

The Mightiest Little Peasant Chapter 1413

“One!”

Tang Hao knelt down and stripped the song clan member naked, not even leaving his underwear. Then, he tossed him aside and left.

He carried the bulging bag and hummed a little tune, relaxed and happy.

“Eh? Isn’t that the fat sheep?”

When someone released their soul consciousness to explore the surroundings, they discovered him.

“Hahaha! The heavens are really helping me! I’ll be taking these treasures!”

He couldn’t suppress his wild joy. He jumped up and charged toward Tang Hao, shouting, “Shi, obediently hand over the item!”

“Al! How pitiful!”

Tang Hao looked at him with pity.

“Yo! You’re even getting arrogant! He’s just a country bumpkin! So what if you have some talent! In terms of strength, you’re not even strong enough to carry my shoes!” The man was furious.

Tang Hao was too lazy to waste his breath. He rushed forward and punched.

“Yo! You still dare to make a move, you’ve got guts!”

Seeing this, that person couldn’t help but laugh.

But then, he could no longer laugh. He let out a shrill cry like a pig being slaughtered as he was sent flying by a punch.

He was a little stunned!

“This situation doesn’t seem right. Didn’t they say that this guy’s strength is not ranked in the top of the heavenly Department?” But now that he saw it, how could it be so strong?

Not good! He had been tricked!

He immediately came to a realization and wanted to cry but had no tears.

How was this guy a fool, a fat sheep? he was clearly pretending. This time, he had firmly kicked an iron plate.

“Brother, big brother! Stop! Let’s discuss this, don’t fight!”

“Aiya! Don’t hit my face! Ah! My handsome and suave face! I’m going to kill you!”

Tang Hao rolled his eyes and punched him again, knocking him unconscious. Then, he took everything from him.

“Two!”

He carried the bag full of treasures and continued on his way.

He swaggered over, not hiding his tracks at all. Very soon, someone discovered him.

“Eh? ‘Isn’t he that idiot from the equal of heaven Department?’ That bag must be full of treasures! Hahaha! Since you’ve delivered yourself to my door, then I won’t be polite!”

“Brat, stop!”

He jumped out and shouted.

“B-robbery! Pills, tribulation weapons, Dao weapons, hand them all over!”

His body was already burly like an iron tower. At this moment, when he glared, he looked like a fiend, which was really a bit scary.

“Three!”

Tang Hao raised an eyebrow and mumbled to himself.

“What three?” That person asked in bewilderment.

“Congratulations, you are the third person to Rob me!” Tang Hao grinned. His smile was bright.

“What?”

The man was stunned. He thought he was the first one to Rob this guy, but it turned out he was the third ... Wait, something didn't seem right. Since someone had robbed him before, how could he still be fine?

“What about the previous two?”

“What do you think?”

That person was stunned again. He thought to himself, “that's right. Since this guy is fine, then the two of them must have failed.”

“Hmph! Two pieces of trash! I'm different from them!” He patted his chest and said in disdain.

However, he didn't take it to heart. After all, this guy was from the equal heaven Department, so he must have some strength. With so many treasures, it was indeed difficult to take him down. It was normal for the first two to lose.

"Oh? Is that so?"

Tang Hao's smile became even brighter.

"Then how about this! I'll throw a punch, and if you can catch it, I'll give you all the treasures in this bag. What do you think?"

The man was startled and immediately became ecstatic. He nodded without thinking and said, "Alright!"

He laughed in his heart, haha! As expected, he was an idiot! I'm from war god mountain, and I'm best at my physical body. Let alone one punch, I can even take a few hundred punches from you!

"Come on!"

He immediately assumed a horse stance, crossed his arms, and assumed a defensive posture.

“Then I’m coming!”

Tang Hao clenched his fists and said.

“Hurry up, what nonsense are you still talking about! Boy, remember to use more strength, don’t be soft like a woman, if you’re a man, you have to use all your strength!” That guy shouted, his face full of disdain.

“Oh!”

“Okay,” Tang Hao replied. He walked up to him and blew on his fist.

When the man saw this, he was instantly amused.

Who was the one who breathed on his fist before punching? why did it sound like a child’s game?

“Are you sure you can do it?” He shouted again.

At that moment, Tang Hao moved and punched the man.

Bang!

There was a muffled sound.

What followed was a shrill cry that sounded like a pig being slaughtered. The man’s body trembled as if he had been struck by lightning. His face twisted and his eyes almost popped out of their sockets!

He was directly sent flying, crashing into a towering ancient tree.

What was going on?

His mind was in a daze, and he couldn’t quite wrap his head around it.

When he stopped, he slowly realized that he had been tricked! This guy was obviously an expert!

“Motherf * cker!”

He cursed angrily and was extremely depressed.

He had thought that it was a fat sheep, but who would have thought that it was an iron plate.

“Hahaha! Brother, it’s all a misunderstanding!”

Looking at the smiling fellow walking over, he shivered and was on the verge of tears.

This iron plate was too F * cking hard!

Tang Hao walked up to him and smiled at him. Then, he punched the man, knocking him out and taking everything from him.

“Not bad! Not bad!”

Tang Hao grinned as he counted the treasures.

These people all had a lot of good things on them, some even had Kalpa artifacts, but things like Kalpa artifacts were not easy to take, so they could only throw them away.

He threw the man into the bushes and hummed a little tune as he continued on his way.

“Hahaha! It’s that idiot!”

“Look! It’s that fat sheep!”

Along the way, there were people who discovered him from time to time. They were all overjoyed and rushed up to Rob him.

In the beginning, they were all very arrogant, but very soon, they couldn’t be arrogant anymore and were all beaten senseless.

“F * ck! It’s so fierce!”

“F * ck! This kid is just pretending, he’s a great expert!”

They cried for their parents and were filled with regret.

Many people saw that the situation was not good and tried to escape, but they could not outrun Tang Hao. Tang Hao caught up to them, knocked them unconscious, and robbed them of everything they had.

“Eh? This guy has Dao fire?”

Tang Hao discovered the aura of Dao fire on one of the disciples of the primordial chaos dojo.

“Snatch it! Rob them all!”

After Tang Hao knocked the man unconscious, he took out the Golden cauldron and extracted the Dao fire kindling from the man’s body.

“One, two, three ... A total of three! They’re all very rare species, I’m going to be rich!” Tang Hao was so happy that he could not stop smiling.

Instead of finding a Dao fire in this world, he found a Dao fruit from a disciple who was also participating in the trial. This was really beyond his expectations and could be considered an unexpected joy.

Ever since he came out of Qiyuan, he had twenty-two types. Later on, he killed an old monster on planet Ling Xuan and obtained four types. With these three, he had twenty-nine types.

He was also closer to his goal.
