

## The Mightiest Little Peasant Chapter 1062

The plaza in front of the halls was in chaos.

Everyone was running away from that supervillain.

Not far away, the people from the Ancient Sage Mountain watched and shook their heads.

They had made an exception and invited that kid because the leaders of all the major factions had specially requested for him to appear so that they could defeat him.

That kid had indeed come, but they did not expect that he would break the record and defeat all the other prodigies. It was truly shocking.

If the sect leaders knew about it, they would be livid.

“Enough! Stop!”

Suddenly, someone shouted. It was Jiang Tianwu, who could not bear to watch anymore.

He took a step forward and brandished his qi aura.

“What’s the point of bullying those trash, Nameless Qin? Fight me if you dare!”

Jiang Tianwu shouted loudly. Rays of golden light flew out, landed on his body, and turned into a golden armor engraved with the primordial suanni.

He extended his arm, and a bronze battle spear appeared in his palm. It looked rather simple and even crude, but it exuded an ancient and savage aura.

“This is the Sky Sundering Spear!”

He gripped the battle spear tightly, and his qi aura surged explosively.

Tang Hao sent another person flying with his cauldron before stopping to look at Jiang Tianwu.

“Hmph! I’ve already defeated you!”

“I admit that I was defeated in the Void Realm, Nameless Qin, but you’re no match for me in the real world!” Jiang Tianwu said coldly.

“Is that so?” Tang Hao said disdainfully, “I’d like to see how capable you are!”

He pounced toward Jiang Tianwu and swung his cauldron.

Jiang Tianwu shouted fiercely, lifted his spear, and met the attack.

Clang!

The resulting explosion was shocking.

The golden cauldron and the spear collided, and a dazzling brilliance burst out.

“Die, Nameless Qin!”

Jiang Tianwu hissed, and his qi aura became even more ferocious. The silhouette of a qilin and the qi aura on his body soared again. Accompanied by two hisses, the silhouette of a qilin and a suanni rose from his body at the same time.

The spear in his hands emitted a blurry green light, and it emitted shocking killing intent.

“What a treasure!”

Tang Hao’s eyes lit up. That spear was much more powerful than the Nine Allheaven Swords.

He was not to be outdone. The silhouette of a dragon and a tiger dashed out from his body. Then, the golden cauldron trembled as it was enveloped by surging flames.

One of the flames looked like a phoenix, and it seemed the hottest. That was the Phoenix Perch Fire of the Feng family.

“Come at me!”

He shouted loudly as he swung his cauldron.

Clang! Clang! Clang!

The spear and the cauldron collided continuously.

Everyone was speechless as they watched from afar.

The more Tang Hao fought, the more ferocious he got, while Jiang Tianwu seemed like he was getting exhausted and had to retreat.

“You’re still no match for me here!”

Tang Hao roared and gathered all his strength to swing the cauldron.

Clang!

Jiang Tianwu groaned and was pushed back. He only came to a stop about ten steps later.

“I don’t believe it!”

He gritted his teeth ferociously.

He did not want to lose. He had already lost one match in the Void Realm, and it would be extremely disgraceful if he lost in the real world too.

He took a deep breath, gathered his momentum, and charged forward once more.

“I’ve said it before, you’re not my match!”

Tang Hao smashed down with his cauldron, sending him flying again.

“I’ll take the spear... and the armor...”

Tang Hao dashed forward. Every time he swung his cauldron, he looted a piece of equipment. After he was done, he swung his cauldron again and sent Jiang Tianwu flying dozens of meters away.

“Gulp!”

Everyone’s faces turned pale as they swallowed with difficulty.

The eternal monster of the Jiang family lost twice, in the Void Realm and in the real world.

It was up to the two other eternal monsters to defeat that guy!

Their gazes landed on Yao Tian and Ji Wu.

Those two people were the last hope of the First Continent.

Yao Tian frowned hard. He had a grim expression on his face.

Originally, he was extremely confident in defeating that Qin guy, but he was not so sure now.

Even Ji Wu seemed hesitant.

“Wow, so many treasures! As expected of an eternal monster!”

Tang Hao was inspecting the treasures he had looted from Jiang Tianwu. After rummaging through his storage tools, he found over twenty supreme treasures, which was more than what he found on the Path-Chosen of the Deathless Sect.

“Ha, looks like I have a new Courier Captain!”

“From today on, you shall be known as Courier Captain Jiang!”

Tang Hao beamed with joy and shouted at Jiang Tianwu.

Jiang Tianwu was trying to get to his feet when he heard that. He was so angry that he clutched his chest and fell to the ground.

“Sigh, so sensitive!” Tang Hao shook his head and sighed. Then, he looked at the Path-Chosen of the Deathless Sect among the crowd. “Hey! From now on, you’re demoted to Courier Zhao!”

The Path-Chosen’s face turned ashen. ‘F\*ck! Nobody cares about your titles!’

“That’s enough. This farce should end now!”

Someone said coldly.

In an instant, the entire plaza fell silent. Everyone’s gaze landed on Ji Wu.

Ji Wu took a step forward and said coldly, “You might be powerful, Nameless Qin, but you’re too arrogant. Your power is nothing in front of me. Today, I shall defeat you!”

He said arrogantly, as though he was looking down on all living things.

Everyone was excited. The number one eternal monster, Ji Wu, was finally going to make a move.

“Kill him!”

“Help us get our treasures back!”

Everyone shouted excitedly.

Tang Hao put the treasures away, feeling a little unhappy.

That Ji guy was a little too arrogant, as though he was sure of winning. In the past, Tang Hao did not have enough treasures to be on Ji Wu’s level, but things were different now.

Ji Wu said again, “I won’t take advantage of you. I’ll give you an hour to rest. One hour later, you and I will fight!”

“Okay!”

Tang Hao sneered and agreed. Then, he sat down and started to meditate.

“Haha! Qin guy, you’re dead meat!”

“That brat will definitely be finished if he fights Ji Wu!”

Everyone became very excited.

To them, Ji Wu was a legendary figure who had yet to experience defeat. Even Yao Tian and Jiang Tianwu could not compare to him. That Qin guy would be killed easily.

An hour later, Tang Hao opened his eyes and stood up.

Ji Wu took a step forward and soared into the air. The ancient medallion on his waist vibrated, and a ray of red light shot out, transforming into a scarlet flood dragon that circled in the air.

Ji Wu stepped on the scarlet flood dragon. His treasure coat was shining brightly, and his eyes brimming with divine light. He was like a primordial demigod who had descended upon the mortal world.

Tang Hao cracked his neck, laughed viciously, and soared into the air.

In the air, the two figures looked at each other. Before the actual battle, their qi auras were clashing intensely.

The atmosphere was tense and murderous.

Many people on the mountain peak were watching the battle intensely.
