

The Mightiest Little Peasant Chapter 1051

“Come, come! Let’s drink!”

It was noisy on Jadeite Mountain. People gathered together and drank happily.

When they were drunk, they started to brag. Some young people even started to spar.

The elders were on top of the mountain, while the young prodigies were at the foot of the mountain. It was a wild party.

Tang Hao had brought a lot of liquor today, and he was not sold out yet. He set up a stall, sat by the side of the road, and started counting with his fingers.

At that moment, a handsome man walked over on the mountain path. He was dressed in white and seemed noble.

As he walked, he raised his head and looked at the mountain in front of him.

“Is that Jadeite Mountain?”

“I heard that there are many prodigies here... all the prodigies in the First Continent are gathered here!

“I, Duan Shaolong, have finally reached this level...”

He muttered and clenched his fist excitedly.

Tears brimmed in his eyes when he thought of his experience in the past few years.

It had been really tough!

On Earth, he was a rare prodigy, and everyone looked up to him. However, once he arrived on this planet, he was no one special.

No one paid any attention to him when he first arrived. He was only a lowly servant who suffered humiliation and ridicule.

Everyone had laughed at him because he was a piece of trash from the Ancestral Planet. They made life very difficult for him.

However, he did not give up. Instead, he worked hard and managed to turn the tables. Now, he was the number one prodigy of the Great Sanqing Sect and had an illustrious status as a Path-Chosen.

Once again, he became a prodigy that everyone respected!

He, Duan Shaolong, was indeed heaven’s chosen! He would eventually trample over those so-called eternal monsters, just like he had done to everyone else before this.

First, he would start with that Nameless Qin guy.

As he thought of that name, a look of disdain appeared on his face.

He had never seen Nameless Qin before. Previously, he had been cultivating in seclusion and had never gone onto the Void Realm.

It was said that that person was very brazen and powerful. However, that was only limited to the Void Realm. In the real world, Nameless Qin would be no match for him.

This time, he was equipped with many treasures. He could smash that guy to death.

Once he killed that guy, he would become a Void-Chosen and be renowned throughout the First Continent.

He continued to walk forward while fantasizing.

He caught a glimpse of the liquor stall by the roadside and was stunned.

Behind the liquor stall, Tang Hao glanced over and was stunned as well.

Both of them were stunned on the spot.

'Why is there a liquor stall here? Also, 'divine liquor' sounds quite familiar. Where have I heard of it?' Duan Shaolong thought.

'Isn't that the so-called prodigy of Shu Mountain?' Tang Hao thought.

He remembered that the guy's name was Duan something. It had been a long time, and he had completely forgotten about that guy.

'He really came here!' Tang Hao thought.

Duan Shaolong was puzzled for a while, but he did not think too much about it. The name "divine liquor" was too tacky. It was not surprising to see it here.

He wanted to walk away when Tang Hao opened the seal of a jar of liquor.

Duan Shaolong stopped in his tracks and gulped.

'How about... if I buy a few jars?

'Treat it as an early celebration. Some liquor wouldn't hurt.'

He hesitated for a while before walking over. "Um, how much for one jar?"

"A hundred!" Tang Hao said with a smile.

“A hundred? That’s a little expensive!” Duan Shaolong said, “Let’s make it cheaper! Do you know who I am?”

“I don’t know!”

Duan Shaolong lifted his chin and said proudly, “Listen carefully. My name is Duan Shaolong. Not only am I the number one prodigy of the Great Sanqing Sect, but I’m also a Path-Chosen!”

“Wow!” Right on cue, Tang Hao showed a look of admiration.

Duan Shaolong became even more proud of himself, and he lifted his chin higher.

“You’re a Path-Chosen! Alright, I’ll give you a twenty percent discount. I didn’t give any discount to those people inside!” Tang Hao said.

Duan Shaolong was very happy. His ego had been satisfied.

“Very good! Give me twenty jars!” He waved his hand and said generously.

A while later, he left with the jars of liquor. He got to the valley, greeted the people there, and sat down to drink.

“Let me tell you, that Qin guy is nothing! He’s so brazen only because he hasn’t met me!”

The alcohol got into his head, and he began to brag.

The others were also bragging. Suddenly, some people fell down. The other people thought that they were drunk and did not think too much of it.

The liquor was very strong. Many people were drunk that day.

Plop! Plop! More and more people fell down in groups.

Before anyone could react, they felt their head spinning and fell down.

In just a few minutes, everyone on the entire mountain was on the ground. Only dead silence was left.

The liquor vendor at the foot of the mountain listened for a while and grinned.

“It’s time for the harvest!”

He stood up slowly, packed up his stall, and walked toward the valley.

“Let’s take a look at your treasures!”

He walked toward the first person, rubbed his hands gleefully, and began to loot.

The first unlucky one was the Path-Chosen of the Deathless Sect. He was decked out in treasures, including armor, boots, jade pendants, and rings.

Tang Hao opened his storage and found many other treasures inside.

Someone who could become a Path-Chosen must have collected a lot of good stuff. In addition, their sect must have bestowed a lot of treasures to them.

“Wow! Is this the famous Deathless Branch from the Deathless Sect? I’m rich!”

Tang Hao’s eyes lit up when he saw the piece of wood. He hurriedly stashed it away.

Of course, he was careful to check for any qi signatures on it.

After he was done looting, he took out a small notebook and jotted it down.

He stripped the Path-Chosen clean and dragged him to the side.

The second unlucky one was not Path-Chosen, and he did not have that many treasures on him. Tang Hao did not spare him. He robbed him clean and dragged him to the side.

He continued robbing the prodigies one by one and threw their bodies in a pile. Soon, it was Duan Shaolong’s turn.

Tang Hao found about ten treasures on him.

“What a nice guy!”

Tang Hao sighed and dragged him away.

He was dazzled by the variety of treasures he looted from the prodigies. That was the biggest heist he had pulled off, and it was also the most rewarding.

When it was Feng Wu’s turn, Tang Hao drew on her face.

After looting all the prodigies in the valley, he went up the mountain and looted the elders.

Then, he left the place in satisfaction.
