

## Chapter 2665 Destroying the Dock

Rumble!

The echoing explosion was deafening. Under the dazzling firelight, the people on the dockside were obliterated before they could even scream.

In the aftermath of the explosion, miraculously, the previously wounded Jack, who had been down, managed to stand up with the support of a tire. It turned out that the gunshot had only pierced his abdomen and didn't pose a life-threatening danger.

Upon witnessing Jack's apparent resurrection, Shawn laughed and scolded, "Your luck is incredible, buddy!"

Jack, on the other side, had a pale face and grinned, raising his thumbs as if he were proud of his accomplishment, presumably boasting about his survival.

"Brothers, charge in! Wipe them out!"

After dealing with the gunmen on the wall, the remaining opponents were no match for Shawn's team.

As Shawn stormed through the gate, he swiftly eliminated the remaining opponents.

As for Tatum, who had been boasting earlier, though he had survived the explosion, his head was still ringing from the blast.

"Boss, we found that stinkin' runt!"

Accompanied by an exclamation from his side, Tatum felt a sudden pain in his waist. He was knocked down to the ground, and in front of him, Shawn approached casually, carrying a rifle.

"You arrogant ol' b\*stard! Weren't you so cocky just now? Bark now! Go on, bark!" Shawn taunted him and then struck him fiercely on the nose with the butt of his gun.

Tatum felt an excruciating pain surge through his head as blood and tears mixed and gushed out. But before he could recover, an icy cold sensation hit him on his forehead.

Tatum looked sideways, beads of sweat forming on his face, and in a trembling voice, he tried to negotiate. "Young man, please have mercy. Spare me for the sake of your great future. I promise I won't cause you any trouble again, and I'll pretend I know nothing about what happened here."

However, Shawn remained unmoved, and Tatum's plea seemed to fall on deaf ears. "Ptui, how dare you point a gun at me? Are you so eager to meet your maker?"

Seeing that his plea had no effect, Tatum gritted his teeth, his face filled with resentment. "Shoot, if you dare. You've trespassed on the territory of the Durham Family. You won't live for much longer. I'll be waiting for you down below—"

Before he could finish his words, the gunshot rang out.

After retrieving his gun, Shawn spit toward Tatum, whose head had been shattered. "What a piece of trash, talking tough even on the brink of death!"

At this moment, the men who had been searching the dock ran back hurriedly.

"Boss, these guys are not easy to deal with, and with all these shipping containers around, we've lost quite a few men."

The f\*ck?! Dozens of us armed with guns can't take down a dozen or so crippled guys?!

After some hesitation, Shawn's expression darkened. "If they like a street fight so much, then let them stay here! This d\*mn dock is causing us trouble. Let's blow it up!"

"Got it!"

Once the idea of blowing up the dock came up, the excitement of Shawn's group was evident. They started placing explosives at various locations.

With such a commotion, the Keller Family's assassins clearly saw it all. Realizing they had no way out, they steeled themselves and decided to charge out of the dock.

However, their intentions had already been cleverly calculated by Shawn. As soon as the assassins showed themselves, more than a dozen gun barrels on this side were aimed squarely at them!

Without waiting for Shawn's command, gunshots rang out!

Assassins were experts at concealment, but in this open area, they had no cover. Within moments of emerging from cover, several assassins had met their demise.

After Shawn had dealt with the assassins, he holstered his firearm and brushed his bangs back with a chuckle.

"This is so d\*mn thrilling. Master Levi was right; Seraphis is my kind of fun. Haha, amazing! Boys, let's go!"

Shortly after the convoy left, flames erupted from various parts of the dock.

Unbeknownst to Shawn, while blowing up the surroundings might have been exhilarating, it also triggered intense turmoil in the area!
