

## Chapter 2454 A Gorgeous Woman

At noon, the competition between Emsgate and Cathay concluded.

Including the results of the last two days, Cathay was ten matches ahead of Emsgate.

Both sides had sent their experts.

Inside the lounge, Winona was gently swirling the wine in her glass.

The wine, as red as ruby, rippled in the glass as she moved her hand.

"Great Octavian, what do you think? I wonder if the Octavian Sect could save you if we lose the competition."

A faint smile formed on her lips before she tilted her head back and finished the wine with a gulp.

She might have poured too much in one go because the wine flowed out from the corner of her mouth.

It ran down from her chin to her neck and eventually rolled down into her cleavage, which she proudly showed off.

The sight caught everyone's attention in the room. Their eyes were burning with desire, even though they were well aware that she was way older than she looked.

However, her youthful and delicate face as well as her curvy body still gave them ideas.

Mylo had to suppress the agitation inside him before he respectfully replied, "Lady Winona, we have done our research before the match. The Martial League has sent those who are capable to participate in the competition. The rest either refused to participate or couldn't make it. But we from the Land of Divinity are different. The young talents from the Talone Sect and the Anbe Family are looking forward to a match. Once it's their turn, they'll definitely beat their opponents."

At that, he couldn't help but flash Winona a proud smile.

This is all thanks to the Damron Family. Thanks to them for revealing the important information and allowing me to make arrangements accordingly.

"You sound confident. That's good to know. However, I'm hoping that you'll cherish the opportunity. If we fail again this time, I'll make you pay."

At that, she stuck out her tongue and ran her tongue along her lip.

Her words are meant to intimidate, Mylo's reason told him. However, his body had a different idea.

The sight of the gorgeous woman before him filled his head with lust.

B\*tch. One day, I'll get you into my bed and f\*ck you to death. He cursed while keeping a straight face. "Yes, I understand. You can rest assured, Lady Winona. I'll make sure nothing goes wrong in the upcoming matches."

Once he finished his words, he left the room with his body bowed and his head lowered.

It was only when he closed the door that he dared to stand taller, revealing the boner inside his pants.

To his shock, he couldn't get the smutty images out of his mind.

"D\*mn it, is Winona some kind of succubus? Why can't I resist her charm?"

After whining to himself, he immediately rushed to where the Talone Sect and the Anbe Family made their preparations.

The contestants from both sides were ready.

"Chad, I heard that the younger generation from Cathay is quite strong too. Even Horatio was almost killed by the young man in white from the Nolan Family."

The person speaking was a young man from the Talone Sect. He pointed at Albus, who was waiting on the players' bench of Cathay, to stress his point.

His companion followed his gesture and turned to Albus. Even though they were all male, they couldn't help but agree that Albus was handsome.

Chad only sneered. "Horatio is just a loser. I can defeat him with one hand if he doesn't possess the Dark Totem. He embarrassed us by losing to a person of our age. They should've chosen us for the matches earlier. That way, the Land of Divinity wouldn't have fallen into such a miserable situation."

His companions from the Talone Sect returned his arrogance with flattery, worshipping him like a group of crazy fans.
