

## Chapter 38

"Come on, get away!" Sarah's face was pale. She couldn't figure out what was wrong. Bonnie must have drunk the glass of juice from Leslie!

However, Leslie's scream attracted a lot of people. They rushed over and asked, "What happened?"

"Yes, Leslie, what happened?" Jensen, Dominick and Mya were also present, so they could not help but ask with concern.

Leslie's face was pale. She pointed to the room and said, "Bonnie... Bonnie, she..."

Seeing Leslie's expression, a few girls who were close to Bonnie rushed forward!

"Bonnie is resting. Don't disturb her!" Sarah saw this and shouted quickly. After all, Bonnie was her accomplice. Once the scene in the room was exposed to the classmates, she was afraid...

But one of the girls was pushed hard by someone, and her body suddenly hit the door.

The door was not locked, but it was completely opened as soon as it was knocked down.

Everyone subconsciously looked into the room and looked at the two making out in shock...

Dominick took a look and quickly covered Mya's eyes.

The students watched this scene in shock and embarrassment. Sarah came to her senses, hurriedly slammed the door and isolated everything inside!

She stood there with a pale face. Once Bonnie woke up, she would get even with her!

"Ahhhh..."

"Oh my god, Gregory and Bonnie..."

"It's so disgusting. She's making out here and lied to Leslie that she's not feeling well..."

"So they hooked up long ago?!"

The students came back to their senses and started discussing loudly. One of the girls shook her head in disbelief. "Impossible... Bonnie can't be in love with Gregory. She... she must have been forced!"

"Forced? Idiot. Didn't you see her hugging Gregory so excitedly just now?"

"Yes, she did it voluntarily. Ugh, so dirty. Forget it, this birthday party is boring. Let's go home!"

Their eyes were full of contempt and disgust, and their faces were full of embarrassment as they quickly left the house.

Sarah's face was pale, but things had already happened. It was impossible to turn the tables!

Why had Leslie's cup of juice been drunk by Bonnie?

With such a question in mind, she stood rooted to the ground. She and a few other girls who were close to Bonnie were the only ones left in the corridor.

She didn't know how long it had been.

Bonnie slowly opened her eyes. She felt as if her whole body had been crushed by something. Her hands and feet were sore, especially her waist, which was about to break. She didn't even have the strength to sit up.

She suddenly remembered something and her face turned pale. The pain in her body made Bonnie look at her side in shock!

A completely naked man was lying beside her, sleeping soundly. That fat face was none other than Gregory, wasn't it?

"Shit!!!!" Bonnie screamed and kicked Gregory on the bed with all her

strength.

Gregory was originally sleeping well, but Bonnie kicked him under the bed, causing him to wake up.

Gregory's head was heavy, and his body was as tired as if his bones had been torn apart. Suddenly, he recalled the scene that had happened before...

In Gregory's memory, only he threw himself at the woman on the bed when the drug flared up...

He couldn't remember what that woman looked like, but he could clearly feel how great that woman's body was...

"Bastard! Gregory... I will not let you go!" In Gregory's daze, pillows, table lamps and other things were all thrown at him.

Gregory was shocked. He stood up instantly. When he realized that he was not wearing anything, he quickly pulled back and retrieved his clothes.

As he put on his clothes, he looked at Bonnie's blushing face in shock. "How... how could it be you? Was it supposed to be Leslie?"

It was such a wonderful feeling. But damn! It was not Leslie! D

Gregory had an obsession towards Leslie. After all, Leslie was not bad.

"You bastard... Didn't you see me when you fucked me? God... I'm going to kill you!" Bonnie rushed over like crazy. Gregory fled outside while putting on his clothes.

Bonnie rushed forward, grabbed Gregory's clothes, and slapped him in the back.

Gregory had originally thought that Bonnie had lost her virginity, so he did not haggle over with her. It did not occur to him that she would actually pounce on him and bite him like a lunatic.

Gregory couldn't bear it anymore and pushed Bonnie to the ground.

"Bonnie Hendrix! I did that because I drank that glass of juice. It's all

because you didn't control the whole thing well! The... the target is supposed to be Leslie, but you came here to ask me to..."

Bonnie's eyes quickly reddened. She screamed, her voice hoarse, "Gregory! It's you... it must be you who changed that glass of wine. You wanted to fuck me a long time ago!"

"What a joke! Bonnie, you may be beautiful, but I don't like a slut! Don't bother me again, or I'll not spare you!" Gregory was already a scoundrel. At this moment, his face was filled with a ruffian's aura. He raised his tightly clenched fist.

Bonnie was so angry that her whole body was shaking, and her tears were falling down.

He not only raped her, but also treated her like that!

"Bonnie, I don't like you. Someone like you is only fit to be someone's mistress. Humph!"

Gregory sneered and finally buttoned his button. He gave Bonnie a disdainful look and strutted away.

Bonnie could not call the police, because of his power... and also because she had cooperated with Sarah to frame Leslie.

Once she called the police, she must have offended Sarah!

Sarah's family strength was much stronger than Gregory's!

At this moment, Sarah rushed in hurriedly and held the trembling Bonnie in her hand.

"Bonnie... I'm sorry, I didn't have the time... to stop it... but I guarantee that this matter will not be spread out. I have already bribed all my classmates and told them to keep it a secret... As for Gregory, I naturally have my own way!"

Sarah said anxiously. She didn't want to lose Bonnie, the pawn.

This was especially so for Bonnie, whose entire body was filled with intense resentment and murderous intent!

For Sarah, it was very good for such a person to be her accomplice.

"Why... why did it turn out like this? I asked someone to drug Leslie's juice, but why... was it me who drank that cup of juice?"

Bonnie glared at Sarah, her eyes burning with anger.

Sarah took a deep breath and took Bonnie to sit on the edge of the bed. When she caught a glimpse of the blood on the bed, she couldn't help feeling indignant.

"I don't know what's going on either... but I can guess that it must have something to do with Leslie!"
