#### Chapter 2681: : Dragon Qi Stone!

“Punk, I’m talking to you! Are you deaf?” Youqing said in a solemn voice.

Ye Yuan looked at him and said with a sincere expression, “Sorry about it, looks like my words earlier hurt you. But what’s wrong with what I said? You guys are just a bunch of pseudo-dragons!”

When Youqing heard the first half of the sentence, the words were still gentle.

But, when it reached the second half of the sentence, Youqing immediately had a feeling of being played.

He flew into a great rage and said in a solemn voice, “Boy, you’re courting death here! How can my Dragon Clan’s affairs be butted into by an outsider? Dragon Lord, don’t blame this little nephew for being unbridled today!”

Youqing was just about to fly off the handle when Black Flood Dragon King finally opened his mouth at this time.

“Honorable Nephew Youqing, he isn’t an outsider! There’s dragon race bloodline in Ye Yuan’s body too! Furthermore, it’s extremely powerful!” Black Flood Dragon King said with a bitter smile.

“What?! How can he, a human, has the dragon race bloodline?”

“What a joke! How strong can extremely powerful be? It couldn’t be to the extent of being even stronger than Younger Sister Jingfei, right?”

“I understand, this boy must have fused dragon race bloodline! To talk about pseudo-dragons, he’s the real pseudo-dragon, right?”

... ..

Black Flood Dragon King’s words made the crowd burst into an uproar again.

Only then did many young powerhouses realize that it was not that the Black Flood Dragon King did not get angry, but that he could not get angry.

But how could Youqing be willing to believe it?

He smiled coldly and said, “Extremely powerful? Huhu, how strong? I was wondering how much confidence you had. It turns out that what you’re relying on is this! A human fusing with bloodline, it’s merely blindly copying others and making yourself look foolish!”

Ye Yuan looked at him and said with a smile, “How strong? At least stronger than you! Blindly copying others and making myself look foolish? Huhu, copying you?”

Ye Yuan knew that his bloodline power was far stronger than Jingfei’s.

He did not know how strong his bloodline was, but it was definitely at least much stronger than these pseudo-dragons!

He still had this bit of confidence.

But these words became a joke when they landed in Youqing's ears.

A human was flaunting his bloodline power in front of him, this member of the dragon race.

What was this if not a joke?

"Stronger than me? Boy, you're really not scared of spraining your tongue from talking big! Since you say that, I want to see just how strong your bloodline power is!"

Youqing gave a bow to Black Flood Dragon King and said, "Dragon Lord, please bring up the Dragon Qi Stone."

The moment Little Dragon Girl heard, she immediately clapped her hands and said cheerfully, "Alright, alright! I also want to see how strong Big Brother Ye Yuan's dragon qi is!"

Ye Yuan was taken aback when he heard it and asked Little Dragon Girl, "What is the Dragon Qi Stone?"

He did not know much about the sea race and naturally did not know about the stuff here.

Little Dragon Girl explained, "Dragon Qi Stone is a stone that tests bloodline power. Our seven great sea regions' dragon clans will all use it to test the dragon qi. A high dragon qi indicates that one has great potential and has the potential to become a true dragon. Of course, my dragon qi has already reached the fifth segment. It's about the same as Father's! Among all the big brothers present, no one is stronger than me!"

Talking towards the end, Little Dragon Girl unwittingly showed off a little.

It was precisely because her dragon qi was extremely strong. Hence, her position in the seven seas was very aloof.

After all, this one had the potential to step into a true dragon!

If the seven great sea regions could produce a true dragon, that would absolutely be a great honor!

Therefore, even if this girlie was a troublemaker, everyone dared to get angry but did not dare to speak up as well.

In the sea race, these pseudo-dragons had an extreme, perverse pursuit for bloodline power.

The goal that they strive lifelong toward was becoming a true dragon.

It was just a pity that no one had ever succeeded.

Seeing Ye Yuan's blank appearance, Youqing smiled coldly and said, "Boy, scared? This Dragon Qi Stone will reveal your true colors!"

Ye Yuan looked at him and said with a smile that was not a smile, "How about this then? Let's compete in this dragon qi! Whoever loses, will kneel to the other person. How about it?"

The moment Youqing heard those words, he sneered and said, "Compete then! Will I be scared of you? Speaking of which, this young master hasn't tested my dragon qi in a long time too!"

When he said this, Youqing had a haughty look.

Clearly, he was very confident in his dragon qi.

Among the powerhouses present, apart from Black Flood Dragon King and Little Dragon Girl, there was probably no one stronger than him!

Sure enough, when he said that, many people used eyes like looking at a fool to look at Ye Yuan.

"Huhu, this boy actually dares to compete in dragon qi with Youqing, does his brains have holes? Youqing's dragon qi has already reached the fourth segment a hundred years ago! Now, it has at least reached the middle-stage fourth segment too!"

"I admit that this boy is a genius in martial arts. But that's all. Can't even see through this point and yet he actually dares to provoke Youqing!"

"Before Sister Jingfei was born, Youqing was publicly recognized as the most promising genius to become a true dragon!"

... ..

In the eyes of these people, Little Dragon Girl was already an extreme.

Youqing was just slightly inferior to her.

Competing in dragon qi with Youqing, this was no different from committing suicide.

Very soon, a two-person tall stone pillar was carried in by two Jade Sovereign Heaven powerhouses.

This stone pillar was made of jade. He did not know what material it was made of either.

However, it made the bloodline within Ye Yuan's body have a feeling of boiling over.

Dragon Qi Stone had nine sections, representing the nine segments of dragon qi.

That appearance was like a nine-section whip that was erected.

Youqing looked toward Ye Yuan and said with a cold smile, "Boy, you first? Or am I going first?"

Ye Yuan smiled and said, "You first then. If I go first, I reckon that you'll become embarrassed to do it."

Youqing sneered and said, "Keep pretending! I'll see when you can pretend until!"

As he said, he walked straight in front of the Dragon Qi Stone.

Boom!

A vigorous true dragon power erupted in an instant!

The young powerhouses present let out a series of exclamations.

Clearly, Youqing's true dragon power gave them a huge impact.

Youqing's true dragon power was climbing crazily.

His complexion was flushed almost totally red.

Clearly, he had mustered up all of his strength and planned on squeezing out even the last trace of dragon power in his body.

Bang!

Youqing struck a palm onto the Dragon Qi Stone, the Dragon Qi Stone suddenly lit up.

The first section was instantly lit.

Following that, was the second section, and then the third section.

When it reached the fourth section, the Dragon Qi Stone's speed of lightning up clearly slowed down.

However, it was still climbing little by little!

Initial-stage fourth segment!

Middle-stage fourth segment!

Late-stage fourth segment!

At this time, Youqing's entire body was emitting waves of steaming heat.

"HAH!"

Youqing roared, and the fourth section was finally completely lit.

In the main hall, came a series of exclamations.

"Peak fourth segment! Youqing's growth during these 100 years is simply terrifying!"

"My God! His dragon qi is actually only slightly worse than Little Dragon Girl!"

"Huhu, this human brat, he really doesn't know the immensity of heaven and earth! Of course, he doesn't even know about the Dragon Qi Stone. So he probably completely doesn't know what peak fourth segment means, right?!"

... ..

Youqing looked at the Dragon Qi Stone that was being lit, a hint of a smile flashed across his face.

Clearly, he was also very satisfied with this result.

Someone like Little Dragon Girl, that was completely abnormal!

Who could reach the level of fifth segment at the age of 100?

Even the seven great sea regions' kings could not achieve it either!

Youqing looked at Ye Yuan and smiled coldly as he said, "Boy, it's your turn!"

## Unrivaled Medicine God

### Chapter 2682: Speechless

“Punk, it’s your turn! Don’t blame me for not telling you. But in the seven great sea regions and among peers, there’s only Younger Sister Jingfei who beats me slightly! I think that you don’t need to test anymore either. Just directly kneel down and admit your mistake!”

Youqing’s eyes were full of contempt.

He was very confident in his own bloodline power. He would surely become a true dragon existence in the future.

Even if he was not as good as Jingfei, so what?

“Boy, stop hanging on! Unless you fused true dragon’s blood, otherwise, it’s impossible to beat me, Youqing! And the blood of true dragon doesn’t exist in the seven great sea regions at all!” Muchen said with a look of excitement.

Youqing is also considered to have taken revenge for him in a disguised form like this.

“You’ve already lost. So why haven’t you quickly knelt down!”

“Kneel down!”

“Kneel down!”

... ..

In their eyes, Ye Yuan already lost and needed to kneel down and admit his mistake.

It was also not their fault for thinking this way, but no one among the young generation could achieve this step at all.

True dragons, those were all extremely mysterious and powerful existences, rarely seen in this world.

Therefore, the so-called dragon race in the seven great sea regions, they were all pseudo-dragons.

Even if a human fused with pseudo-dragon blood, their bloodline power would not be much stronger either.

“Hey, you all are also too overbearing! Big Brother Ye Yuan hasn’t been tested yet, and you all already determined that he lost? Big Brother Ye Yuan, hurry up and test!” Little Dragon Girl said in defense against the injustice.

Ye Yuan arrived in front of the Dragon Qi Stone and slowly reached his hand out to press on top.

Different from Youqing, Ye Yuan did not burst forth a powerful dragon qi from his body.

Everything was the same as usual.

“Haha, ?boy, the Dragon Qi Stone isn’t used like this! The way you are, the Dragon Qi Stone won’t react at all.”

“Boy, you wouldn’t not have bloodline power in your body at all, right?”

“I even thought how formidable this kid was, after messing around for half a day. He’s good at bragging! Stop disgracing yourself! Quickly kneel down and admit your fault!”

... ..

Ye Yuan had not even triggered the Dragon Qi Stone, and it immediately attracted a wave of group ridiculing.

To activate the Dragon Qi Stone, one must urge one’s own dragon qi to the extreme.

Just like Youqing who mustered up all of his strength.

But Ye Yuan actually did not use his energy at all. How could it possibly make the Dragon Qi Stone have any reaction?

But, in pace with Ye Yuan placing his hand on the Dragon Qi Stone, an abnormality suddenly occurred!

First section!

Second section!

... ..

All the way until the ninth section, they all lit up!

The entire Dragon Qi Stone erupted with a dazzling light.

Compared to Youqing’s dim light earlier, Ye Yuan’s light was purer and more dazzling!

Everyone was stunned. Even Little Dragon Girl’s mouth opened into a circle.

A hint of surprise flashed across Black Flood Dragon King’s eyes. It was also not known what he was thinking about.

Youqing’s eyes became wide-saucers and disbelief was written all over his face.

“How is this possible? Hang on! The Dragon Qi Stone must be broken!” Youqing muttered under his breath.

“He didn’t even stimulate his bloodline power, so how did the Dragon Qi Stone directly reach the ninth segment? Something must be wrong with the Dragon Qi Stone! Dragon Lord, there’s a problem with this Dragon Qi Stone!” Muchen said.

Black Flood Dragon King looked at him like looking at a fool and said coolly, “If there’s something wrong with the Dragon Qi Stone, what about Youqing’s test earlier? You say that there’s a problem, so maybe you can go up and try too!”

Muchen was taken aback and immediately lost his temper.

But he was still unable to accept it.

What right did a human have, to make the Dragon Qi Stone directly reach the ninth segment?

What was even more damnable was that he actually did not stimulate his bloodline power!

Could it be that the Dragon Qi Stone directly detected it?

Inconceivable!

Ye Yuan looked at the Dragon Qi Stone, a hint of a slight smile showing at the corners of his mouth as he said, "Looks like my dragon race bloodline is still considered pretty good among Heavenly Stratum powerhouses!"

Ye Yuan had the confidence in surpassing Youqing.

But he did not expect that his bloodline power was actually so strong, directly reaching the ninth segment!

Furthermore, looking at this light, it seemed to have not given full expression to its views.

Most likely, this Dragon Qi Stone could not truly gauge his true dragon bloodline.

This was normal too. After all, it was just used for testing by a bunch of pseudo-dragons and not genuine true dragons.

Presumably, even if it was true dragons, there would definitely be distinctions in strength when it came to bloodline power too.

Of course, no matter how weak a true dragon's bloodline power was, it was also far stronger than these pseudo-dragons.

Ye Yuan thought that for his true dragon bloodline to be so strong, it should be related to becoming Dragon Ancestor back then.

Dragons were born from heaven and earth and were where the essence of heaven and earth lay.

Ye Yuan could obtain the recognition of Heavenly Dao in the Heavenspan World, this small chiliocosm, becoming the Dragon Progenitor. This was likely a form of recognition of the 33 Heavens' Heavenly Dao in itself.

Ye Yuan looked at Youqing and said with a smile, "Sorry about it. Right now, apart from Jingfei, it seems like there's one more person whose bloodline is stronger than yours. Now, shouldn't it be time for you to kneel down?"

Youqing's expression changed and he said in a solemn voice, "There's a problem with this Dragon Qi Stone! The strongest that has appeared in the seven great sea regions was also merely just the eighth segment dragon qi. How can you, a human, possibly reach the ninth segment? The peak ninth segment, that already infinitely approaches true dragon level! Don't tell me that what's flowing in your body is true dragon bloodline!"

Ye Yuan shrugged and said, "If you say that there's a problem, you try it again."

As he said, he took his palm away. Only then did the light on the Dragon Qi Stone gradually dissipate.

Youqing gave a cold snort and arrived in front of the Dragon Qi Stone again.

The dragon qi on his body surged once again, pressing a palm on the Dragon Qi Stone.

This time, he still exerted all of his strength.

But the result was the same!

Peak fourth segment.

Youqing's expression changed, but he still refused to believe this fact.

"Muchen, you come and try! There's absolutely a problem with this Dragon Qi Stone!" Youqing said in disbelief still.

Muchen nodded and said, "Okay, I'll try it out! How can he, a human, possibly reach the peak ninth segment?"

Muchen arrived in front of the Dragon Qi Stone and imitated Youqing, and then he also started testing.

In the end, his dragon qi stopped at peak third segment.

Ye Yuan smiled and said, "It's okay; I'm not in a hurry. If you don't believe it, you can still have the rest come and try."

Youqing's expression was grim as water and pointed at another one to come up.

But, no matter who it was, nobody surpassed the fourth segment again.

"Me too! Me too!" When Little Dragon Girl saw everyone testing, she could not resist it too and came forward on her own accord.

She skipped in front of the Dragon Qi Stone and pressed her palm on it. The stone pillar was lit up once again.

Peak fifth segment!

Jingfei's dragon qi was actually a full segment stronger than Youqing!

This naturally aroused another wave of exclamations.

Little Dragon Girl looked at Youqing and said with a smile, "Big Brother Youqing, this Dragon Qi Stone is fine! I just tested my dragon qi a few years ago. It was the late-stage fifth segment. Now, it has improved a little bit. *Hehe*, you must be willing to lose if you bet! Moreover, as a member of the dragon race, kneeling to a true dragon isn't considered an insult to you!"

Youqing's expression alternated between green and white.

He looked at Ye Yuan and said in a solemn voice, "I still don't believe it! Test again! I don't believe that you can still reach the peak ninth segment!"

Ye Yuan smiled and said, "Okay, then I'll let you give up on this."

Finished saying, he pressed his hand on the Dragon Qi Stone again.

The Dragon Qi Stone was instantly fully lit!

Peak ninth segment!

“With this, you have nothing to say, right?” Ye Yuan said coolly.

Everyone had tested once. Now, Ye Yuan tested a second time.

This showed that the bloodline power in Ye Yuan’s body had truly reached the peak ninth segment!

This was too terrifying!

“I don’t believe it! There must be something fishy going on!” Youqing pointed at Ye Yuan and roared angrily.

Ye Yuan shrugged and said coolly, “Looks like you’re planning on going back on your words?”

Youqing snorted coldly and said, “Going back on my words? You’re clearly playing tricks! It’s simply impossible for there to be true dragons existing in the seven great sea regions! How can you, a mere human, possibly reach the peak ninth segment?”

Ye Yuan sighed and said, “Well, since you’re going to act shamelessly, then I can only compel you to kneel.”

When Youqing heard, he could not help smiling coldly as he said, “Boy, you don’t seem to have figured out the situation yet, right? Do you really think that by defeating Muchen, you have the qualifications to challenge me? Testing dragon qi is one thing! Real combat strength is another thing altogether. Killing you doesn’t need the slightest effort at all!”

Ye Yuan’s smile was bright, and he slowly arrived in front of Youqing.

While Youqing looked at Ye Yuan, a cold sneer on his face.

Suddenly, Ye Yuan extended his hand and pressed on Youqing’s head.

“Courting death!”

But right at this time, his body suddenly stiffened and he was actually unable to move a muscle.

Then Ye Yuan suddenly pressed on his head.

Under Ye Yuan’s tremendous strength, Youqing could not help kneeling.

*Bang!*

Ye Yuan directly pressed his head on the ground.

Everyone stared wide-eyed and tongue-tied, not understanding why this scene would happen.

Youqing’s strength could be rated as invincible among peers!

But why did he not make a move just now?

Ye Yuan patted his hand and said with a smile, “*Mn,*?it’s still kowtowing like this, it’s more satisfying.”

Youqing's head was touching the ground, and he had no way of lifting his head at all. He kept maintaining the posture of kowtowing.

But his slightly trembling body currently showed the fury in his heart.

"Ye Yuan, you're dead for sure! Even if you fly up to the heaven and tunnel into the earth, I'll tear your corpse into ten thousand pieces too!" Youqing said with an angry roar.

Ye Yuan smiled and said, "If I were you, I'd keep a low profile at this time. If I'm not happy, I can kill you with one sword now. Uh, don't tell me that you have a noble background, I, Ye Yuan, never ask about background when killing people. If you don't believe me, you can give it a try."

Sure enough, one sentence and Youqing shut up.

When everyone saw this scene, each and every one felt chills in their hearts.

They all could tell that Ye Yuan had poisoned him.

But no one could tell when Ye Yuan applied the poison, and how he applied the poison.

No one expected that Ye Yuan actually still had such strange means.

Jumping realms to battle, ninth segment dragon qi, a poison expert, Ye Yuan's identity became incomparably mysterious in their eyes.

In fact, their faces even carried some awe and fear.

"Alright, this kind of occasion is very boring, I won't be taking part. Farewell!" Finished saying, Ye Yuan turned around and left.

"Hold on!" Black Flood Dragon King hurriedly shouted.

Ye Yuan turned around and said with a cold smile, "Why? Are you planning on standing up for him?"

Black Flood Dragon King smiled and said, "This is about young people's dispute caused by personal feelings. So why would this king intervene? As long as there are no deaths caused, this king won't care. Making you stay, it's actually because I have something to ask."

Ye Yuan frowned and said, "What is it?"

Black Flood Dragon King said, "Actually, the seven great sea regions' young powerhouses are gathering here because a mystic realm in my Thistle South Sea Region is about to open soon. When the time comes, Jingfei will enter it too. Young Friend Ye's skill is extraordinary. I want to invite you to accompany her and enter the mystic realm together!"

Turns out that this mystic realm was called Land of Dragon Slumber. Legends had it that it was the place where a true dragon fell.

The rise of the Black Flood Dragon King was inextricably linked to this place.

He obtained the dragon race's secret art in the Land of Dragon Slumber, attaining Dao in the end, and had half a foot stepped into the realm of Saint Sovereign Heaven, dominating a region.

However, each person could only enter this Land of Dragon Slumber once.

If they entered a second time, they would be killed by some kind of mysterious power!

The Black Flood Dragon King was unable to enter personally, but he was also worried about Jingfei's safety. That was why he entrusted Ye Yuan to enter and act as a bodyguard character.

"Huhu, Young Friend Ye, don't blame me. This king had this idea, so I naturally had to understand your strength too! In these seven great sea regions, everyone knows that Jingfei this lass is my darling. If any accidents happen to her inside, I won't be able to forgive myself for life! Therefore, I hope that Young Friend Ye can lend a helping hand! Furthermore, since Young Friend Ye is in possession of a true dragon bloodline, perhaps you might obtain some massive lucky chances in the Land of Dragon Slumber?" Black Flood Dragon King did not put on any airs and said sincerely.

Although Jingfei this girl liked to play pranks, she was actually very pure.

She did not have much idea of right or wrong in her heart, she just purely felt that it was fun.

Ever since the last time, this girl became very dependent on him.

In this one year, the two of them transmitted their voices over thousands of miles, and they were already very familiar with each other.

Furthermore, subduing Ironcore and Min Nanshan this time, Jingfei made tremendous contributions too.

Since that was the case, there was nothing wrong with accompanying her on a trip.

Furthermore, just as Black Flood Dragon King said, he might obtain some lucky chance inside, who knew.

One had to know, Black Flood Dragon King did not enter deep back then. He probably walked less than halfway in and already had such accomplishments!

This showed that the Land of Dragon Slumber must be an extremely terrifying place.

The more dangerous the place, the more opportunities there were as well.

Black Flood Dragon King naturally knew that with Ye Yuan and Jingfei working together, it was virtually equivalent to a peak Jade Sovereign Heaven mighty expert.

After entering inside, protecting themselves should not be a problem.

"Big Brother Ye Yuan, accompany me to go inside! It must be very fun in there!" Jingfei lopped around Ye Yuan's neck and said coquettishly.

Ye Yuan nodded his head and said, "Okay, I can accompany you to go inside. But, you have to listen to me! Otherwise, I'll act alone!"

Jingfei planted a kiss on Ye Yuan's face and said joyfully, "Hehe, Big Brother Ye Yuan is the best!"

... ..

The banquet ended in unhappiness.

Youqing was carried back by someone. He was hit by Ye Yuan's Petrification Powder. Within three hours, he would not be able to move at all.

After going back, he naturally flew into a thunderous rage.

However, this expedition to the Land of Dragon Slumber could not dispense with a bout of fierce fighting.

After everyone left, in the bedroom palace, the mermaid queen said, "King, is it really okay to hand Jingfei over to that Ye Yuan?"

Black Flood Dragon King smiled and said, "You probably don't know this. The Emerald Sea Divine Conch has to submit in front of him too! It can be imagined how powerful the true dragon bloodline in his body is! The Emerald Sea Divine Conch is the treasure that this king obtained in the Land of Dragon Slumber!"

The mermaid queen said in surprise, "How can he, a human, possibly has such a powerful true dragon bloodline?"

Black Flood Dragon King shook his head and said, "He shouldn't be a pure human. Otherwise, his true dragon bloodline absolutely won't be so powerful! True dragons rarely appear in the 33 Heavens. But this king feels that boy is likely ... a true dragon! Because the aura on his body is very similar to the one I encountered in the Land of Dragon Slumber back then!"

The mermaid queen was shocked to the extreme in her heart.

A human was actually a true dragon.

Most likely, no one would believe this sort of thing!

But Black Flood Dragon King would not lie to her!

This sort of thing was too inconceivable.

But at this time, Black Flood Dragon King's gaze turned cold and he said with a cold smile, "Heh heh, after he comes out of the Land of Dragon Slumber, most likely, breaking through to Limitless Sublime Heavenly Stratum shouldn't be a problem.. At that time, this king will extract his dragon marrow, and stepping into Saint Sovereign Heaven will absolutely be a cinch!"

#### **Chapter 2684: Mysterious Summoning!**

Land of Dragon Slumber, it was an enormous karst cave at the bottom of the sea.

Standing in front of the karst cave, Ye Yuan felt that the blood in his body was boiling.

Ye Yuan attempted to suppress it, but could not do it at all.

"Big Brother Ye Yuan, what's wrong with you?" Little Dragon Girl asked a little curiously.

"I feel that there seems to be something calling me in this Land of Dragon Slumber." Ye Yuan said.

"*Hah*, do you really take yourself to be a true dragon? Land of Dragon Slumber has been sleeping here for at least ten thousand years. Why would it summon you? Idiot!" Youqing said with a cold smile on his face.

“Brother Youqing, perhaps he really has a deep relationship with this Land of Dragon Slumber! Really enviable!” Muchen similarly sneered as he said.

“*Huhu*, he’s demonstrating how he’s different from the rest! We all can’t feel the Land of Dragon Slumber’s summoning, only he can feel it, how impressive! I’ve also never heard before that who in our seven great sea regions have felt before the Land of Dragon Slumber’s calling! Impressive! Impressive!”

... ..

Ye Yuan’s words immediately drew laughter from the crowd.

In their view, the Land of Dragon Slumber was a dead place. How could it possibly summon Ye Yuan?

Especially Youqing, he was directly pressed to the ground by Ye Yuan a few days ago.

This was simply unprecedented humiliation to him.

If he could, he would immediately kill Ye Yuan now.

Actually, the ones who entered the Land of Dragon Slumber this time were not just the seven great royal clans. There were also many tribal powerhouses.

It was just that they did not have the qualifications to enter the banquet; that was all.

These tribal powerhouses, some of them were quite strong, even reaching the realm of Jade Sovereign Heaven already!

Youqing was afraid of Ye Yuan’s poison, but he had some Jade Sovereign Heaven powerhouses by his side too, which was sufficient to kill Ye Yuan.

It was just that in front of Black Flood Dragon King, it was not convenient for him to take action.

Youqing already made up his mind. After entering the Land of Dragon Slumber, the first thing he would do was to kill Ye Yuan.

Ye Yuan ignored everyone’s ridicule. The blood in his body was already somewhat going out of control.

Under the watchful gazes of the people, Ye Yuan involuntarily moved closer to the Land of Dragon Slumber.

One step, another step.

It was not Ye Yuan taking the initiative, he could not help it.

The calling from the depths of the Land of Dragon Slumber was getting stronger and stronger.

When Youqing saw this scene, he sneered even more as he said, “You guys, look, this guy is planning on entering first in order to prove the summoning of the Land of Dragon Slumber! *Hahaha ...*”

“*Roar!*”

Youqing’s voice had yet to fade when a blood-red dragon qi rose up from Ye Yuan’s body.

The blood red dragon qi condensed into a giant red dragon in the deep sea.

*“HAH!”*

It was also at this moment that Ye Yuan roared, the aura on his body surging to the sky.

Everyone’s laughter abruptly ceased.

Because Ye Yuan was about to break through!

In reality, he already reached peak Greater Sublime Heavenly Stratum when he broke through the last time and could break through to Limitless Sublime Heavenly Stratum at any time.

However, Ye Yuan was afraid that his cultivation realm would be unstable, so he kept suppressing it and did not break through.

Just now, all the blood in Ye Yuan’s body seethed once again under that mysterious power’s calling.

His cultivation realm actually broke through involuntarily!

This sort of feeling was almost the same as when he sensed the Emerald Sea Divine Conch back then.

At that time, Ye Yuan was very confused too. He did not know why he had this kind of feeling with the Emerald Sea Divine Conch.

But now, he understood!

The Emerald Sea Divine Conch must have originated from the Land of Dragon Slumber.

*“Hehehe ...”*

Little Dragon Girl let out a burst of silver-bell-like laughter and said to Youqing, “Big Brother Youqing, didn’t you say that it’s impossible for the Land of Dragon Slumber to summon Big Brother Ye Yuan? Now, he hasn’t even entered the Land of Dragon Slumber and he directly broke through!”

Youqing’s expression was livid, a look of disbelief on his face.

How could this guy possibly break through directly?

Furthermore, the blood dragon that was wandering continuously in the sky above the Land of Dragon Slumber made it clear to all that Ye Yuan had indeed felt the calling of the Land of Dragon Slumber!

This dragon qi was really so strong!

“Could it be that he really felt the summoning of the Land of Dragon Slumber? How is this possible?”

“The Land of Dragon Slumber would actually take the initiative to summon a human?”

“What capability does this boy have, to actually be able to get the Land of Dragon Slumber’s summoning?”

... ..

The powerhouses who were still ridiculing Ye Yuan just now, could not laugh anymore at this time.

Ye Yuan’s breakthrough was like a resounding slap, slapping onto their faces.

It turned out that Ye Yuan really felt the Land of Dragon Slumber's summoning!

And it was precisely because of this that the sea race powerhouses present were even more green with envy!

Especially the dragon race powerhouses, they were even more jealous.

This Land of Dragon Slumber was the place where a true dragon slumbered in the legends.

The greatest wish of the seven great sea regions' dragon race was to be able to evolve into a true dragon one day.

But they had never obtained the Land of Dragon Slumber's show of favor before.

Not only that, the powerhouses of the seven great sea regions that died in the Land of Dragon Slumber were beyond counting.

But, what right did a brat that came from the human race have, to directly break through a major realm before even entering the Land of Dragon Slumber?

When Black Flood Dragon King saw this scene, beyond the shock he was feeling, he was even more ecstatic in his heart.

The purer Ye Yuan's bloodline was, the greater his hopes of breaking through!

Perhaps, after he absorbed Ye Yuan's dragon marrow, he would be able to become a true dragon in the future, who knows?

*"Mn? The Black Flood Dragon King wants to harm me?"* Ye Yuan was shocked in his heart.

Currently, the dragon qi in his body had fused into one with the mysterious power that came from the depths of the Land of Dragon Slumber.

Every detail here could not escape his perception.

The Black Flood Dragon King was the most powerful existence among these people, and he was also the clearest existence in Ye Yuan's perception.

Therefore, this tiny hint of killing intent that Black Flood Dragon King revealed was caught by him keenly.

Ever since coming to Thistle South Dragon Palace, Black Flood Dragon King could be considered to have conducted himself rather kindly.

But Ye Yuan did not expect that he actually concealed his intention so deeply.

If not for fusing with this mysterious power, he would not have been able to detect it.

*"Humph! I hope that you don't make a move against me. Otherwise, I wouldn't mind tearing down your Thistle South Dragon Palace!"* Ye Yuan snorted coldly in his heart.

Black Flood Dragon King was Thistle South's strongest powerhouse, a half-step Saint Sovereign Heaven powerhouse. Ye Yuan was naturally not his match.

But, if Ye Yuan wanted to kill people, he might not be able to stop him either.

At this time, earth-shaking changes were currently happening in Ye Yuan's small world.

Sublime Realm three heavens, Lesser Sublime Heavenly Stratum, Greater Sublime Heavenly Stratum, Limitless Sublime Heavenly Stratum; it was actually the expanding and perfecting of the small world.

When he was in the Heavenspan World, the Chaos Heavenspan Canon that Ye Yuan created was completely based on the Heavenspan World.

But only after walking out of the Heavenspan World did Ye Yuan realize what was called as a real heaven!

The rules of the 33 Heavens were complicated and profound to the extreme.

Reaching Limitless Sublime Heavenly Stratum, Ye Yuan felt that his small world no longer had a limit.

Formless, limitless!

The so-called Limitless Sublime Heavenly Stratum!

Heaven without limit, Dao without limit!

Ye Yuan revolved according to the cultivation method of the Wordless Heavenly Skill. The boundary of the chaos world became blurry.

He could feel that his world was becoming more consolidated and stronger.

"The Wordless Heavenly Skill and my Chaos Heavenspan Canon are of the same lineage, well-deserving of being the cultivation method that could let Yan Jadetrue roam the Rainclear Continent unhindered! Even if I don't use Great Dao Transformation now, my strength is two to three times that of those in the same rank too!" Ye Yuan said with joy..

#### **Chapter 2685: Dying Before Achieving Success!**

*"Roar!"*

The blood dragon circled around for a while, then tunneled back into Ye Yuan's body again.

Ye Yuan felt that his bloodline power was stronger than before.

*"Huhu, it looks like Young Friend Ye is really fated with this Land of Dragon Slumber! Congratulations, Young Friend Ye, for advancing to Limitless Sublime Heavenly Stratum!"*

Black Flood Dragon King was all smiles, a sincere look on his face as he came up to congratulate.

If it were before, Ye Yuan would definitely have a better impression.

But now, he was full of disgust in his heart.

But, at this time, it was clearly not the time to lose all decorum. Ye Yuan smiled too and said, "Many thanks, Black Flood Dragon King."

Black Flood Dragon King smiled and said, "This Land of Dragon Slumber has been here for no idea how many years already. It's never been heard of that anyone could feel the summoning from inside! Young Friend Ye really surprised this king! It's just, don't know what kind of summoning Young Friend Ye felt?"

Ye Yuan shook his head and said, "I don't know either. I just feel a mysterious power."

Everyone naturally did not believe these words.

In reality, it was indeed a lie too.

It was indeed a mysterious power, but Ye Yuan felt that this mysterious power seemed to be calling him to go in.

Seemingly ... somewhat too impatient to wait.

Of course, this was purely a feeling, Ye Yuan also did not know whether it was real or fake.

In fact, this could be a kind of danger.

Ye Yuan had entered God knows how many mystic realms before. He naturally could not be naive enough to think that this Land of Dragon Slumber was opened by him and that he could come and go as he pleased.

This sort of mystic realm was often accompanied by great danger.

But right now, the expressions of Youqing and the rest were surprisingly ugly.

They could not quite maintain their face anymore.

*Rumble?...*

Right at this time, there was a tremor.

The seabed was shaking violently.

The entire sea region seemed like mountains were crying out and the sea was howling.

Right then, the restrictions in front of the cave collapsed with a loud bang.

An aura of a dragon slowly flowed out of the cave.

"There's no rule for the opening of the Land of Dragon Slumber. But, each time it opens, it will trigger a tsunami! Right now, a large area on land has already been submerged," Black Flood Dragon King explained.

"Hehe, the Land of Dragon Slumber seems to be very fun. I'm going in first!"

Little Dragon Girl giggled and did not wait for everyone to react either, and she already turned into a wisp of green smoke, burrowing into the cave.

Black Flood Dragon King's expression changed, and he said angrily, "This lass is really too worrisome! The Land of Dragon Slumber is filled with dangers. Does she really think that it's her own backyard? Young Friend Ye, hurry up and go in. I'll entrust this girl to you!"

Ye Yuan nodded slightly and also leaped and entered the Land of Dragon Slumber.

Youqing and the rest were naturally not willing to fall behind others and followed after in succession.

... ..

Ye Yuan only felt a blur in front of him, as if he had arrived in another world.

There was no sea water in the Land of Dragon Slumber. The surrounding cliffs showed a red-black color, giving people a strange feeling.

Ye Yuan surveyed the surroundings, there were actually no traces of Little Dragon Girl anymore, and he could not help frowning slightly.

This girl was too wild, wanting to control her would really expend some effort!

However, after entering the Land of Dragon Slumber, that mysterious summoning seemed to have gotten stronger.

As if there was someone who kept calling softly in his ear.

“Hurry up, I’ve been waiting a long time for you!”

This feeling was very magical.

Ye Yuan forcibly suppressed the impulse to enter the depths and took out a small conch.

It was precisely the Emerald Sea Divine Conch’s clone body!

Ye Yuan recited a spell, the small conch became bright and started flying.

The urgent matter on hand was still finding Little Dragon Girl first.

As for this Land of Dragon Slumber’s secret, take it slowly, there was no rush.

But right then, several figures suddenly dashed out, surrounding Ye Yuan.

Who could it be if not Youqing and the others?

There were even three Jade Sovereign Heaven powerhouses following by his side!

There was also Muchen and the rest nearby, and beside them, there were many Jade Sovereign Heaven powerhouses too.

Facing a group of seafolk, the current Ye Yuan immediately became a public enemy.

There were no fewer than ten Jade Sovereign Heaven powerhouses present!

“Heh, ?boy, we meet again! Now that we’ve entered the Land of Dragon Slumber, I want to see how you can still be cocky! That day, you made me lose all face. Today, I want you to pay back a hundredfold!”  
Youqing said with a cold smile.

Muchen also had a proud look as he said, “Punk, weren’t you very arrogant? Now, are you still arrogant? Come over and kneel down for this young master. This young master can consider sparing you from death!”

“Idiot!” Ye Yuan rolled his eyes and said.

The moment Muchen heard, he became furious and said in a cold voice, “Go, capture this punk for me, I want him alive! I want him to experience what’s called a life worse than death!”

“Yes, Lord Dragon Son!”

The Jade Sovereign Heaven powerhouse that Muchen brought immediately responded, erupting with a powerful strength all over his body, and pouncing towards Ye Yuan.

Although Ye Yuan already broke through to Limitless Sublime Heavenly Stratum, facing so many Jade Sovereign Heavens at the same time, it was clearly beyond his means.

However, he did not pay too much attention.

If he could not beat them, escaping was still not a problem.

But, just as he was about to activate his movement technique, an abnormality suddenly occurred.

A drop of scarlet liquid suddenly fell from the top of the cave, dripping onto that Jade Sovereign Heaven accurately.

“Ahhh!!”

That Jade Sovereign Heaven let out a tragic scream, then, his body shriveled up rapidly.

In virtually a blink of an eye, all the blood in his body seemed to have been drained, becoming a human jerky.

This bizarre scene made the faces of everyone present change abruptly.

That was a Jade Sovereign Heaven!

In a blink of an eye, he became a human jerky!

What on earth was that strange liquid?

Ye Yuan’s brows also furrowed.

This scene was too coincidental.

That drop of liquid dripped precisely onto the Jade Sovereign Heaven who attacked him without any deviation!

As if this was all planned.

Ye Yuan was shocked in his heart. Could it be that that mysterious power was protecting him?

What on earth was this guy summoning him for?

Ye Yuan suddenly felt like he had fallen into a pit!

He understood that wanting to get away now probably could not be accomplished anymore.

Entering the Land of Dragon Slumber, he would have to follow the path set by that mysterious power!

However, while he was shocked, Ye Yuan naturally would not show it.

He looked at Muchen and said with a grin, “You only brought this one Jade Sovereign Heaven?? *Tsk tsk,* this is called dying before achieving success, right? The journey has only just started. I find it very hard to imagine how you’ll be walking the road at the back by yourself.”

The corners of Muchen’s mouth twitched slightly, his expression being ugly to the extreme.

He was not like Youqing, able to bring three Jade Sovereign Heavens by his side to protect him.

He only brought one person, and the person died immediately.

How aggravating!

Just as Ye Yuan said, this Land of Dragon Slumber was full of dangers. Relying on himself for the road at the back, it was a little too lacking in strength.

At this time, Ye Yuan looked towards Youqing and said with a smile that was not a smile, “Why? Are you still planning on watching the show? Don’t you want to kill me very much? Why aren’t you attacking?”

Youqing’s brows furrowed slightly. He also felt that it was a little too coincidental!

Hence, he did not act hastily.

But at this time, he was cornered by Ye Yuan.

His expression suddenly turned dark and he said to the three Limitless Sublime Heavenly Stratum powerhouses beside him, “The three of you, attack together!”

“Yes!” Those three people answered without knowing the inner reason and went up.

But, just as they pounced toward Ye Yuan, three drops of liquid hit them accurately.

Another three human jerkies!

The expressions of everyone present changed wildly!

**Chapter 2686: Cant Do It Without Me!**

“Why ... Why is it like this?”

Everyone’s faces changed wildly, clearly frightened by this scene.

What the freaking hell!

Whoever attacked Ye Yuan would be directly finished off?

What was there to play still?!

If the previous one was a coincidence, then what was the deal with these three?

Thinking back to that mysterious summoning that Ye Yuan talked about before entering, if they still did not understand what happened, then they would be a bunch of pigs!

“What the hell is this?! Why would the Land of Dragon Slumber protect this guy?” Youqing was full of puzzlement.

“Based on what! What right does this guy have, to be able to receive the Land of Dragon Slumber’s showing of favor!” Muchen said with a reluctant look.

These young powerhouses were all unreconciled to it, indignant, and had fear mixed in.

They were originally planning on teaming up to deal with Ye Yuan, this outsider, after entering the Land of Dragon Slumber.

Who knew that he had arrived home!

“Based on what? Of course, it’s based on the fact that my bloodline power is strong! I said it long ago, you all are pseudo-dragons. Now, are you guys still not convinced??*Mn,* not convinced is all right, but it’s useless,” Ye Yuan smiled and said.

One sentence choked the young powerhouses present until they were speechless.

Yeah, the greatest probability was because Ye Yuan’s bloodline power was strong.

This place was the Land of Dragon Slumber. Of course, it would regard people with strong bloodline power in a more favorable light.

“*Ahhh!* Help! There’s a monster!”

Right at this time, a shrill scream suddenly came from the depths of the cave.

Who could it be if not Little Dragon Girl?

Ye Yuan’s brows furrowed, his figure suddenly turning into a streak of electricity, dashing towards the depths.

While the others exchanged glances and also followed after respectively.

After a short time, in a narrow passageway, Little Dragon Girl was fighting as she retreated.

More than ten blood-colored afterimages forced Little Dragon Girl until she was teetering on her feet.

One had to know, even without Ye Yuan’s participation, Little Dragon Girl’s strength was sufficient to reach middle Jade Sovereign Heaven too.

But currently, under the pincer attack of more than ten blood shadows, Little Dragon Girl clearly could not hold on anymore.

Seemingly perceiving Ye Yuan’s approach, Little Dragon Girl yelled, “Big Brother Ye Yuan, quickly come and help! I almost can’t hold on anymore!”

Ye Yuan’s face fell and joined the battle with a flash.

And right at this time, those over a dozen blood shadows seemed to have seen something terrifying, all retreating in an instant.

When Little Dragon Girl saw this scene, a pair of round eyes became wide-saucers.

When the others saw this scene, they became even more convinced of their previous judgment.

“Whoa, Big Brother Ye Yuan, you’re really too incredible. They seem to be scared of you!” Little Dragon Girl looked at Ye Yuan and said with a look of worship.

But Ye Yuan frowned slightly and said in a solemn voice, “You lass, are your buttocks itching again?”

Little Dragon Girl stuck her tongue out and said cheekily, “I was curious! Don’t be angry, alright, Big Brother Ye Yuan?”

Got to admit, Little Dragon Girl was very scared of Ye Yuan.

While the others had long already had a taste of Little Dragon Girl’s fearlessness.

Seeing this scene, they could not help clicking their tongues in wonder.

This scourge yielded to Ye Yuan

“What on earth is going on?” Ye Yuan asked in a solemn voice.

Little Dragon Girl said, “Aiya, I discovered a blood-red fruit in front. It looks very impressive. I was just about to go and pluck it. In the end, these guys came out, it scared me to death!”

“Blood-red fruit?” Ye Yuan said with a frown.

The moment this was said, the eyes of the others lit up.

Even a fool would also know that this blood-red fruit was not an ordinary item.

“*Mn,* that fruit seems to be condensed out of blood, seemingly very impressive! With one look, I felt that it was not ordinary and wanted to go and pluck it. In the end, these guys came out. But, I don’t know why; the moment they saw you, it’s like rats seeing a cat. All ran away,” Little Dragon Girl said curiously.

Not far away, Youqing and the rest were gnashing their teeth in hatred.

What else could there be? Because this Land of Dragon Slumber was protecting Ye Yuan!

The dangers here did not seem to be dangers to Ye Yuan at all!

“Come, bring me to take a look!” Ye Yuan said.

Hence, Little Dragon Girl brought Ye Yuan and went to a remote cave.

Sure enough, a blood-red fruit was growing in the center of the cave, looking breath-taking.

One look and it was clear that it was not something simple.

“That’s ... Vermillion Spirit Fruit!” Youqing said with a look of shock when he saw the fruit.

“It’s actually the Vermillion Spirit Fruit, that’s a sacred relic of the Dragon Clan!”

“A Vermillion Spirit Fruit can directly increase a segment of bloodline power! Such a treasure can simply only come by with luck, but not by searching for it!”

It was not up to these people to not exclaim in shock!

Vermillion Spirit Fruit, it was equivalent to the promotion of bloodline!

A Vermillion Spirit Fruit could let a dragon increase a segment of bloodline power unconditionally!

Nobody could resist this sort of temptation!

*Swoosh! Swoosh! Swoosh!*

Several figures rushed over at once when they saw the Vermillion Spirit Fruit.

There was even a Jade Sovereign Heavenly Stratum among them!

Nothing could be done about it, treasures always moved people.

But right at this time, more than ten blood shadows suddenly appeared.

Each of these blood shadows was extremely powerful, instantly surrounding those few powerhouses.

*Bang! Bang! Bang!*

An astonishing great battle immediately erupted in the cave.

The result was that after a moment, those few people were directly thrashed.

“Big Brother Ye Yuan, these blood shadows are so formidable, why don’t we join forces to deal with them!” Little Dragon Girl said.

The two of them joining hands was equivalent to a grand completion Jade Sovereign Heaven powerhouse. They naturally would not fear these blood shadows.

However, Ye Yuan was indifferent and said with a smile, “No need, I’ll go and pluck it!”

Little Dragon Girl said in surprise, “Big Brother Ye Yuan, your strength is too weak. Don’t joke around!”

Ye Yuan smiled and said, “Who’s joking with you?”

As he said, Ye Yuan’s figure drifted, directly arriving in front of the Vermillion Spirit Fruit.

Those blood shadows directly dissipated without a trace, as if they had never appeared before.

When Little Dragon Girl saw this scene, a pair of round eyes stared like wide-saucers again as she cried out in surprise, “What did you do, Big Brother Ye Yuan? Each and every one of those blood shadows have an extremely strong brutal air, they actually don’t have any reaction to you at all!”

Ye Yuan threw the Vermillion Spirit Fruit to Land of Dragon Slumber and said with a smile, “I didn’t do anything. It’s just that this Land of Dragon Slumber seems to have chosen me. Therefore, freely pick the treasures here! Here, the Vermillion Spirit Fruit!”

Little Dragon Girl shook her head hard and said, “I can’t take it! The Vermillion Spirit Fruit is too precious. Furthermore, you obtained it, I can’t hog it on my own!”

Ye Yuan smiled and said, “You lass, stop being courteous with me. Let me tell you, the treasures of this Land of Dragon Slumber, as long as you want them, there’s none that I can’t get! Therefore, just take it!”

Little Dragon Girl said in surprise, “Big Brother Ye Yuan, you’re bragging! Back then, my Royal Father narrowly escaped death here too, before he had today’s position. What right do you have to dare say such a thing?”

Ye Yuan smiled and said, “Don’t believe me?”

Little Dragon Girl shook her head and said, “Don’t believe you!”

Ye Yuan extended his hand and beckoned as he said, “Come here!”

Those blood shadows were immediately like small fries, coming before Ye Yuan and kneeling down.

When Little Dragon Girl saw this scene, her two eyes immediately shone!

### [Unrivaled Medicine God](#)

#### **Chapter 2687: Bring Me Home!**

“Do you believe it now?”

“I believe it!”

“So, eat it. This thing doesn’t have much effect on me.”

“Okay!”

Little Dragon Girl nodded her head like a rattle drum, swallowing the Vermillion Spirit Fruit in one bite.

A good thing like the Vermillion Spirit Fruit also had to depend on who used it.

Ye Yuan’s bloodline power was already the power of a true dragon to begin with. It naturally did not need the Vermillion Spirit Fruit to grow stronger.

Even if it could increase bloodline power after Ye Yuan ate it, it would be extremely limited too.

But, to Little Dragon Girl, or Youqing and the rest, the significance of this thing would be different!

Unconditionally promoting a segment of dragon qi, to them, these pseudo-dragons, who did not want it?

Seeing this scene, they were envious to the extreme.

Swallowing the Vermillion Spirit Fruit, the dragon qi on Little Dragon Girl’s body erupted at once.

Originally, Little Dragon Girl’s dragon qi already reached peak fifth segment.

Now, it directly rose to peak sixth segment!

Although there was no Dragon Qi Stone here, the increase in Little Dragon Girl’s dragon qi was visible to the naked eye!

Youqing and the rest were green with envy.

If the Vermillion Spirit Fruit was eaten by him, wouldn’t he be able to rival Little Dragon Girl?

But there were no ifs in this world.

Now, not only could he not rival Little Dragon Girl, he became even further from her instead.

“Stop watching. Go and play by yourselves. If you follow us, you guys won’t even have soup to drink,” Ye Yuan said with a smile that was not a smile.

Youqing’s face turned black, feeling as awful as having eaten a fly.

He really could not refute these words.

“Consider yourself ruthless! Who will emerge victorious is not yet known! Don’t be complacent too early!” Youqing gnashed his teeth in hatred and said.

“*Huhu*, there’s really no need to be complacent with a pseudo-dragon like you! I think that you’re probably mistaken.” Ye Yuan replied nonchalantly.

Youqing gritted his teeth and said in a solemn voice, “Go!”

The Land of Dragon Slumber extended in all directions, there was naturally more than one path.

What lucky chances you could obtain, it completely depended on the individual’s luck and strength.

Primarily, what Ye Yuan said was right. They would really not even have soup to drink if they followed Ye Yuan!

Freaking hell, Ye Yuan was equivalent to being invincible here!

“Big Brother Youqing, are we dropping this matter just like this? I can’t swallow this insult!” Muchen said.

But Youqing sneered and said, “Do you really think that that boy is invincible?”

Muchen said in surprise, “Isn’t that so?”

Youqing smiled and said, “Of course not! As the saying goes, misfortune might be a blessing in disguise, and vice-versa! Being favored by the Land of Dragon Slumber, maybe the Land of Dragon Slumber needs his life as the price! No, it should be said that this possibility is very high! In a place like the Land of Dragon Slumber, the more smooth-sailing it is, the more one needs to be vigilant! *Heh*, this boy thinks that he’s formidable, but he doesn’t know that the mysterious power of this Land of Dragon Slumber has already had its eye on him!”

The moment Muchen and the rest heard, they immediately revealed looks of enlightenment.

“Brilliant! When you said this, it really is true! The more smooth-sailing he is now, the more likely something will happen to him at the back! Maybe, his life has already been reserved by the Land of Dragon Slumber! Even if he wants to run, he can’t run too!” Muchen smacked his thigh and said with a loud laugh.

Youqing nodded and said with a smile, “That’s right, it’s precisely so! Therefore, let’s just wait and watch the joke!”

When everyone heard that, they all nodded their heads.

As the seven great sea regions’ number one genius, Youqing was naturally not a stupid person.

The problem that Ye Yuan was worried about, he could imagine it too!

“Alright, finally managed to come in, we can’t waste the opportunity! Now, everyone acts on your own! Whoever has the last laugh is the real winner!” Youqing said coolly.

He brought three great Jade Sovereign Heaven powerhouses, the majority of the dangers here, he could handle it.

Hence, he was a little more confident than the rest.

Along the way, Ye Yuan brought Little Dragon Girl, walking and stopping, obtaining a lot of benefits.

Of course, these benefits were really nothing to Ye Yuan.

Very soon, Little Dragon Girl’s bloodline power rose rapidly, almost reaching peak seventh segment!

But the deeper in, the stronger the summoning of that mysterious power.

Ye Yuan knew that he was not far from that mysterious power!

“Hehe,?Big Brother Ye Yuan, you’re really too incredible! The strange things in here all behave like they saw a ghost when they see you!” Little Dragon Girl giggled.

Ye Yuan’s face turned black, did this girl know how to talk or not?

But right then, an abnormality suddenly occurred!

Countless green lights suddenly appeared around them.

Ye Yuan’s expression changed, and he yelled coldly, “Go away!”

But this time, it failed!

Those green lights grew more and more, completely drowning the two people.

By the time Ye Yuan came back to his senses, there was already no trace of Little Dragon Girl.

To be precise, he had arrived at an unknown place.

In this place, he could not see his fingers when he extended his hand. But the blood in his body completely started to feel aroused.

“I finally waited until you came!”

In the darkness, a voice suddenly came over, carrying a tiny hint of excitement.

Ye Yuan frowned and said, “It was you who summoned me here?”

“That’s right!”

“Who on earth are you? What’s your goal of summoning me here?” Ye Yuan said in a solemn voice.

“You don’t have to be afraid! I’m looking for you. It’s just to have you bring me home!” That voice said.

“Bring you home? Where is your home?” Ye Yuan said with a frown.

“My home is in Voidshrine Illuminating Heaven! I’m too lonely, too lonely here! I miss home!” That voice seemed extremely lonely.

Ye Yuan discerned his sentimentality for home from his voice.

“Why me?” Ye Yuan asked curiously.

He already determined that this mysterious existence did not seem to have malice towards him. This also made his suspending heart relax.

Of course, the premise was that he did not reject the other party.

Ye Yuan could feel that going home was the other party’s obsession.

He picked Ye Yuan. But if he could not fulfill his wish, Ye Yuan did not dare guarantee what would happen.

Maybe everyone who came here for the expedition would die!

That voice said, “Because you’re a true dragon’s descendant! I’ve waited for several tens of thousands of years here, but have never come across with a true dragon before! If it’s not a true dragon, it will be impossible to pass through the barrier of heavens, and return to Voidshrine Illuminating Heaven! That lass is pretty good, but clearly, you’re more suitable!”

“Barrier of heavens?” Ye Yuan asked in puzzlement.

In reality, Ye Yuan only knew that this world was called 33 Heavens, but he completely did not know what the 33 Heavens was.

He had already arrived in this world for a number of years.

But, the place that he learned about, it was also limited to the the Rainclear Continent only.

And the Rainclear Continent seemed to only be a corner of Grand Brightjade Complete Heaven too.

There was an even more vast world outside!

Just like Zhuo Bufan, his cultivation realm was already high until the Rainclear Continent could not keep him behind anymore.

That place no longer had anywhere that was worth him being reluctant to leave.

Therefore, it seemed inevitable that he went to an even more expansive region.

It was just that wanting to walk out of the Rainclear Continent was not an easy thing either.

But now, this mysterious existence actually wanted him to pass through the barrier of heavens!

This was much harder than going out of the Rainclear Continent.

It sounded like a huge challenge!

[Unrivaled Medicine God](#)

**Chapter 2688: Divine Emergence!**

“The 33 Heavens are the rulers of myriad worlds! It is heaven, not a world! Each heaven is an independent existence, each performing its own duties, dictating the rotation of myriad worlds. There’s a clear distinction between heavens. The barrier of the heavens is a stretch of chaos, isolating all the heavens! True dragons are born of chaos and can travel through the heavens, soaring across myriad worlds! When your realm reaches it, you’ll naturally be able to cut through space. But right now, you’re far too weak!”

That mysterious voice spoke with fervor and assurance, talking tirelessly about the secrets of the heavens.

Only then did Ye Yuan know that the Rainclear Continent was merely a tiny corner of the 33 Heavens, that was all.

The current him was still too weak!

“So that’s how it is! But why should I promise you?” Ye Yuan asked.

Traveling through the heavens, this did not sound like some easy thing

One had to know, going out of a measly little Rainclear Continent was incomparably difficult, let alone talk about traversing the heavens.

“I can make you become stronger!” The mysterious voice said.

Ye Yuan frowned and said, “Do you have a mystic art to condense the divine soul?”

“Divine soul? You’re talking about people of the Lower Realms, right? People of the Lower Realms, as long as they don’t enter reincarnation, condensing the divine soul isn’t considered a very profound method. It’s just that your current realm is a little too low. So you can’t execute it at all.”

Ye Yuan’s eyes instantly erupted with a shocking light like the sun in the dark night.

He finally saw hope!

However, he forcefully suppressed the excitement in his heart and said in a solemn voice, “Words alone are no proof!”

That mysterious voice said, “This is easy. This divinity will impart you a soul race mystic art right now! After you cultivate it to the realm of major accomplishment, forget about condensing the divine soul; what’s difficult about condensing origin divinities?”

As he said, a set of mystic art actually appeared in Ye Yuan’s mind!

He could not help being greatly shocked. He actually did not have the slightest strength to fight back in front of this existence.

A set of mystic art, he actually instilled it directly into Ye Yuan’s consciousness!

It could be seen how terrifying the other party’s strength was!

He forcefully suppressed the shock in his heart and started studying this mystic art.

Upon cultivating it, he could not help being even more shocked inwardly.

How profound, what a powerful origin divinity mystic art!

This mystic art was called Divine Emergence.

This was a powerful mystic art that cultivated the origin divinity. When cultivated to the extreme, one could rely on the power of the origin divinity and confront Heavenly Stratum powerhouses head-on!

This kind of means was simply inconceivable.

Ye Yuan's chaos origin divinity was undying and imperishable in the Heavenspan World.

But facing Heavenly Stratum powerhouses, his origin divinity was still too weak.

The origin divinity was similarly a weak link to Heavenly Stratum powerhouses.

But, if he successfully cultivated Divine Emergence, his origin divinity would become powerful to the extreme.

Even if his physical body was destroyed, his origin divinity would still be able to exist independently and continue cultivating to become stronger!

That mysterious voice said, "Speaking of which, chaos origin divinities are mostly naturally born. One such as yours, cultivating into chaos origin divinity post-natal, it's in the minority! Your chaos origin divinity is extremely suitable to cultivate this Divine Emergence mystic art. With your talent, if you actually don't cultivate soul techniques, it's rather a waste!"

Regardless of whether it was ascenders or native powerhouses, each person's origin divinity had its own attribute.

This attribute was closely related to how one broke through to Heavenly Stratum.

Some people's origin divinity was lightning attribute; some were fire attribute too, so on and so forth.

Chaos origin divinity was an extremely seldom-seen existence among Heavenly Stratum powerhouses too.

Therefore, when Jun Tian saw Ye Yuan's chaos origin divinity back then, that was why he would be so surprised.

The chaos origin divinity had no attributes, or should one say, it had well-rounded attributes; having extremely strong malleability!

For example, lightning attribute could only cultivate lightning soul techniques. When cultivating other methods, the effect would be greatly reduced.

But the chaos origin divinity would not!

Chaos could develop myriad things; regardless of which attribute soul technique, he could execute it.

Hence, Heavenly Stratum powerhouses that possessed the chaos origin divinity were actually most suited to walk the origin divinity path!

But origin divinity path cultivation methods and mystic arts were too rare in the Rainclear Continent.

Therefore, Ye Yuan had a treasure mountain, but he had no way of excavating it. Got to say, it was quite a regret.

But, if Ye Yuan successfully cultivated this Divine Emergence mystic art, it would be another trump card of his!

Obtaining the Divine Emergence mystic art, Ye Yuan behaved like he obtained a priceless treasure, and he started cultivating unconsciously.

Cultivation was timeless. No idea how long had passed either, and then Ye Yuan finally awake from cultivation.

He only felt that his origin divinity was almost emerging from his body!

His chaos origin divinity was actually several times stronger than before!

“What a powerful origin divinity mystic art! I didn’t expect that mastering the first level can make the origin divinity several times stronger! Now, I only need a single thought, and I’ll probably be able to effortlessly kill powerhouses at Limitless Sublime Heavenly Stratum and below!” Ye Yuan exclaimed with admiration.

Ye Yuan suddenly discovered that that mysterious voice actually did not respond, and he could not help being very curious.

“Senior?”

“*Mn, ?!*’m here!”

Only hearing this voice, did Ye Yuan set his mind at ease.

That voice exclaimed in shock, “You, boy, are really a genius in cultivating soul techniques! You actually only used one month and mastered the first level! If not for seeing that you possess true dragon’s blood, I’d even think that you were born in the soul race! Back then, the soul race’s number one genius, Hun Qiansui, also used three full years before successfully cultivating the first level!”

In this one month, the mysterious voice had been in shock the whole time.

The progress of Ye Yuan’s cultivation was seriously too fast.

Ye Yuan did not know the origin of this Divine Emergence, but he was perfectly clear!

The soul race had three great soul canons, this Divine Emergence was one of them!

Back then, he killed a top powerhouse from the soul race before snatching away this secret canon from the other party.

It took him a hundred years to cultivate the first level of this Divine Emergence.

And back then, he was already an apex character who commanded the 33 Heavens.

But even so, it took him a hundred years to just cultivate the first level. The profoundness of this soul canon could be seen.

But Ye Yuan only used a month and finished cultivating the first level.

This speed was simply even more terrifying than the soul race!

The soul race's secret canon was cultivated by a half-human half-dragon fellow, and the speed was actually dozens of times faster than the soul race's number one genius!

Got to say, this was a kind of irony!

He naturally did not know that cultivating until this day, Ye Yuan's understanding of the divine soul path was extremely profound in the first place.

Otherwise, how could Ye Yuan rely on his own strength and achieve the chaos origin divinity in a sealed Heavenspan World?

"Many thanks to Senior for imparting the Dao! Regarding Senior's request, even if Ye Yuan's bones are ground to dust, I'll complete it too!" Ye Yuan said sincerely.

The Divine Emergence had a total of seven levels. As long as he cultivated to the third level, Ye Yuan would be able to perform a secret art in it, called Divinity Assembly!

This technique was precisely the method to condense origin divinity!

At that time, he should be able to truly revive Mu Lingxue!

Ye Yuan killed all the way to the 33 Heavens from the Heavenspan World. It was for the sake of today. So how could he not be agitated?

This mysterious powerhouse imparted to him this cultivation method. With Ye Yuan's disposition, he would naturally fulfill his wishes even if his bones were ground to dust!

The mysterious powerhouse said, "Mn, it's good that you have this heart! This divinity is really a little tired and wants to go back home! This divinity, Mi Tian, will follow you in the future!"

#### **Chapter 2689: Im Very Happy!**

*Thump!*

*Thump!*

The sound of heartbeats suddenly entered Ye Yuan's ears.

The darkness faded, and a heart appeared in front of Ye Yuan.

Suddenly, the heart started to shrink, then shrunk again.

Finally, it turned into a small and exquisite red crystal and flew toward Ye Yuan.

"It's my dragon heart. It will be lodging in your body in the future. The dragon qi in the dragon heart will nourish your true dragon bloodline and be greatly beneficial to you! I hope that one day, you can bring me home!" Mi Tian's voice transmitted out of the dragon heart.

Finished saying, he did not wait for Ye Yuan to refuse either. The dragon heart flew straight between Ye Yuan's eyebrows and disappeared.

Ye Yuan felt as if a round of spring rain was currently nourishing all the blood in his body.

This feeling made him extremely refreshed.

"Senior Mi Tian, rest assured. What Ye Yuan promised you, I'll definitely do it!" Ye Yuan said firmly.

... ..

Outside of the karst cave, the seven great sea regions' young powerhouses have already assembled.

However, there were still many people who remained in the Land of Dragon Slumber forever.

Some rejoiced, some bemoaned.

Some people died, but there were naturally some who attained Dao.

"Congratulations, Brother Youqing. You're probably the biggest winner among us apart from Younger Sister Jingfei!" Muchen said to Youqing with a smile.

"This is just something to be expected! The happiest thing is that that guy won't be coming out again! See? What did I say? Feeling the calling of the Land of Dragon Slumber and getting the protection of the Land of Dragon Slumber might not be a good thing! Now, it's indeed like this, right?"

Youqing was very happy, really happy.

Entering the Land of Dragon Slumber this time, he obtained considerably lucky chances, his cultivation directly reaching the realm of grand completion Limitless Sublime Heavenly Stratum!

Not only that, he even obtained a dragon race mystic art that could let his bloodline power continuously improve!

With this mystic art, he might become a true dragon in the future.

Of course, what made him happiest was still that Ye Yuan did not come out!

The Land of Dragon Slumber's restrictions were already slowly recovering. It was about to recover like it was new soon.

Those who had not come out yet were basically confirmed that they could not come out anymore.

He was already very sure that that mysterious summoning was simply a huge trap.

Ye Yuan must have already died inside after entering.

This matter made him even happier than when he broke through his cultivation realm and obtained the dragon race mystic art.

"*Hahaha*,?Brother Youqing indeed foretold with divine accuracy! That cocky guy has died inside!" Muchen gave Youqing a big thumbs up as he said with a loud laugh.

He was very happy too!

Youqing said smugly, "Huhu, this guy thought that he was a genius, but he was an out-and-out moron! This was clearly a trap, he actually jumped in just like that."

"*Humph!*? Big Brother Ye Yuan won't die. He'll definitely come out!" Little Dragon Girl pouted and said unhappily.

To talk about this Land of Dragon Slumber trip, the biggest winner was none other than Little Dragon Girl.

Her bloodline power already reached the terrifying peak eighth segment, being only half a step away from the ninth segment!

Apart from this, she even obtained many good things with Ye Yuan's help.

These things could all increase bloodline power.

With these things, Little Dragon Girl evolving to the realm of a true dragon was virtually a sure bet.

Furthermore, Little Dragon Girl's realm also directly jumped to grand completion Limitless Sublime Heavenly Stratum!

Her improvement was even greater than Youqing!

One had to know, she rose up from lower Limitless Sublime Heaven.

Those dragon race good stuff, Ye Yuan did not want a single one of them and gave it all to Little Dragon Girl.

Little Dragon Girl liked to play pranks, but it did not mean that she could not tell good from bad.

She had a good impression of Ye Yuan to begin with.

Now, she was even more grateful to Ye Yuan.

So, when she saw Youqing's gloating appearance, she felt very unhappy.

Not far away, Black Flood Dragon King was also frowning slightly, his expression grim.

He was very optimistic about Ye Yuan and felt that he definitely would not fall in the Land of Dragon Slumber.

Who knew that he really fell!

If not for that he could not enter the Land of Dragon Slumber, he even wished to rush inside right now.

Youqing's words made him inexplicably a little irritated.

But right then, the restrictions of the Land of Dragon Slumber were finally restored again.

Youqing laughed loudly and said, "Young Sister Jingfei, even if your Big Brother Ye Yuan isn't dead, it's impossible to come out anymore too! This restriction, even Saint Sovereign Heaven powerhouses can't break it too. Do you think that he can come out?? *Hahaha?*..."

In his excitement, Youqing burst out laughing.

“Noisy!”

Youqing was currently being pleased with himself when Black Flood Dragon King flung a slap over.

Against a half-step Saint Sovereign Heaven mighty expert, he did not even have time to react and was directly slapped flying.

Everyone was silent like cicadas in winter.

No one expected that Black Flood Dragon King would actually get so angry.

Youqing clutched his face and said with a look of surprise, “Black Flood Dragon King, you ... you dared to hit me?”

Black Flood Dragon King had a dark look and said, “Still dare to be noisy, this king will kill you right now! Can Jia Lan that guy do anything to this king?”

Youqing’s expression changed, only then, knowing that Black Flood Dragon King had genuinely become enraged.

It was just that, he did not understand why Black Flood Dragon King would suddenly get angry.

Could it be because of Ye Yuan that punk?

But Ye Yuan was not considered as being respectful to Black Flood Dragon King either. In fact, he was a little domineering. So Black Flood Dragon King should have no reason to like him.

How baffling!

However, Black Flood Dragon King flying into a rage, he naturally did not dare to speak up anymore and could only suffer a quiet loss.

He did not have the qualifications to challenge Black Flood Dragon King right now. Even if his royal father came, he would at most be about on par with Black Flood Dragon King too.

“You ... You guys, quickly look!” Right then, someone suddenly started yelling.

That voice was as if he had seen a ghost.

Black Flood Dragon King and Youqing both followed the voice and looked over, and could not help being dumbstruck with amazement.

Ye Yuan actually walked out of the Land of Dragon Slumber with a swagger just like that.

That restriction power seemed to be non-existent!

“This ... How is this possible? How ... How did he do it? Why didn’t these restrictions kill him? He ... He’s actually not dead!” Youqing had a look of shock, asking several questions in one breath.

Except, no one could answer him.

Because even Black Flood Dragon King did not know what happened either.

The scene before their eyes had never happened in the Land of Dragon Slumber before.

“Too inconceivable! The restrictions were already restored, and yet he could actually still come out!”

“Wasn’t he dead? How did he revive again?”

“Damn it, this boy’s life is really tenacious!”

... ..

When these young powerhouses saw Ye Yuan, beyond the shock, each and every one was incomparably disappointed.

No one expected that Ye Yuan could actually come back to life!

Black Flood Dragon King was in extreme shock too, but the fury on his face had long already vanished without a trace. What replaced it was joy!

Yes, he was extremely happy!

Ye Yuan being able to come out was the best thing for him!

Furthermore, he could also excavate even more secrets from Ye Yuan!

Ye Yuan looked at Youqing’s face like his father had died, and said with a smile, “Looking at your expression, it seems like you are very disappointed that I could come out! But, seeing your expression like this, I’m very happy..”

#### **Chapter 2690: Reaping What One Has Sown**

“Big Brother Ye Yuan, they all said that you couldn’t come out. But I knew that you’d definitely come out! *Hehe*, see, I guess correctly, right?”

Little Dragon Girl dashed into Ye Yuan’s arms at once and raised her head as if showing off.

Black Flood Dragon King also came up and said with a smile, “Just now, seeing that Young Friend Ye didn’t come out, this king was very worried. Young Friend Ye is indeed a lucky one!”

Although the father and daughter two people were pleasantly surprised, it was quite different on the inside.

Little Dragon Girl was sincerely blessing him, but Black Flood Dragon King was hiding a dagger in his smile.

Ye Yuan stroked Little Dragon Girl’s head and flashed her a slight smile.

Ye Yuan looked towards Youqing and said with a faint smile, “Since everyone came out, then we should also settle some scores!”

Youqing was taken aback and said with a cold smile, “Settle scores?? *Huhu*, it’s time to settle scores! In the Land of Dragon Slumber, there was that mysterious power protecting you, letting you escape a calamity by a fluke! Now, I want to see who can still save you!”

Coming out of the Land of Dragon Slumber, Ye Yuan's aura did not increase much, he was still a lower Limitless Sublime Heaven.

While his strength had skyrocketed.

Let alone that those three Jade Sovereign Heavenly Stratums also had a sharp increase in strength.

Wouldn't dealing with a mere Ye Yuan be easily accomplished?

Before Ye Yuan said anything, Little Dragon Girl immediately said, "Big Brother Youqing, if you dare to make a move against Big Brother Ye Yuan, I'll help him beat you!"

Little Dragon Girl's words made Youqing's expression change.

This lass was not to be trifled with!

Especially the Emerald Sea Divine Conch in her hand, it was simply a dreadful thing.

Even three Jade Sovereign Heavens attacking together was not a match as well!

Youqing's face fell and he looked towards Black Flood Dragon King and said, "Dragon Lord, is your Thistle South Sea Region really going to intervene in our personal grudge?"

Black Flood Dragon King just said coolly, "You and Ye Yuan are both my Thistle South's guests. As long as you're in my Thistle South Sea Region, you naturally can't attack. If you insist on making a move against him, then this king can only take action."

Youqing's face turned black, immediately feeling that life was murky gray.

He shot Ye Yuan a fierce glare and gritted his teeth and said, "Punk, consider yourself lucky, let's go!"

Now that he had already made great gains, Youqing naturally did not have the need to continue staying here anymore.

He brought his people and was just about to leave, but heard Ye Yuan say coolly, "Did I say that I let you go?"

Youqing turned to look at Ye Yuan and could not help laughing as he said, "Why? What can you really do to me? Just based on your middling skills, do you really think that you're somebody of note?"

*Buzz!*

Youqing's voice had just faded when he felt as if his origin divinity was struck by a bolt of lightning.

His origin divinity actually started to disintegrate under this bolt of lightning.

His eyes started to turn slack, his consciousness gradually blurring.

Finally, he fell softly to the ground.

"Dragon Son!"

Those three Jade Sovereign Heavens turned pale with fright and hurriedly went up to check, but they discovered that Youqing had already breathed his last.

One exchange and Youqing was dead!

Ye Yuan was quite satisfied with the power of this Heaven Illuminating Divine Lightning move.

Many origin divinity mystic arts were recorded in the Divine Emergence, the power being extremely shocking.

Ye Yuan was also just trying his hand against Youqing. He did not expect that the power was pretty good.

A grand completion Limitless Sublime Heavenly Stratum powerhouse was actually one-shotted in an instant!

At this time, Ye Yuan also deeply felt the power of this soul race mystic art.

“Origin divinity attack! What a powerful origin divinity attack!” Black Flood Dragon King’s pupils constricted, and he cried out in surprise.

Regarding this scene earlier, even he did not react in time.

A lower Limitless Sublime Heaven actually used an origin divinity attack to one-shot a grand completion Limitless Sublime Heavenly Stratum. This was not what ordinary origin divinity attacks could accomplish!

Moreover, Youqing was not an ordinary person.

Although Youqing was a pseudo-dragon, his origin divinity was still much stronger than the average human martial artist.

But Ye Yuan still one-shotted him!

One of the Jade Sovereign Heaven suddenly raised his head and said angrily, “You dared to kill Dragon Son! Today, you must die!”

In an instant, three Jade Sovereign Heavens arrived at the same time.

Ye Yuan was not the slightest bit afraid and roared loudly, “Heaven Illuminating Divine Lightning!”

Three origin divinity attacks were launched at the same time!

The lower Limitless Sublime Heaven Ye Yuan actually took the initiative to attack three great Jade Sovereign Heavens!

*Buzz!*

The three people only felt their heads become muddled. Their origin divinities were actually directly paralyzed!

The origin divinity of a Jade Sovereign Heaven was incomparably powerful. But Ye Yuan’s Heaven Illuminating Divine Lightning still dazed them for a short time.

At the same time, Ye Yuan’s Heavenspan Mountain suddenly burst forth, turning into a streak of black smoke, smashing towards one of the Jade Sovereign Heavens.

*“Pffft!”*

That person spurted a mouthful of fresh blood wildly, flying out backward.

This scene struck deep terror in everyone!

Ye Yuan's combat power refreshed their understanding over and over again!

A lower Limitless Sublime Heaven actually confronted three great Jade Sovereign Heavens at the same time, and even seriously injured one!

"This guy is really too strong!"

"Origin divinity attack being coupled with a heavenly spirit treasure, there's simply no weakness to exploit!"

"It's also that the three of them are all Jade Sovereign Heavens. Otherwise, that origin divinity attack would probably have been able to instantly kill three people! What kind of lucky chance did this guy obtain inside?"

... ..

No matter how weak a Jade Sovereign Heaven was, it was a Sovereign Realm powerhouse too, they were on completely different levels from Sublime Realm powerhouses.

But Ye Yuan broke this law and actually severely wounded the other party!

However, after this bout of attack, Ye Yuan appeared very weak too, his complexion a little pale.

After all, it was Jade Sovereign Heaven powerhouses. This bout of origin divinity attacks was still rather taxing for him.

But right at this time, an abnormality suddenly occurred.

*"Roar, roar, roar!"*

More than ten peak Jade Sovereign Heaven water dragons suddenly rampaged, attacking the weakened Ye Yuan.

The power of the Emerald Sea Divine Conch suddenly bloomed!

Little Dragon Girl's expression changed wildly, and she exclaimed, "Royal Father, why did you attack Big Brother Ye Yuan?"

This attack was launched precisely by Black Flood Dragon King deploying the Emerald Sea Divine Conch.

Black Flood Dragon King taking action, the power of the water dragon was not what Little Dragon Girl could compare to.

The strength of these water dragons was all peak Jade Sovereign Heaven!

Against more than ten peak Jade Sovereign Heaven water dragons, even if they encountered a half-step Saint Sovereign Heaven, it would be a cinch too.

But now, it was actually used to deal with a Limitless Sublime Heavenly Stratum!

Of course, Black Flood Dragon King did not attack with his full strength.

If he exerted his full strength, he would be able to launch several half-step Saint Sovereign Heaven super water dragons!

That level of existence, even other royals would have to keep a wide berth too!

It was also precisely by relying on the power of the Emerald Sea Divine Conch that Black Flood Dragon King showed completely no regard for the other royal clans in the seven great sea regions.

When those three great Jade Sovereign Heaven powerhouses saw this scene, they had wildly ecstatic expressions too.

They did not expect that Black Flood Dragon King actually made a move to deal with Ye Yuan!

This sudden turn of events was what everyone did not expect.

Furthermore, it was even taking advantage of his predicament!

It was just that at this time, no one detected that a hint of disdain showed at the corners of Ye Yuan's mouth.

A dark-red imprint suddenly lit up at his glabella.

Those over a dozen water dragons already arrived in front of him, but suddenly turned around and pounced over toward the Black Flood Dragon King himself.

When everyone saw this scene, they were immediately dumbfounded.

What was going on?

Black Flood Dragon King's expression changed too, suddenly bursting forth with a surge of dragon qi.

"Flood Dragon Goes to Sea!"

Black Flood Dragon King threw both fists out, a terrifying undulation smashed towards those water dragons.

*Rumble!*

Black Flood Dragon King fell back several thousand feet, his complexion becoming very pale.

He looked toward Ye Yuan, eyes full of shock..
