

## The Mightiest Little Peasant Chapter 1378

BOOM! BOOM!

The trial zone was in chaos.

There were roars and explosions everywhere, and it was extremely chaotic.

On one side, a giant python was wreaking havoc and spitting out black mist. On the other side, a giant ape that looked like a Demon God was walking forward. With a wave of its palm, it shattered mountains.

In another direction, another divine Tiger soared into the sky. Its entire body was pure white, and it had a pair of wings on its side. Its body was as large as a small mountain, and it exuded an extremely terrifying pressure.

This was a descendant of a White Tiger. He possessed an extremely ancient bloodline and was extremely powerful.

In this trial zone, there were more than thirty immortal beasts, and this descendant of The White Tiger could be ranked in the top five.

It roared at the sky with a crazed expression. As it flapped its wings, it created a strong wind that swept in all directions.

Boom! Boom! Boom!

Wherever the astral winds arrived, everything would be blasted apart.

“Ah, Yingluo!”

A series of screams rang out. Many people were affected and were sent flying while spitting blood.

Then, in the distance, a beam of green light shot into the sky.

It was a green Luan with gorgeous wings, and its whole body was blooming with dazzling divine light.

It shrieked and flapped its wings, sending green flames in all directions.

“Aaah!”

There was another wave of screams as another group of people was affected.

Then, in all the dangerous and forbidden places around the trial zone, the roars of beasts rang out. One after another, giant beasts rushed out of their resting places with furious expressions and wreaked havoc in all directions.

Everyone in the trial zone was stunned.

They raised their heads and looked in all directions. Their faces were pale and their hearts were filled with fear.

“What’s going on?”

They could not understand what was going on with these giant beasts.

There were indeed many giant beasts that had become Immortals in this trial zone, but they were all tamed by the heaven-reaching courtyard. Moreover, these beasts had extremely high intelligence and were no different from humans, so they usually wouldn’t take the initiative to attack the participants.

Not to mention, he was so furious that he was on the verge of going berserk.

It seemed like someone had provoked them. However, who would be so bold and crazy to provoke so many immortal demon kings?

Furthermore, what did he do to make these immortal Devil Kings so crazy?

“Heavens ...”

“What’s going on?”

Lei zhentian and the others had split up to search for the whereabouts of that Shi. When they heard the commotion, they looked up and were stunned.

The giant beasts walked among the mountains, crushing one mountain peak after another. The birds circled in the sky, covering the sky. This scene was as terrifying as purgatory.

Even they felt a trace of fear.

“Quickly run!”

Everyone began to run and hide in all directions.

Some of them couldn’t Dodge in time and were caught in the shockwaves, letting out shrill screams.

“Mother! It was too terrifying! This trial is too terrifying!”

Someone cried out in shock, thinking that this was part of the trial.

“Who said that? this is not a trial. I’ve participated in it seven times, and nothing like this has ever happened!” Someone immediately retorted.

“You’re not? Then what’s going on?”

“F \* ck! How would I know!”

Everyone was about to go crazy as they ran.

So many immortal fiend Kings were simply too terrifying. They were here to take part in the assessment, not to throw away their lives.

“Mother! It was so scary! I want to go home!”

A seven or eight-year-old kid was so scared that he cried.

For a moment, screams, screams, and roars of beasts were all mixed together. The situation was extremely chaotic.

No one was thinking about that Shi guy anymore. They just wanted to escape from this group of immortal Devil Kings. They felt that as long as they hid from the limelight, the anger of these Devil Kings would be appeased.

In the midst of the chaos, there were also people who found an opportunity and began to take action.

“Hahaha! It’s a heaven-sent opportunity!”

They sneaked around and waited for an opportunity to take action and snatch the equal to heaven token.

“Thump thump!”

The sound of the heavy blow echoed throughout the forest. At the same time, the laughter of these people rang out.

Among them, there was a man in Black with a big stick in his hand. He was moving around like a ghost, coming and going without a trace, like the wind.

The big stick in his hand was extremely thick. With every strike, someone fell.

Then, they were robbed of everything. The man didn’t even have his underwear left, while the woman only had a piece of clothing.

He continued to shuttle back and forth, and countless people fell under his big stick.

“Over there!”

Suddenly, his expression changed. One of his split souls had found the trace of one of the monsters.

He immediately shuttled through the void and arrived near his destination. He opened the ring and released his aura. The ferocious beasts from all directions immediately swarmed over.

A few top geniuses were hiding in a ditch nearby, observing in the dark. When they saw this, they were so scared that they almost peed themselves.

F \* ck!

Why did this group of fierce beasts look like they were coming for them? they looked like they were going to swallow them alive.

They didn't even have time to think about what was going on and ran.

Ahhhh!

With a few miserable shrieks, they were sent flying by the God Tiger that was charging at them.

Before they could recover from their shock, another giant python pounced over from the side.

"Mother of God!"

They were scared out of their wits, and they used their trump cards to escape.

However, at this moment, the void behind them suddenly rippled. A figure came out and pounced at lightning speed.

"Not good!"

When they heard the strong wind behind them, their hearts sank and they cried out that something was wrong.

However, before they could react, something hard knocked on their heads, directly breaking their protective light curtain.

Their eyes turned white, and they fainted and fell to the ground.

Each of them had a huge swollen bump on their foreheads.

“Hmph! Who asked you to be so arrogant!”

Tang Hao landed on the ground and laughed coldly with the club on his shoulder.

At first, he didn't want to do this, as he felt that it wasn't good. After all, they would be fellow disciples in the heaven-reaching Academy, and it would be a little embarrassing to Rob fellow disciples.

But now, this group of people was bullying him, so he had no more worries.

He walked over, grabbed the big stick, and hit them hard, until their faces were swollen and swollen. Then, he stripped them naked and robbed them of everything.

“Waa! Good treasure!”

“This one's not bad either! He struck it rich! I'm rich!”

Tang Hao's eyes glowed with excitement as he removed the cloth.

These were all descendants of the ancient race, and they were all carrying top-grade treasures.

After he was done looting, he threw these people into the grass and even made all kinds of shameful poses.

Then, he dusted his hands, picked up the big stick, and walked away in satisfaction.

These people had extraordinary identities, and he couldn't kill them randomly. If he did, he would be in deep trouble. Not only the ancient race, but even the Qitian Academy would fight him to the death.

“Robbing is good!”

Tang Hao was very excited to have so many treasures with him.

“Oh! I was too kind and merciful before!” Tang Hao sighed, then clenched his fists and mumbled, “No, I’m going to go all out and Rob them all!”

As he spoke, his eyes bloomed with a bright light.

He carried the big stick and set off with high fighting spirit and passion.
