

The Mightiest Little Peasant Chapter 1327

“A mere Golden Lion! You dare to be impudent in front of me!”

Tang Hao snorted coldly.

The godly bones in his chest shook, and a shocking Dragon might pressed forward.

The feathered mountain leopard’s body trembled, his eyes widened and he cried out in shock, “You ... You are ...”

His face was full of fear, as if he had seen the most terrifying thing in the world.

That was the Dragon’s might!

This guy actually had a piece of true dragon Bone!

He wanted to shout, but his throat seemed to be stuck, and he could no longer make a sound.

Tang Hao smacked the feathered mountain leopard to death with his palm. He then grabbed a golden bone from the splattering blood.

His bones were still stained with blood.

Everyone gasped and sucked in a breath of cold air, revealing an extremely shocked expression.

He killed Yu shanbao with a single palm strike?

Oh my God! What a terrifying physical strength!

They were even more dumbfounded. They all said that this fellow’s strength was not much, but now, he killed a slightly famous expert like feathered mountain leopard with a single palm.

“F * ck! You call this trash?”

“Motherf * cker! Who told me that this guy is a good-for-nothing!”

Everyone cursed in anger, feeling that they had been tricked.

“F * ck! How could I know that this guy has such a terrifying body? no one knows!” The people who first spread the news felt a little aggrieved.

Only a ghost would know that this guy had such an abnormal body!

Tang Hao raised his hand and clapped several times in the face of the light that filled the sky.

In an instant, giant Golden Palms appeared and slapped forward.

Peng Peng Peng!

The radiance that filled the sky exploded.

Everyone was stunned again.

This wasn't a physical body, nor was it a treasure. It was a real spell!

But how was that possible?

Wasn't he a defective Dao fruit? If he had used a spell, it would have been impossible to have such power!

And this fact was absolutely not wrong. How could the results of the star Hall test be fake?

The group of so-called experts were also shocked.

Their pupils shrank as they stared at Tang Hao with bewilderment.

“Disabled? I think there’s a misunderstanding!”

Tang Hao chuckled. He put his hands behind his back and rose into the air.

With every step he took, the aura on his body increased a little. A beam of light shot up into the sky and pierced through the vast sky. A huge Dao ring appeared behind him.

“One severing ... Great circle!”

“What’s that? Dao ring? How can it be so big?”

Everyone was dumbfounded.

They had never seen such a huge Dao ring.

Following that, a scene that shocked them even more appeared. A golden light flashed above that fellow’s head, and a small Golden Boat flew out and hovered above his head, blooming with a brilliant light.

“Then ... What is that?”

Everyone was stunned.

On this small Golden Boat, they sensed an aura similar to a Dao fruit. However, how could a Dao fruit be in this shape?

They were completely dumbfounded. They felt that everything that was happening before their eyes was unbelievable.

A huge Dao ring and a strange Dao fruit!

Everything about this guy was so different!

“This guy ... What’s wrong with him?”

Many people were scratching their heads and were about to go crazy.

“That’s right! That is indeed a Dao fruit!”

Some knowledgeable people recognized it and exclaimed, “this isn’t an ordinary Dao fruit. It’s a special Supreme great Dao that can condense such a special Dao fruit!”

“This guy ... Is definitely not an ordinary person. Although I don’t know why there’s not a single Dao pattern on it, this is definitely not a defective Dao fruit!”

Hearing this, everyone’s body trembled, revealing extreme shock.

“The great Dao of supremacy? Oh my God! It can’t be!”

They couldn’t believe it.

This was the realm of severing one!

They had never heard of anyone who dared to cut off the great Dao of supremacy after cutting off the first Dao!

Those who dared to do this were definitely lunatics!

If one couldn’t comprehend it and cut out the Dao fruit, one’s lifespan would be exhausted and they would die. Such people were everywhere in history, but once they succeeded, they were incredible. In the realm of one cut, they were the top existence, crushing ordinary Dao fruits.

“Gulp!”

Everyone swallowed with difficulty, their faces slightly pale.

The Great Perfection of severing one, and what he severed was the great Dao of supremacy. On top of that, he had an abnormal physical body. How was he trash? he was clearly a powerful expert.

“It’s impolite not to return the favor! Everyone, receive my attack!”

Tang Hao chuckled. His body flickered and he disappeared from where he was standing. A moment later, he was in front of eccentric mu.

Old monster mu was so shocked that his whole body trembled.

He let out a strange cry and frantically scuttled back. At the same time, he waved his hand, and layers of light curtains opened.

He knew how powerful this guy’s physical body was. Once he got close, he would be finished.

However, as soon as he stepped back, he saw the small boat above that guy’s head shake slightly. In a flash, a circle of golden ripples spread out.

When he came into contact with the ripples, the layers melted like ice and snow, and even his figure paused.

“Don’t be scared!”

He screamed in horror, his face contorted in fear.

“Die!”

“Die!” Tang Hao spat. He struck the man with his palm and crushed him from head to toe.

All the divine souls and Dao pillars were blown to pieces.

Seeing this, the crowd was even more shocked, their eyes almost popping out.

F * ck!

What a brutal technique!

And that killing intent, how many people did he have to kill to be able to gather that?

This guy was a F * cking brutal man!

No wonder he killed the People of the Sun Moon Mountain without even blinking.

They had thought that this fellow had gone crazy, but who knew that he was so brutal to begin with?

Tang Hao's figure flashed again and charged at the next person. The Samsara boat above his head rippled again. He struck out with his palm again and exploded it.

Following that, his body flickered continuously, and wherever he went, a bloody light exploded.

Those so-called experts were all killed by a single palm strike, and not a single one of them managed to escape.

Even after killing so many people, Tang Hao's expression remained calm. He looked around and said coldly, "Now ... It's your turn!"

With that, the Samsara boat above his head trembled, and the light of Samsara spread out crazily.

"What ... What is this light?"

"How did my light screen break? "Ah!" My hand, what's wrong with me?"

Wherever the light of reincarnation reached, the light curtains would melt away. Some of the weaker cultivators could not withstand it and began to age. Some of them reversed their aging and gradually became younger.

"This is reincarnation! The time reincarnation great Dao!"

Someone shouted in horror.

The crowd was in a state of chaos, and panicked shouts could be heard everywhere.

In the chaos, Tang Hao walked forward with his sword in hand. With a light swing, heads flew into the air and blood spurted out. Bodies exploded into a mist of blood from the sword Qi.

A blood-red light spread out in the air.

Along with the screams, this place was like hell.

Tang Hao's clothes were stained with blood, and his killing intent was as terrifying as the Asura.

"Oh heavens! What a brutal demon he is!"

Countless people cried out in shock, their bodies trembling in fear, their faces pale.

"You devil, stop! You dare to kill innocent people in Star City!"

Some people shouted sternly.

"Innocent?"

Tang Hao chuckled. "Which one of you is innocent?"

"Today, I'm going to massacre this city. What can you do about it?"

"Die!" Tang Hao shouted. The light of reincarnation spread out wildly. He slashed again. Bang Bang Bang! A row of bodies exploded from the sword Qi, turning into a bloody mist.
