

## The Mightiest Little Peasant Chapter 1355

“Al! Young man, don’t go!”

“You really don’t want to!”

The old man waved his hand and hurriedly shouted.

He was a little confused. Didn’t most people cry and beg to inherit his Dao soul? However, this guy clearly passed the test, but he didn’t want the result.

This was the first time he had seen such a thing!

Everyone was also very confused. This was the first time they had seen such a strange thing.

“I really don’t want to!”

The young man waved his hand.

The old man stood there, stunned. He felt a little depressed.

F \* ck! Since you don’t want it, why did you come to accept the test? It’s too torturous to be terrified and then not want it!

“F \* ck! You’re too willful!”

“Damn it, if you don’t want it, give it to me!”

Everyone pounded their chests and stomped their feet, cursing out loud.

They had been begging for a Dao soul but had not been able to get one. However, this fellow had wasted a Dao soul for nothing.

“This guy ... Who is he? Which family’s prodigal?”

“I don’t know him! He looks very young and quite handsome. I just don’t know if he’s an old demon or a young man. ”

The crowd sized up the young man and began to discuss.

The young man paced around with his hands behind his back, his eyes scanning left and right before suddenly landing on a tomb and muttering, “This one’s not bad, try it!”

He sat down in front of the tomb.

“Hey! Did this guy have nothing better to do? You’ve already obtained a wisp, but you don’t want it anymore. Do you really think it’s that easy to get a Dao soul?”

“Hmph! I’ll see how he regrets it later!”

The crowd immediately sneered.

It was extremely difficult to ask for Dao hun. That guy had managed to get a wisp of Dao hun, but in the end, he didn’t want it. That was extremely stupid.

They all gathered around, waiting to see how this guy would make a fool of himself.

“I’ve just tried this tomb. That senior is a go fanatic, and the test he set was also for playing Go!”

Someone pointed at the tomb and said.

“Hey! This guy is definitely out of luck!”

The crowd laughed even more mockingly.

Generally speaking, these seniors' tests could be divided into two types. One was to test one's comprehension, such as taking out a sword technique and letting one learn it on the spot. The other type was chess, painting, and poetry. These were all the types that one liked.

The former was still fine. Although it was a little difficult, it was at least considered a normal test. However, the latter was extremely abnormal and was the most difficult test.

However, after laughing for a while, they could no longer laugh.

The tomb shook and a ray of light rushed out. It turned into a green-robed old man who laughed loudly. "Hahaha! He really met his match! It felt great! It's so satisfying!"

"Young man, we are fated. Here, take this Dao hun!"

Everyone was dumbfounded. Their eyes were wide open in disbelief.

This guy ... Had succeeded again?

Oh my God! How was it possible to succeed twice in a row?

"I think ... I just got lucky! He just happens to know how to play chess!" Someone said.

"Yes, yes! It must be like this!"

Everyone said in a hurry.

"This guy's luck is too good!" They smacked their lips in envy.

"I'm sorry! I don't need it!"

However, at this moment, the young man added.

Everyone was dumbfounded once again. They even thought that there was something wrong with their ears and that they had heard wrong.

The old man was also dumbfounded.

“Cough, cough! I’m just trying. Senior, you should keep your soul! To the next fated person!”

The young man smiled naively and turned to leave.

The old man’s face twitched, and he was very depressed.

He slipped away and didn’t want it! What the hell is this?

The crowd was stunned for a long time. A moment later, there was a loud noise and the crowd was completely boiling.

“This guy is crazy! You don’t want it again!”

“There’s a hole in his brain! You’re crazy!”

He had succeeded twice, but he didn’t want it twice. If he wasn’t crazy, what was he?

“Look ... He’s sitting down again!”

Seeing the young man sit down in front of another tomb, the commotion grew even more intense.

“Eh? Why is it so lively over there?”

Upon hearing the commotion, more people gathered around the mountain. After hearing the commotion, they were all dumbfounded.

Very quickly, a piece of news spread.

There was a weirdo on the mountain who passed the test twice but didn’t want Dao hun.

After hearing about it, more and more people rushed over to watch the show.

“This is the third one. It’s impossible to succeed again!”

“Definitely! Did he really think that the test was that easy? If he can pass, I’ll run around naked!”

“I eat dirt!”

The crowd swore.

But they were not worried at all, because no one had ever passed three tests in a row. Even if a monster like young master Lu was here, he might not be able to pass. Because these tests were all strange and even monsters would not be able to pass.

However, not long after, the tomb shook and a Dao soul rushed out.

“This ... This is impossible!”

Everyone was stunned again.

The faces of the people who had made the bet turned green.

“No, I really don’t want to! I’m just trying it out!”

The young man spoke again.

“You beast!”

“It’s already the third time. If you don’t want it, why won’t you give it to me?”

Everyone beat their chests and stomped their feet, cursing and swearing.

“He’s sitting down again!”

“I’ve succeeded again!”

Following that, exclamations of shock rang out non-stop. Everyone was shocked again and again.

The fourth time, the fifth time ...

They all felt that this was a little crazy. How was it possible to succeed over a dozen times in a row?

Could it be that he was omnipotent?

Not only was his comprehension outstanding, but he also knew how to play chess, paint, recite poetry, and compose couplets. Was there anything he didn’t know?

This guy ... Who was he?

Also, why did he reject it every time?

Someone couldn’t help but ask.

“It’s fun!”

The young man replied.

This answer made countless people choke.

Everyone was speechless.

They really couldn’t refute this reason.

At the same time, they were also hurt.

F \* ck! Other people could pass the test time and time again just by playing around, but they couldn't even pass a single one despite all their efforts. It was really infuriating to compare.

"Al! Brother, are you looking down on the great Dao? What kind of Dao do you want?"

Someone asked.

The young man raised a finger and pointed upwards.

"How many Zhang? Five thousand Zhang?"

In everyone's eyes, this person's talent was extraordinary. No matter what, he should be at least five to six thousand Zhang.

The young man shook his head in disdain.

"Seven thousand?"

The young man still shook his head.

"Eight thousand?"

Everyone's expression changed.

Those who could reach 8000 were all quite impressive figures.

However, the young man still shook his head with a disdainful look, as if 80000 feet was nothing in his eyes.

"Hiss! It can't be 90000 Zhang, right?"

Everyone sucked in a cold breath.

90,000 feet was a height that only a monster could reach. Could it be that the person in front of him was a young monster? But why had he never heard of this person?

However, the young man still shook his head. He pointed at the peak of the mountain and said, "What's 90,000 feet? I want to step on the 100,000 feet peak!"
