was also just giving him the status of a green-wing protector. Brother Ye has a lofty heart and must be treated with sincerity! Otherwise, he could not care even if given the position of elder. For this reason, I laid low in Eastward Country for as long as a decade!”

Sect Master slowly said, “Yunqing, you did very well! This matter, you’ve made great contributions to the sect! It’s just that I can’t give him this green-wing protector!”

Chapter 2590: Since That's the Case, Leave!

“Everybody, listen up! I, Feng Xuanyi, immediately issue a sect master order and order Luo Yunqing and Ye Yuan two people to become Martial Secure Heavenly Sect’s elders! A grand conferment ceremony will be held on another day!” Sect Master said in a loud voice.

One stone stirred up a thousand ripples!

Everyone was shocked.

“Elder! A Lesser Sublime Heavenly Stratum actually became an elder!”

“Sect Master has such breadth of spirit, it’s just that, is this position given a little too high?”

“This is probably an unprecedented thing for our Five Light Heavenly Region’s five great heavenly sects, right?”

... ..

A grade one heavenly alchemist directly becoming a green-wing protector was already sufficiently shocking to begin with.

But Ye Yuan actually rose straight to elder, reaching the heavens in one step!

One had to know, in Martial Secure Heavenly Sect, only Jade Sovereign Heaven powerhouses could serve as elders!

There were more than two major realms between Lesser Sublime and Jade Sovereign Heaven.

Feng Xuanyi's action truly shocked everyone.

"Yunqing thanks Sect Master!" Luo Yunqing said.

"Thank you, Sect Master! Uh, I also thank Protector Qin for bestowing the pill formulas!" Ye Yuan said with a smile.

Seeing Ye Yuan's smile, Qin Shun's expression became black as the bottom of a pot.

It turned out that this guy playing this move, it was actually in order to cheat his pill formulas!

This was really suffering a double loss.

It was just that who could have thought that this boy could even refine a heavenly imperial pill?

His gaze turned cold and he said, "Sect Master, a grade one heavenly alchemist taking on the position of elder, it's not enough to convince the masses! If Sect Master insists on doing so, this Qin will withdraw from Martial Secure Heavenly Sect henceforth! Martial Secure Heavenly Sect, will only have either him or me!"

Everyone's faces changed, not expecting that Qin Shun actually clashed with Sect Master.

But, one had to admit, this move was vicious!

No matter how high Ye Yuan's talent was, he was also merely a grade one heavenly alchemist, that was all.

He could refine imperial grade heavenly pills, but could not refine grade three heavenly pills!

But Qin Shun was a living grade three heavenly alchemist!

Feng Xuanyi's expression was very ugly too.

Being locked horns with by Qin Shun in public like this, it put him greatly on the spot.

His gaze turned dark and he said, "Protector Qin, you've been in my Martial Secure Heavenly Sect for many years and know what an extremely talented heavenly alchemist means to the sect! Moreover, Ye Yuan is different from the rest! This matter has indeed somewhat embarrassed you. But this sect master will compensate you afterward, alright?"

Those ascenders were all stunned.

The exalted sect master actually lowered his head to a protector?

Could it be that in this Martial Secure Heavenly Sect, one could come and go as one pleased?

Just a protector, even if Martial Secure Heavenly Sect's heavenly alchemists were extremely few, it was also not to such an extent, right?

Even Ye Yuan was very puzzled too.

Feng Xuanyi's concession did not make Qin Shun stop. It was only to see him snort coldly. He said, "Sect Master, there's no discussion about this matter! Either the sect sentences him to death, or I, Qin Shun, leave!"

Feng Xuanyi's gaze turned intent, revealing unhappiness.

Qin Shun's request was already not the position of elder, but to sentence Ye Yuan to death!

This was too much!

Disregarding how Ye Yuan's talent was, if he really agreed, who would still take him, this sect master, seriously?

Your Qin Shun's face was bigger than me, the sect master?

Furthermore, Ye Yuan's talent gave him a great shock.

Heavenly imperial pill, affinity growing, the significance of these two was too great!

If affinity could really be increased, wouldn't that mean that ascenders could become heavenly alchemists too?

Therefore, even though Ye Yuan's cultivation realm was still low, his significance to the sect was extremely far-reaching.

Otherwise, how could he possibly hand such an important seat as an elder to a Lesser Sublime Heavenly Stratum?

But what was damning was that Qin Shun's identity and background were extremely not simple.

How to make his choice was something that gave him a headache.

If it was an alchemy battle in private, it was still fine. But now, he had to make a choice in front of the whole sect!

Was it Ye Yuan, or Qin Shun?

And at this time, Luo Yunqing's figure suddenly swayed, landing beside Ye Yuan.

He did not speak, just stood there silently, quietly waiting for Feng Xuanyi's ruling.

That meaning was already very clear!

He was standing together with Ye Yuan!

The whole audience was deathly silent, everyone's eyes were staring at Feng Xuanyi, wanting to see how he made his choice.

While Qin Shun had a smug look as if victory was already within grasp.

He, a Qin Shun, was naturally nothing much. But the leviathan behind him, who on this Rainclear Continent dared to provoke?

Therefore, Ye Yuan would definitely die!

He was already furious to the extreme towards Ye Yuan.

Even at the risk of offending Feng Xuanyi, he had to doom Ye Yuan to death too!

Suddenly, Feng Xuanyi's gaze turned intent, and he said to Qin Shun, "Since that's the case, leave!"

Qin Shun was currently looking at Ye Yuan with a smug expression.

Hearing this, his smile immediately turned stiff on his face, and he said solemnly, "Feng Xuanyi, what did you say?"

Feng Xuanyi said in a solemn voice, "I said, to have you leave the Martial Secure Heavenly Sect! From today onward, you're no longer my Martial Secure Heavenly Sect's purple-wing protector!"

Everyone turned pale with fright, being shocked by Feng Xuanyi's words.

Shi Feiyu said, "Sect Master, you mustn't! Offending the Pill Alliance, how will we contend with the four great heavenly sects in the future?"

Protector Mo also said, "Sect Master, you mustn't act on impulse! No matter how formidable this Ye Yuan is, he's also merely a grade one heavenly alchemist! Whether or not he can grow up is still unknown! If we offend the Pill Alliance because of this, our Martial Secure Heavenly Sect will struggle to stride forward!"

Han Qianshan said, "As long as we kill Ye Yuan, Protector Qin will definitely be even more devoted to our sect!"

For some time, all the protectors present came out to urge.

Everyone supported Qin Shun one-sidedly.

"All shut up for me!"

Feng Xuanyi shouted coldly and said, "This place is Martial Secure Heavenly Sect, not the Pill Alliance! Although my Martial Secure Heavenly Sect relies on the Pill Alliance, it's also not what a puny little grade three heavenly alchemist can order around! Qin Shun, you leave!"

Qin Shun's expression was already gloomy to the extreme.

Hearing that, he smiled coldly and said, "Huhu, Feng Xuanyi, you're very good! I, Qin Shun, am indeed just a measly little grade three heavenly alchemist, but don't you forget who my master is! Fine, I'll go! It's just that today's humiliation, I'll return it to the Martial Secure Heavenly Sect with interest! Jingxuan girl, let's go!"

Luo Yunqing frowned and said, "Jingxuan is Martial Secure Heavenly Sect's disciple, not the Pill Alliance's disciple, what right do you have to take her away?"

Qin Shun smiled coldly and said, "She is my, Qin Shun's, disciple. Of course, she's also the Pill Alliance's disciple! I'm bringing her away today, see who dares to stop me! Jingxuan, come over!"

Wen Jingxuan had a look of struggle, she completely did not expect that things would actually become such a mess.

One was the master who taught her cultivation, the other was the sect who provided for her, it was really very hard to make a choice.

But at this time, Ye Yuan suddenly blocked in front of Wen Jingxuan and said coolly, "She won't go with you!"

Qin Shun said in a great rage, "Who the hell do you think you are! Is it your turn to come and tell me what to do with my apprentice?"

Ye Yuan looked at him and said with a smile that was not a smile, "You don't want to take her away for something just as simple as teaching an apprentice, right?"

Qin Shun's expression changed and he said in a great rage, "Impudent! Jingxuan is a piece of uncut jade. Placing her in the Martial Secure Heavenly Sect is a waste too! I'm bringing her to the Pill Alliance for the sake of her future! What else can there be?"
