

Chapter 36

Leslie burst out a kind of cold momentum. The smile on her cold lips was like a queen's, which made Bonnie feel a strong sense of oppression.

Bonnie had planned to step on Leslie to please Sarah.

Unexpectedly, Leslie did not show weakness and was no longer the pushover of the past. What she said was very reasonable, leaving no room for refute.

"Don't worry. Bonnie is not sensible. She's just talking nonsense here! I'm so happy that you can come with me!" Sarah quickly grabbed Leslie, and kept winking at Bonnie!

Once Leslie left, their plan could not be carried out.

"I'm sorry, I... I did hear some rumors. Leslie, sorry, please stay."

Bonnie hurriedly apologized. She knew that if Leslie left, she would definitely offend Sarah.

Leslie chuckled, "I forgive you, since you beg me to stay."

Leslie's words made Bonnie heave a sigh of relief. However, she was secretly extremely pleased with herself. Well. It won't be long before she's ruined!

"Jensen, here!" Sarah pulled Jensen to sit aside.

Leslie sat down once more. Although the remaining women weren't pleased about her, they did not dare

to say anything else.

Gregory tried to chat with Leslie. Leslie's face was cold and she did not pay any attention to him.

Gregory was asking himself to be snubbed, so he could only leave.

Bonnie pulled Sarah aside and whispered, "I've got everything ready. When the juice is ready..."

Sarah curled her lips and said, "That's good. I want you to make sure it's foolproof! The dosage in Gregory's cup... must be enough!"

Sarah wished that Leslie could be trampled on. If Gregory drank that, well, god bless Leslie!

"I see." Bonnie said with a chuckle.

"After it's done, I'll pay you 100,000 dollars."

Sarah said in a low voice. It was so noisy over there that no one could hear what they were discussing.

Bonnie went to the kitchen to get juice, and there were several other helpers with her.

Just ten minutes later, someone knocked on the door.

In order to hold this plot banquet, her parents had been sent away by Bonnie.

Leslie immediately stood up and said with a calm expression, "I'm going to see who it is."

When Leslie walked out, one of the girls said confusedly, "Why, isn't everyone here? Did Bonnie's parents come back?"

Hearing that, Sarah's face suddenly turned pale.

In other words, there were outsiders?

Jensen was surrounded by a group of girls, and his vanity was greatly satisfied. See, no matter where he was, Jensen was the brightest star.

But the next moment, Leslie's laughter came, "Mya, Dominick, I didn't expect you to come. Mya, so you know them?!"

Sarah's face froze, and she looked coldly at the outside.

Sure enough, Leslie walked in with Mya and Dominick.

One of the girls stood up and smiled happily. "They're my cousins!"

Mya said hello to the girl and glanced at Sarah proudly.

Sarah had a bad feeling.

However, although Leslie and Mya were good classmates, it did not mean that they could see through the conspiracy tonight!

As soon as Dominick showed up, he immediately attracted the attention of all the girls!

"Isn't that the heir of the Cohen family in the newspaper?"

"Oh, my God, he's so handsome!"

"Dominick, Mya's older brother. He has just returned. I heard that he has no rumors abroad!"

"Dominick, nice keeper!"

The girls discussed enthusiastically, leaving Jensen,

who had just received attention, out of the blue.

In terms of talent, looks, and family background, Dominick was superior!

Of course, girls only cared about the best. Dominick robbed all the light of Jensen.

Dominick was sitting beside Leslie, and the three of them were talking and laughing.

The girls were so embarrassed that they did not dare to talk to Dominick.

Jensen sat there embarrassedly and looked at the brilliant and sincere smile on Leslie's face. He only felt that it was extremely dazzling!

Why was she never willing to show a sincere and brilliant smile to him?

How did Dominick, who was on the same level as him, manage to get her care?

Dominick's family background was slightly better than his, so was Leslie so snobbish?

Jensen's heart was full of unwillingness and anger!

On the surface, however, there was still a smile on his face.

At this time, Bonnie and several girls brought out the juice.

When she saw Dominick and Mya who suddenly appeared, she was extremely surprised. Dominick's tall and broad back made her nervous.

"Bonnie, a glass of apple juice for Leslie. She likes that."

Sarah suddenly cried out, and Bonnie came to her senses. She smiled gently at Dominick and handed a glass of juice to Leslie.

Leslie accepted it calmly and said, "Thank you."

Bonnie smiled tenderly and said, "This must be Miss Mya. This is..."

"This is my brother, Dominick. I believe you all see my brother in the newspaper! He will be the heir of Cohen Group!" Mya smiled proudly.

Bonnie blushed. Today was her lucky day, wasn't it? Because not only Jensen came, but Dominick also came!

Today was her birthday. If Jensen and Dominick were not interested in her, why would they appear here?

Miss Bonnie began to fall into a narcissistic fantasy.

"Hello, I'm Bonnie Hendrix. Nice to meet you!" Bonnie said with a bright red face.

Dominick nodded gently. Bonnie was so shy that she quickly handed him a glass of apple juice and then handed the juice to other classmates.

Mya glanced at Gregory and walked over. "Gregory, come with me."

Gregory looked at Mya in confusion. He remembered that he had never offended Mya!

However, he, a playboy, stood up lazily and said, "Well, do you have something to talk to me about, beauty?"

The two of them walked to the balcony one after the

other.

Leslie saw that Sarah and Jensen were having a very pleasant conversation, so she did not notice what was going on here.

So she said something to Dominick in a low voice. Dominick smiled and nodded.

At this time, Jensen came over and said hello to Dominick. Then he took the opportunity to sit beside Leslie.

Leslie felt disgusted and quickly smiled at Dominick and said, "Dominick, I'm not used to sitting in the middle. Why don't I change seats with you?"
