

The Mightiest Little Peasant Chapter 1601

“How did this happen?”

Liu heihu sat on the ground, his face blank.

He could not believe that this guy had become a saint!

All these years, he had had many fortuitous encounters and thought that his cultivation had improved quite quickly. However, he was only at the great circle of the immortal realm now, but this guy had already far surpassed him and become a saint!

How did he do it? in less than 20 years, he went from Dao severing to the great circle of immortal transformation, then crossed the threshold of mortal transformation, and successfully entered the sage realm?

This speed was completely inconceivable!

“This guy ... Is a pervert!”

Liu heihu laughed bitterly. He was so depressed that he wanted to vomit blood.

He had been full of confidence before, thinking that he could ruthlessly trample on this guy again and wash away his previous humiliation. But he had never expected that he was still too naive. This guy was just as abnormal as before.

At the same time, he was a little puzzled.

Since this fellow had already become a saint, what was the point of being so long-winded? just now, he had directly revealed his cultivation, and these people would have been scared out of their wits and knelt down to beg for mercy. Wouldn't there have been no trouble then?

“It's really strange!”

He muttered, unable to figure it out.

“Sainth...Saint realm?”

“How is this possible? When did this bastard become a saint?”

Exclamations rang out in all directions.

Everyone was in disbelief and even a little lost.

When did this brat become a saint?

This bastard clearly appeared not long ago and was only at the great circle of immortal transformation. Such a short period of time was simply not enough for him to become a mortal.

However, this Saint-level aura was real. This bastard had really become a saint.

“Damn it, God, you’re blind! How could you let such a goddamned bastard become a saint?!”

“We’re finished! He was completely finished! I can’t get back all the treasures, and there’s no hope of revenge in this life!”

In an instant, wails and curses rang out from all directions. Some people even cried, but when they thought of the treasures that had been stolen from their homes, they thought that they would never be able to get them back.

To ask for a treasure from a Saint, wasn’t this the same as an old man hanging himself?

The people from the large sects were shocked for a long time, and then they all smiled bitterly. From now on, no one on planet South parting would be able to do anything to this little thief.

Even though they were extremely unwilling, they could only give up.

“F * ck ... No, venerable Tang, let’s call it even!”

“Venerable Tang, let’s just let bygones be bygones! From now on, my Dong Shi mountain has nothing to do with you, immortal venerable. ”

They all stood up, wanting to end their grudges.

No matter how detestable this guy was in the past, his status was completely different now that he had become a saint. No one wanted to provoke a Saint.

“All grudges are settled?”

“Did you forget that you were the ones who attacked first?” Tang Hao mumbled to himself and laughed mockingly. “Now that you can’t win, you’re going to settle the score. It’s not that easy!”

Everyone was stunned, and then they revealed resentful expressions.

“Tang Ritian, don’t be so arrogant. You’ve only become a saint, not invincible. Don’t forget that there’s a Saint on the eastern Shi mountain!”

“And my sky poison mountain.”

The people from the three grotto-heavens shouted angrily.

“You’re looking for death!”

Tang Hao’s expression turned cold. His eyes flickered, and he heard a few thuds. The people who had made the noise trembled and were sent flying. They fell to the ground, spitting blood.

Si si si!

Everyone sucked in a breath of cold air.

He was able to severely injure a perfected heavenly Lord with just a look. He was indeed a Saint realm expert! It was too terrifying!

Even if all of them were to join forces, they would still not be a match for this person.

“Tang Ritian, what are you doing? Do you want to kill all of us?” The Lord of Heaven of the Dongshi mountain roared.

“What? It can’t be!”

“That’s hard to say! This guy was hunted down by us in the past, so he must have a grudge. Now that he’s a Saint, he’ll definitely take revenge!”

Everyone was panicking. Those people in the distance had started to escape.

“Stop! Don’t even think about running away!”

Tang Hao’s voice was like thunder, and it shook those people’s heads. They groaned and froze on the spot, not daring to move.

“Go! Call all your elders over. I want an explanation for today’s matter. ”

Tang Hao looked at the people from the three grotto-heavens.

“Alright! Just you wait, don’t run when my forefather comes!”

“Hahaha! You’re dreaming if you want an explanation!”

The people of the three grotto-heavens laughed out loud.

Soon, three beams of light shot into the sky and flew in all directions.

“What the hell is this guy doing?” Liu heihu was even more confused.

This guy clearly knew that this was a misunderstanding, so why did he really act?

“This guy is quite smart, he should have known it was me long ago! No, we have to retreat quickly!” He felt a little apprehensive.

However, when he turned around, no one dared to leave. If he ran now, he would be exposed!

He could only restrain himself and carefully hide in the crowd.

Two to four hours later, a magnificent immortal radiance swept over from the horizon.

It was the old ancestor of the Dongshi mountain, a white-haired and white-bearded old man with a Sage-like appearance.

“It’s really strange! That son of a B * tch actually became a Saint!”

He couldn’t believe it.

At the same time, he was a little angry that a new Saint dared to be so arrogant.

“Hmph! This little thief is truly detestable. Such a scourge, we should take advantage of the fact that he hasn’t fully matured to exterminate him with thunderous methods to prevent any future trouble.”

He thought to himself.

He was very confident about this. After all, he was a veteran Saint! If he used his full strength, he still had a chance to kill this little thief. At the very least, he could seriously injure him. At that time, he could kill him with the help of the other fellow Daoists.

“I’ll just take it as helping the heavens!”

His spirit was greatly roused, and after flying into the sky, his entire body trembled, and his aura burst forth.

His voice was like a great Bell as he shouted sternly, “Damn little thief, How dare you! Do you really think that no one can do anything to you now that you’ve become a saint? Today, I’ll exterminate you on behalf of Tian xingdao!”

After saying that, he waved his hand and a seal flew out. It was the treasure of his Eastern beginning mountain, the eastern beginning seal.

The seal expanded in the wind and pressed down with a monstrous might.

The surrounding crowd retreated.

They were all excited and cheered.

Now that the forefather of the eastern Shi mountain had made his move, this little thief was going to be out of luck.

“Hahaha! This idiot, he’s asking for it!” Liu heihu was even more excited.

Tang Hao chuckled when he saw the seal. “You’re nothing much!” After saying that, he stomped his feet on the ground and rushed into the sky, stabbing his spear over.

Clang!

A deafening explosion.

The East beginning seal was directly blown away. With a “biu” sound, it flew far away.

The expression of the eastern first mountain’s forefather stiffened. The smug smile on his face froze.

In the next moment, his old face twisted in extreme shock and disbelief.

“I’ll F * ck your mother!”

He couldn’t help but curse.

In his heart, he couldn’t help roaring.

F * ck!

Which bastard told him that this guy had just advanced!

Motherf * cker! His aura was so strong, and his cultivation level was obviously higher than his. How could this be called a recent breakthrough? Just promoted, your sister!

And this aura, it was too fierce, too terrifying!

He was a F * cking jinx!

Looking at the figure in front of him, he shivered and wanted to cry but had no tears.
