

The Mightiest Little Peasant Chapter 1331

Hiss!

Tang Hao gasped. He was shocked.

Just an aura was enough to send him flying. The person who attacked must be a peerless master, an existence that surpassed slash three.

He stopped and looked up. In the sky, the clouds rolled and revealed a huge human face.

The pair of eyes opened and shot out two beams of golden light.

“You’re quite bold, daring to cause trouble on my high sun planet!”

He shouted in anger. His voice was like muffled Thunder that reverberated between heaven and earth.

“It’s heavenly Lord Qinglan!”

The four of them exclaimed in shock.

They immediately looked respectful and bowed to the sky, shouting in unison, “Greetings, heavenly Lord!”

The expressions of those from the sun Moon Mountain changed. They also bowed and called out, “Greetings, heavenly Lord Qinglan!”

Then, one of the three-beheading elders stood up and cupped his hands. “Heavenly Lord, this man has killed more than 20 people of my Sun Moon Mountain. I must capture him and bring him back. I hope that you can fulfill my wish, heavenly Lord.”

“Alright!”

The heavenly Lord responded.

Then, the void distorted, and an indescribably huge palm materialized. It pressed down from the sky and slammed toward Tang Hao.

In an instant, it was as if the sky had collapsed, the sound was extremely shocking.

“F * ck!”

Tang Hao’s expression changed drastically. This was a mighty immortal. If he was hit by this palm, he would be crippled, if not dead.

He wanted to escape, but a terrifying aura was suppressing him, locking the void around him, making him unable to move.

Bang!

The palm slammed down with a loud bang and hit him firmly.

Tang Hao grunted. His body shook, and he spat out a mouthful of blood.

The Supreme armor on his body couldn’t withstand it. The layer of bones on the surface began to crack, and then it exploded inch by inch.

“Not good!”

Tang Hao’s expression changed drastically. The armor could be destroyed, but the void bone could not.

He quickly removed the void bone and kept it in his ring.

His body shot down like a cannonball. With a loud bang, he landed heavily on the ground, creating a huge hole.

Pfft!

In the cave, Tang Hao spat out another mouthful of blood. His face was pale.

This palm strike was too powerful!

This was a mighty figure who had become an immortal. A casual palm strike from him would be enough to make him suffer.

“Motherf * cker!”

He turned over and cursed. Just as he was about to escape, the palm came again. This time, it was not a slap, but a five-fingered grab.

“You want to catch me? No way!”

Tang Hao gritted his teeth. His eyes were filled with hatred.

With a thought, the armor on his body instantly disintegrated. He rushed up and collided with the giant palm.

Peng Peng Peng!

Balls of light exploded, causing the giant palm to tremble.

“You’re really willing to do that!”The heavenly Lord was stunned.

It was a Supreme-grade Dao weapon. Moreover, he could sense that it was extraordinary. It was rare even among Supreme-grade Dao weapons.

Such a treasure, even he could not bear to drop it.

When the people around saw this, they all beat their chests and stomped their feet, cursing loudly.

“That’s a Supreme-grade Dao artifact! He actually exploded!”

“What a prodigal!”

Tang Hao waved his hand, and the golden sword flew out.

“Wait, what is he trying to do?”

Everyone’s eyes widened, and their hearts were in their throats.

Bang!

The golden sword collided with the giant palm and exploded.

“F * ck! Another one!”

Everyone cursed, feeling as if their hearts were bleeding.

It was too extravagant! What a prodigal!

Two Supreme-grade Dao artifacts had exploded just like that. How could there be such a prodigal person in this world?

At this moment, they wanted to grab that guy and give him a few tight slaps.

The heavenly Lord was also speechless. He didn’t even notice that the giant palm had been blown away.

He was shocked by this guy’s wastrel behavior.

Two Supreme-grade Dao artifacts ... Even a mighty immortal like him couldn’t bear to part with them!

At this moment, he also wanted to grab this guy and give him a few tight slaps and kicks.

Tang Hao gritted his teeth. He flicked his wrist again, and a ray of light shot out.

It was a turtle shell.

When everyone saw this, their eyes widened even more, and they were almost horrified.

“Another one! It’s going to explode again!”

“Oh heavens! Hurry up and send down a bolt of lightning to strike this bastard! Don’t let him harm our precious!”

“F * ck!”

Heavenly Lord Qinglan couldn’t help but curse.

Bang!

The tortoiseshell exploded, shattering the giant palm and dispersing the aura of the heavenly Lord.

“Old man Qinglan, I’ll remember you!”

Tang Hao shouted. He raised his head and stared coldly at the face in the sky.

“Today’s shame, I will definitely return it in the future!”

He shouted coldly again as he took out the void bone and held it in his hand.

The next moment, the void trembled and he disappeared.

“Where is he?”

“Not good! He ran away!”

After a moment, everyone reacted.

Everyone from the sun Moon Mountain turned ashen. They had never thought that even a heaven monarch would make a move, but that guy still managed to escape.

So many people had died, and the person had not been caught. How were they going to explain this to the sect?

“Search!”

“Even if we have to chase him to the ends of the earth, we must find him and bring him back to the sect!”

They scattered and charged in all directions.

“This guy ... He has some courage!”

In the sky, the Lord of Heaven mumbled. Then, he laughed and muttered, “this guy is really overestimating himself. I’ll return him to you in the future. How are you going to return him?”

His words were filled with disdain.

In his eyes, that guy was just an ant, not a threat at all.

Even if he had some talent, it was almost impossible for him to become immortal.

There were countless geniuses in the world who had severed their Dao, but how many of them could successfully become Immortals?

His spiritual sense quickly swept across the entire planet Gaoyang.

“No? It seemed that he had escaped! Forget it, it’s just a small Dao severing, it’s not worth me personally taking action!”

He muttered.

Then, the clouds in the sky changed, and the giant face disappeared.

“Hurry up! Quickly go find that guy!”

“He killed so many people from Mount Riyue. Mount Riyue will definitely issue an arrest warrant. As long as we can find him, we’ll be able to make a fortune!”

Everyone flew up and rushed into the starry sky.

This news quickly spread throughout the entire high sun planet.

All the forces on planet Gaoyang, big and small, knew that a vicious man had appeared in Star City. He had slaughtered in all directions, almost massacring the entire city. He had even killed young master long of Mount Riyue and the rank-9 monster, Gongsun Yulong.

Gao yangxing was boiling with excitement!

Then, the news spread to the starry sky, causing the main planets to be in an uproar.

He had massacred Star City and even dared to kill the monster of the sun Moon Mountain!

It had been many years since such a sensational event had happened.

It had been a long time since such a fierce person had appeared.

“That guy’s surname is Shi, he’s from Qiyuan. Yes, that’s the old Star!”

Just like that, the infamy of old Demon Stone, who came from Qiyuan, spread like wildfire.

The Dao severing perfected Lords swarmed and scattered across the entire star field in search of the old demon surnamed Shi.
