#### Chapter 2711: : Unable to Teach!

In the depths of the deep cave, a figure was faintly discernible in the darkness.

Shuoyan faced this shadow and did not even dare to breathe loudly.

After a long time, that shadow opened its mouth and said, "You're Bright Tiger's son?"

"Replying Lord Saint Exalt, my father is precisely the Bright Tiger King," Shuoyan hurriedly said.

"*Mn*,?Bright Tiger gave birth to a fine son. What's your name?"

"I'm called Shuoyan."

"Shuoyan, are you willing to become this exalt's disciple?"

Shuoyan was immediately stupefied there and was actually at a loss on what to do for a moment.

He completely did not think that Lord Saint Exalt actually wanted to take him in as a disciple!

Saint Sovereign Heaven, that was a god-like existence!

On the entire Rainclear Continent, there were countless powerhouses. But those able to step into Saint Sovereign Heaven could be counted with fingers.

Even Father, Bright Tiger King, already reached half-step Saint Sovereign Heaven; just half a step and he would be able to succeed in breaking through.

But he was ultimately still half a step away!

Half-step was a heavenly chasm!

This half-step was far too difficult!

Now, a god-like existence actually wanted to take him in as a disciple?

This was really a great thing that fell onto his lap!

Shuoyan revealed a look of wild elation and directly knelt down and said agitatedly, "Disciple pays respect to Master!"

The shadow nodded and said,? "*Mn*,?your bloodline power is very strong. With this exalt's guidance, you have extremely high hopes of stepping into the realm of Saint Sovereign Heaven in the future! There are three great Saint Sovereign Heavens in this Myriad Demons Mountain. This exalt is called Saint Exalt Bull Demon! From now on, you're this exalt's disciple!"

"It turns out that Master is Saint Exalt Bull Demon! I heard Royal Father mentioned before that Saint Exalt Bull Demon swept across the Myriad Demons Mountain back then, overpowering myriad beasts and corroborated your Dao to become Saint Sovereign Heaven! Master attained Dao the latest, but Master is the strongest among the three great Saint Sovereign Heavens! Didn't expect that this disciple actually has the fortune to acknowledge you as master!"

Hearing Saint Exalt Bull Demon's name, Shuoyan could not help being overjoyed.

He did not expect that he would actually become the disciple of such a legend one day.

But Shuoyan knew that being able to become Saint Exalt Bull Demon's disciple, a very large part of the credit belonged to Ye Yuan.

When he was on the brink of life and death previously, the reason why he could awaken his bloodline at the final juncture was due to Ye Yuan's true grade heavenly pill playing a pivotal role!

True grade heavenly pills integrated the power of Great Dao. A portion of this Great Dao power still lurked in his body.

If not for this portion of power, it was impossible to awaken his bloodline by relying on his own talent.

Let alone being picked out by Saint Exalt Bull Demon and becoming his disciple.

"Those are all old events already. It's not worth mentioning," Saint Exalt Bull Demon said indifferently, without joy nor sorrow.

"Oh?right, Master, my Big Brother has bloodline talent too, can you give him some pointers too?" Shuoyan did not forget Ye Yuan and asked.

Who knew that Saint Exalt Bull Demon said coolly, "A trash bloodline martial artist can also be called to have bloodline talent? Humans shouldn't appear in the Myriad Demons Mountain to begin with. I've already made Big Yellow go and dispose of him!"

Shuoyan's expression changed wildly and he said, "What?! Master, you!"

Saint Exalt Bull Demon was indifferent and said lightly, "Remember, your bloodline is extremely noble and carries the power of chaos! He, a mere human, doesn't have the qualifications to be associated with you!"

His voice had yet to fade when a terrifying dragon might came from outside the cave!

The sound of a dragon roar rose to the sky!

In the darkness, Saint Exalt Big Yellow's expression changed wildly and he immediately transmitted his voice, "Big Yellow, stop!"

Outside the cave, Big Yellow's expression was very ugly too.

Ye Yuan's punch earlier actually forced him back three steps!

A middle Limitless Sublime Heaven, forced a grand completion Jade Sovereign Heaven powerhouse back three steps, this was simply unimaginable!

One had to know, a grand completion Jade Sovereign Heaven powerhouse could kill a Limitless Sublime Heavenly Stratum with a wave of their hand.

Even if it was grand completion Limitless Sublime Heavenly Stratum, it was also impossible to make him take half a step back!

But this young man in front of him did it.

Although this was him somewhat underestimating the enemy, forced back means forced back.

The power of that punch earlier could be rated as terrifying!

He believed that even a grand completion Limitless Sublime Heavenly Stratum would absolutely be blown up with one punch too!

Tyrannical!

Unparalleled!

Overbearing!

He was still mocking Ye Yuan for being a mixed-blood trash before. But a trash was actually able to unleash such a terrifying blow!

Got to admit, it was very face-slapping!

Turning angry from embarrassment, he was just about to make a move to kill Ye Yuan when he heard Saint Exalt Bull Demon's voice transmission.

His expression was ugly as he said, "Lord Saint Exalt is asking you to go in!"

Ye Yuan gave him a glance and walked into the cave.

"Big Brother Ye Yuan, it's really great that you're alright! Just now, it scared me to death!" Seeing Ye Yuan, Shuoyan said excitedly.

He was indeed frightened badly just now, he even thought that Ye Yuan was already killed.

He did not expect that Ye Yuan's one martial technique actually made Saint Exalt Bull Demon change his mind.

Ye Yuan smiled and said, "Your big brother's life is tenacious. I won't die so easily."

Saint Exalt Bull Demon opened his mouth and said, "Didn't expect that this exalt will make an error of judgment too! Young man, you're clearly of a human body. How can you have such a powerful true dragon bloodline?"

Ye Yuan's bloodline was somewhat different from a true spirit's bloodline.

His bloodline was recessive and did not take the initiative to release. The bloodline power would be hidden in the blood and one would not be able to tell at all.

But once it erupted, his dragon might would absolutely shock people.

Saint Exalt Bull Demon's strength was transcendent, but he could only tell that Ye Yuan was a dragonblood martial artist.

Who knew that he had his face slapped with a backhand.

Just based on that move earlier, Ye Yuan's bloodline power was absolutely not beneath Shuoyan's!

He really made an error of judgment just now.

Saint Exalt Bull Demon also did not expect that he would actually encounter two heaven-defying bloodline powerhouses all at once!

Ye Yuan looked Saint Exalt Bull Demon and said with a smile that was not a smile, "Not killing me anymore?"

Saint Exalt Bull Demon's face was somewhat embarrassed. Fortunately, they could not tell in the darkness of the cave.

"Since you're a member of the dragon race, you're naturally of my true spirit lineage too! Young man, are you willing to become this exalt's disciple? With this exalt's guidance, your chances of breaking through to Saint Sovereign Heaven are very high!" Saint Exalt Bull Demon said.

To ordinary martial artists, breaking through to Saint Sovereign Heaven was definitely a huge temptation.

The Rainclear Continent had countless powerhouses, but how many people could break through?

Becoming a Saint Sovereign Heaven's disciple, apart from being able to obtain even more resources, the greatest benefit was that they had the experience of breaking through to Saint Sovereign Heaven and knew what the deal was with breaking through to Saint Sovereign Heaven.

Such an experience was the most valuable!

But Ye Yuan did not need it at all.

He replied with a question, "Lord Saint Exalt, I wonder if you can execute my punch earlier?"

Saint Exalt Bull Demon could not help choking when he heard that. Although the power of that punch earlier was nothing to him, it could actually call down the power of Great Dao!

This kind of terrifying and mysterious martial technique, he was unable to teach Ye Yuan at all.

He also understood what Ye Yuan meant: you could not even execute this punch, what right do you have to take me in as a disciple?

Logically speaking, Saint Sovereign Heaven powerhouses could use Limitless Sublime Heavenly Stratum martial techniques freely.

Even if he did not cultivate in it before, just by relying on his powerful understanding of Heavenly Dao, he could grasp it instantly too.

It was just a pity that Ye Yuan's punch was not included in it!

This punch of Ye Yuan's was just limited to his current realm and could not unleash its true power.

Once Ye Yuan broke through to Jade Sovereign Heaven, the power of this punch would become several levels stronger!

Such a profound punch, he could not teach!

## Unrivaled Medicine God

### **Chapter 2712: Becoming Sworn Brothers!**

Mi Tian said before, true dragons were born from chaos. They were birthed by heaven!

And Ye Yuan cultivated the chaos origin divinity.

Hence, when he urged the Nine Heavens Dragon Transformation Fist with chaos divine essence, it was indeed effective!

“Maybe in your view, breaking through to Saint Sovereign Heaven is a very impressive thing. But to me, it’s no big deal,” Ye Yuan said coolly.

Saint Exalt Bull Demon frowned slightly and said in an unfriendly tone, “It’s a good thing for youngsters to be talented. But, if you are overly conceited, you won’t live for long!”

Ye Yuan smiled and said, “Do you know why I’d appear on the Myriad Demons Mountain?”

Without waiting for Saint Exalt Bull Demon to guess, Ye Yuan answered himself, “Because I promised Bright Tiger King and the other four kings to help them to break through Saint Sovereign Heaven!”

Saint Exalt Bull Demon laughed loudly when he heard that and said, “Little baby, do you know what Saint Sovereign Heaven is? On the massive Myriad Demons Mountain, with countless true spirits, there are even several dozen half-step Saint Sovereign Heavens. But there are only a scanty three Saint Sovereign Heaven powerhouses! But when it reached your mouth, it became cabbages! Do you know that you’re very ignorant?”

Ye Yuan just smiled and did not speak.

But Shuoyan said, “Master, I believe what Big Brother Ye Yuan said, he can definitely do it! In reality, including my royal father, the five of them kings believe Big Brother without a shadow of doubt too!”

Saint Exalt Bull Demon scoffed and said, “Just a human conman! The five of them are completely blind! How amazing and brilliant this exalt was back then, carving a bloody path out of countless powerhouses. I also spent countless years of training before I could take that step! A mere Limitless Sublime Heaven also dares to arbitrarily talk about Saint Sovereign Heaven, simply a joke!”

Only when one reached Saint Sovereign Heaven, this threshold, and went to break through personally, would they know how difficult this step was!

Saint Exalt Bull Demon was someone who had experienced it. So he had even less faith that a Limitless Sublime Heavenly Stratum could help half-step Saint Sovereign Heavens take this step.

But Shuoyan said firmly, “Big Brother Ye Yuan is different from the rest! Master took fancy on this disciple, it should be because of the bloodline that this disciple just awakened, right? But do you know why I was able to awaken the bloodline? It was Big Brother Ye Yuan’s true grade heavenly pill that let me awaken my bloodline!”

“Impossible! Bloodline power can only be awakened by relying on talent! How can there be the logic of awakening by relying on heavenly pills?” Saint Exalt Bull Demon immediately denied it.

Shuoyan saw that Saint Exalt Bull Demon did not believe it and recounted the process of his awakening in detail and swore a deadly oath.

When Saint Exalt Bull Demon saw Shuoyan saw the deadly oath and was perfectly fine, the shock in his heart could not be any greater!

There was an adage among true spirits called 'bloodline is innate'.

Which was to say that bloodline power was bestowed by heaven. It would only continuously awaken and become stronger by relying on your continuous hard work.

What kind of heavenly pill could let Shuoyan awaken such a powerful bloodline power?

It was hard to understand!

But now, it was not up to him to not believe it.

After a long silence, Saint Exalt Bull Demon asked this, "You're saying that he can refine grade four heavenly imperial pills?"

Ye Yuan smiled slightly, he believed it.

Since he believed, this old bull naturally would not do anything to him.

The most fearful thing was that you had no value to exploit.

Very clearly, as a heavenly alchemist, the value was too great!

Being able to refine grade four heavenly imperial pills, what did that mean?

That meant that the heavenly pills that Ye Yuan refined were similarly useful to him, this Saint Sovereign Heaven!

Not being able to break through to Saint Sovereign Heaven was naturally extremely painful.

But breaking through to Saint Sovereign Heaven also did not mean that one could sit back and relax.

Reaching this step, there was already no one who could refine heavenly pills for them.

Even on Myriad Demons Mountain, the heavenly pills that were useful to them were also similarly exceedingly few!

Therefore, every inch that they wanted to advance, required countless years to polish.

It was naturally something that was doubly difficult if they wanted to make further breakthroughs on this foundation.

At this time, a heavenly alchemist that could refine true grade heavenly imperial pills appeared. The significance was different!

Shuoyan nodded his head heavily and said, "Not just grade four heavenly imperial pills! Furthermore, it's true grade heavenly imperial pills! True grade heavenly pills are too miraculous. I only took one heavenly pill and directly broke through a major cultivation realm! Furthermore, it even helped me to awaken my bloodline!"

A figure walked out of the darkness.

Ye Yuan two people finally saw Saint Exalt Bull Demon's true face clearly.

A brawny man with a bull's nose and two horns.

Saint Exalt Bull Demon looked at Ye Yuan and said in a solemn voice, "Do you have true grade heavenly pills in your hands?"

Ye Yuan smiled and fished out a crystal clear heavenly pill.

When Saint Exalt Bull Demon saw this heavenly pill, his pupils could not help constricting!

"Fine pill!" Saint Exalt Bull Demon could not resist exclaiming.

His realm was different from others. Saint Sovereign Heaven powerhouse, those were all transcendent existences that entered sainthood. Their understanding of Heavenly Dao was not what normal people could compare to.

The moment he saw this heavenly pill, he felt an aura of Great Dao. It was definitely not ordinary!

This was a grade three Foundation Establishment Heavenly Pill. Ye Yuan spent a year's time and finally cultivated the grade three Foundation Establishment Heavenly Pill to the realm of true grade.

The more he sized it up, the more Saint Exalt Bull Demon felt that this pill was extraordinary!

"There's actually such a miraculous heavenly pill in this world! This exalt was ignorant and ill-informed!"

Ye Yuan smiled and said, "I'll give this heavenly pill to Lord Saint Exalt. If Your Excellency is interested, why not try it out."

Saint Exalt Bull Demon's pupils constricted and he said, "Really?"

Ye Yuan laughed in spite of himself and said, "You're Lord Saint Exalt. Even if you take my heavenly pill by force, I also won't dare to do anything."

Saint Exalt Bull Demon shook his head and said, "That won't do! Of course that won't do! You punk, who do you think this exalt is?"

Ye Yuan just smiled but did not speak.

It was not that Saint Exalt Bull Demon did not want to, and it was also not that he was not moved, but that he was clear in his heart that he could not lose the main goal because of small gains!

This was merely a grade three Foundation Establishment Heavenly Pill. It would not have much effect on him.

But, if it was a grade four heavenly imperial pill, then the effect would be totally different!

Offending Ye Yuan now, when Ye Yuan could refine grade four heavenly pills in the future, he would not be so easy to talk to anymore.

Getting Ye Yuan's permission, Saint Exalt Bull Demon brook no delay and swallowed the Foundation Establishment Heavenly Pill.

Suddenly, his expression changed.

He only felt that every pore on his body seemed to have opened up.

A measly grade three heavenly pill was actually really effective on him!

Although this effect was negligible, he clearly felt that his bloodline power really increased a little!

One had to know, even if the rank of ordinary grade three heavenly pills reached upper ninth grade, it was also impossible to have the slightest effect on him.

But this grade three heavenly pill had an effect!

This was just a grade three heavenly pill. If it was a grade four heavenly pill?

What if it was a grade five heavenly pill?

Thinking up to here, Saint Exalt Bull Demon's breathing could not help speeding up.

That feeling was seemingly like being trapped in a cage for tens of thousands of years, and seeing the light of day!

After so many years, the things that could move him were really in the minority.

But today, he lost composure!

"What a miraculous heavenly pill! I didn't expect that a measly grade three Foundation Establishment Heavenly Pill is actually effective on this exalt! Ye Yuan, I admit that previously, it was this exalt who made an error of judgment! From today onward, you and I will address each other as brothers, alright?" Saint Exalt Bull Demon suddenly said something that made even Ye Yuan a little stunned.

### [Unrivaled Medicine God](#)

#### **Chapter 2713: Big Yellow Obeys!**

"Address each other as brothers? Could it be because of the Saint Sovereign Dao Tribulation?" Ye Yuan suddenly gave birth to a trace of enlightenment and asked.

Saint Exalt Bull Demon nodded his head solemnly and said, "That's right. It's precisely because of the Saint Exalt Dao Tribulation! This exalt is a little better off than those two guys. But I've also pulled through two Saint Exalt Dao Tribulations! Even if I can make it through the third time, I'd definitely turn to ashes at the fourth time too! If I still don't break through, I'm really going to die!"

Talking until the back, Saint Exalt Bull Demon could not resist letting out a long sigh.

Clearly, this Saint Sovereign Dao Tribulation was very terrifying!

Saint Sovereign Heavens stood at the summit of this Rainclear Continent and were admired by thousands.

But Saint Sovereign Heaven powerhouses also had the troubles of Saint Sovereign Heaven powerhouses.

One of them was this Saint Sovereign Dao Tribulation!

Ye Yuan saw before sporadic records in the ancient books of the Martial Secure Heavenly Sect.

When one's cultivation reached Saint Sovereign Heaven, it would trigger the Saint Sovereign Dao Tribulation.

Saint Sovereign Dao Tribulations had no fixed number. Some people went through it once every ten thousand years, some went through it once every 30 thousand years.

Of course, there were also some unlucky ones that would come every thousand years.

But Saint Sovereign Dao Tribulation, each time was more terrifying than the last.

Very few people were able to tide over more than three times.

Of course, if your strength kept improving and you increased enough strength before the next Saint Sovereign Dao Tribulation came, you would naturally be able to pass through it safely.

What was scary was that your strength remained stagnant.

Unfortunately, on Rainclear Continent, cultivating to Saint Sovereign Heaven Realm was naturally the end already.

Without the support of grade five heavenly pills, without heaven-defying cultivation methods, without astonishing fortuitous encounters, one would basically kick the bucket on the second or third Saint Sovereign Dao Tribulation.

It was also precisely because of this that the Saint Sovereign Heaven powerhouses on Rainclear Continent would be so rare.

Otherwise, even if Saint Sovereign Heaven was hard to break through, there would always be some over the accumulation of time.

But the reality was that the Saint Sovereign Heavens on the entire Rainclear Continent added up, absolutely would not exceed ten fingers too!

"*Huhu*, since Big Brother Bull Demon favors this younger brother, then it will be disrespectful for Ye Yuan to decline," Ye Yuan said with a smile.

Saint Exalt Bull Demon was overjoyed when he heard that. Grabbing Ye Yuan's hand excitedly, he said, "Good brother, from now on, your business is my business!"

Ye Yuan also smiled and said, "Big Brother rest assured, this little brother still has some confidence in alchemy. Leave the matter of heavenly pills to me."

The two exchanged a glance and laughed loudly.

Ye Yuan was also not block-headed, what a Saint Sovereign Heaven big brother would bring to him was too much!

Saint Exalt Bull Demon clearly understood this too. That was why he would acknowledge Ye Yuan this brother.

Even if he did not take action, the name of a Saint Sovereign Heaven's brother could also let Ye Yuan obtain too much.

There was at least one thing, having acknowledged this big brother, Ye Yuan would not have any problems passing through the Myriad Demons Mountain and returning to the Five Great Heavenly Regions anymore.

Shuoyan who was by the side was completely dumbfounded.

They were still shouting and wrangling earlier. How did these two become brothers in a blink of an eye?

“Hang on! I just acknowledged Lord Saint Exalt as my master. Big Brother, you acknowledged Lord Saint Exalt as your big brother. Then what am I?” Shuoyan said with a confused look.

Ye Yuan smiled and said, “To each his own! When you’re together with Big Brother, you naturally call him Master. When together with me, you naturally call me as big brother too.”

Shuoyan did not seem to have encountered such a complicated relationship before, nodding his head like he did not fully understand.

Saint Exalt Bull Demon was clearly very satisfied with this too.

He nodded and said with a smile, “As it ought to be! *Heh heh*, that old ape and big bird keep bragging every day about how incredible their disciples are! Shuoyan, you have to make a good showing for Master this time!”

Being able to make Saint Exalt Bull Demon say this, the old ape and big bird were naturally the other two Saint Exalt Heavens.

Shuoyan nodded and said, “Master rest assured. This disciple will live up to expectations! But before this, this disciple still has some personal affairs and needs to go back to the clan to settle. Master, please allow it.”

Talking up to here, Shuoyan’s eyes revealed a hint of fierceness.

When Ye Yuan saw this scene, he secretly nodded to himself.

This kid finally grew up!

He did not have the ambition to compete, but his nine older brothers united and forced him to become how he was now.

Although the current Shuoyan still had a childish air, his tiger dominance aura had already appeared.

Given time, he would definitely be the second Bright Tiger King.

Of course, in Ye Yuan’s view, his accomplishments would likely be even above Bright Tiger’s!

What kind of character was Saint Exalt Bull Demon? He saw through an inkling with just one glance and said with a nod, “*Mn*, let Big Yellow accompany you on the trip!”

Bringing the two people out of the cave, Big Yellow was currently standing obediently at one side, appearing very simple and honest.

“Big Yellow, this is my new sworn brother, Ye Yuan. From now on, you have to treat him with respect like a teacher. Understand?” Saint Exalt Bull Demon said coolly.

The old yellow bull's eyes immediately became wide saucers, staring fixedly at Ye Yuan, as if he saw some monster.

He did not understand why Ye Yuan became Lord Saint Exalt's brother with a sway of his figure after going in for a while?

One had to know, even a genius like Shuoyan could only become Lord Saint Exalt's disciple too!

What capability did this boy have, to actually be able to become brothers with a Saint Exalt?

"Lord Saint Exalt, this ..."

When Ye Yuan saw the big yellow bull's wonderful expression, he found it amusing in his heart too.

But his face revealed a very furious expression, and he said with a cold smile, "Big Brother, I can't bear his courtesy! Senior Big Yellow even said that this younger brother tried to emulate something beyond my ability and fell flat on my face just now, and I even nearly died twice at his hands!"

The moment Big Yellow heard, he immediately felt like he was struck by lightning.

He was definitely taking the blame for this!

One had to know, this was all Lord Saint Exalt's order. He could not very well let Lord Saint Exalt receive the punishment, right?

The big yellow bull could only say, "This ... Master Ye is lofty. It was all Big Yellow's fault previously. Big Yellow apologizes to you here!"

Ye Yuan looked at Big Yellow and said with a smile that was not a smile, "Want me to forgive, sure. You promise me one thing and our scores are squared."

Seeing the smile on Ye Yuan's face that was up to no good, Big Yellow's heart raced.

But at this time, he could not refuse it either.

At once, he could only nod. He said, "Master Ye, Your Excellency, please instruct."

Ye Yuan smiled and said, "I'm just about to go to Bright Tiger King's territory to take care of business. Let me ride you, and the grievances between us will be considered squared."

The big yellow ox was an ox, but currently, his face practically became black as the bottom of a wok.

He was a dignified peak Jade Sovereign Heaven super expert. Yet, he was actually going to be ridden as a mount by a Limitless Sublime Heaven?

He knew that this matter could not be brushed over, but he did not expect that Ye Yuan would use this kind of method to take revenge on him!

By the side, Saint Exalt Bull Demon had an awkward face too.

But at this time, he naturally would not draw trouble onto himself and could only say, "Big Yellow, I'll have to trouble you to make a trip! When you reach Bright Tiger's territory, listen to Ye Yuan's orders."

That will do. Don't make this expression. Letting Ye Yuan ride you will only be beneficial to you and won't do you harm."

Big Yellow had a flurry of curses run across his mind.

What was called only be beneficial and would not harm you?

He, a grand completion Jade Sovereign Heaven powerhouse, being ridden around, how would he still show his face in the territory in the future?

Wouldn't those few old things mock him to death?

But regarding Saint Exalt Bull Demon's words, he had no choice but to listen and could only say, "Yes, Big Yellow obeys!"

### Unrivaled Medicine God

#### **Chapter 2714: Big Yellow, Be Obedient!**

Bright Tiger King's territory was long already in upheaval.

Currently, the other four half-step Saint Sovereign Heavens brought their armies and were currently locked in a struggle with Bright Tiger King.

Bright Tiger King fought one-against-four, and it could be seen that it was rather difficult.

However, his strength was indeed fearsome too. He actually managed to resist for some time.

While his subordinates also fought dauntlessly in bloody battles, killing until their eyes turned red.

"Are the four of you really going to fight to the death?" Bright Tiger King roared angrily.

"*Humph!*? You've cut off our hope and are still talking big here! Ye Yuan was only placed with you for a year and you've killed him. What's the point of talking about it now?" Myriad Elephant King said in a solemn voice.

"The son that I'm most proud of has died too!"

"One son died, you still have nine! But Ye Yuan is dead, how will we break through to Saint Sovereign Heaven? Enough said! Your territory is going to disappear from the Myriad Demons Mountain today!" Heavenly Rat King cried out.

Bright Tiger said angrily, "Want me dead, the few of you have to pay the price in blood too!"

Both sides fought fiercely without resting, either you die or I perish.

The great battle of Three Saint Mountain touched the nerves of the five factions very quickly.

When Bright Tiger received the news from the front, he was immediately dumbfounded.

Three Saint Mountain was just a small faction. Going over with Ye Yuan's strength, it was very easy to protect himself.

Who could have expected that more than ten Jade Sovereign Heaven powerhouses suddenly appeared there?

The true spirit army that Shuoyan brought over was completely wiped out, corpses scattered everywhere. The five parties all thought that Ye Yuan was already dead.

This was equivalent to saying that their hope of breaking through to Saint Sovereign Heaven had been completely cut off!

How could they not be angry when they got this news?

Myriad Elephant King they all naturally pinned this matter on Bright Tiger.

Bright Tiger completely did not know that those Jade Sovereign Heavens sent out to kill Ye Yuan and Shuoyan were actually his own nine sons!

Of course, Hefeng they all would not tell Bright Tiger too.

In reality, they all also did not expect that it would cause such grave consequences.

Currently, Hefeng nine people were fighting dauntlessly in bloody battles, killing extremely tragically.

The battle on both sides kept on escalating and becoming increasingly fiercer and already reached the extent of being irreconcilable till death.

Bright Tiger King's combat power was top-notch among the five people, the strength of his subordinates was naturally the strongest among the five people too.

But, no matter how strong his strength was, it was also impossible to surpass the sum of the four.

If Myriad Elephant four people wanted to eradicate Bright Tiger's faction, they naturally had to pay a heavy price.

If hope was not really cut off, they would not be so furious too.

*Boom!*

Suddenly, the earth quaked and mountains swayed.

The expressions of everyone on the battlefield changed one after another.

"Stop!" A thunderous voice entered everyone's ears.

Everyone looked over following the voice and discovered a white-robed youth riding a large yellow bull, walking over leisurely.

In an instant, countless eyes focused on that white-robed youth.

The way that he took the stage was seriously too attention-grabbing!

As for Shuoyan who was behind Big Yellow, he was directly overlooked by everyone.

"Who is this white-robed youth? To actually be riding a grand completion Jade Sovereign Heaven old yellow ox, it's too impressive!"

"It's a human! I heard that the four kings and Bright Tiger King are fighting in a life-and-death struggle because of a human. It wouldn't be him, right?"

“No way, right? Isn’t he dead?”

... ..

A Limitless Sublime Heavenly Stratum riding on a grand completion Jade Sovereign Heaven old yellow bull, this image was too impactful.

Grand completion Jade Sovereign Heaven, what kind of proud existence was that?

Even in death, they would not be other people’s mount too!

Unless the other party was a Saint Sovereign Heaven powerhouse!

But, a Limitless Sublime Heavenly Stratum actually did it!

“Ye Yuan! He actually didn’t die??*Mn??*That ... That ... How is this possible? How is this possible?” When Bright Tiger saw Ye Yuan, his eyes genuinely brimmed over with hot tears.

Ye Yuan appeared too timely. If it dragged on, he would have definitely died without a doubt!

But, when his gaze landed on the old yellow bull under Ye Yuan, his entire person was immediately petrified!

Those small fries naturally did not recognize the large yellow bull, but as an existence with half a foot into Saint Sovereign Heaven, how could he not recognize it?

“Bright Tiger, that wouldn’t be ... be ...” Wild Lion King said with his eyes full of shock.

“There’s no mistake. It’s him!” Bright Tiger said with absolute certainty.

He had seen General Big Yellow Bull in front of Saint Exalt Bull Demon’s seat when he entered the Saint Exalt’s territory!

It was also precisely because of this that Saint Exalt Bull Demon made Big Yellow Bull come over.

Although Big Yellow Bull’s strength was not as strong as Bright Tiger they all, who he represented was Saint Sovereign Heaven. Who dared to not give face?

Bright Tiger never dreamed that Ye Yuan would actually ride on Big Yellow Bull and return to Bright Tiger Territory!

Getting a confirmed answer, the four people trembled all over, their eyes full of shock.

What kind of status did the big yellow bull have?

Although they were half-step Saint Sovereign Heavens, they absolutely did not dare to offend the big yellow bull.

But Ye Yuan actually rode him as a mount!

More importantly, the big yellow bull was actually willing to let him ride!

This was simply inconceivable!

“How can he? How dare he!” Wild Lion King said puzzledly.

In reality, there was a myriad of curses galloping across Big Yellow Bull's heart currently.

He was considered to have completely lost his face today!

Who knew that at this time, Ye Yuan suddenly patted his head and said with a smile, "Be obedient, Big Yellow. Seeing that your performance is pretty good, I'll award you this thing."

As he said, Ye Yuan threw a Foundation Establishment Heavenly Pill into Big Yellow's mouth.

Big Yellow did not see clearly what that was either, but he knew that it was a heavenly pill. Either way, it would not be detrimental to him.

It was just that he did not harbor much hope about the effect of this heavenly pill.

What rubbish effect could the heavenly pill taken out by a Limitless Sublime Heavenly Stratum have?

But as soon as the heavenly pill entered his mouth, he immediately felt something different.

He felt as if the top of his skull was opened up!

That huge door that he always wanted to touch, but could not touch, seemed to have a gap pushed open!

Saint Sovereign Heaven!

That was the feeling of Saint Sovereign Heaven!

Big Yellow's heart was in an upsurge, excited to the extreme.

How many years had he waited for this day?

When Ye Yuan saw this scene, he could not help smiling as he said, "Tsk tsk, Big Yellow, you look dumb as hell. I didn't expect that you're still pretty smart. Didn't think that this one Foundation Establishment Heavenly Pill let you gain enlightenment."

He knew that this was the effect of Big Yellow's immense accumulations erupting.

Although the true grade Foundation Establishment Heavenly Pill was incredible, it was impossible to really play a role in breaking through to Saint Sovereign Heaven.

Most of it was due to Big Yellow's own accumulations.

Foundation Establishment Heavenly Pill was equivalent to an ingredient added to enhance the efficacy of a medicine.

This kind of state was about the same as Jiang Li breaking through to Jade Sovereign Heaven back then.

Of course, it was naturally impossible for one Foundation Establishment Heavenly Pill to knock open the door of Saint Sovereign Heaven.

But after taking this step, Big Yellow was only half a step away from Saint Sovereign Heaven!

Big Yellow continued walking forward, but the imposing momentum on his body became stronger and stronger.

The mountain full of true spirits looked at Ye Yuan, their eyes full of shock.

He fed the big yellow bull a grade three heavenly pill, then the big yellow bull broke through!

Gradually, there was an additional fleeting and ephemeral aura on Big Yellow, exactly alike Bright Tiger and the rest.

This kind of aura was precisely the hallmark of a half-step Saint Sovereign Heaven!

Big Yellow forcefully suppressed the shock in his heart and opened his mouth and said, "Big Yellow thanks Master Ye for bestowing the pill!"

At this moment, he finally understood what Lord Saint Exalt's words meant.

#### **Chapter 2715: Cleaning Up Household!**

Ye Yuan patted his bull head and said smilingly, "What? Not killing me anymore?"

Big Yellow sweat heavily and hurriedly said, "Master's methods are mysterious and unpredictable. It was Big Yellow who offended Master Ye previously! From now on, Big Yellow will definitely show Master Ye the etiquette of a disciple!"

At this point, if he still did not understand why Lord Saint Exalt would address Ye Yuan as a brother, then he would really be an idiot.

A grade three heavenly pill actually let him break through to half-step Saint Sovereign Heaven. It was simply inconceivable!

Using mysterious and unpredictable to describe was not overboard in the slightest.

Ye Yuan chuckled and said, "Mn, after going back, I'll give you a list. If you can gather the heavenly medicines, I'll naturally help you to refine a Precious Jade Heavenly Sacred Pill as well when the time comes, and help you to break through to Saint Sovereign Heaven."

Big Yellow Bull's body quivered and he said in disbelief, "I-Is this for real?"

Ye Yuan smiled and said, "Of course it's real. Otherwise, do you think Big Brother's words were to make a fool out of you?"

Arriving in front of Bright Tiger and the rest, they gave a bow to Big Yellow.

"Paying respects to Commander Big Yellow, congratulations to Commander Big Yellow for breaking through to half-step Saint Sovereign Heaven!"

Toward these few people, Big Yellow naturally had a sense of superiority and said with a nod, "Thank you, gentlemen. The one in charge here today is Master Ye. You guys just have to listen to his orders."

The few people trembled all over as they said in disbelief, "Master Ye?"

What kind of status did Commander Big Yellow have, to actually show Ye Yuan the etiquette of a disciple? What was wrong with this world?

Ye Yuan disappeared for a period of time and actually became 'Master Ye' with a sudden metamorphosis!

Although they already faintly had some conjectures previously that Ye Yuan became associated with Saint Exalt Bull Demon. But, becoming this sort of relationship all of a sudden, they still felt that it was inconceivable!

Big Yellow said coolly, "Master Ye has become sworn brothers with Lord Saint Exalt. This commander naturally addresses him as master!"

"What?! B-Became sworn brothers?" Bright Tiger King's entire body trembled, almost biting his own tongue off.

At this moment, their pleasant surprise about losing Ye Yuan and recovering him turned into fright.

This was no joke!

A Limitless Sublime Heavenly Stratum became sworn brothers with Lord Saint Exalt. What the hell was this?

One had to know, Ye Yuan was a hostage-like existence at their place.

They actually took Lord Saint Exalt's brother hostage!

This crime was heinous!

Although these few were all half-step Saint Sovereign Heaven, they did not know about Saint Sovereign Heavens needing to transcend tribulations.

They were naturally also unable to understand why Saint Exalt Bull Demon would do such a preposterous thing.

"That's right! Lord Saint Exalt said that if you see Master Ye in the future, it's equivalent to seeing him. If anyone wants to make things difficult for Master Ye, that's making things difficult for him!" Big Yellow said coolly.

The five people's expressions instantly became ugly to the extreme.

"P-Paying respects to Master Ye!" Bright Tiger King was the first to react as he said rather awkwardly.

"Paying respects to Master Ye!" Myriad Elephant and the rest all bowed awkwardly as they said.

Their words carried thick fear.

What they were more scared of was Ye Yuan settling the scores afterward!

With a Saint Sovereign Heaven as a backer, it was effortless to eradicate them!

How could Ye Yuan not know their concerns? He said with a smile, "Gentlemen, don't need to be afraid, I don't have the intention of settling scores with you all. What I promised you all, I'll do it too. But right now, we'd better take care of Bright Tiger King's family matters first."

"Family matters?" Bright Tiger said with a blank face.

The moment these words came out, the expressions of Hefeng and the rest who were behind Bright Tiger changed drastically.

Ye Yuan smiled and said, "Don't you know that Shuoyan and I getting besieged on Three Saint Mountain, it was actually the work of your few sons?"

"What?!" Bright Tiger's tiger body trembled and he turned to look at his sons.

"Royal Father, we didn't!" Shaba was the first to react and denied it firmly.

"Yeah, Royal Father. Think about it, with our strength, how can we possibly mobilize so many Jade Sovereign Heaven powerhouses? Ye Yuan he came under the patronage of a big shot and is making slanderous charges!" Hefeng also said with righteous indignation.

Purplelight Battle Wolf they all had long already hidden themselves.

Either way, there was no proof either. As long as they denied it firmly, what could Ye Yuan do to them?

The moment Bright Tiger heard, his brows furrowed slightly.

Although he doted on his youngest son Shuoyan, it was also impossible to sentence nine sons to death because of one sentence.

"Master Ye, although you become sworn brothers with Lord Saint Exalt now, you also can't slander people at random, right? This king is most clear about their strength. It's impossible to mobilize so many Jade Sovereign Heaven powerhouses!" Bright Tiger said.

Hearing this, Hefeng and the rest all secretly heaved a sigh of relief. At the same time, they looked toward Ye Yuan gloatingly.

Shuoyan was young in the end, hearing his few older brothers quibble like this, he was long already burning with fury.

"Do you all still want face or not? The Eight-spotted Leopard and Purplelight Battle Wolf already personally admitted it. You guys are actually still putting on an act here! To think that I've always regarded you guys as my closest loved ones, when in fact you all are actually so vicious!" Shuoyan said furiously.

"Old Sixteen, you can't anyhow say things! As elder brothers, we didn't skimp out on doting you and giving in to you normally! I believe that Royal Father sees this too! Now that you found a backer, you're going to put your hands on your brothers? Old Sixteen, aren't you a little too vicious?" Shaba said with a look of indignation.

"Old Sixteen, you still require your own effort if you want to succeed Royal Father's position of king. Even if you kill all of us, it won't do if your strength is lacking!" Hefeng supplemented with a stab.

When Bright Tiger heard this, he nodded his head in even greater agreement.

He could still tell how they behaved normally.

The other nine have indeed shown consideration and care for Shuoyan.

It was just that he did not know that the situation in the past year had already changed too much.

“Old Sixteen, you’ve grown up! It’s just that this kind of method disappoints this king too greatly!” Bright Tiger let out a sigh and said with melancholy.

“You all ... You all ... ” Shuoyan’s face reddened to the ears in his anxiousness.

Shuoyan discovered that he was still too inexperienced.

With a few words, he was actually rebutted until he had nothing to say in reply.

He seriously could not find the evidence to refute them.

At this time, Ye Yuan patted his shoulder and said unhurriedly, “Kid, don’t need to be anxious until your face changes colors. Teach you another move today. In this world, words are feeble. Only strength is the true capital to establish yourself!”

The moment his voice faded, an origin divinity attack burst forth.

Shaba gave a muffled groan and directly fell to the ground dead.

The faces of everyone present changed.

No one expected that Ye Yuan actually made a move to kill under the circumstances where there was no valid reason at all!

“Ye Yuan, you!” Bright Tiger said furiously.

He was already guarding against Ye Yuan, but he did not expect that Ye Yuan actually instantly killed Shaba with an origin divinity attack!

Ye Yuan ignored him and still said to Shuoyan lightly, “I’ll get things rolling. I’ll leave the rest to you.”

Shuoyan’s entire body trembled and immediately nodded his head deeply.

Since words failed, then he would kill!

Shuoyan was a hot-blooded man in his bones too.

At this point, he naturally had no reason to shrink back.

Bright Tiger’s face fell and he said in a cold voice, “Shuoyan, you dare?!”

Big Yellow Bull snorted and said coolly, “This commander wants to see who dares to make a move!”

#### **Chapter 2716: Ye Yuans Plans**

The moment Big Yellow Bull opened his mouth, everyone’s faces changed.

Although he was just a half-step Saint Sovereign Heaven, behind him was a real Saint Sovereign Heaven.

Saint Sovereign Heaven was God in the Myriad Demons Mountain!

“Commander Big Yellow, this isn’t appropriate, right? This is my family matter!” Bright Tiger said in a solemn voice.

“There’s nothing inappropriate! If this commander can’t convince you all, there’s naturally Lord Saint Exalt who will come forth personally. At that time, I’m afraid that nobody here will be able to live! I think that you all know the Myriad Demons Mountain’s rules!”

Big Yellow said it nonchalantly, but each word struck the hearts of Bright Tiger and the rest.

What rule did Myriad Demons Mountain have?

The strong reigned supreme!

If the strong wanted you dead, they did not need any reason at all!

This was the law of the jungle!

I’m strong, so I can dominate everything.

And the true masters of this Myriad Demons Mountain were the three great Saint Sovereign Heavens!

Shuoyan’s gaze turned slightly dark and he spoke up, “Royal Father, me and my eight older brothers are already irreconcilable till death! Today, Shuoyan will have a fair fight with them! If Shuoyan is defeated and dies, there will absolutely be no complaints!”

Bright Tiger’s gaze turned sharp and he said in a solemn voice, “You mean, you want to fight one against eight?”

“Precisely so!” Shuoyan said firmly.

*“Hiss ...”*

Countless true spirits drew a breath of cold air.

Bright Tiger King’s ten sons, apart from Shuoyan, they were all dragons among men.

Their strength was extremely strong existences among the Myriad Demons Mountain’s junior generation.

This Shuoyan actually wanted to fight one-on-eight, wasn’t this courting death?

Bright Tiger King seemed to have somewhat waned interest, waving his hand and said, “Forget it. If you all want to fight, just fight then!”

Shuoyan’s gaze swept across his eight older brothers and he said calmly, “Eight brothers, Shuoyan will give you all the chance to kill me today! Please go ahead!”

Hefeng snorted coldly and said, “Old Sixteen, you’re too conceited! Although your strength has advanced by leaps and bounds these few years, your foundation isn’t stable! Since you’re seeking death, then your brothers will send you off!”

Seeing that Shuoyan actually wanted to fight one-against-eight, Hefeng and the rest were all pleasantly surprised.

They were extremely confident in their strength, how could they possibly lose to this brat?

*Swoosh! Swoosh! Swoosh!*

These eight people naturally had no intention of showing mercy. Each and every one of them released their auras fully and rushed forward.

*“HAH!”*

Shuoyan roared, a terrifying bloodline pressure instantly exploding.

*“Greater Xiantian Dipper Fist!”*

It was only to see Shuoyan throw a punch out. Everyone’s faces instantly changed.

The power of this punch already reached the pinnacle of Limitless Sublime Heavenly Stratum!

Nobody expected that Shuoyan’s one punch actually had such terrifying power.

*Rumble!*

Throwing a punch out, the terrifying air billows directly sent all the eight tiger sons flying.

One punch defeated eight people!

When Shuoyan was at middle Limitless Sublime Heaven, his strength could already contend with grand completion Limitless Sublime Heavenly Stratum.

After awakening his bloodline, not only did his cultivation realm increase, the power of his bloodline even grew significantly stronger!

Now, he was virtually matchless below Jade Sovereign Heavenly Stratum already.

And when Bright Tiger King saw this punch, his eyes revealed even greater shock.

*“Greater Xiantian Dipper Fist! This ... Isn’t this the ultimate move that Saint Exalt Bull Demon comprehended? How does Shuoyan know it?”* Bright Tiger King said in inexplicable shock.

But Ye Yuan smiled and said, *“Your son is currently Saint Exalt Bull Demon’s personal disciple. Is it very strange that he knows this move?”*

The Shuoyan after awakening his bloodline, his talent was indeed terrifying too, as if he had become enlightened.

He only used half a month’s time and already had a preliminary grasp of this move.

Compared to Saint Exalt Bull Demon, he was naturally 108 thousand miles away. But it was more than enough to deal with his few older brothers who had a similar realm with him.

Bright Tiger King’s tiger body trembled and he said in shock once again, *“What? Shuoyan?! He ... He became Saint Exalt Bull Demon’s personal disciple?”*

He felt that the sudden turn of events he had encountered in this lifetime was not as many as today!

Big Yellow Bull said coolly, "That's right! Shuoyan awakened a powerful bloodline talent. His future accomplishments will likely far surpass yours. Your other sons are no longer important! So, do you think that Shuoyan will do something to harm his biological brothers in order to inherit your mantle? Does he have the need?"

Bright Tiger King's entire person was petrified there, his head rumbling.

It was naturally impossible for Big Yellow Bull to lie about this matter. The Greater Xiantian Dipper Fist could not be faked either.

This was to say that he was deceived by this bunch of scoundrels?

Furthermore, it was actually this bunch of sons that caused this consequence today?

With the truth coming to light, there seemed to be a volcano in Bright Tiger King's chest that was about to erupt!

"Hefeng!" Bright Tiger King bellowed loudly, scaring the mountain full of true spirits until their expressions changed.

"R-Royal Father!"

Hefeng was severely wounded by one punch and still vomiting blood out of his mouth. But, he was more frightened.

Hearing that Shuoyan became a Saint Exalt's disciple, he already despaired in his heart.

"I'm not your royal father! *Huhu*, the few of you are really my good sons!" Bright Tiger smiled coldly, his eyes full of murderous intent.

"Royal Father, it ... it's not what you think! W-We really didn't do anything!" Hefeng said fearfully.

*Bang!*

Bright Tiger pointed a finger. A terrifying force directly penetrated Hefeng's head.

Hefeng, dead!

Following that, he flicked his sleeves and said in a solemn voice, "Drag them all away for me and kill them!"

Bright Tiger King directly sentenced his eight sons to death.

Now, he only had one son, Shuoyan.

Of course, this son was also his pride!

"Good! Fine lad! Royal father has wronged you! You lived up to expectations!" Bright Tiger hugged Shuoyan and said apologetically.

"It's not that I lived up to expectations, but that Big Brother Ye Yuan is amazing! If it wasn't for his heavenly pill, it wouldn't have been possible for me to awaken my bloodline too. Master he also

wouldn't have taken fancy on me, and we'd have long died in the Saint Exalt's territory as well. Everything about this child was thanks to Big Brother!" Shuoyan said.

Bright Tiger was shocked in his heart. He already overestimated Ye Yuan's heavenly pill as much as possible, but he did not expect that he still underestimated it!

He did not think that Shuoyan could actually awaken such a terrifying bloodline power.

Just now, when Shuoyan took action, he already felt it clearly.

Shuoyan's bloodline power was extremely high-level, he was unable to distinguish it at all!

But without a doubt, it was far stronger than him, this father!

This son's future accomplishments would definitely be above his!

Now, he even became Saint Exalt Bull Demon's disciple. This was simply soaring to the heavens in one bound.

"Oh, right! Right! Master Ye, Bright Tiger has offended previously, hope that Master Lord will be magnanimous and don't fuss about it!" Bright Tiger King said in fear and trepidation.

Right now, he no longer had the slightest sense of superiority in front of Ye Yuan.

If Ye Yuan was willing, he could even determine his life and death with a word!

Ye Yuan smiled and said, "Alright, your family matter has also been dealt with. Everyone can scatter then. The few of you rest assured. What I promised you all is still effective! Having a few more Saint Sovereign Heavens in this Myriad Demons Mountain isn't a bad thing either. But, you all have to hurry up with the matter of searching for heavenly pills."

Ye Yuan naturally had selfish motives in doing so too.

The power and influence of the Pill Alliance were too powerful!

They had true grade heavenly pills too, creating Saint Sovereign Heaven powerhouses was naturally nothing difficult as well!

If Ye Yuan wanted to return to the Five Great Heavenly Regions, he must have a powerful faction as the backing.

This Myriad Demons Mountain was naturally the best choice!

### [Unrivaled Medicine God](#)

#### **Chapter 2717: Exiting Seclusion!**

Cultivation was timeless, there were no years in the mountains.

50 years passed in a haste.

During these 50 years, Ye Yuan spent a rare period of peaceful days in the Myriad Demons Mountain.

On this day, outside a cave, Bright Tiger five people were fidgety, pacing back and forth continuously.

"I say, Golden Fur, can you stop for a while? You keep pacing around, Your Father's eyes are getting dizzy!" Bright Tiger said in annoyance.

Golden Fur was naturally the Wild Lion King.

The moment Wild Lion heard, he said in a great rage, "Look at that tiger face of yours. It's almost drooping into a donkey's face. What qualifications do you have to talk about Your Father?"

This cave was precisely Ye Yuan's closed-seclusion venue.

And today was the day when Ye Yuan's 50-year oath expired!

If Ye Yuan could not hand over the Precious Jade Heavenly Sacred Pill today, he would suffer Heavenly Dao's backlash and die!

And the five of their Saint Sovereign Heaven dream would also be completely shattered.

Therefore, the five of them seemed very restless at this time.

Of course, more of it was worry.

"Sigh, I say, can Ye Yuan really do it? 50 years to break through a major cultivation realm and even have to reach that inconceivable realm in Alchemy Dao, it's seriously too hellish!" Myriad Elephant said worriedly.

"Thinking about it now, it's indeed a little too optimistic! This sort of thing, it doesn't feel too probable when you think about it too!" Bright Tiger King said.

"There's still less than an hour before the oath needs to be fulfilled! He hasn't even come out until now. I'm afraid that his chances of coming out are very slim!"

They admitted that Ye Yuan was extremely monstrous.

But 50 years ago, Ye Yuan had merely just entered Limitless Sublime Heavenly Stratum and had not even begun researching grade three heavenly pills.

These 50 years, not only did Ye Yuan have to break through a major cultivation realm in Martial Dao realm, he even had to break through two major realms in Alchemy Dao!

This sort of thing, thinking about it did not feel too likely either.

One had to know, how many amazingly talented people had been blocked by Jade Sovereign Heavenly Stratum this threshold?

Jiang Li was known as Heavenly South's number one genius and he was also sealed in front of this step for as long as several hundred years!

A martial arts genius like Luo Yunqing was similarly blocked for hundreds of years.

Breaking through to the realm of Sovereign required opportunity!

But only a short 50 years was given to Ye Yuan!

What was even more damning was that Ye Yuan's incomparably profound alchemy path realm undoubtedly required even more time to polish.

Bright Tiger five people and Saint Exalt Bull Demon practically dug three feet into the ground of the entire Myriad Demons Mountain and finally gathered six portions of the Precious Jade Heavenly Sacred Pill's heavenly medicines five years ago.

However, it had already been more than ten years since Ye Yuan's last closed-seclusion!

They also did not know how far Ye Yuan had reached.

*"Humph!?"* The few of you listen up, if Ye Yuan can't come out, kill yourselves to atone for your crime!"

At this time, Saint Exalt Bull Demon who had his eyes closed all along not far away suddenly opened his mouth.

The moment the five people heard, their expressions changed greatly.

Ye Yuan getting killed by Heavenly Dao backlash was equivalent to severing his path forward too.

How could he tolerate this sort of thing?

Saint Exalt Bull Demon firmly believed that with Ye Yuan's talent, reaching that profound realm was merely a matter of time.

But these five fools actually forced Ye Yuan to sweat a Heavenly Dao Oath and had Ye Yuan refine the Precious Jade Heavenly Sacred Pill within 50 years!

50 years was far too short!

How amazingly talented was he, Saint Exalt Bull Demon? Back then, he spent several thousand years to cross a major cultivation realm.

Let alone that Ye Yuan also had to spend a lot of energy on the alchemy path.

In the view of Saint Exalt Bull Demon, these five people's actions were simply foolish!

Once a Heavenly Dao Oath was activated, it would be a dead end.

Even he, this Saint Sovereign Heaven powerhouse, would not be able to undo it as well.

*"Lord Saint Exalt, we ..."*

*"Shut up! Are your brains all made out of shit? What can 50 years be enough for??Mn??Whoever speaks again can go and die right now!"*

Heavenly Rat King was just about to open his mouth to provide an explanation when he was rebuffed by Saint Exalt Bull Demon.

They did not understand why Lord Saint Exalt would be so furious.

Even if a heavenly alchemist died, it was also not to an extent of being so irritable, right?

Rather, it was Bright Tiger King's face that changed repeatedly, but he did not say much.

He learned about the secret of Saint Sovereign Heaven powerhouses from Shuoyan.

If Ye Yuan died, it would be equivalent to cutting off the hope of Saint Exalt Bull Demon transcending the Saint Sovereign Dao Tribulation. How could he not be furious?

Following Saint Exalt Bull Demon's fury, tranquility was restored outside the cave.

Time slowly trickled by, everyone felt each second pass like a year.

Finally, the time had come!

But, Ye Yuan still did not walk out of the cave!

Everyone's heart sank to rock-bottom.

15 minutes!

An hour!

Two hours!

Ye Yuan still did not come out!

Everyone despaired.

"Sigh, did he still fail in the end?" Bright Tiger shook his head, his eyes full of disappointment.

Another two hours passed, Ye Yuan still did not appear.

Saint Exalt Bull Demon opened his eyes. The disappointment in his eyes could not be concealed no matter what.

"Shuoyan, go and collect your big brother's corpse!" Saint Exalt Bull Demon said with a light sigh.

One sentence made Shuoyan's tears directly fall down.

He struggled to stride forward, walking towards the cave.

When he reached the entrance of the cave, he could no longer take another step forward.

But right then, a figure walked out of the darkness.

Shuoyan's entire body trembled. Rubbing the tears away from his eyes with all his might, a pair of tiger eyes became wide-saucers.

Immediately, the sorrow on his face turned into ecstasy.

"B-Big Brother! Big Brother he's alright!" Shuoyan was agitated until his words came out flusteredly.

Including Saint Exalt Bull Demon, everyone present trembled all over.

"He ... He really did it?" Saint Exalt Bull Demon said in disbelief.

Ye Yuan appearing safely meant that he had fulfilled the oath!

This nearly impossible to complete task was completed by him!

Inconceivable!

“He really did it! He ... He really did it!”

After the shock, Bright Tiger five people were wildly ecstatic!

Ye Yuan completing the oath meant that they were already very, very close to the realm of Saint Sovereign Heaven!

Even Big Yellow who had been honest and taciturn all along started trembling uncontrollably at this time too.

The current Ye Yuan appeared somewhat tired.

His complexion was a little pale.

It was like he had just experienced a great battle.

In reality, he already finished the refinement a few days ago.

However, he refined another three grade four heavenly imperial pills.

The goal was to wake Mi Tian up!

In these 50 years, Mi Tian had been in a deep sleep all along.

The situation of the dragon heart was not optimistic.

Therefore, he thought of using his bloodline power to reverse-flood the dragon heart, and make the dragon heart stronger again.

It was just that Ye Yuan knew that the dragon heart was like a huge container. With his strength, it could not be filled at all.

Hence, he refined three true grade heavenly imperial pills that restored the vital energy and blood, to help himself.

These few days, Ye Yuan kept pouring the power of vitality and blood into the dragon heart continuously, and it really had an effect.

Mi Tian finally woke up after sleeping for 50 years.

When he woke up, he was very surprised too.

Making a move the last time was quite damaging to him, he thought that he would fall into a deep sleep for hundreds of years.

He did not expect that he was actually woken up by Ye Yuan!

Seeing Ye Yuan’s mentally and physically exhausted appearance, Mi Tian was extremely moved.

This made him feel that he had found the right person!

[Unrivaled Medicine God](#)

**Chapter 2718: Six Great Saint Sovereign Heavens!**

“All using this sort of eyes to look at me for? Did you all think that I died inside?”

Ye Yuan looked at the few people’s expressions. How could he still not know what they were thinking?

“N-Not at all!? *Huhu*, with Master Ye’s methods, how can you possibly suffer Heavenly Dao backlash and die?” Wild Lion King replied awkwardly.

Ye Yuan flicked his sleeves, several streaks of light shot toward Bright Tiger six people respectively.

The six people were startled and hurriedly reached out to catch it.

Then, they held it carefully in their palm, as if holding a snowflake in their hands, afraid of it melting.

The six great true spirits looked at Ye Yuan resentfully.

As if saying: this was the hope leading to Saint Sovereign heaven, you’re actually being too casual!

At the same time, feeling the surging power of Great Dao coming from the heavenly pill in their hand, they were extremely moved.

These grade four heavenly imperial pills were really refined by Ye Yuan!

Furthermore, they were of true grade!

“Actually, I finished refining it half a month ago. But in the past half month, I had another important matter, that’s why I was delayed in leaving seclusion. I said before, to promise you all to definitely complete it. I naturally won’t go back on my word,” Ye Yuan said with a smile.

When the few people heard, they all had bitter smiles on their faces.

Since you already finished, why didn’t you leave seclusion earlier?

Although we’re half-step Saint Sovereign Heaven, our little hearts were almost frightened to death by you too!

But the few people all put away the heavenly pill carefully, planning to go back and enter closed-seclusion.

“*Hahaha*, as expected of my good brother! Ye Yuan, you didn’t disappoint this exalt!” Saint Exalt Bull Demon said with a loud laugh.

Ye Yuan smiled and said, “I said before, this younger brother still has some confidence in the path of alchemy. Although 50 years is a little tight, since I dared to promise, I naturally more or less had some confidence. I wonder if Big Brother’s heavenly medicines are prepared?”

Saint Exalt Bull Demon said, “No rush, no rush! You’ve worked hard these few years! Rest well for a period of time first before refining. This old man can still afford to wait for this bit of time.”

Ye Yuan smiled and said, “Then I’ll accept deferentially rather than to decline courteously!”

... ..

On this day, lightning flashed and thunder rumbled; a magnificent and mighty panorama.

A bright-colored enormous tiger soared into the sky. The entire Myriad Demons Mountain could see it clearly.

For some time, the entire Myriad Demons Mountain was in a stir.

“That is Bright Tiger King! A phenomenon descending from heaven, he broke through to Saint Sovereign Heaven!”

“Our Myriad Demons Mountain has not seen a Saint Sovereign Heaven appear for tens of thousands of years already! His breakthrough is really the Myriad Demons Mountain’s great prosperous age!”

“With this, a new Saint Exalt has appeared! The Myriad Demons Mountain is going to experience a reshuffle!”

... ..

A Saint Sovereign Heaven coming into being, this was a flourishing age for the entire Rainclear Continent.

It had a huge impact on the Myriad Demons Mountain!

All forces would be reshuffling.

Several days later, the phenomenon dissipated.

Everyone knew that the new Saint Exalt Bright Tiger had been born!

However, it exceeded everyone’s expectations.

On the second day after Bright Tiger corroborated his Dao, a phenomenon appeared again!

A large yellow bull soared to the sky and mooed.

The entire Myriad Demons Mountain was shocked once again!

“This ... This seems to be Commander Big Yellow under Saint Exalt Bull Demon, right? He actually broke through to Saint Sovereign Heaven too?”

“Too crazy! In just a few short days, two great Saint Exalts actually appeared!”

“This is also too coincidental. How could they break through at the same time?”

... ..

Ordinary true spirits naturally did not know about the matters between the upper echelon.

So the impact of two great powerhouses breaking through at the same time was too fantastical to them.

For several tens of thousands of years, there was not even one Saint Sovereign Heaven.

But within a few short days, two actually broke through at the same time!

However, this was merely the beginning!

Big Yellow's breakthrough was not over yet when another phenomenon rose to the sky once more on Myriad Demons Mountain!

This time, it was a giant elephant!

Myriad beasts seethed with excitement!

"The third Saint Sovereign Heaven! Freaking hell, what on earth is going on? Could it be that the celestial phenomena suddenly changed drastically, we all have a chance to break through to Saint Sovereign Heaven?"

"The heavens changed! The heavens have really changed!"

"Myriad Demons Mountain has been quiet for too long. This time, it will probably be entering an era of heroes vying for supremacy!"

... ..

Myriad Elephant King's breakthrough completely ignited the Myriad Demons Mountain.

They were completely unable to understand why such an inconceivable thing would happen.

Saint Sovereign Heaven, that was a god-like existence, that was an invincible existence.

How many powerful true spirits had this step stumped?

But now, it actually became so worthless!

A day later, two phenomenons rose to the sky again.

This time, everyone was numb.

Saint Sovereign Heaven really became cabbages!

All the way until two days later, when the last phenomenon appeared, people had already become accustomed to it and it could no longer stir up the slightest wave.

In less than ten days from start to end, six great Saint Sovereign Heavens broke through at the same time.

The phenomenon in the sky was like a firework show that never went out; incomparably gorgeous.

This spectacular scene was hard for many true spirits to see once all their lives.

In the depths of the Myriad Demons Mountain, a shadow cut through the sky and fell on the mountain.

What appeared was actually a large bird.

An old ape leaning on a walking stick with one hand behind its back slowly walked in front of that shadow.

That shadow said, "Old Ape, what the hell is going on? When did Saint Sovereign Heaven become so worthless?"

The old ape looked at the enormous projections above the sky, his gaze deep as he said, "Saint Sovereign Heaven is the realm of prying into heaven. It's incomparably difficult! Among a thousand half-step Saint Sovereign Heavens, it's hard for one to be able to break through too. This kind of phenomenon isn't normal!"

The large bird snorted coldly and said, "Nonsense! Does this exalt not know that it isn't normal? I came to find you to ask whether or not you know what happened!"

The old ape glanced at him and said coolly, "That stupid bull found a treasure!"

The large bird was stunned and said baffledly, "Found a treasure? You mean ..."

The old ape had an expression like he was looking at a fool and said coolly, "Idiot! What treasure can let six true spirits break through to Saint Sovereign Heaven at the same time? I'm saying, that dumb bull came under the patronage of a big shot! There must be an unfathomable guy by his side!"

The large bird trembled all over and said, "Unfathomable guy! What kind of unfathomable guy can create six great Saint Sovereign Heavens at the same time? Could it ... Could it be ..."

He suddenly thought of something and became incomparably excited.

Because that answer let him see hope too!

He and the old ape were both already on the brink of life and death.

The fourth Saint Sovereign Heaven Dao Tribulation that could come at any time, they would not be able to tide over no matter what!

The old ape drew a deep breath and said with a nod, "That's right, grade five heavenly alchemist! I didn't expect that a grade five heavenly alchemist would actually appear on this Rainclear Continent!"

The large bird stomped its feet, radiating brilliant light as it said, "This stupid cow actually concealed so deeply! No way! We can't resign ourselves to doom! If a grade five heavenly alchemist appeared, then we'll have hope of tiding over the fourth Saint Sovereign Dao Tribulation! What are you still waiting for, old thing?"

The old ape shot the large bird a fierce glare and said with a cold snort, "How can this level of existence be slighted like this? We can't make a move without being fully prepared! Just wait, the news will come very quickly!"

#### **Chapter 2719: Who is Master Ye?**

"Splendor Cloud Mountain's Heavenly Strength King is here!"

"Feng Ji Mountain's Jade Fox Fairy is here!"

... ..

One powerful true spirit after another appeared on Bull Demon Mountain.

After the six great Saint Sovereign Heavens emerged, Saint Exalt Bull Demon summoned all the powerhouses above Limitless Sublime Heavenly Stratum on Myriad Demons Mountain to gather at Bull Demon Mountain and hold a Myriad Spirits Summit!

This Myriad Spirits Summit was an unprecedented grand occasion!

However, different from the past was that the Myriad Spirits Summit this time was not jointly convened by Saint Exalt Bull Demon, Saint Exalt Giant Ape, as well as Saint Exalt Great Roc, three great Saint Sovereign.

Instead, it was announced by Bull Demon Mountain!

This was somewhat intriguing.

After the six great Saint Sovereign Heavens broke through, some true spirits also came to their senses.

The six great true spirits that broke through to Saint Exalt this time were actually all the half-step Saint Sovereign Heavens within Saint Exalt Bull Demon's territory!

Although Lord Saint Exalts did not care about worldly affairs; their status aloof. Actually, there were divisions of territory among themselves too.

Even a fool would also know that the breakthrough this time was unusual!

Especially those peak Jade Sovereign Heaven and half-step Saint Sovereign Heaven powerhouses, they paid even more attention to this.

Because they also wanted to know just what was the secret to this breakthrough?

Who did not want to step into Saint Sovereign Heaven?

At this time, those half-step Saint Sovereign Heavens seated on the left-hand side also started whispering to each other.

"You guys, even Wild Lion that fool can break through to Saint Sovereign Heaven. So why can't this king?" Heavenly Strength King said gloomily.

By the side, Snow Wolf King said in a low voice, "Hush! Heavenly Strength, you don't want your life anymore? Wild Lion is a Lord Saint Exalt now. With his temper, if he heard it, you'll have to die ten times over! It's fine if you're courting death yourself, but don't drag us to it!"

Heavenly Strength was filled with fear, only then coming to his senses. He hurriedly said, "Apologies, apologies, this king still couldn't quite get used to it in a short while! This king's talent and strength are clearly not inferior to the six of them. Yet I keep failing to break through. I really can't reconcile with this!"

Surprise was surprise, but Heavenly Strength King's words uttered what all of the half-step Saint Sovereign Heavens were thinking.

The fellows who used to be similar in strength to them broke through to Saint Sovereign Heaven suddenly. This sort of thing was indeed somewhat hard to accept.

If it was one, that was still fine.

After all, this sort of thing required a massive lucky chance in the first place.

But six broke through all at once. They became somewhat unable to accept it.

This kind of gap made them go crazy!

But the more it was so, the more they scratched their heads, wanting to find the secret of the six people breaking through to Saint Sovereign Heaven.

Since the six could break through, then it should also naturally be a cinch for them!

“Bright Tiger Mountain, Saint Exalt Bright Tiger is here!”

Following this roar, everyone’s hearts immediately leaped up.

Everyone looked towards the entrance and saw Saint Exalt Bright Tiger walking over valiantly and spiritedly.

Feeling everyone’s eyes focusing on him, Bright Tiger was indescribably full of high spirits!

The feeling of breaking through to Saint Sovereign Heaven was amazing!

Walking past his peers of former days, he felt everyone’s complicated gazes and felt even more pleased.

He no longer needed to seek Saint Sovereign Heaven out bitterly anymore!

But his gaze swept across the seats of honor and there was only Big Yellow Bull alone.

Bright Tiger went over and cupped his fists slightly as he said, “Brother Big Yellow!”

Big Yellow nodded slightly and said, “You came? Sit!”

But Bright Tiger did not sit, he smiled and said, “I wonder where Master Ye is? Bright Tiger wants to go and pay respects to him first!”

Hearing this, everyone felt baffled.

“Who is Master Ye?”

“The first thing Saint Exalt Bright Tiger did when he came over isn’t to pay respects to Saint Exalt Bull Demon, but it was to actually to pay respects to this Master Ye?”

“Never heard before that the Myriad Demons Mountain had such a person! Could it be that this Master Ye is actually even stronger than Saint Exalt Bull Demon?”

... ..

Although Bright Tiger had stepped into Saint Sovereign Heaven, in terms of strength, he was naturally significantly worse compared to Saint Exalt Bull Demon three people.

So in everyone’s view, the first thing Bright Tiger had to do should be to pay respects to Saint Exalt Bull Demon three people.

But who on earth was this Master Ye?

But Big Yellow laughed and said, “*Huhu*, forget about you, even this exalt hasn’t seen him in a long time too! But today’s true spirit summit, Master Ye should exit seclusion! At that time, it won’t be late for the few of you to pay respects.”

Bright Tiger said with reverence and awe, “So that’s how it is! Master Ye going in closed-seclusion, there must be a major move! Then Bright Tiger will quietly wait for him to leave seclusion!”

Finished saying, Bright Tiger came to his seat and sat upright.

But ‘Master Ye’ this name started to be discussed heatedly by everyone.

Very soon, Myriad Elephant King arrived too.

After he greeted Big Yellow and Bright Tiger, the first thing he did was also to inquire about Ye Yuan’s whereabouts.

The five of them had just exited seclusion not long and had not paid respects to Ye Yuan yet.

So the first thing was naturally to thank Ye Yuan who bestowed upon them the lucky chance.

After getting Big Yellow’s answer, Myriad Elephant King sat down idly too.

But the name of ‘Master Ye’ started to get discussed even more heatedly among all the true spirits.

“Master Ye again! Just what kind of person is this Master Ye?”

“The first thing that two great saint exalts did when they came here, is actually to look for this Master Ye!”

“The other three Lord Saint Exalts wouldn’t also want to meet Master Ye when they come over, right?”

“There’s something odd! Could it be that this Master Ye is a transcendent erudite? The breakthroughs of the six great saint exalts were all his work?”

... ..

The smart ones already guessed some clues.

This was not hard to guess!

And following the arrival of Saint Exalt Wild Lion and the rest, it confirmed their guesses even more.

As expected, the first thing they did after they came was similarly to pay respects to Master Ye!

Hence, ‘Master Ye’ became the most mysterious existence in everyone’s eyes.

There were even some people who already guessed Ye Yuan’s heavenly alchemist identity.

Of course, in their eyes, ‘Master Ye’ was definitely a powerful grade five heavenly alchemist existence!

Being able to create six great Saint Sovereign Heavens at the same time, this sort of astonishing means could only be accomplished by a legendary grade five heavenly alchemist!

These half-step Saint Sovereign Heaven and grand completion Jade Sovereign heaven existences all started to become restless.

They really wanted to know just what kind of god this legendary 'Master Ye' was!

"Saint Exalt Giant Ape is here!"

"Saint Exalt Great Roc is here!"

Hearing these two calls, everyone was shocked.

They did not expect that these two actually came too!

One had to know, the Myriad Spirits Summit this time was Saint Exalt Bull Demon acting on his own without consulting others!

This was equivalent to challenging these two!

Everyone guessed that these two people's arrival was most likely to cause trouble!

If this Myriad Spirits Summit succeeded, who would still take them, these two great Saint Exalts, seriously in the future?"

This time, Big Yellow also got up to greet heartily, saying with a smile, "Saint Exalt Giant Ape, Saint Exalt Great Roc, the two of you arriving really honors the humble Bull Demon Mountain with your presence!"

Giant Ape leaned on the walking stick, smiling radiantly as he said, "What's Younger Brother saying? At present, if this Bull Demon Mountain is considered humble, then wouldn't the two of our residences become ragged?"

Saint Exalt Great Roc also smiled and said, "I haven't congratulated Younger Brother Big Yellow yet, for becoming our peer!"

Big Yellow hurriedly smiled and said, "I dare not, dare not! Two brothers are Big Yellow's dear elder brothers!"

This conversation made everyone stare in bewilderment.

#### **Chapter 2720: Paying Respects to Master Ye!**

No one expected that Saint Exalt Giant Ape and Saint Exalt Great Roc would actually be so polite.

Big Yellow was these two people's junior. Even if he became a Saint Exalt now, he still did not have the capital to be proud in front of the two of them.

But they were courteous!

When these two were talking, they completely put Big Yellow on the same level of footing as them.

"*Huhu*,?the people have pretty much already arrived, why hasn't Younger Brother Bull Demon shown himself yet?" Saint Exalt Giant Ape said.

His voice had yet to fade when a powerful aura arrived with a howl.

The expressions of Giant Ape and Great Roc changed abruptly, looking at the arrival in shock.

“This old bull ... actually broke through!” Great Roc said with a look of disbelief.

Saint Exalt Giant Ape’s eyes were also glimmering as he said, “Looks like this exalt’s guess was right!”

“Haha, old ape, damn bird, it’s still this exalt who took this step first!” Saint Exalt Bull Demon landed on the ground and looked at the two smugly as he said.

The three people had fought for many years and had always been running neck to neck.

Now, he took this step first out of the three, he naturally had the intention of showing off a little.

Hearing this, the faces of the two great Saint Exalts became black as the bottom of a pot, but they did not dare to express anything.

After Saint Sovereign Heaven, wanting to advance a step was seriously far too difficult.

The three of them spent several tens of thousands of years and only reached peak lower Saint Sovereign Heaven too.

But now, Saint Exalt Bull Demon already broke through from lower Saint Sovereign Heaven to middle Saint Sovereign Heaven first!

Saint Exalt Bull Demon was already the well-deserving king of the Myriad Demons Mountain!

Giant Ape and Great Roc also looked forward to the grade five heavenly alchemist behind Saint Exalt Bull Demon even more because of this.

No matter how great a price they had to pay, they would also have to cozy up to this ‘grade five heavenly alchemist’!

“Bull Demon, you don’t have to be so pleased with yourself! It isn’t that your talent surpasses the two of us. It’s just that you were lucky and encountered a grade five heavenly alchemist; that’s all! As long as this master is willing to take action, could it be that the two of us can’t break through?” Great Roc said with a cold snort.

“Grade five heavenly alchemist?” Saint Exalt Bull Demon was taken aback and immediately, his face revealed a playful smile.

These two guys did not know the inside story and actually thought that Ye Yuan was a grade five heavenly alchemist!

However, it was not strange either. There were probably many grade five heavenly alchemists who could not even match up to Ye Yuan’s means!

Seeing Saint Exalt Bull Demon’s expression, Saint Exalt Giant Ape sneered and said, “Why? Do you take the two of us to be fools? Already at this point, do you still want to hoard it for yourself?”

Saint Exalt Bull Demon laughed loudly and said, “You two old things, even if I were to really hoard it for myself, what can you guys do to me? That’s right. It’s indeed not easy for this exalt to kill you guys. But,

if you really piss this exalt off, you guys probably won't be able to remain on Myriad Demons Mountain anymore, right? Could it be that you guys can still break through and come back to take revenge?"

The words made the two great Saint Exalts very depressed.

Although Saint Exalt Bull Demon broke through, it was not easy if he really wanted to kill the two of them.

But, with Saint Exalt Bull Demon's current strength, they would not be able to remain in the Myriad Demons Mountain if they wanted to.

Seeing the two people's deflated expressions, Saint Exalt Bull Demon was very pleased with himself.

"Heh, you guys rest assured, I, old bull, isn't that kind of narrow-minded person! Without you two old things, this exalt will also find it a lot less fun. Younger Brother Ye is currently preparing to exit seclusion. He'll come over right away! As for whether or not you can let him take action, it will depend on yourselves!" Saint Exalt Bull Demon said with a laugh.

Younger Brother?

When Giant Ape two people heard this, they carried some doubt amidst their excitement.

This old bull actually dared to address the other party as a younger brother?

But Saint Exalt Bull Demon ignored the two people's doubtfulness. Flicking his sleeves grandly, he said in a loud voice, "I believe that everyone also knows that six Saint Exalts have broken through in succession within a few days on our Myriad Demons Mountain! Therefore, the arrangement of this Myriad Demons Mountain will naturally have to undergo a huge change. Convening everyone today, it's to address this!"

The words made everyone become nervous.

The size of one's territory was not just the manifestation of one's status, there were many genuine benefits.

Coming here today was clearly to break the original rules and reestablish new rules.

This way, it would change everyone's interests.

It concerned each of their true spirit's interests!

Giant Ape two people wanted to say something but shut their mouths sensibly.

Now, it was already not what they could order people to do.

"From today onwards, all Saint Exalts will no longer have any territory, only their own fiefdoms! All of the Myriad Demons Mountain's territories will be distributed to those below Saint Sovereign Heaven!" Saint Exalt Bull Demon's words immediately caused huge waves.

Myriad Demons Mountain, the three great Saint Exalts occupied close to 70% of the territory.

Now, they were actually going to take out all 70% of this territory for everyone!

The expressions of Giant Ape and Great Roc two Saint Exalts were indescribably ugly.

However, they also knew that Saint Exalt Bull Demon definitely still had something else to add on.

This guy did not run a charity.

Sure enough, Saint Exalt Bull Demon continued, "From now on, the Myriad Demons Mountain will set up an All-Saint Temple. All saint exalts will belong to the All-Saint Temple! Those whose strengths reach half-step Saint Sovereign Heaven can enter the All-Saint Temple and become guest retainers. From now on, no matter which territory, you all have to hand over resources that are grade three and above to the All-Saint Temple, and the All-Saint Temple will distribute them uniformly."

The moment these words came out, the expressions of all the true spirits changed.

All-Saint Temple this move was too ruthless!

This was equivalent to monopolizing all of the high-level resources!

Rather, it was the saint exalts whose eyes suddenly lit up.

This was tantamount to concentrating the resources of the entire Myriad Demons Mountain to support the few great saint exalts!

This was absolutely a great thing for saint exalts!

Many true spirits showed dissatisfied expressions.

But in this jungle, whatever a Saint Exalt said, that was it, they were not allowed to refute it.

Right at this time, a human figure suddenly appeared in everyone's field of vision.

"Human! Why would there be a human here?"

"A lower Jade Sovereign Heaven actually barged into the true spirit summit, is he courting death?"

... ..

This human was naturally the Ye Yuan who had just exited seclusion.

These few days, his Nine Heavens Dragon Transformation Fist had some insights again, so he went into closed-seclusion for a few days.

Seeing Ye Yuan, Saint Exalt Bull Demon smiled and said, "Didn't you guys want to meet the expert behind me? He's already here!"

Saint Exalt Great Roc was taken aback and said with a black face, "Old bull, do you think that having broken through, you can toy with us? How can a mere lower Jade Sovereign Heaven possibly be a grade five heavenly alchemist?"

Giant Ape also had an unfriendly expression as he said, "Bull Demon, you're going too far! Randomly finding a human to brush us off?"

Jade Sovereign Heavens were powerhouses of a region in the Myriad Demons Mountain too.

But they were nothing at all in the eyes of the two great saint exalts.

So the first thing the two of them felt was that Saint Exalt Bull Demon was toying with them!

But just as they flew into a thunderous rage, the six great saint exalts that just broke through left their seats in unison and dashed over toward Ye Yuan like the wind, scrambling to be the first.

“Newly ascended Saint Exalt Bright Tiger specially came to pay respects to Master Ye!”

“Newly ascended Saint Exalt Big Yellow specially came to pay respects to Master Ye!”

... ..

The six great saint exalts surrounded Ye Yuan, directly bowing all the way down.

That appearance was incomparably devout.

This entire mountain of true spirit powerhouses, plus Giant Ape and Great Roc two saint exalts, were utterly stunned.
