

## The Mightiest Little Peasant Chapter 1636

“Alright!” Tang Hao chuckled.

How could he not see that these people were trying to stall for time? however, he wasn't afraid, as he could take this opportunity to meet the divine Minister of great Qin.

The uncle's family started to retreat and gather together.

“This guy ... Where did this Saint Come from?”

They were all extremely puzzled.

What shocked them even more was that this guy had personally said that he had a bit of a friendship with tai-Shu Li, and it was definitely not an ordinary friendship. Otherwise, why would he have come to the Tai-Shu family for tai-Shu Li?

Tai-Shu Li was just a slave immortal in their tribe. He was very unremarkable. It was said that he came from a dilapidated place, and his cultivation was not very good. How could he know such a powerful figure?

A Saint was a figure at the peak of the starry sky. It was the dream of many people to have a relationship with such a figure!

“On what basis!”

“F \* ck! There's no justice!”

They cursed in their hearts and were extremely jealous.

“Hmph! This guy is quite bold to come to our great Qin. Our patriarch is invincible, and he can take this guy down by himself. Not to mention, there's also Marquis Wu and the Qin Emperor!”

“Let's just wait. When the family head returns, we'll teach this guy a lesson!”

They sneered to themselves.

A few moments later, an angry roar came from the distant horizon. A vast beam of celestial light shot over, reaching the sky above the divine Prime Minister estate and suddenly landing. A figure appeared.

It was a middle-aged man who looked like he was in his fifties. He had a square face and thick eyebrows. He looked dignified without being angry. He was dressed in a Green Dragon robe and his whole body was blooming with a bright immortal light.

This person was tai-Shu Yuntian, the divine Minister of the great Qin.

“Greetings, patriarch!”

As soon as he appeared, all the people of the Tai-Shu family bowed and greeted him respectfully.

“Who are you?”

Great-uncle Yuntian furrowed his brows and studied Tang Hao.

This was a Saint, but he had never seen one before. This was strange. Not only did he know the central sacred planet, but he also knew all the Saints in the entire astral world. Where did this guy come from?

Then, he snorted in anger, and anger rose in his heart.

This fellow truly did not know what was good for him. He actually dared to act so atrociously in his divine Prime Minister estate!

“How dare you!” He shouted.

“You’re the head of the Tai-Shu family?” He was sizing up Tang Hao, and Tang Hao was doing the same.

“It is!”

Great uncle Yuntian shouted.

“Master, this is the man who killed the eldest young master. He also killed many of our men!”

“Master, you must avenge the dead clansmen!”

The people of the Tai-Shu family below all shouted, their faces full of grief and indignation.

“Don’t worry! I will seek justice for them!”

Great uncle Yuntian shouted.

Then, he glared at Tang Hao and shouted, “I don’t care who you are, but since you’ve come, don’t leave. Great Qin isn’t a place you can come and go as you please.”

With that, his expression changed and his Qi exploded. He opened his mouth and a green light shot out.

It was a cauldron that was green in color with two green Dragons coiled around it.

The body of the cauldron shook and suddenly expanded to the size of a small mountain.

“Dragon Qi? No, they’re just two green wyrms that haven’t truly transformed into Dragons yet!” Tang Hao laughed when he sensed his aura.

Tai-Shu Yuntian was furious. This was the most powerful treasure of the Tai-Shu family, the Green Dragon Cauldron. Although there were only two half-dragon Green flood Dragons, it was still one of the few treasures in the world. How dare this guy look down on it?

“Hmph! If you have the guts, then take out a true dragon Treasure!”

Tai-Shu Yuntian said indignantly.

The treasure of a true dragon was extremely rare. How could it be so easy to find? his Azure Dragon Cauldron was already very powerful.

“Alright! I’ll take it!”

Tang Hao took out the seal of the Dragon Emperor.

Tai-Shu Yuntian was looking at him with a sneer, ready to see this guy make a fool of himself. However, when he focused his eyes, he was stunned. His eyes suddenly widened so much that they were about to pop out of their sockets.

He stared straight at the seal, unable to believe his eyes.

“Look closely, this is a genuine treasure of the true dragon!”

Tang Hao grabbed the seal and tapped it with his finger.

Tai-Shu Yuntian was stunned for a long time before he suddenly gulped. He was a little excited, and his entire body was trembling.

That’s right! This was indeed a true dragon Treasure, the true dragon Treasure that he had been thinking about day and night!

“Is one enough? if not, then I’ll have another one! I’ll let you see all you want!”

Tang Hao mumbled.

Tai-Shu Yuntian came back to his senses and couldn’t help but laugh after hearing this. He thought, “this guy is too good at bragging. The treasures of the true dragon aren’t like cabbages. One is already hard to find in the world. Only a ghost would believe that you have another one!”

However, as he laughed, he suddenly stopped.

Under his dazed gaze, Tang Hao reached out his hand and pulled out a gun. He showed it to the crowd and shouted, “Come on, open your dog eyes and see what this is!”

“Two treasures of the true dragon, genuine and genuine!”

Great-uncle Yuntian was dumbfounded.

He felt that he must be dreaming. Otherwise, how could there be such an absurd thing? how could someone be so lucky to have two treasures of the true dragon?

This guy ... Who was he?

“Old man tai-Shu, eat my seal!”

Tang Hao’s face darkened. He grabbed the seal of the Dragon King and threw it at the man.

Then, he grabbed the divine spear of heaven reverse, stomped his feet, and rushed into the sky.

Whoosh!

The spear radiance broke through the air and shattered the void.

Si si si!

Tai-Shu Yuntian immediately gasped. His eyes widened again, and they were filled with shock.

Oh my God! This aura ... How was it possible?

He was close to the great circle of the first Firmament of the immortal tribulation realm!

F \* ck! Where did this peerless old monster come from!

However, he took it for granted that this was a super old monster, because it was very difficult to improve one’s cultivation after reaching the immortal tribulation stage. Those who could approach perfection were all old monsters who had lived for thousands of years.

He was frightened, and his momentum weakened a little. The Green Dragon Cauldron was smashed away by the seal of the Dragon King. Then, the spear came and hit him.

The treasured clothing on his body blocked it, but the impact still made him spit out blood and fly back.

The Tai-Shu clansmen below were all a little stunned when they saw this.

Their invincible family head was actually blown away in one move, and in such a sorry state!

“Heavens!”

“How could it be like this!”

They all wailed.

“Motherf \* cker! Where did this perverted old monster come from?” “F \* ck!” Tai-Shu Yuntian cursed when he stopped. He looked at Tang Hao again with fear in his eyes.

With such a profound cultivation and two true dragon treasures, this fellow was too ferocious!

No! He definitely couldn’t defeat them alone, so the Qin Emperor had to make a move!

The Qin Emperor was the ruler of the great Qin divine dynasty, and his cultivation was equally profound. He was one of the five most powerful people on the central sacred planet. If he were to take action, he would definitely be able to contend against this person.
